INTERMEDIATE ALGEBRA: CONNECTING CONCEPTS THROUGH APPLICATIONS shows students how to apply traditional mathematical skills in real-world contexts. The emphasis on skill building and applications engages students as they master concepts, problem solving, and communication skills. It modifies the rule of four, integrating algebraic techniques, graphing, the use of data in tables, and writing sentences to communicate solutions to application problems. The authors have developed several key ideas to make concepts real

and vivid for students. First, the authors integrate applications, drawing on real-world data to show students why they need to know and how to apply math. The applications help students develop the skills needed to explain the meaning of answers in the context of the application. Second, they emphasize strong algebra skills. These skills support the applications and enhance student comprehension. Third, the authors use an eyeball best-fit approach to modeling. Doing models by hand helps students focus on the characteristics of each function type. Fourth, the text underscores the importance of graphs and graphing. Students learn graphing by hand, while the graphing calculator is used to display real-life data problems. In short, INTERMEDIATE ALGEBRA: CONNECTING CONCEPTS THROUGH APPLICATIONS takes an application-driven approach to algebra, using appropriate calculator technology as students master algebraic concepts and skills. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Each of the four levels comprises about 80 hours of class work, with additional time for the self-study work. The Teacher's Book contains all the pages from the Classroom Book, with interleaved teaching notes including optional activities to cater for different abilities. There is a video to accompany the Beginner, Pre-intermediate and Intermediate levels. Each video contains eight stimulating and entertaining short programmes, as well as a booklet of photocopiable activities. Free test material is available in booklet and web format for Beginner and Pre-intermediate levels. Visit www.cambridge.org/elt/liu or contact your local Cambridge University Press representative.

Interchange Third edition is a four-level series for adult and young-adult learners of English from the beginning to the high-intermediate level. The Interchange Third Edition Level 3 Student's Book builds on the foundations established in Level 2 for accurate and fluent communication, extending grammatical, lexical, and functional skills. Topics such as relationships, the media, self-improvement, business and advertising, and controversial issues are presented in unique ways using interesting real-life information. The Student's Book contains 16 teaching units, frequent progress checks that allow students to assess and monitor their own learning, and a listening self-study section. Included is a Student Audio CD that contains the conversation, pronunciation, and self-study sections from the Student's Book.

"Testing your vocabulary needn't be boring! Use this book for self-study, or in the classroom, to check your progress as you build your vocabulary and become a confident speaker of English."--Editor.

Are you looking for a great idea or some inspiration to start a new venture or to help you grow your existing business? This book contains 100 great business ideas, extracted from the world's best companies. Ideas provide the fuel for individuals and companies to create value and success. Indeed the power of ideas can even exceed the power of money. One simple idea can be the catalyst to move markets, inspire colleagues and employees, and capture the hearts and imaginations of customers. This book can be that very catalyst. Each idea is succinctly described and is followed by advice on how such an idea can be applied to the reader's own business situation. A simple but potentially powerful book for anyone seeking new inspiration and that killer application.

The Gift of the Magi is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another.

With Solutions iTools, teachers have exciting interactive whiteboard material which brings fresh stimulus to language lessons.

The Workbook offers plenty of extra practice, revision, and reviews. Mirroring the Student's Book content, with the same clear structure, it provides extra reading and writing practice opportunities for both weaker and stronger students. The Writing Bank at the back of the book gives a quick guide to text types, with model structures and key language as well as exam strategies, plus a Functions Bank for functional phrases for speaking and writing. There is plenty of exam practice in the Get Ready for your Exam sections and these, along with the Self-Check pages after each unit and the review sections at the back of the books, allow students and their teachers to keep track of

their progress as they work towards their exams. The accompanying Audio CD offers students a huge amount of listening practice. There are audio recordings for tasks in every lesson (not only for the Vocabulary & Listening lessons).

Solutions 3e Intermediate Essential Teachers Book and Resource Disk Pack Passages, Third Edition, is a two-level, multi-skills course that will quickly and effectively move adult and young-adult learners of English from high-intermediate to the advanced level. Student's Book B comprises the second half (Units 7-12) of the complete Level 2 Student's Book. Each of the Passages, Third Edition, Student's Books have been updated to offer fresh, contemporary content, relevant speaking and listening activities, comprehensive grammar and vocabulary support, enhanced reading skills development, and a step-by-step academic writing strand. Frequent communication reviews will systematically consolidate learning, while the popular Grammar Plus and new Vocabulary Plus sections in the back of the Student's Book provide additional skills support.

The series helps students gain insight into how academic text is organized and how to read effectively. The Teacher's Manual contains teaching suggestions and an answer key for the Student's Book.
