Shortlisted for the Financial Times and Goldman Sachs Business Book of the Year Prize 2008 *The Snowball* is the first and will be the only biography of the world's richest man, Warren Buffett, written with his full cooperation and collaboration. Combining a unique blend of "The Sage of Omaha's" business savvy, life story and philosophy, *The Snowball* is essential reading for anyone wishing to discover and replicate the secrets of his business and life success. Warren Buffett is arguably the world's greatest investor. Even as a child he was fascinated by the concept of risk and probability, setting up his first business at the age of six. In 1964 he bought struggling Massachusetts textile firm Berkshire Hathaway and grew it to be the 12th largest corporation in the US purely through the exercise of sound investing principles - a feat never equalled in the annals of business. Despite an estimated net worth of around US\$62 billion, Buffett leads an intriguingly frugal life taking home a salary of only £50,000 a year. His only indulgence is a private jet, an extravagance he wryly acknowledges by calling it "The Indefensible". In 2006, he made the largest charitable donation on record, with most of it going to the Bill & Melinda Gates Foundation. *The Snowball* provides a comprehensive, richly detailed insight one of the world's most extraordinary and much loved public figures.

Maximizing the joy of crossdressing? Do you crossdress from a male to a female? Or is there someone in your life who does? If so, how about taking it up a notch? Increasing the pleasure and the amount of time doing it? This isn't about how to dress or how to become feminine. We have a book on that, and there are plenty of other resources too. This is how to increase your joy in crossdressing as much as possible. Whether you're a woman with a boyfriend or husband whom you want to become feminine - because of what it will do for them or you or your other boyfriend - or whether you're a sole practitioner who loves the hobby and would like to have ideas on how to reap more delight from it, this book can help. A woman who gives this book to a male will be making a statement of how much she loves him and wants him to be her special person. A sole practitioner of this hobby who takes this book to heart will be doing an act of kindness and respect

for her inner girl that says, I love who I am when I'm feminized, and I deserve to take care of her. Maximize the joys of being a male-to-female crossdresser and increase the gratification, satisfaction, degree of sensuality, and amount of time you have to enjoy it in this quick but thought-provoking short read. This is a guide that will help feminized men-husbands, boyfriends, sissies, those in female-led relationships, or cuckolded males who are feminized. Give it as a gift for them or buy it as a gift for yourself. Look inside now!

The first cycle of the Phi Moo series is assembled here together! Phi Moo: Smithville University is a typically small college in Middle America. When a new student transfers in, strange things start happening to the sisters of the Phi Mu sorority, changes that make them more buxom, docile creatures. The mysterious Maureen appears to be at the center of it all, and sorority sister Kaley sets out to find out what makes her sisters act so strangely before the same fate can befall her! Phi Moo, Too: Hitomi is a shy loner at Elliston University. But when Kaley arrives on campus, Hitomi finds herself drawn to the voluptuous girl, despite the changes she sees in the sorority house Kaley has claimed as her own. Soon, she will battle for her very being as Kaley's seductive influence begins altering the sisters of the sorority... and threatens to claim Hitomi, too! Phi Moo 3: Ron and Stephanie are the perfect couple. High school sweethearts gone to college, their whole lives before them. When Stephanie returns from a visit to the Phi Mu sorority a little more excited than usual, who's to complain? Only this change in Stephanie isn't just tonight. Something is happening at the Phi Mu sorority and Ron is determined to get to the bottom of it. What he doesn't know is every herd needs its bull and Kaley has her sights set on him.

Greg thought it would just be one time. Just "get it all out", then live life normally...One time turned to once a month. Once a month turned to once a week. Once a week turned to every night. He thought he kept his dirty little secret so well. But, they knew the entire time. Word count: 62,000 words Greg awakes to find himself restrained and dolled up. A mysterious female hypnotizer tells Greg his new name is Ashley, and with a whip, he forgets all about his past. Every idea Ashley had of "Greg" vanished into thin air. The latex hypnotist reveals that Ashley is now part of a feminization cult. Sissy maid training soon starts...The Don is the powerful alpha behind the whole transformation cult, clearly asserting and demonstrating his dominance time and time again. Every lunar eclipse, he chooses one freshly transformed sissy to live in his private mansion. What Don thought would just be another live-in sissy maid, turns out to be more than just that. Ashley... transforms his life for good. Keywords: sissy school girl, sissy maid training, sissy slave, crossdressing, feminization, mental change, gender bender, Author note: This book is a re-release of the five-book series "Forced Feminization Abduction".

