The GCBME Book Series aims to promote the quality and methodical reach of the Global Conference on Business Management & Entrepreneurship, which is intended as a high-quality scientific contribution to the science of business management and entrepreneurship. The Contributions are expected to be the main reference articles on the topic of each book and have been subject to a strict peer review process conducted by experts in the fields. The conference provided opportunities for the delegates to exchange new ideas and implementation of experiences, to establish business or research connections and to find Global Partners for future collaboration. The conference and resulting volume in the book series is expected to be held and appear annually. The year 2019 theme of book and conference is "Transforming Sustainable Business In The Era Of Society 5.0". The ultimate goal of GCBME is to provide a medium forum for educators, researchers, scholars, managers, graduate students and professional business persons from the diverse cultural backgrounds, to present and discuss their research, knowledge and innovation within the fields of business, management and entrepreneurship. The GCBME conferences cover major thematic groups, yet opens to other relevant topics: Organizational Behavior, Innovation, Marketing Management, Financial Management and Accounting, Strategic Management, Entrepreneurship and Green Business.

The case studies are topically diverse, and span a range of managerial functions and sectors. This casebook is an anthology of 28 cases from the series. The cases are written with a strong management perspective to offer a practical and interesting look at how successful entrepreneur-managers in Hong Kong systematically generate innovations in the shape of successful new products, services, processes and technologies when faced with various organizational and environmental challenges. They constitute a comprehensive self-contained course of study; each case can also be considered on its own.

Amid the COVID-19 pandemic, small businesses are especially vulnerable. This is one of the first books that explicitly examines the linkage between crisis and entrepreneurship with a specific focus on small businesses. The book adopts a holistic approach and outlines strategies that small business owners can utilize as well as business opportunities that are available in these new market conditions. It also provides a comparative analysis of the current and future market conditions to enable a better understanding of how institutional structures can facilitate or hinder growth. The book also goes on to explain why and how creativity and innovation can help to mitigate the impact of such a crisis on business and highlights why business continuity is especially crucial to family-owned businesses. This timely publication will

help to guide small business owners and entrepreneurs to maintain business continuity and build up their resilience in a challenging business climate.

Small businesses are the backbone of the tourism and hospitality industry and, depending on which statistics one uses, represent somewhere between 75 to 95 percent of all firms globally in this sector. The number of entrepreneurs has dramatically and uniformly increased globally over the last ten years. Divided into four sections, *Entrepreneurship and Small Business Management in the Hospitality Industry* takes an intuitive step-by-step progression through each stage of the entrepreneurial process: context, theoretical perspectives and definitions; Concept to reality; The business plan; Growth and the future. Ideal for students at any level, the chapters of this book invite you to ponder upon your reading through a series of 'reflective practice' activities. These, along with case studies, clearly defined chapter objectives, reflections, role-play activities and experiential exercises, allow you to both think actively about themes, concepts and issues and then apply them to a number of suggested scenarios. Perfect preparation for the up-and-coming entrepreneur!

*SMALL BUSINESS MANAGEMENT* provides a balanced introduction to both entrepreneurship and small business management, with a focus on achieving and maintaining a sustainable competitive advantage as a small organization. Current issues, including global opportunities, service, quality and technology, are highlighted throughout the text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Provides the practical concepts, entrepreneurial insights, and comprehensive resources essential for success now and throughout your management future. Solid coverage of the fundamentals of business management teaches not only how to start a business, but also how to manage, grow, and harvest a business.

The author's diverse academic backgrounds in management, marketing and finance have enabled them to provide well-balanced coverage of small business issues. Public policy interventions aimed at encouraging, supporting and developing small businesses are important for understanding entrepreneurship and small business management. This textbook is the first to provide teachers and students with a resource that gives an overview of how institutional and policy structures interact with small firm start-ups, continuation and succession/failures. Beginning with a brief introduction to policy processes, the text covers the main policy instruments for entrepreneurial market entry and start-up support, for on-going small business advice and financial support, and succession planning. It particularly focuses on policies that improve the Business Enabling Environment through macroeconomic policy, institutional reform, and deregulation of bureaucratic burdens. Theoretical rigour is complemented by detailed assessments of current policies around the world, including USA, advanced and emerging economies and Policy support from global institutions such as the World Bank and the ILO are included. Written by a pre-eminent scholar of public policy and entrepreneurship, this textbook provides a concise but thorough introduction to the subject for Master's students internationally. Policy recommendations in the author's conclusion also highlight the book's value to policy-makers as they adapt to the globalized, digital world.

Operating any business is complex and challenging, but it provides interesting, creative, and rewarding experiences. *Small Business Management, Seventh Edition*, takes a practical and down-to-earth approach to planning, organizing, and running a small business. While employing current research and theory, *Small Business Management* takes a pragmatic "how-to" perspective illustrating many practical examples and

applications from the business world. It explains how to achieve optimum benefits from the limited resources available to small firms, as well as how to plan for growth and succession in a business. It also explores arguments both for and against owning a small business. The enhancements to the seventh edition serve to strengthen and reinforce without minimizing or losing the original qualities and usefulness of the textbook. The business plan remains a very important building block for this edition in both examples and format.

