

## Small Miracles Extraordinary Coincidences From Everyday Life

Having spent several years in and out of hospitals for a life-threatening illness, pragmatic 16-year-old Cam is relocated by her miracle-seeking mother to a town in Maine known for its mystical healing qualities, a place Cam dismisses until she witnesses unusual phenomena and befriends a boy who encourages her to achieve various milestones before she dies. A first novel.

Each and every woman is special and unique, yet as women we all share a common bond through our collective experiences of loving and learning. And sometimes fate steps in to miraculously change the lives of women in unforgettable ways, affecting them as wives, mothers, daughters, sisters, aunts, lovers, and friends. Could they be messages from a higher power? Whether these miracles come during times of difficulty or celebration, they represent extraordinary opportunities to explore the wonders life has to offer. One of the most popular books in the Small Miracles series, this beautifully repackaged and expanded volume collects more than 50 inspirational, unforgettable, and even divine stories of coincidence experienced by women from all walks of life.

Award-winning journalist and host of Black "Enterprise" Business Report Caroline Clarke's moving memoir of her surprise discovery of her birthmother—Cookie Cole, the daughter of Nat King Cole—and the relationship that blossomed between them through the heartfelt messages they exchanged on hundreds of postcards. Caroline Clarke was born in an era when adoptions were shameful, secret, and sealed. While she wondered about her biological parents, she kept her curiosity in check, until a series of small health problems raised concerns about her genetic heritage and its consequences for her two children's lives and her own. Though Spence-Chapin Family Service, the agency that handled her adoption, could not reveal the name of her birth mother, it was able to provide details that lead to a shocking truth. Caroline's birth mother and her family were related to a friend. The woman who gave her life was none other than Carole "Cookie" Cole, the daughter of iconic crooner and pianist Nat King Cole. Drawing on details provided by the agency and her own investigative skills, Caroline embarked on a life-changing journey of discovery that stretched from coast to coast, forged through e-mail, phone calls, and post cards. The constancy, volume, and intimacy of her steady correspondence with Cookie filled the days and distance between them. Through brief yet poignant messages squeezed onto three-inch open-faced squares, mother and daughter revealed themselves, sharing secrets, taking risks, and ultimately building a bond like no other. A heartfelt, inspiring tribute to both Caroline's adoptive parents and her biological mother, *Postcards from Cookie* illuminates the enduring power of love to shape and guide our lives.

The Earth Plane is a full-color illustrated science adventure story that follows a young boy and his grandfather through a series of scientific experiments and expeditions ending in an incredible discovery that our world is not at all what we have been taught!

E-Squared is the sensational word-of-mouth SMASH that has gone on to become an international phenomenon, published in 26 languages and featured in the New York Times bestseller list! E-Squared could best be described as a lab manual with simple experiments that prove reality is malleable, consciousness trumps matter, and you shape your life with your mind. Yes, you read that right. It says prove. The nine experiments, each of which can be conducted with absolutely no money and very little time expenditure, demonstrate that spiritual principles are as dependable as gravity, as consistent as Newton's laws of motion. Rather than take it on faith, E-Squared invites you to prove the following principles: • There is an invisible energy force or field of infinite possibilities. • You impact the field and draw from it according to your beliefs and expectations. • Your connection to the field provides accurate and unlimited guidance. • The universe is limitless, abundant, and strangely accommodating. E-Squared is the remarkable truth that spiritual seekers have been looking for over the centuries. Discover why everyone is talking about it TODAY!

Sixty heart-warming, awe-inspiring, and life-changing true stories of coincidence. This classic collection is now available in a special gift edition, just in time for Mother's Day.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY People ? O: The Oprah Magazine ? Financial Times ? Kansas City Star ? BookPage ? Kirkus Reviews ? Publishers Weekly ? Booklist NEW YORK TIMES BESTSELLER "A stunner."—Justin Cronin "It's never the disasters you see coming that finally come to pass—it's the ones you don't expect at all," says Julia, in this spellbinding novel of catastrophe and survival by a superb new writer. Luminous, suspenseful, unforgettable, *The Age of Miracles* tells the haunting and beautiful story of Julia and her family as they struggle to live in a time of extraordinary change. On an ordinary Saturday in a California suburb, Julia awakes to discover that something has happened to the rotation of the earth. The days and nights are growing longer and longer; gravity is affected; the birds, the tides, human behavior, and cosmic rhythms are thrown into disarray. In a world that seems filled with danger and loss, Julia also must face surprising developments in herself, and in her personal world—divisions widening between her parents, strange behavior by her friends, the pain and vulnerability of first love, a growing sense of isolation, and a surprising, rebellious new strength. With crystalline prose and the indelible magic of a born storyteller, Karen Thompson Walker gives us a breathtaking portrait of people finding ways to go on in an ever-evolving world. "Gripping drama . . . flawlessly written; it could be the most assured debut by an American writer since Jennifer Egan's *Emerald City*."—The Denver Post "Pure magnificence."—Nathan Englander "Provides solace with its wisdom, compassion, and elegance."—Curtis Sittenfeld "Riveting, heartbreaking, profoundly moving."—Kirkus Reviews (starred review) Look for special features inside. Sophia Demas did not want to get married, have children, or write a book; the Universe, however, had other plans. In this penetrating memoir, Sophia examines the events in her life that at first seemed to be a series of coincidences, but upon further consideration were building blocks of the miraculous. *The Divine Language of Coincidence* chronicles the extraordinary events experienced by an ordinary woman, asserting that miracles are not only possible, but far more common than we may realize.