A boy sent to a girls' finishing school as a girl? Sam was just another lazy kid-no direction in life, hanging out at his

parents' house, no girlfriend, listless. His parents gave him choices: Move out and work the only kind of job he was ready for, a minimum-wage job, or join the service, or go to a girls' finishing school. After his initial shock, Sam saw finishing school as the easiest way out, giving him another year to goof off and be surrounded by gorgeous, rich girls, and have a free ride for another year. Sam becomes Samantha and goes off to school-a school where the girls are taught how to take care of a man and be the ideal wife. He's trained in all aspects of taking care of a man and is torn between his male desires and ego, and the desires his new role creates in his feminized, crossdressed, gender-bending self. What will be the result of his training? Will the other girls find out what he is? Will he find a girlfriend and love? Will he learn to serve a successful man as a wife? Will his life become a dream, or a nightmare? Enter the world of a crossdressed and feminized male and see if there is any chance for the new 'gurl' in this short-read, new adult, LGBT, hot and steamy, transgender romance.

Curt's having the worst luck: his date just stood him up, he just sat in someone's cheesy nachos at the movie theatre, and a crazy naked woman BIT him in the alley outside. It's true what they say, weird things do happen at the full moon. Little does Curt know that the woman who bit him in the alley has infected him. His full moon nights are about to get a lot weirder, because from now on, he'll become a sex-hungry woman when the moon is fully exposed. His female self's appetites are insatiable when the full moon is in the sky. He can only refer to himself as a werewoman. He enlists Kathy, his oldest friend and the only person who will believe him, to help him deal with the werewoman. Together, they manage to find a bright spot in all the madness. Author's note: This is a standalone romance story with a HAE ending! Two bonus gender swap romance stories have been included as a thank you to my readers! Warning: This 15,000-word novella contains graphic language and steamy descriptions of gender transformation and sex.

"I edged forward, his hand shot out to grab my wrist again, which he then used to pull me into him. "Please, don't," I whimpered,

trying to keep my voice soft and feminine in spite of my panic. But he wrapped me up in his tight embrace so I was looking up under his chin, unable to move, smelling the coffee and cigarettes on his breath.' Experience the gradual erosion of Joe's masculinity at the hands of his wife and her lover, until this once successful guy has been humiliated and broken, and reluctantly takes on the role of their 24/7 maid, all his power now gone. In order to avoid confrontation, Joe complies with each incremental step till it is too late, and Josie is soon enduring such horrors as forced feminization, femme dom, financial domination, chastity, bdsm, spanking, pegging, bottoming, oral, total power exchange, sissy hypnosis and maid service, ending up with nothing but the need to be obedient and serve her Mistress and her lover. Rate and review if you want more delicious forced fem stories in this series. Sharpelnk ***** Best Forced Femme I've Read in Years! (Reviewed in the United States on April 16, 2021) Excepting works by the revered Ann Michelle, this is the best forced feminization novel I've ever read (and I've read--or tried to read--most). The plot is standard but smoothly executed. No corners are cut; every step of of Joe's ushered transition to Josie is lovingly described and his crossdressing dilemmas are both pathetic and delectable...

"The locker room reeked of dampness, sweat, and expired deodorant. I took notice when Eric took off his shirt and changed into his gym shorts. He was tall and good-looking, even for an older guy in his 40s. His short black beard made him look manly. I only had small bits of youthful stubble on my chin." Jordan can't help it. He has a crush on his mom's boyfriend. Every time he comes over, Jordan stares at his built-like-a-tank body. Eric invites Jordan to workout with him and pack on some muscle of his own. But still, at 19, Jordan has a long way to go to catch up with Eric. Lying on the bench press, looking up at the mass of muscle towering over him, the unthinkable happens. A small moment of tenderness and things will never be the same...

Unmarried, thirty-year-old Sophy Metcalfe told a little white lie to soothe her nagging mother. The white lie's name was "Dominic," the ideal boyfriend: charming, successful, the kind of prospective son-in-law that would make any mother proud. But now that Sophy's thin and beautiful sister, Belinda, is getting married, Dominic is going to have to make an appearance in the flesh -- which should be a pretty neat trick ... since the genuine article vanished from Sophy's life after a single, singularly unmemorable evening. So she resorts to a very drastic measure -- aka Josh Carmichael, the escort she hires at the very last minute, sight unseen. But the trouble with white lies is that they tend to multiply. The trouble with rugged, too-sexy, and independent Josh is ... well, that Sophy's actually beginning to like him! Even if they make it through the Wedding Day from Hell together -- with its new intrigues, old flames, and all-too-familiar faces -- there's the night that follows... and, of course, the morning after. And that could end up being the biggest trouble of all! A hip, witty, and freshly fantastic delight, Asking for Trouble is the most hilarious and knowing novel to make the scene since Bridget Jones first set pen to paper to record her most intimate innermost thoughts.

