In 1845 a blight of unknown origin destroyed the potato crop in Ireland triggering a series of events that would change forever the course of Ireland's history. The British government called the famine an act of God. The Irish called it genocide. By any name the famine caused the death of over one million men, women, and children by starvation and disease. Another two million were forced to flee the country. With the famine as a backdrop, this is a story about two families as different as coarse wool and fine silk. Michael Ranahan, the son of a tenant farmer, dreams of breaking his bondage to the land and going to America. The passage money has been saved. He's made up his mind to go. And then the blight strikes and Michael must put his dream on hold. The landlord, Lord Somerville, is a compassionate man who struggles to preserve a way of life without compromising his ideals. To add to his troubles, he has to deal with a recalcitrant daughter who chafes at being forced to live in a country of "bog runners." In *The Time Of Famine* is a story of survival. It's a story of duplicity. But most of all, it's a story of love and sacrifice.

"Sports journalist John Feinstein returns to his first love--college basketball--with a fascinating and compelling journey through a landscape of unsung, unpublicized and often unknown heroes of Division-1 college hoops"--

She and her single father never miss a Steelers game on TV, and Alex knows she has a talent for throwing the perfect spiral. But the guys suck the joy right out of the game for Alex--going out of their way to trip her up during tryouts, and teaming up against her just to watch her fail. Suddenly, Alex is the lowest she's ever felt. But if getting QB is worth it to her, she's going to have to fight for it.

New York Times bestselling author John Feinstein delivers a hard-hitting account of prejudice and perseverance on the basketball court. It's basketball season. And for once, triple threat Alex Myers is not the one in the spotlight. There's a new new guy in town, and Max Bellotti promises to turn the Lions' losing streak around and lead the team to a conference title. Alex is psyched, but some of the older guys on the team resent being benched in favor of an upstart freshman. Team morale is rocky at best. And when Max comes out as gay, not everyone takes the news in stride. Snide comments and cold shoulders escalate into heated protests and an out-and-out war with the school board. While controversy swirls around them, the Lions have to decide: Will personal issues sink their season, or can they find a way to stand together as a team? John Feinstein has been praised as "the best writer of sports books in America today" (The Boston Globe). This second installment in his Triple Threat series delivers action and intensity, and a look beyond the headlines of a hot-button topic in sports today.

John Feinstein's classic bestseller, *A Good Walk Spoiled*, set the bar for golf books. As the coach, (for example in baseball) you teach your players how to bat, pitch, steal bases, back up throws from the outfield, bunt, make the double play pivot, etc. That is your job - what we want to do is to help you have your players play their very best. For example, Sandy, your second baseman, is giving your shortstop fits with her tosses on double play attempts. What do you do about it and how do you do it? We can show you the best ways to help her and yourself as she grows in the game. You will use proven mental processes to teach new skills and to improve on old skills (and create great attitudes while you're at it). Dr. Pierro presents twelve basic teaching/coaching strategies in a very positive manner so that you can teach your players the skills and tactics of the game more quickly, effectively, and joyfully. These strategies; including Visualization, Focusing, Anchoring, and Triggers; are presented with many examples and illustrations from real sports settings.