'Raising your consciousness to the 'God Winks' that often go by unnoticed, and recognising them as tremendously personal, will affirm that your existence is not random and that you have a role to play in life's grand plan' Squire Rushnell Have you ever thought about someone who hasn't crossed your path or mind in years and then bumped into them? Are there such things as coincidences? Do they mean anything? According to Rushnell, 'coincidences, like winks from God, are encouraging signposts along your universal path.' In WHEN GOD WINKS he explains that a 'God Wink' is a message of reassurance that comes our way whenever we need it and that coincidences are the best way for God to establish a presence in our lives. Rushnell shows how to retrace crossroads (a new job, a death, change in relationships) that took us in an entirely different direction, showing how to map the turning points made by coincidences that have guided us throughout our lives. Best of all, WHEN GOD WINKS shows us how to create our own coincidences and turn wishes into winks. He explains his compelling theory of coincidences through a series of incredible stories and motivational writing on how coincidences play a role in all facets of our life, including career, love, history, medicine, entertainment, sports and politics with telling comments from Oprah Winfrey, Barbara Streisand, Mark Twain, Kevin Costner and other celebrities. WHEN GOD WINKS is a fascinating bridge to self-discovery.

In this truly inspirational memoir, Anita Moorjani relates how, after fighting cancer for almost four years, her body began shutting down—overwhelmed by the malignant cells spreading throughout her system. As her organs failed, she entered into an extraordinary near-death experience where she realized her inherent worth . . . and the actual cause of her disease. Upon regaining consciousness, Anita found that her condition had improved so rapidly that she was released from the hospital within weeks—without a trace of cancer in her body! Within these pages, Anita recounts stories of her childhood in Hong Kong, her challenge to establish her career and find true love, as well as how she eventually ended up in that hospital bed where she defied all medical knowledge. As part of a traditional Hindu family residing in a largely Chinese and British society, Anita had been pushed and pulled by cultural and religious customs since she was a little girl. After years of struggling to forge her own path while trying to meet everyone else's expectations, she had the realization, as a result of her epiphany on the other side, that she had the power to heal herself . . . and that there are miracles in the Universe that she'd never even imagined. In Dying to Be Me, Anita freely shares all she has learned about illness, healing, fear, "being love," and the true magnificence of each and every human being! This is a book that definitely makes the case that we are spiritual beings having a human experience . . . and that we are all One!

A mathematical guide to understanding why life can seem to be one big coincidence—and why the odds of just about everything are better than we would think. What are the chances? This is the question we ask ourselves when we encounter the strangest and most seemingly impossible coincidences, like the woman who won the lottery four times or the fact that Lincoln's dreams foreshadowed his own assassination. But, when we look at coincidences mathematically, the odds are a lot better than any of us would have thought. In Fluke, mathematician Joseph Mazur takes a second look at the seemingly improbable, sharing with us an entertaining guide to the most surprising moments in our lives. He takes us on a tour of the mathematical concepts of probability, such as the law of large numbers and the birthday paradox, and combines these concepts with lively anecdotes of flukes from around the world. How do you explain finding your college copy of Moby Dick in a used bookstore on the Seine on your first visit to Paris? How can a jury be convinced beyond a reasonable doubt that DNA found at the scene of a heinous crime did not get there by some fluke? Should we be

surprised if strangers named Maria and Francisco, seeking each other in a hotel lobby, accidentally meet the wrong Francisco and the wrong Maria, another pair of strangers also looking for each other? As Mazur reveals, if there is any likelihood that something could happen, no matter how small, it is bound to happen to someone at some time. In *Fluke*, Mazur offers us proof of the inevitability of the sublime and the unexpected. He has written a book that will appeal to anyone who has ever wondered how all of the tiny decisions that happen in our lives add up to improbable wholes. A must-read for math enthusiasts and storytellers alike, *Fluke* helps us to understand the true nature of chance. Shares a collection of seemingly random events that took on meaningful significance in people's lives, each demonstrating the power of love and friendship.