For courses in Entrepreneurship and Small Business Management. Written by award-winning experts, Steve Mariotti and Caroline Glackin, *Entrepreneurship and Small Business Management* presents complex economic, financial and business concepts in a manner easily understood by a variety of students. Based on a proven curriculum from the Network for Teaching Entrepreneurship (NFTE), it is organized to follow the life-cycle of an entrepreneurial venture—from concept through implementation to harvesting or replication. Filled with examples from a broad range of industries, it moves further into the entrepreneurial process—discussing the business plan and also the unique aspects of managing and growing entrepreneurial ventures and small businesses. This program will provide a better teaching and learning experience—for you and your students. Here's how: **Help Students Apply Knowledge from the Text to the Real World:** Cases give students the opportunity to solve real-world challenges. **Present Special Insights on Presenting and Writing a Business Plan:** Go beyond formulating a business plan to include critical topics of management, marketing and operations. **Guide Student's Learning:** A proven curriculum builds on the expertise of the authors and the Network for Teaching Entrepreneurship (NFTE) to teach the nuts and bolts of how to start and operate an entrepreneurial small business

Exceptionally practical, this best-selling manual teaches budding entrepreneurs the “hands-on” tools and techniques for launching and managing a small business the right way — and to imbue it with the staying power necessary to succeed and grow in the hotly competitive environment of the 21st century. The volume details the challenges and rewards of entrepreneurship, building the business plan, marketing strategies, finding financing, location and layout, techniques for enhancing profitability, managing people and the legal aspects of entrepreneurship. For small business owners and potential business owners.

*Small Business Management: An Entrepreneur's Guidebook*, by Mary Jane Byrd takes a practical and down-to-earth approach to planning, organizing, and running a small business. While employing current research and theory, its pragmatic “how-to” perspective illustrates many practical examples and applications from the business world. It explains how to achieve optimum benefits from the limited resources available to small firms, as well as how to plan for growth and succession in a business. It also explores arguments both for and against owning a small business.

This book examines entrepreneurship and small business in Russia and key countries of Eastern Europe, showing how far small businesses have developed, and discusses how far 'market reforms' and a market mentality have been taken up by ordinary people in the real everyday economy. For each of the countries examined - Russia, Ukraine, Belarus, Poland and Estonia - the book reviews the progress of market reforms within the wider context of social and economic transformation, surveys the development of entrepreneurship and small firms so far, and assesses the role of government in the process, and the strengths and weaknesses of the small business sector.

The new edition of this market-leading textbook provides a holistic introduction to the academic study of entrepreneurship and offers practical guidance for prospective entrepreneurs. Adopting a life-cycle view of a business from start-up to maturity, it explores the many stages and forms of entrepreneurship. With an international outlook and expert synthesis of both theoretical foundations and lessons from real-life business practice, the book offers a complete course guide, fostering entrepreneurial talent, thinking and skills. The author's engaging style and unrivalled expertise drawn from a long-ranging career (as an academic, accountant and entrepreneur) make the book accessible and authoritative. This

is an ideal textbook for those studying Entrepreneurship or Small Business on undergraduate business or management degree courses, as well as on MBA programmes. It will also appeal to those looking to launch their own businesses. New to this Edition: - Updated international case studies from entrepreneurs and small businesses, ranging from Oman to Australia - First-hand, detailed stories from real-life entrepreneurs in brand new video interviews integrated throughout the text - Increased and integrated coverage of social and civic enterprise and hot topics such as effectuation and lean entrepreneurship

Business Management for Entrepreneurs introduces entrepreneurs and managers of small and medium-sized businesses to all the functions needed to manage these organizations successfully. This is an essential guide to the small business management competencies that are essential for the success of a smaller business.

Introduces the processes of new venture creation and the critical knowledge needed to manage a business once it is formed. This text offers complete coverage and a practical hands-on approach to entrepreneurship. Supported by supplementary material for the lecturer and student in both a CD-Rom and companion website.

Small Business Management provides a balanced introduction to both entrepreneurship and small business management with a focus on achieving and maintaining a sustainable competitive advantage as a small organization. Current issues including global opportunities, service, quality and technology are highlighted throughout the text. The streamlined format allows instructors to cover the entire text of 18 chapters within a standard semester timeline without sacrificing important topics. The Fourth Edition features an increased emphasis on small business ownership by women and minority groups. The online Business Plan Guide and templates provide some of the most extensive information available on business planning. The text also includes a complete sample business plan.

Are you looking for an alternative to a career path at a big firm? Does founding your own start-up seem too risky? There is a radical third path open to you: You

can buy a small business and run it as CEO. Purchasing a small company offers significant financial rewards—as well as personal and professional fulfillment. Leading a firm means you can be your own boss, put your executive skills to work, fashion a company environment that meets your own needs, and profit directly from your success. But finding the right business to buy and closing the deal isn't always easy. In the HBR Guide to Buying a Small Business, Harvard Business School professors Richard Ruback and Royce Yudkoff help you:

- Determine if this path is right for you
- Raise capital for your acquisition
- Find and evaluate the right prospects
- Avoid the pitfalls that could derail your search
- Understand why a "dull" business might be the best investment
- Negotiate a potential deal with the seller
- Avoid deals that fall through at the last minute