Devon Marks loved books more than just about anything. They're his job and his passion, and they've brought him to an auction where he meets the hottest guy he's ever seen. When Brand Drake offers to let Devon come and value his extensive collection at an old mansion high in the Colorado mountains, he knows life as good as it gets. Brand Drake knows he wants Devon the moment they meet, so he goes about adding Devon to his hoard the same way he would an amazing old book. But when Devon

starts eating him out of house and home and showing signs that he has emerging dragon traits, he knows he hasn't just found a lover, he's found a mate. When Devon starts to show signs of something even more amazing, Brand calls on his brothers Eagan and Tyson to help him figure out what to do, as well as how to tell Devon what's going on with his body, which is life-changing, and also dangerous. Someone always wants dragon magic to use, and Brand has to find a way to keep them safe, and to keep Devon with him, hopefully forever.

Don't say things you don't mean, unless you like the idea of ending up cute, feminized, and ready to party... When Charlie's friend Vanessa crashes his gaming party and whines about the boys never wanting to have a night on the town, Charlie shoots back that he'd love to go out if he could get the kind of romantic attention she does for just one night. Without missing a beat, Vanessa offers to give him just that chance and see just what it's like to be a gorgeous girl on the town. With his soft looks and slender body, she thinks she could make him into a rather pretty girl... Why not, Charlie wonders? It might be fun. So with a little touch of makeup and some borrowed clothes, Vanessa transforms Charlie into Candy for just one night—a night Candy won't soon forget. But Candy discovers that it's not all fun and games as a girl when the guys at the bar start to get a little too handsy. How will she manage a totally new set of expectations? She's going to have to adjust quickly to avoid her little secret getting out, or the consequences could be devastating...

A house that turns boys into girls? A college student is looking for a house to rent and comes across an unbelievable deal. According to the gorgeous girl vacating it, the place is enchanted and has a closet with women's clothing and accoutrements that can never be emptied. She also claims it turned her from a boy into a very special girl while she lived there. Convinced the renter is a bubble off, and there is no such thing as an enchanted house, plus the fact the deal is irresistible and the house and yard so perfect, Chris decides to rent the place and invites his roommate and best friend Bill to join him. Will the house turn out to be what the last renter said, or is it all a farce? Will Chris grow into a fully feminized special girl, or will he and Bill continue to live as two regular guys enjoying renting a knock-out house together? Immerse yourself in Chris's tale of growth, change, and finding love in this new-adult, LGBT, transgender, crossdressing, feminization, first-time, short-read romance.

There's no better way to decode the mysteries of women than to become one yourself... Antwon Reynolds is a brilliant scientist working day and night to win fame and fortune by solving the ultimate mystery of mankind—how to understand the mysterious inner workings of women's minds! To further his research, he comes up with a brilliant and daring plan: the creation of a potion which will allow him to transform himself into a woman and conduct first-hand research of the

intricacies of the fairer sex. The only barrier to his plan is Duke Owen Montgomery, head of the scientific society, and his biggest critic. Not only does the Duke regularly belittle Antwon, but his uncanny success with women is infuriating. What drives this strange attraction? When Antwon completes his potion, he experiences his moment of greatest triumph as he takes it and is immediately transformed into a beautiful woman, mind and body! He poses as his own cousin Anita, and immediately sets out learning to act and speak as a woman from his ravishing assistant Maggie so that he can complete his societal research. But being a woman is so much more exciting than Anita had ever anticipated—the sensations, the power, the emotions, the cravings... most especially her newfound craving for her old enemy, Duke Owen. Will she be able to resist her passions long enough to finish her research, or will she give in to the newfound desire she experiences at the touch of his artful hands? More and more, all she wants is to seduce the Duke, wrap herself up at his side, and be with him forever...

An ancient mogul has bought the power to live forever, but the strong young body he plans to inhabit has other ideas. The battle for immortal life begins in Stanley Bing's "stimulating, satirical and perhaps even visionary novel" (Wall Street Journal). Immortal life. A fantasy, an impossible dream—or is it? The moguls of Big Tech are pouring their mountain of wealth into finding a cure for death and they are determined to succeed. None of these titans is richer than Arthur Vogel. The inventor, tech tycoon, and all-round monster has amassed trillions of dollars and rules over a corporate empire stretching all the way to Mars. The newest—and most expensive—life extension technology has allowed him to live to 127 years, but time is running out. His last hope to escape the inevitable lies with Gene, a human specifically created for the purpose of housing Arthur's consciousness. The plan is to discard his aged body and come to a second life in a young, strong host. But there's a problem: Gene. He may be artificial, but he is a person—and he has other ideas. As Arthur sets off to achieve his goal of world domination, Gene hatches a risky plan of his own. The forces against him are rich, determined, and used to getting what they pay for. The battle between creator and creation is heightened as the two minds wrestle for control of one body. Mixing brisk action, humor, and wicked social commentary, author Stanley Bing has crafted "an engaging and cautionary tale about the direction in which spaceship Earth is hurtling" (USA Today).

