For Wesley Alter, the idea of proposing marriage is simple: buy a ring, bouquet some flowers, say something romantic and sweet and unforgettable and blah blah blah before lowering to a knee and reciting six magical words--Will you marry me, Brittany Rose? However, for Wesley Alter, this simple idea becomes complicated when Brittany says she'll only agree, say yes to an engagement, a wedding, a forever together if his proposal is... perfect. Thus, for Wesley Alter, the idea of proposing marriage becomes an unexpected endeavor, one with high stakes, one with immense pressure, and one contrary to the simple, the black and white, the A-B-C easy act of love he thought proposing marriage was all about. A playful, yet poignant love story, Will You Marry Me, Brittany Rose? is about two people seeking what it means to be someone's perfect, struggling with inhabiting that perfect, and learning to love and lose while discovering something within that loss to make life worth living and love worth forever pursuing.

When Dr. Margaret sat down to write about her almost 24 year-old marriage, what emerged was the same number of feisty and honest thoughts about what marriage is, and what it definitely is not. Now accompanied by evocative images from around the world by photographers Deborah Strauss and Christine Mathias, her words bring a knowing smile, a nod of the head, and a recognition of hard-earned truth. This slim volume packs a punch and is a perfect gift to honor those who've loved each other for years, to guide those who've only recently considered commitment...or to keep for yourself. The Great Gatsby (1925) is a novel by F. Scott Fitzgerald. Published at the height of Fitzgerald's career as a leading writer of American fiction, The Great Gatsby was reviewed poorly by contemporary critics, but has since been recognized as a groundbreaking work for its vision of American decadence and decay. Adapted into several influential films and adored by generations of readers and writers, The Great Gatsby is not only Fitzgerald's crowning achievement, but one of the finest novels ever written. Nick Carraway is a young veteran and Yale graduate who moves to New York in search of work. He rents a bungalow on Long Island next door to the extravagant mansion of Jay Gatsby, a magnanimous millionaire with a mysterious past. There, he reconnects with his distant cousin Daisy and her husband Tom Buchanan, a flagrant philanderer who brings Nick to the city in order to spend time with Myrtle, his impoverished mistress. Soon, he receives an invitation to a party at the Gatsby mansion, where he gets terribly drunk and meets his neighbor, who swears they served together in the Great War. As time goes by, the two begin a tenuous friendship bolstered by stories of the war and a mutual fondness for alcohol. When Nick discovers that Gatsby and Daisy have a complicated history with one another, he starts to question not only the nature of his neighbor's kindness, but his own desire to make it big in New York. The Great Gatsby is a tragic tale of ambition and romance set in the Roaring Twenties, a decade born from war and lost to economic disaster. With a beautifully designed cover and professionally typeset manuscript, this new edition of F. Scott Fitzgerald's The Great Gatsby is a classic work of American literature reimagined for modern readers. An enlightening narrative exploring an oft-overlooked aspect of the sixteenth president's life, An American Marriage reveals the tragic story of Abraham Lincoln's marriage to Mary Todd. Abraham Lincoln was apparently one of those men who regarded "connubial bliss" as an untenable fantasy. During the Civil War, he pardoned a Union soldier who had deserted the army to return home to wed his sweetheart. As the president signed a document sparing the soldier's life, Lincoln said: "I want to punish the young man—probably in less than a year he will wish I had withheld the pardon." Based on thirty years of research, An American Marriage describes and analyzes why Lincoln had good reason to regret his marriage to Mary Todd. This revealing narrative shows that, as First Lady, Mary Lincoln accepted bribes and kickbacks, sold permits and pardons, engaged in extortion, and peddled influence. The reader comes to learn that Lincoln wed Mary Todd because, in all likelihood, she seduced him and then insisted that he protect her honor. Perhaps surprisingly, the 5'2" Mrs. Lincoln often physically abused her 6'4" husband, as well as her children and servants; she humiliated her husband in public; she caused him, as president, to fear that she would disgrace him publicly. Unlike her husband, she was not profoundly opposed to slavery and hardly qualifies as the "ardent abolitionist" that some historians have portrayed. While she provided a useful stimulus to his ambition, she often "crushed his spirit," as his law partner put it. In the end, Lincoln may not have had as successful a presidency as he did—where he showed a preternatural ability to deal with difficult people—if he had not had so much practice at home.

