AN INSTANT NEW YORK TIMES BESTSELLER! From the # 1 New York Times bestselling author of *Eat Pray Love* and *The Signature of All Things*, a delicious novel of glamour, sex, and adventure, about a young woman discovering that you don't have to be a good girl to be a good person. "A spellbinding novel about love, freedom, and finding your own happiness." - PopSugar "Intimate and richly sensual, razzle-dazzle with a hint of danger." -USA Today "Pairs well with a cocktail...or two." -TheSkimm "Life is both fleeting and dangerous, and there is no point in denying yourself pleasure, or being anything other than what you are." Beloved author Elizabeth Gilbert returns to fiction with a unique love story set in the New York City theater world during the 1940s. Told from the perspective of an older woman as she looks back on her youth with both pleasure and regret (but mostly pleasure), *City of Girls* explores themes of female sexuality and promiscuity, as well as the idiosyncrasies of true love. In 1940, nineteen-year-old Vivian Morris has just been kicked out of Vassar College, owing to her lackluster freshman-year performance. Her affluent parents send her to Manhattan to live with her Aunt Peg, who owns a flamboyant, crumbling midtown theater called the Lily Playhouse. There Vivian is introduced to an entire cosmos of unconventional and charismatic characters, from the fun-chasing showgirls to a sexy male actor, a grand-dame actress, a lady-killer writer, and no-nonsense stage manager. But when Vivian makes a personal mistake that results in professional scandal, it turns her new world upside down in ways that it will take her years to fully understand. Ultimately, though, it leads her to a new understanding of the kind of life she craves - and the kind of freedom it takes to pursue it. It will also lead to the love of her life, a love that stands out from all the rest. Now eighty-nine years old and telling her story at last, Vivian recalls how the events of those years altered the course of her life - and the gusto and autonomy with which she approached it. "At some point in a woman's life, she just gets tired of being ashamed all the time," she muses. "After that, she is free to become whoever she truly is." Written with a powerful wisdom about human desire and connection, *City of Girls* is a love story like no other.

For as long as she can remember, Lady Adriana Sutton has adored Colton Wyndham, to whom she has been promised by an agreement of courtship and betrothal since childhood. As a young girl, she was wounded by Colton's stubborn

Rather than submit, he fled from his ancestral home for a life of adventure and danger as an officer in the British army. The years have been immensely kind to Lady Adriana. No longer the plain, thin tomboy Colton had spurned, she has blossomed into an uncommon beauty desired by nearly every eligible bachelor in the land. Yet the only man she desires is the decorated hero who has finally come home to claim his rightful title. Arrogant, unmoved, and seductive as ever, he remains averse to the idea of their betrothal in spite of his growing desire for her. To demonstrate his belief that love cannot be forced, Colton agrees to court Lady Adriana for ninety days, after which time he will be allowed to keep his precious freedom if he so wishes. But much has changed since he balked at his father's plans. Forced into a courtship with this stunning, spirited woman, who is as different today from the young chit he left behind as spring is to winter, the heroic heart that was once closed to Adriana is moved by her charm, her grace, and her sensuality ... and begins to yield. But a secret from Colton's past may doom their burgeoning love ... even as the treacherous schemes of a sinister rival threaten to steal the remarkable lady from his arms forever. To be human means to try and sometimes fail, to love and sometimes lose, to risk and sometimes regret. There are times when we realize where our choices have brought us and we're afraid to be honest--with ourselves, with others, with God--about how we're really feeling and how we got to where we are. Because what if no one understands? What if they think less of us? What if God is disappointed with us? Eryn Eddy wants you to know that no matter your past mistakes, relationship status, career choice, or feelings, nothing can change the truth that

you are so worth loving. In this openhearted book, she takes you by the hand and helps you look in, look up, and look out, exploring your relationship with yourself, God, and others. She gives you permission to feel deeply and openly before God, who isn't afraid of our feelings, no matter what they are. And she lovingly reminds you that you are not crazy, you are not alone, and you will get through this.

"From celebrated music writer Dan Ozzi comes a comprehensive chronicle of the punk music scene's evolution from the early nineties to the mid-aughts, following eleven bands as they dissolved, "sold out," and rose to surprise stardom. From its inception, punk music has been identified by two factors: its proximity to "authenticity," and its reliance on an antiestablishment ethos. Yet, in the mid- to late '90s, major record labels sought to capitalize on punk's rebellious undertones, leading to a schism in the scene: to accept the cash flow of the majors, or stick to indie cred? Sellout chronicles the evolution of the punk scene during this era, focusing on prominent bands as they experienced the last "gold rush" of the music industry. Within it, music writer Dan Ozzi follows the rise of successful bands like Green Day and Jimmy Eat World, as well as the implosion of groups like Jawbreaker and At the Drive-In, who buckled under the pressure of their striving labels.

Featuring original interviews and personal stories from members of eleven of modern punk's most (in)famous bands, Sellout is the history of the evolution of the music industry, and a punk rock lover's guide to the chaotic darlings of the post-grunge era. "--

Love Is Blind meets You've Got Mail in this laugh-out-loud romantic comedy following two thirty-somethings who meet on a blind dating app—only to realize that their online chemistry is nothing compared to their offline rivalry. Perpetually cheerful and eager to please, Gracie Cooper strives to make the best out of every situation. So when her father dies just months after a lung cancer diagnosis, she sets aside her dreams of pursuing her passion for art to take over his Midtown Manhattan champagne shop. She soon finds out that the store's profit margins are being squeezed perilously tight, and complicating matters further, a giant corporation headed by the impossibly handsome, but irritatingly arrogant Sebastian Andrews is proposing a buyout. But Gracie can't bear the thought of throwing away her father's dream like she did her own. Overwhelmed and not wanting to admit to her friends or family that she's having second thoughts about the shop, Gracie seeks advice and solace from someone she's never met—the faceless "Sir", with whom she connected on a blind dating app where matches get to know each other through messages and common interests before exchanging real names or photos. But although Gracie finds herself slowly falling for Sir online, she has no idea she's already met him in real life...and they can't stand each other.