Welcome to a brave new world that is too familiar for comfort—and watch the struggle for humanity play out to the bitter end.

The life stories of Amanda, Tiare, Kyara, Keyko, Mandy, Candise, Bambi, Salma, Dyana, Maggie, and Baby have something in common, they are all transsexual girls who have had to go through a complex life for which they were not born with the body they wanted and the reality of their feelings. His chronicles show us the erotic side of the different situations that each of them has had to endure to make a like the women they always wanted to be.

What is motivating her to feminize him? A geek named Joss, working on his PhD thesis on motivation, rents a house away from the noise and takes in a roommate named Marcy to help pay the bills. Little does he know how lucky he will be to have Marcy as his roommate. She is another PhD candidate, also working on a thesis about motivation. Gorgeous and intelligent, Marcy motivates Joss to discover things he never would have dreamed of, and they learn about motivation, love, sensuality, and femininity. She soon has Joss fully crossdressed and feminized to experience life as Jossie, a desirable girl rather than his geek self. Will he be motivated to become the geek again when their experimenting is over, or will he be destined to live his life fully feminized forever? Which will he choose? Does he in fact have a choice?

Immerse yourself in the vivid experiences of Joss as he tells the tale of his crossdressing and feminization while falling in love in this new-adult, LGBT, transgender, crossdressing, feminization, first-time, short-read romance.

"You know I've always wanted kids," Maddie said. "Then it hit me: why go through the agony of childbirth when I can just make you my baby? I can mold you into a perfect toddler and reprimand you without any fear of child abuse. Plus, I can keep you in diapers the rest of your life." That's how I ended up at the CRIB, the asylum for the Creative Reintroduction of Infantile Behavior. Maddie sent me to a special program run by her friend, Hannah. Here's what Maddie wrote: "I'm begging you to accept my boyfriend Rodney Ripplehorn into your program because he needs the strictest corrections." Spare no rod. "Only last week, I found him hiding in a closet, reading this naughty literature about a young man transformed into a toddler by his mother-in-law." This story includes serious age regression, diaper domination, bondage, spanking, force feeding, transvestite disciplinarians, creative punishments and sissy subjugation.

Many countries around the world are engaged in decentralization processes, and most African countries face serious problems with forest governance, from benefits sharing to illegality and sustainable forest management. This book summarizes experiences to date on the extent and nature of decentralization and its outcomes, most of which suggest an underperformance of governance reforms, and explores the viability of different governance instruments in the context of weak governance and expanding commercial pressures over forests. Findings are grouped into two thematic areas: decentralization, livelihoods and sustainable

forest management; and international trade, finance and forest sector governance reforms. The authors examine diverse forces shaping the forest sector, including the theory and practice of decentralization, usurpation of authority, corruption and illegality, inequitable patterns of benefits capture and expansion of international trade in timber and carbon credits, and discuss related outcomes on livelihoods, forest condition and equity. The book builds on earlier volumes exploring different dimensions of decentralization and perspectives from other world regions, and distills dimensions of forest governance that are both unique to Africa and representative of broader global patterns. Authors ground their analysis in relevant theory while attempting to distill implications of their findings for policy and practice.

But as the challenges become more intense, Adam wonders if he has what it takes to succeed ... At over TWICE the length of her usual books, D.L. Savage's brand new novella Sissy Star will take you on a wild ride you'll never forget!

Beka, having just lost her fiancée in a slaver's raid, is able to distract herself by going with her team on an important hunt at the queen's request, unaware that the throne of Tortall depends on their success.

This book demonstrates how to successfully manage and lead healthcare institutions by employing the logic of business model innovation to gain competitive advantages. Since clerk-like routines in professional organizations tend to overlook patient and service-centered healthcare solutions, it challenges the view that competition and collaboration in the healthcare sector should not only incorporate single-end services, therapies or diagnosis related groups. Moreover, the authors focus on holistic business models, which place greater emphasis on customer needs and put customers and patients first. The holistic business models approach addresses topics such as business operations, competitiveness, strategic business objectives, opportunities and threats, critical success factors and key performance indicators. The contributions cover various aspects of service business innovation such as reconfiguring the hospital business model in healthcare delivery, essential characteristics of service business model innovation in healthcare, guided business modeling and analysis for business professionals, patient-driven service delivery models in healthcare, and continuous and co-creative business model creation. All of the contributions introduce business models and strategies, process innovations, and toolkits that can be applied at the managerial level, ensuring the book will be of interest to healthcare professionals, hospital managers and consultants, as well as scholars, whose focus is on improving value-generating