Marriage for many women is simply miserable. And if that's not bad enough, what makes this even worse is that oftentimes it is we

men who inject the misery into the marriage (like injecting our favorite marinade into the Thanksgiving turkey). We judge our wives, criticize them, gripe, complain, and fail to appreciate them. Is this behavior helpful? Is it effective? Is it Christ-like? No (and no wonder why the divorce rate among professing Christians is not much different from those who do not follow Jesus)! To tell you the truth, God's plan for the way you treat your wife looks very different. Throughout *With No Strings Attached: 28 Days of Blessing Your Wife*, Dr. Steven Bell details twenty-eight unique ways for you to love your wife unconditionally. Each approach to blessing your wife is simple, yet immensely challenging (and well worth your time). The days of the "status quo" husband are quickly coming to an end, and our wives need more from us than we've been giving them. Grounded in scripture and a number of other helpful resources, *With No Strings Attached: 28 Days of Blessing Your Wife* provides a clear blueprint of how to take your marriage from miserable to magnificent.

A very practical look at relationships for those married and single.

A New York Times Bestseller A New York Times Book Review Editors' Choice The "highly evocative, deeply moving" true account of the extraordinary life and brutal death of Mildred Harnack, the American leader of one of the largest underground resistance groups in Germany during WWII—"a stunning literary achievement" (Kai Bird, author of *The Outlier* and co-author of Pulitzer Prize-winning *American Prometheus*) Born and raised in Milwaukee, Mildred Harnack was twenty-six when she enrolled in a PhD program in Germany and witnessed the meteoric rise of the Nazi party. In 1932, she began holding secret meetings in her apartment—a small band of political activists that by 1940 had grown into the largest underground resistance group in Berlin. She recruited working-class Germans into the resistance, helped Jews escape, plotted acts of sabotage, and collaborated in writing leaflets that denounced Hitler and called for revolution. Her coconspirators circulated through Berlin under the cover of night, slipping the leaflets into mailboxes, public restrooms, phone booths. When the first shots of the Second World War were fired, she became a spy, couriering top-secret intelligence to the Allies. On the eve of her escape to Sweden, she was ambushed by the Gestapo. At a Nazi military court, a panel of five judges sentenced her to six years at a prison camp, but Hitler overruled the decision and ordered her execution. On February 16, 1943, she was strapped to a guillotine and beheaded. Historians identify Mildred Harnack as the only American in the leadership of the German resistance, yet her remarkable story has remained almost unknown until now. Harnack's great-great-niece Rebecca Donner draws on her extensive archival research in Germany, Russia, England, and the U.S. as well as newly uncovered documents in her family archive to produce this astonishing work of narrative nonfiction. Fusing elements of biography, real-life political thriller, and scholarly detective story, Donner brilliantly interweaves letters, diary entries, notes smuggled out of a Berlin prison, survivors' testimony, and a trove of declassified intelligence documents into a powerful, epic story, reconstructing the moral courage of an enigmatic woman nearly erased by history.

"Let's Pretend This Never Happened" meets "Orange is the New Black" in this wickedly funny memoir with a glimpse into the life of a woman who had a wonderful wickedly funny childhood, despite an abusive brother and emotionally bankrupt parents. It is filled with wickedly funny memories of the loving men in her life who were complete jerks. There are belly laughs that will bring wickedly funny tears to your eyes, when you realize you are more like her than you care to admit. It is riddled with reality show worthy drama and not-so-wickedly-funny addictions. It has serious and silly stories that are truly wickedly funny and bipolar, going from one extreme to the other... but not really. The author's therapist says she uses 'wickedly funny' way too much. She claims her therapist is nuttier than she is so she refuses to listen to him, but continues to pay him.

