Preface to full color, hardcover edition: This book documents the manifestations of the Black Sun's power in our thoughts, our lives, and the world at large. It is a first written testament of the philosophy, symbology, sorcery and ideology of Kâmûd-Dûn ("the Shadow Path"), as conceived and practiced at our Black Sanctum. It is the foundational document of Borzûm-Gâzûl--the Order of the Black Sun--which hereby supersedes and encompasses all other Orders and ideologies propagated previously by the Dark Lords. As the founders of this Order, we record these thoughts so that others may know why it came into existence and what its "terrible truths" consist of. We offer this book not as idle philosophy or mysticism, but as a call to re-examine reality and your place within it. It comes from the endarkened minds of two who have had close encounters with the Black Sun's power and returned as darker, stranger beings, with a message for others. For we have walked under the Shadow for many years, and wish to convey some of what we have learned to those who would follow in our footsteps. In a world of Shadow-blind sleepers, may this book awaken a chosen few, open their Third Eyes to the Black Sun and bring them under its Shadow. May it inspire them to join the ranks of our invisible Empire and leave behind the White Sunlit world of illusions forever. May the Black Sun burn a hole in your mind as it has ours, giving you the eyes to see a new path, and the strength to walk it onward, forever, into the infinite Darkness. Borzûm-râk âm chod! This essential Star Wars Legends novel is the first in a trilogy chronicling the rise of the fearsome Sith lord Darth Bane. "A solid space adventure [that] charts the evolution of an antihero almost as chilling as Darth Vader."--Publishers Weekly On the run from vengeful Republic forces, Dessel, a cortosis miner, vanishes into the ranks of the Sith army and ships out to join the bloody war against the Republic and its Jedi champions. There Dessel's brutality, cunning, and exceptional command of the Force swiftly win him renown as a warrior. But in the eyes of his watchful masters, a far greater destiny awaits him. As an acolyte in the Sith academy, studying the secrets and skills of the dark side, Dessel embraces his new identity: Bane. But the true test is yet to come. In order to gain acceptance into the Brotherhood of Darkness, he must defy the most sacred traditions and reject all he has been taught. It is a trial by fire in which he must surrender fully to the dark side--and forge from the ashes a new era of absolute power. This is the fourth book from Sith Academy, a Dark Side school founded by the first real Sith Order on this planet. In this book we discuss the key ideas and thinkers that have guided our path to the Dark Side. It is based on years of experience, research, reflections and revelations as power-seekers and Dark Lords. We publish these thoughts for Acolytes on the path to Sith Mastery, so they may learn of philosophies not taught in any mundane, Light Side school, and in so doing arm themselves with explosive

thought-bombs and gain unlimited intellectual power. Dark Side Philosophy contains our philosophies of power, politics, evil, war, death, magick, metaphysics, empire, history, the cosmos, and more. It discusses the nature of the Dark Side, the Force and the philosophy of Sithism. It also contains the nine Challenges that the Sith Acolyte must complete to advance to the next level of Sith training. Every Dark Lord must develop a philosophy that can withstand any attack and become a mighty weapon of conquest. This book is written to give the Sith Acolyte the tools to do just that. In his quest for total domination, Darth Sidious compiled six legendary dark side texts detailing Sith history and philosophy by Sorzus Syn, Darth Malgus, Darth Bane, Mother Talzin, Darth Plagueis, and himself. Together these documents form the Book of Sith. Over the centuries, the texts were passed among Force users who left handwritten notes and annotations in the margins, including Darth Vader, Yoda, Mace Windu, and Luke Skywalker, among others. Collected by acclaimed Star Wars writer Daniel Wallace and embellished by numerous esteemed Star Wars illustrators, this volume introduces new characters and history, and delves deeper into understanding the philosophies and methods behind the dark side of the Force.

This deluxe, full-color, hardcover volume contains the first three books of training for Acolytes of Sith Academy: The Path of Power, Masters of the Will and Lords of the Force. Book One, The Path of Power, describes the events, revelations and ideas that initiated the Sith current on this planet, and invites others to take the first steps toward a new life in the Dark Side as a Sith Acolyte. Book Two, Masters of the Will, is a blueprint for becoming the master your own will, body, mind, spirit and destiny, and the master of your own group of Sith Acolytes. Book Three, Lords of the Force, reveals the nature and source of the Force, the metaphysical laws of its power, and various methodologies for commanding and conquering with it. There is also a complete reference to the Black Tongue of Borgâl--the language of the Dark Side. The Dark Lords make this knowledge available as a record of their revelations and work since the initial Omega Transmission in Imperial Year One. They do this to establish the Acolyte Path to the Dark Side for others to follow who will lead the Empire into the future. They also do this so that if they are ever killed and the Order is destroyed, there will remain a document from which others may rebuild the Order and revive the Sith current on this planet. Study and guard this book well; the knowledge contained herein is potentially more powerful than the ability to destroy planets for those who have faith in the Dark Side.

