Denis De Beaulieu, a French soldier, is made a prisoner by the Sire of De Maletroit, who believes that the soldier has compromised the Maletroit family honor. Fenoglio's last work, the short -partisan novel- entitled "A" "Private Matter, " was published in April of 1963, two months after the author's death. Had he been alive, Fenoglio would have been happy to witness the enthusiasm which greeted the publication of his book. Among those who read the novel and praised it most highly we find Italo Calvino: -And it was the most solitary of us who succeeded in writing the novel we all wanted to write about the war (...) Only now thanks to Fenoglio, we can say that a season was completed, and only now we are certain that it really existed: the season that goes from "Il sentiero dei nidi di ragno" (1947) to "Una questione privata" (1963).-

Penguin Readers is an ELT graded reader series. Please note that the eBook edition does NOT include access to the audio edition and digital book. Written for learners of English as a foreign language, each title includes carefully adapted text, new illustrations and language learning exercises. Titles include popular classics, exciting contemporary fiction, and thought-provoking non-fiction, introducing language learners to bestselling authors and compelling content. The eight levels of Penguin Readers follow the Common European Framework of Reference for language learning (CEFR). Exercises at the back of each Reader help language learners to practise grammar,

A Christmas Carol (1843)Great Expectations (1867 edition

Dashing and elegant, Baron Christian St. Clair is the toast of the ton...and a man with a closely guarded secret.

A witty philosophical murder mystery with a charming twist: the crack detectives are sheep determined to discover who killed their beloved shepherd. On a hillside near the cozy Irish village of Glennkill, a flock of sheep gathers around their shepherd, George, whose body lies pinned to the ground with a spade. George has cared devotedly for the flock, even reading them books every night. Led by Miss Maple, the smartest sheep in Glennkill (and possibly the world), they set out to find George's killer. The A-team of investigators includes Othello, the "bad-boy" black ram; Mopple the Whale, a Merino who eats a lot and remembers everything; and Zora, a pensive black-faced ewe with a weakness for abysses. Joined by other members of the richly talented flock, they engage in nightlong discussions about the crime, wild metaphysical speculations, and embark on reconnaissance missions into the village, where they encounter some likely suspects. Along the way, the sheep confront their own all-too-human struggles with guilt, misdeeds, and unrequited love. Funny, fresh, and endearing, it introduces a wonderful new breed of detectives to Canadian readers.

This is a powerful and poignant memoir of a young Jewish pianist who survived the war in Warsaw against all odds, alongside moving extracts from the diary of the German officer who saved his life. 'You can learn more about human nature from this brief account of the survival of one man throughout the war years in the devastated city of Warsaw than from several volumes of the average encyclopaedia' Independent on Sunday THE AUTHOR Wladyslaw Szpilman was born in 1911. He studied the piano at the Warsaw Conservatory and at the

Academy of Arts in Berlin. From 1945 to 1963 he was Director of Music at Polish Radio, and for many years he also pursued a career as a concert pianist and composer. He lived in Warsaw until his death in 2000.

“Eco-lit needs more attention, and devotees will be pleased to discover a new addition from the Icelandic author Andri Snær Magnason, who writes with a Seussian mix of wonder, wit and gravitas. ... immensely satisfying.”—New York Times Asked by a leading climate scientist why he wasn’t writing about the greatest crisis mankind has faced, Andri Snær Magnason, one of Iceland’s most beloved writers and public intellectuals, protested: he wasn’t a specialist, he said. It wasn’t his field. But the scientist persisted: “If you cannot understand our scientific findings and present them in an emotional, psychological, poetic or mythological context,” he told him, “then no one will really understand the issue, and the world will end.” Based on interviews and advice from leading glacial, ocean, climate, and geographical scientists, and interwoven with personal, historical, and mythological stories, Magnason’s resulting response is a rich and compelling work of narrative nonfiction that illustrates the reality of climate change and offers hope in the face of an uncertain future. Moving from reflections on how one writes an obituary for a glacier to exhortation for a heightened understanding of human time and our obligations to one another, throughout history and across the globe, *On Time and Water* is both deeply personal and globally minded: a travel story, a world history, a desperate plea to live in harmony with future generations—and is unlike anything that has yet been published on the current climate emergency.

'Reader, if you're ready, so am I.' These witty vignettes, set in Charlotte Brontë's

imaginary world of Angria, feature debauched aristocrats, high-society courtesans and the rakish, brooding hero Zamorna, and offer a fascinating insight into Brontë's early writing. One of 46 new books in the bestselling Little Black Classics series, to celebrate the first ever Penguin Classic in 1946. Each book gives readers a taste of the Classics' huge range and diversity, with works from around the world and across the centuries - including fables, decadence, heartbreak, tall tales, satire, ghosts, battles and elephants.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public."