I Married a Communist Houghton Mifflin Harcourt

" Morimoto, a young professional woman in Japan, wishes her parents would stop trying to get her to marry a man and settle down. In September 1941, a handful of isolationist senators set out to tarnish Hollywood for warmongering. The United States was largely divided on the possibility of entering the European War, yet the immigrant moguls in Hollywood were acutely aware of the conditions in Europe. After Kristallnacht (the Night of Broken Glass), the gloves came off. Warner Bros. released the first directly anti-Nazi film in 1939 with Confessions of a Nazi Spy. Other studios followed with such films as The Mortal Storm (MGM), Man Hunt (Fox), The Man I Married (Fox), and The Great Dictator (United Artists). While these films represented a small percentage of Hollywood's output, senators took aim at the Jews in Hollywood who were supposedly "agitating us for war" and launched an investigation that resulted in Senate Resolution 152. The resolution was aimed at both radio and movies that "have been extensively used for propaganda purposes designed to influence the public mind in the direction of participation in the European War." When the Senate approved a subcommittee to investigate the intentions of these films, studio bosses were ready and willing to stand up against the government to defend their beloved industry. What followed was a complete embarrassment of the United States Senate and a large victory for Hollywood as well as freedom of speech. Many works of American film history only skim the surface of the 1941 investigation of Hollywood. In Hollywood Hates Hitler! Jew-Baiting, Anti-Nazism, and the Senate Investigation into Warmongering in Motion Pictures, author Chris Yogerst examines the years leading up to and through the Senate Investigation into Motion Picture War Propaganda, detailing the isolationist senators' relationship with the America First movement. Through his use of primary documents and lengthy congressional records, Yogerst paints a picture of the investigation's daily events both on Capitol Hill and in the national press.

Radio actor Iron Rinn (born Ira Ringold) is a big Newark roughneck blighted by a brutal personal secret from which he is perpetually in flight. An idealistic Communist, a self-educated ditchdigger turned popular performer, a six-foot six-inch Abe Lincoln look-alike, he marries the nation's reigning radio actress and beloved silent-film star, the exquisite Eve Frame (born Chava Fromkin). Their marriage evolves from a glamorous, romantic idyll into a dispiriting soap opera of tears and treachery. And with Eve's dramatic revelation to the gossip columnist Bryden Grant of her husband's life of "espionage" for the Soviet Union, the relationship enlarges from private drama into national scandal. Set in the heart of the McCarthy era, the story of Iron Rinn's denunciation and disgrace brings to harrowing life the human drama that was central to the nation's political tribulations in the dark years of betrayal, the blacklist, and naming names. I Married a Communist is an American tragedy as only Philip Roth could write it.

The Book titled:"The 1, 2, 3 Steps to Distinguish Between the Good, Acceptable and Perfect Will Of God in Marriage" is a comprehensive book about Marriage. It is fantastic and loaded with great revelations on how to make our choices aligned with the will of God for our lives in Marriage. It covers every subject that is required to bring us to the knowledge of how to identify and distinguish between the Good, Acceptable and Perfect will of God in Marriage. Everyone sincerely prays for the Perfect will of God in Marriage yet lacks the confidence to make a choice because when we are about to make a commitment, a racing thought drives down cold sweat on our faces. In most serious cases we hear a voice asking a

pertinent question. Are you sure of what you are about doing? Did God say this is the right one to be with you for ever and ever? Are you sure that what is presented to you is a true love. Wait a minute you have to re-examine his or her life style, do you think he or she will be faithful to you? Many more of these staggering questions flood our minds without clear answers. We are always left in a deep state of despair and confusion. Voices in our mind conflicting with what we perceive in our spirit. This should never be so. When God brought Eve to Adam he said: "this is the bone of my bones and the flesh of my flesh". He was definitely sure of who God presented to him that she was rightly his wife. The plain reason for this is that Adam was created a Living soul as such he was able to link up with God easily and was fully persuaded that God took from his bones and created Eve. This book explains how we can become Living souls to obtain God's divine favor in Marriage. This book reveals the areas of our weaknesses in choosing a life partner. It also shows how the devil entraps us during Courtship with petting, necking, fondling all in the guise of love while with impunity we set out to defile the bed of marriage. When we finally marry we carry along the judgment of God into our new Homes because we have polluted and corrupted our bodies which is meant to be the Lord's property. This book exposes the Fruit of the Spirit, the Gifts of the Spirit and our Ministry Gifts as our three in one mandatory package to be fulfilled before Believers can enter into God's Perfect will in Marriage. It also stresses the need for every Believer not to be hasty in their choice for life partners thus slip into the Good or Permissive will of God in Marriage these last days. This is because there will be no time to correct the wrongs and make the crooked places straightened in our lives due to the pressures of the present world challenges. The book reveals that marriage is an institution created by God and not the traditions of men. As an institution there are laid down pre-requisite conditions that must be fulfilled in order to gain entrance into it. With scriptural proofs the book explains step by step how we can fulfill these conditions to gain access into the Perfect will of God in Marriage. It also defines the union of the man and his wife as Christ and the Church to be in the state of spirit to spirit, soul to soul and body to body compatibility. No Wonder the scripture describes Marriage as a Great Mystery. We cannot afford to make mistakes at this time through the random sampling and defilement of our bodies before we make a choice of a life partner. This is because God has provided enough knowledge for us these last days to put our lives straight with Him. Besides Jesus had warned us in Matthew 24 that our last days shall be like the days of Noah when many were marrying and given into marriage but the flood came and swept them all away. Therefore Marriage these last days should be taken seriously. Ignorance is not an Excuse.

