I collected secrets like other women collected bells; afraid to fully trust lest my oddities be exposed. Until I saw him. He'd been gliding down the street, unshakable confidence in every step. It wasn't just that he was breathtakingly handsome with perfect features. Something about him drew me. Sucked my focus to him and then tugged at my body. As his eyes met mine, I was entrapped. No one had noticed him. He'd been right there, just beyond the light, but only I had perceived. I had to know if he was real. Or maybe I really was crazy. And even when my secret box was blasted wide open, dangers hurled at me like throwing knives, I couldn't stop until I unraveled his true identity. I just had to know.

Child must become the bridge between the two in order to fulfill her destiny. But, how can she do this if she's been ripped away from the Dragons? Will her Dragon family be able to find her in time? This time, he's prepared to rule the Camelot of a new millennium: New York City. Handsome, charismatic Arthur Penn is running for mayor on a platform of common sense, humor, and knightly virtues. His advisors include a gifted ten-year-old named Merlin; Percival, an immortal accountant; and Gwen, a lovely young woman with no end of problems. Their grassroots campaign steadily gains strength until scandal looms with the sudden emergence of Morgan Le Fay, Arthur's sorceress half-sister, and her son Mordred, the aspiring mayor's ambitious heir. Acclaimed by Kirkus Reviews as "steady fun" by "a darkly amusing fantasist," this imaginative romp is the revised and expanded version of Peter David's first novel, *Sir Apropos of Nothing*, originally published in 1987 and now out of print. David is the author of more than fifty novels, many of which have appeared on *The New York Times* bestsellers list. His sparkling update of Arthurian myth abounds in wit, irony, and astute reflections on human nature.