Delve into the history of the sinister Count Dooku in the original script to the thrilling Star Wars audio production! Darth Tyranus. Count of Serenno. Leader of the Separatists. A red saber, unsheathed in the dark. But who was he before he became the right hand of the Sith? As Dooku courts a new apprentice, the hidden truth of the Sith Lord's past begins to

come to light. Dooku's life began as one of privilege—born within the stony walls of his family's estate, orbited by the Funeral Moon where the bones of his ancestors lie interred. But soon, his Jedi abilities are recognized, and he is taken from his home to be trained in the ways of the Force by the legendary Master Yoda. As he hones his power, Dooku rises through the ranks, befriending fellow Jedi Sifo-Dyas and taking a Padawan of his own, the promising Qui-Gon Jinn—and tries to forget the life that he once led. But he finds himself drawn by a strange fascination with the Jedi Master Lene Kostana, and the mission she undertakes for the Order: finding and studying ancient relics of the Sith, in preparation for the eventual return of the deadliest enemies the Jedi have ever faced. Caught between the world of the Jedi, the ancient responsibilities of his lost home, and the alluring power of the relics, Dooku struggles to stay in the light—even as the darkness begins to fall.

This is the era of Luke Skywalker's legacy: the Jedi Master has unified the order into a cohesive group of powerful Jedi Knights. However, as this era begins, planetary interests threaten to disrupt this time of relative peace and Luke is plagued by visio

This is the full color, paperback edition of the third book from Sith Academy, a Dark Side school founded by the first real Sith Order on this planet. The path of Sith Mastery is built upon a foundation of three pillars. In the first two books of the "Nine Echelons of Sith Mastery" series, the Dark Lords discussed the first two pillars: Power-Craving and Willpower. In this book we shall discuss the third pillar: Force Power. These three inner powers are the keys that will unlock the higher Echelons of Sith mastery and achievement. Without them, the Acolyte will lack the inner strength necessary to overcome the obstacles he will encounter on this Path. Without them, he faces certain defeat and a meager life of apathy, servitude and weakness. Power-Craving ensures that you have the hunger for power and lust for greatness that are the hallmarks of every Sith Lord in the making. Willpower ensures that you have the unbreakable, unfettered will necessary to persevere on the trying path of the Sith Lords and do what must be done. Force Power awakens the metaphysical perceptions and deeper passions that can elevate you above the mundane power-seekers into the ranks of the conquering Black Magicians. For it is Force mastery, above all, that separates the mere man of worldly power from a true Dark Lord among men. Sith Academy: Lords of the Force is a book of metaphysics, inspiration, indoctrination and Force training. It contains a complete philosophy of the Force, a system of Force Sorcery, methods of Force warfare and inspiring tales of Force mastery. It also contains the nine Challenges that the Sith Acolyte must complete to advance to the next level of Sith training. Every Sith Acolyte must die and be reborn in a Force fire which he kindles about himself. Are you ready to begin?

This book is the Dark Lords' study of Chaos-the formless, uncontrollable force from outside the ordered Cosmos that sorcerers, mystics and warriors have always spoken of and sought power in. We discuss all aspects of this phenomenon: its metaphysics, mythology, philosophy, psychology and symbology, and its applications to sorcery, demonology,

warfare, religion and cult creation. Far more than an academic study, this work is a call to take sides in the great metaphysical war that has been waging from time immemorial: the Chaorskampf and the Ordnungskampf-the holy wars against Chaos and Order. We provide the reader an in-depth foundation in Chaoism-the ideology for the Chaos sorcerer and warrior who seeks unlimited power and purpose by advancing Chaos upon this plane. For those who wish to live by the creed of "nothing is true and everything is permitted"; who feel called to fight a holy war for the eight-armed cross of Chaos; who perceive that an old age of Order is succumbing to a new age of Chaos; who seek a path of power and glory through the rising tide of Chaos: let this book your guide. To you we say: Klân-râk âm chod! (Chaos power to you!) Dark Lords Kârzathor & Ravuk, Dark Lords of Chaos, Year 9 of the Imperium.