In development as a television series from Reese Witherspoon's Hello Sunshine production company and ABC Studios! This hilarious, poignant and true story of one teen's experience growing up in America as an undocumented immigrant from the Middle East is an increasingly necessary read in today's divisive world. Perfect for fans of Mindy Kaling and Trevor Noah's books. "Very funny but never flippant, Saedi mixes '90s pop culture references, adolescent angst and Iranian history into an intimate, informative narrative." —The New York Times At thirteen, bright-eyed, straight-A student Sara Saedi uncovered a terrible family secret: she was breaking the law simply by living in the United States. Only two years old when her parents fled Iran, she didn't learn of her undocumented status until her older sister wanted to apply for an after-school job, but couldn't because she didn't have a Social Security number. Fear of deportation kept Sara up at night, but it didn't keep her from being a teenager. She desperately wanted a green card, along with clear skin, her own car, and a boyfriend. Americanized follows Sara's progress toward getting her green card, but that's only a portion of her experiences as an Iranian-"American" teenager. From discovering that her parents secretly divorced to facilitate her mother's green card application to learning how to tame her unibrow, Sara pivots gracefully from the terrifying prospect that she might be kicked out of the country at any time to the almost-as-terrifying possibility that she might be the only one of her friends without a date to the prom. This moving, often hilarious story is for anyone who has ever shared either fear. "I don't want you to rehabilitate me," Philip Roth said to his only authorized biographer, Blake Bailey. "Just make me interesting." Granted complete independence and access, Bailey spent almost ten years poring over Roth's personal archive, interviewing his friends, lovers, and colleagues, and listening to Roth's own breathtakingly candid confessions. Cynthia Ozick, in her front-page rave for the New York Times Book Review, described Bailey's monumental biography as "a narrative masterwork . . . As in a novel, what is seen at first to be casual chance is revealed at last to be a steady and powerfully demanding drive. . . . under Bailey's strong light what remains on the page is one writer's life as it was lived, and almost as it was felt." Though Roth is generally considered an autobiographical novelist—his alter-egos include not only the Roth-like writer Nathan Zuckerman, but also a recurring character named Philip Roth—relatively little is known about the actual life on which so vast an oeuvre was supposedly based. Bailey reveals a man who, by design, led a highly compartmentalized life: a tireless champion of dissident writers behind the Iron Curtain on the one hand, Roth was also the Mickey Sabbath-like roué who pursued scandalous love affairs and aspired "[t]o affront and affront and affront till there was no one on earth unaffronted"—the man who was pilloried by his second wife, the actress Claire Bloom, in her 1996 memoir, *Leaving a Doll's House*. Towering above it all was Roth's achievement: thirty-one books that give us "the truest picture we have of the way we live now," as the poet Mark Strand put it in his remarks for Roth's Gold Medal at the 2001 American Academy of Arts and Letters ceremonial. Tracing Roth's path from realism to farce to metafiction to the tragic masterpieces of the American Trilogy, Bailey explores Roth's engagement with nearly every aspect of postwar American culture. "Packed with incredible insight about what it means to be a woman today."—Reese Witherspoon (Reese's Book Club Pick) In her most revealing and powerful memoir yet, the activist, speaker, bestselling author, and "patron saint of female empowerment" (People) explores the joy and peace we discover when we stop striving to meet others' expectations and start trusting the voice deep within us. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • The Washington Post • Cosmopolitan • Marie Claire • Bloomberg • Parade • "Untamed will liberate women—emotionally, spiritually, and physically. It is phenomenal."—Elizabeth Gilbert, author of *City of Girls* and *Eat Pray Love* This is how you find yourself. There is a voice of longing inside each woman. We strive so mightily to be good: good partners, daughters, mothers, employees, and friends. We hope all this striving will make us feel alive. Instead, it leaves us feeling weary, stuck, overwhelmed, and underwhelmed. We look at our lives and wonder: Wasn't it all supposed to be more beautiful than this? We quickly silence that question, telling ourselves to be grateful, hiding our discontent—even from ourselves. For many years, Glennon Doyle denied her own discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: There She Is. At first, Glennon assumed these words came to her from on high. But she soon realized they had come to her from within. This was her own voice—the one she had buried beneath decades of numbing addictions, cultural conditioning, and institutional allegiances. This was the voice of the girl she had been before the world told her who to be. Glennon decided to quit abandoning herself and to instead abandon the world's expectations of her. She quit being good so she could be free. She quit pleasing and started living. Soulful and uproarious, forceful and tender, *Untamed* is both an intimate memoir and a galvanizing wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is the story of navigating divorce, forming a new blended family, and discovering that the brokenness or wholeness of a family depends not on its structure but on each member's ability to bring her full self to the table. And it is the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honor our anger and heartbreak, and unleash our truest, wildest instincts so that we become women who can finally look at ourselves and say: There She Is. *Untamed* shows us how to be brave. As Glennon insists: The braver we are, the luckier we get.