His New York Times phenomenon *The Prayer of Jabez* changed how millions pray. Now Bruce Wilkinson wants to change what they do next. Anyone can do a good deed, but some good works can only happen by an act of God. Around the world these acts are called miracles--not that even religious people expect to see one any time soon. But what would happen if millions of ordinary people walked out each morning expecting God to deliver a miracle through them to a person in need? *You Were Born for This* starts with the dramatic premise that everyone at all times is in need of a miracle, and that God is ready to meet those needs supernaturally through ordinary people who are willing to learn the "protocol of heaven." In the straightforward, story-driven, highly motivating style for which he is known, Wilkinson describes how anyone can be a 'Delivery Guy' from heaven in such universally significant arenas of life as finances, practical help, relationships, purpose and spiritual growth. *You Were Born for This* will change how you see your world and show you what you can expect God to do through you to meet real needs. You will master seven simple tools of service, and come to say with confidence, "I want to deliver a supernatural gift from God to someone in need today--and I expect to!" From the Hardcover edition.

The story of a woman who is aided by a benefactress, only to find that it is really a "repayment" of a good deed performed more than thirty years ago, along with other coincidences and everyday miracles, is included in collection of true stories. 100,000 first printing. \$100,000 ad/promo. IP.

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy. When we integrate both the experience and the meaning of coincidences into our own lives, we open ourselves to the enriching possibilities, the blessings, and the sense of harmony with the universe that they offer. "Small Miracles" presents 60 real-life coincidences--some heartwarming, some strange, some awe-inspiring.

Those extraordinary little events in your life happen for a reason. A coincidence--sometimes a silly little thing--changes the course of your day . . . or even your life. Is it chance, or is God communicating with you? *When God Winks at You* is packed with true stories demonstrating that God does communicate with us, making incredible things happen in our lives every single day. As you read the riveting accounts of everyday and famous people--including Tim Conway, Rudolph Giuliani, Billy Graham, and Don Knotts--you will begin to recognize the godwinks in your own life, both past and present. Through these tangible signposts from God, we receive personalized messages that reassure us, stop us from worrying, chart our path in life, and help us keep the faith. When God winks, He is reaffirming that there is absolutely nothing about us that He does not know--our every hurt, our every desire. And that to me is very comforting. -Squire Rushnell *God Winks®* is a registered trademark of Squire Rushnell

Some things in life have no earthly explanation. Miracles are not reserved for the characters in the Old and New Testaments; they happen to everyday people. Series creators Don Jacobson and K-LOVE Radio have joined together to produce one of the most remarkable collections of modern-day miracles ever compiled. From angel appearances in hospital rooms to a mother saved from a would-be assailant in Hyde Park, from a young autistic girl becoming a beautiful ballerina overnight to a young backpacker who walked away from a terrorist attack, *It's a God Thing* presents some of the most amazing stories of God's hand on our lives. Be motivated as never before to look for and witness the incredible ways that God is interacting in your life and the lives of those around you. "With their new book, *It's a God Thing*, I believe K-LOVE and my friend Don Jacobson will call friends of Jesus everywhere to look for His capers around the world! Do you know why God involves Himself in our lives? Because God is love and love does!" —Bob Goff, author of the New York Times bestseller *Love Does* "Every day we all are faced with stress, situations we can't control and often the fear that we really are all alone. . . . These stories give us courage in times of peril and strengthen us when we feel helpless."—TobyMac, top Christian artist and Grammy Award winner "In *It's a God Thing* true servants of God share how their lives were transformed when their understanding became the Father's. What a blessing to be a child of the King!" —Missy Robertson, star of *Duck Dynasty* "There is so much going on around us that we never see. Life is all about perspective, and when that lines up with the hand of God, it is remarkable to witness. This book and collection of stories from my friends at K-LOVE will inspire and encourage you greatly!" —Andy Andrews, New York Times best-selling author,