-an excerpt

These inventive and entertaining pieces display the early sparkles of wit and imagination of Jane Austen's mature fiction. Written when she was only in her teens, they are by turns amusing, acerbic and occasionally downright silly. 'Love and Friendship' and 'Lesley Castle' provide parodies of the gentry and the fashionable idea of sensibility of the time. 'A History of England' supplies us with a lively chronicle of English monarchic history. Also included in this collection are

'The Three Sisters', 'Catharine', the series of vignettes known as 'A Collection of Letters' and 'Lady Susan', an epistolary story which was recently adapted for the cinema. Taken together, these pieces display all the wry humour, shrewd observation and satirical insight of Emma or Pride and Prejudice.

This elegant boxed set of all the Brontë sisters' best novels - Jane Eyre, Wuthering Heights and The Tenant of Wildfell Hall - and is beautifully designed, with a real cloth padded top and matt laminated printed sides over 3mm boards, it will be as much at home in the living room as on the bedside table or bureau. Wuthering Heights (C1)C1-niveau ERK Uitgeverij De Boeck Secundair onderwijs LOVE Desperate without his Catherine, Heathcliff runs away. But when he returns a few years later a series of events starts to destroy the relationship between the Lintons and the Earnshaws. Dossier: The Imaginative World of the Brontë Children

Initially published under the pseudonym Currer Bell in 1847, Charlotte Brontë's Jane Eyre erupted onto the English literary scene, immediately winning the devotion of many of the world's most renowned writers, including William Makepeace Thackeray, who declared it a work "of great genius." Widely regarded as a revolutionary novel, Brontë's masterpiece introduced the world to a radical new type of heroine, one whose defiant virtue and moral courage departed sharply from the more acquiescent and malleable female characters of the day. Passionate, dramatic, and surprisingly modern, Jane Eyre endures as one of the world's most beloved novels. This Modern Library Paperback Classics edition includes newly written

explanatory notes.

Dubliners is a collection of 15 short stories by James Joyce. They form a naturalistic depiction of Irish middle class life in and around Dublin in the early years of the 20th century. The stories were written when Irish nationalism was at its peak, and a search for a national identity and purpose was raging; at a crossroads of history and culture, Ireland was jolted by various converging ideas and influences. They centre on Joyce's idea of an epiphany: a moment where a character experiences self-understanding or illumination. Many of the characters in Dubliners later appear in minor roles in Joyce's novel Ulysses. The initial stories in the collection are narrated by child protagonists, and as the stories continue, they deal with the lives and concerns of progressively older people. This is in line with Joyce's tripartite division of the collection into childhood, adolescence and maturity. In Dubliners Joyce rarely uses hyperbole, relying on simplicity and close detail to create a realistic setting. This ties the reader's understanding of people to their environments. He does not tell readers what to think, rather they are left to come to their own conclusions. This is even more evident when contrasted with the moral judgements displayed by earlier writers such as Charles Dickens. This frequently leads to a lack of traditional dramatic resolution within the stories. The collection as a whole displays an overall plan, beginning with stories of youth and progressing in age to culminate in *The Dead*. Great emphasis is laid upon the specific geographic details of Dublin, details to which a reader with a knowledge of the area would be able to directly relate. The multiple perspectives presented throughout the collection serve to contrast the characters in Dublin at this time.

Combines theme and genre analysis in a study of the Italian author, from her first literary

writings in the 1930s to her novels in the 1990s.

Vertical Readings in Dante's Comedy is a reappraisal of the poem by an international team of thirty-four scholars. Each vertical reading analyses three same-numbered cantos from the three canticles: Inferno i, Purgatorio i and Paradiso i; Inferno ii, Purgatorio ii and Paradiso ii; etc. Although scholars have suggested before that there are correspondences between same-numbered cantos that beg to be explored, this is the first time that the approach has been pursued in a systematic fashion across the poem. This collection – to be issued in three volumes – offers an unprecedented repertoire of vertical readings for the whole poem. As the first volume exemplifies, vertical reading not only articulates unexamined connections between the three canticles but also unlocks engaging new ways to enter into core concerns of the poem. The three volumes thereby provide an indispensable resource for scholars, students and enthusiasts of Dante. The volume has its origin in a series of thirty-three public lectures held in Trinity College, the University of Cambridge (2012-2016) which can be accessed at the 'Cambridge Vertical Readings in Dante's Comedy' website.