Welcome to Oakwood Falls. A mountainside town, where the swoon is high and the men are dreamy Get all five *Wedded Curves* stories in one boxset. Whoa! I Married a Mountain Man Always the bridesmaid and never the bride. It's something I'd resigned myself to. Then at my best friend's wedding, I met Gavin 'Bear' Warren. He made my heart go boom. I remember laughing. I remember talking. I even remember going for a long walk together. What I don't remember is saying 'I do'. Somehow, I'm the bride, married to a man—a mountain man—I just met. What do I do now? Whoa! I Married a Billionaire You never truly know a man until you share a bank account. That's something my granny used to say growing up. I never cared about money, only the man. But when I married Danny Cardiff, I finally understood what she meant. When I said, 'I do' I thought it was to a mild mannered ex-marine turned business analyst who spent more time working at home than in the office. But when we went on our honeymoon, I realized just how wrong I was. There was a private jet. We had an entire island to ourselves. Staff to cater to every whim. When I grew concerned over how we could afford this, he broke the news. He's a billionaire. Whoa! But now I'm wondering what other secrets he's hiding. Whoa! I Married the Pitcher It only took one strike. The moment I saw Bryce Cardiff step up to the mound, I knew he was the man I wanted to marry. Problem was, he was off limits to me. As the owner's daughter, I wasn't allowed to mingle with the players. But then we ran into each other in the stairwell, and...we couldn't help ourselves. Now we're on the run. All we want is each other. All baseball wants is their prized pitcher and their little princess back under the owner's thumb. I don't know how we're going to stop them from pulling us apart, but Bryce says he has a plan. I hope it's a good one. Whoa! I Married a Rock Star

He made me the girl in his song In the beginning, I was nothing more than an employee, a gift to his wealthy friends, the nanny who'd take care of their baby. Then we got to know each other. I always imagined a rock star would be arrogant and crude, but Tristan Alto was none of those things. Away from the limelight, he was charming, intelligent, and oh so worldly. He swept me off my feet?, told me secrets I don't think anyone knew. I was his the moment he picked up his guitar and described me in song. Whoa! I Married a Biker With one look, my engine revved... Tattoos and leather jackets are a dime a dozen in the music industry. And as goddaughter to one of the world's biggest rock legends, I've seen my fair share of bad boys on motorcycles. Then Wyatt Tanner enters the room... He has the bike, the tattoos, and the leather jacket. But he isn't a musician pretending to be bad. He's a real, bonafide bad-a-s-s. An ex-member of an outlaw biker gang, he's the only genuine person in a room full of pretenders. I'm instantly drawn to him... We click immediately. He makes me feel things I've never imagined existed outside of stories and songs. I can see myself spending my life with him. But then his old life catches up, and suddenly my happily ever after doesn't seem so happy after all. Can we beat the odds and find our happily ever after in Oakwood Falls? As always, this Megan Wade book comes with her 'Sugar Promise'. High heat, low drama, guaranteed.