The Noticer and The Traveler's Gift "Sometimes I'm guilty of looking so hard for God that I miss Him right in front of me. May we all be reminded through It's a God Thing that some of the simplest moments in life can quite possibly be some of God's greatest miracles."—Bart Millard, lead singer of MercyMe "Nothing astonished people in the New Testament more than watching Jesus perform a miracle right before their eyes—and nothing inspires us today more than hearing He did it again! My good friend Don Jacobson, publisher of The Prayer of Jabez, has once again launched the perfect message for today—don't miss it!"—Bruce Wilkinson, author, The Prayer of Jabez "There is nothing better than hearing others talk about the ways that God has intervened in their lives. Miracles happen every day all around the world. These stories are incredible."—Robert D. Smith, author, 20,000 Days and Counting "God doesn't need for us to be aware of the miracles He's performing, but they're happening every day! It's a God Thing, a new book from K-LOVE, is a powerful vehicle to tell the story of a number of those miracles."—Brandon Heath, 2008 New Artist of the Year Dove Award winner Shares compelling case studies that support theories about the plausibility of miracles to discuss what they are, why they happen, and how they can be understood.

The bestselling author of The Miracle Morning shares the secret to unlocking your full potential--all day, every day. "A simple, proven formula for creating extraordinary results in your life."--Lewis Howes, New York Times bestselling author of The School of Greatness Even after the incredible success of his book The Miracle Morning, Hal Elrod realized that he still had more to share with the world. What he had discovered was a timeless but overlooked formula for success. The world's top achievers have used it for centuries. He used it to thrive against seemingly insurmountable odds, from overcoming life-threatening health challenges to near financial collapse. That formula is The Miracle Equation, and it couldn't be any simpler: Unwavering Faith + Extraordinary Effort = Miracles By establishing and maintaining Unwavering Faith that you can achieve anything you desire, and then putting forth Extraordinary Effort until you do, you'll create results beyond what you believe to be possible. In The Miracle Equation, you'll learn how to \* Replace fear with faith \* Move from resistance to acceptance \* Let go of negative emotions \* Turn off your stress response \* Overcome your limitations to unlock your limitless potential \* Develop emotional invincibility \* Grow from happiness, which is fleeting, to inner peace, which is lasting And with the Miracle Equation 30-Day Challenge to guide your way, you'll create a step-by-step plan to actualize your miracles and become the person you need to be in order to succeed. No goal is out of reach! Praise for The Miracle Equation "The Miracle Equation isn't just a book, it's the formula that I myself have used to achieve greatness beyond what I ever believed was possible. Hal Elrod has taken the mystery out of miracles and gives you a simple, proven formula for creating extraordinary results in your life. Highly recommended."--Lewis Howes, New York Times bestselling author of The School of Greatness "You're only two decisions away from achieving everything you want. And my friend, Hal Elrod, has simplified these two decisions into a simple equation for achieving results. Follow it, and your success is virtually guaranteed. If you want your biggest goals to move from possible, to probable, to inevitable, you better read The Miracle Equation."--Mel Robbins, bestselling author of The 5-Second Rule

The stories collected here offer an entrancing look at some of the various miracles of everyday life, the quirks of chance and coincidence, life's setbacks and improvisations. Carol Shields deftly draws us into the lives of a broad range of sharply observed characters, from the brilliant young violinist smothered by an overprotective family, to the elderly widow mowing her lawn while a long, passionate life buzzes around in her memory. Blending wit and compassion, Shields illuminates moments when ordinary people face extraordinary circumstances, declarations of love and revelations that transform their lives. Sharp, skeptical and sympathetic, this collection presents Shields at her inimitable best in twenty-one miracles of the storyteller's art.

Collects miraculous stories of the Jewish faith, past and present, that recount reunions with lost family, escapes from death, and other true accounts of destiny.

A collection of inspirational stories shares seemingly random events that took on meaningful significance in people's lives, accompanied by thoughts on moral lessons, divine messages, and blessings that transcend daily life

"Expecting Miracles" is a collection of refreshingly honest and inspiring interviews with traditionally observant Jewish mothers about their diverse experiences of pregnancy and childbearing. It is about the ways in which mothers have managed to make these important stages in their lives into a time for personal growth, spirituality and real-life miracles.

This uplifting addition to a bestselling series offers comfort through inspiring true stories that demonstrate the soul's immortality. Halberstam and Leventhal move beyond their earlier focus on our mortal world to examine the other side: death and the afterlife. Rich in miracles and extraordinary events, these tales show how the connections forged with our loved ones exist eternally—and their intercession continues long after they pass on.

This book is a critical overview of the manner in which the concept of miracle is understood and discussed in contemporary analytic philosophy of religion. In its most basic sense, a miracle is an unusual, unexpected, observable event brought about by direct divine intervention. The focus of this study is on the key conceptual, epistemological, and theological issues that this definition of the miraculous continues to raise. As this topic is of existential as well as theoretical interest to many, there is no reason to believe the concept of miracle won't continue to be of ongoing interest to philosophers.
