Learning to recognise common words that don't follow regular spelling rules and can't be "sounded out" is an important step to becoming a strong reader. The engaging activities in this workbook teach 220 of these essential words in a structured format that encourages independent work. Fun games and puzzles keep children's interest level high, unit tests review and reinforce new vocabulary.

Sight words are common words that appear again and again in your children's reading material. Knowing these words by sight is essential for reading fluency. This set provides practice at the beginning reading level, and introduces 30 of the most common and easy sight words. Our method makes the process of learning to recognize sight words very simple for the young reader. Consistent short vowels and simple stories mean children sound out (decode) the story, and learn only three sight words per book. With plenty of repetition and context clues, your young reader will quickly master early sight words with Bob Books Sight Words - Kindergarten.

Inside this eBook you'll find: - 10 easy-to-read, hilarious small books, 12 pages each - All stories told in three and four letter words, plus sight words - Consistent short vowels mean easy decoding in the rest of the story - Three new sight words introduced in each book

Sight words are a foundation for reading. Because sight words can't be easily sounded out, young readers must memorize them. This series helps young readers learn essential sight words through fun stories. Each page repeats the sight words to help readers recognize and memorize them. Words highlighted in the book come from the Dolch sight words lists. Bright pictures provide visual cues to help the reader. Additional features include a word list, an introduction to the author, and a letter to caregivers and educators.

Reading improves vocabulary and language skills. Children learn basic sight words as they read.

Subconsciously, they absorb information on how to structure sentences and how to use words and other language features effectively in their writing and speaking. Reading promotes achievement in all subjects, not just English. Children who are good readers tend to achieve better across the curriculum. After all, practice makes perfect in almost everything kids do and reading is no different. We aim to enable kids to read confidently, fluently, accurately and with understanding.

The Rainbow Word series takes the 500 most common words in the English language (similar to Fry and Dolch words) and groups them into different levels, based on difficulty, for easier learning by students. The levels are red (easiest), orange, yellow, green, blue and purple (most difficult). Students experience success by mastering the easier words first, and working their way up through longer words with non-phonetic spellings. In addition, there are five different groups of 100 words. The first 100 are for beginning readers in kindergarten. The next level is appropriate to first grade readers. The third set of 100 words is mid/late first grade and the fourth set is for beginning second grade, etc. Of course, any student, including kindergarten students, could master all 500 words with this program. Puzzles, mazes, matching games, and sentence completion help kids tackle words essential to reading fluency.
