Sorvegliare e punire. Nascita della prigione Michel Foucault, 2005

La società disciplinare Michel Foucault, 2018-07-13T00:00:00+02:00 La prigione rappresenta un luogo che in Foucault è sempre stato al centro dell'attenzione, sia nei suoi corsi accademici al Collège de France, sia nella elaborazione della sua griglia analitica della disciplina, sia nel celebre testo *Sorvegliare e punire*, sia infine nella sua pratica militante a fianco dei detenuti. Questo testo raccoglie una serie di articoli e interviste lungo tutto l'arco degli anni Settanta del secolo scorso. Il fil rouge che li lega è appunto la questione carceraria e, più in generale, la tenuta della nozione di disciplina messa alla prova con la condizione della società francese di quell'epoca. Ne emerge un Foucault sempre più attuale, che riesce a dirci qualcosa di interessante non solamente rispetto all'evoluzione del ruolo e della funzione disciplinare della prigione, oggi sempre più resa un contenitore entro il quale scaricare individui ritenuti a rischio per la sicurezza della popolazione, proprio allorquando sono le politiche securitarie a esaltare la sorveglianza e il controllo senza apportare un reale beneficio di tranquillità e felicità sociale. Foucault anticipa con poche battute il destino di società ricche e potenti, come le nostre, che si sentono assediate e ossessionate da minacce costruite a tavolino e per le quali vengono dispiegate tecnologie sempre più invasive e raffinate che mutano tanto i discorsi quanto i dispositivi dei regimi di una democrazia autonominatasi liberale. L'Introduzione di Salvo Vaccaro, che ha curato l'intera pubblicazione, ripercorre il nesso teorico e pratico tra analisi della prigione e filosofia politica di Foucault.

Discipline and Punish Michel Foucault, 1979 In this brilliant study, one of the most influential philosophers alive sweeps aside centuries of sterile debate about prison reform and gives a highly provocative account of how penal institutions and the power to punish became a part of our lives. Foucault explains the alleged failures of the modern prison by showing how the very concern with rehabilitation encourages and refines criminal activity.

Alternative alla prigione Michel Foucault, 2022-05-12T00:00:00+02:00 Il testo presentato in queste pagine si basa sulla trascrizione condotta nel 1993 da Jean-Paul Brodeur, professore all'École de criminologie dell'Università di Montréal, dell'intervento di Michel Foucault a un convegno sulle alternative alla carcerazione tenutosi nella città canadese nel 1976. Si

tratta di un intervento poco conosciuto, non incluso nei Detti e scritti del pensatore e storico francese. Un intervento, tuttavia, in cui il ricorso di Foucault a esempi a lui contemporanei sulle forme di controllo emergenti contribuisce non poco a comprendere la sua idea di un'estensione della società poliziesca nella nostra epoca. Gli istituti «alternativi» alla prigione - centri sociali e terapeutici, strutture di transizione e di reinserimento con programmi di esecuzione della pena personalizzati per ogni detenuto - liberano, nella considerazione di Foucault, il delinquente dalla «reclusione stretta, completa, esaustiva a cui era destinato nelle carceri ottocentesche». Ma insieme a lui è liberato anche qualcos'altro, «qualcosa di più grande di lui». Attraverso la risocializzazione ottenuta mediante il lavoro, la famiglia e l'autocolpevolizzazione, le vecchie funzioni carcerarie, infatti, si diffondono e si espandono in tutto il corpo sociale. Il testo, curato da Sylvain Lafleur, è accompagnato da una serie di conversazioni con Tony Ferri e Anthony Amicelle, esperti di esecuzione e controllo penale, sul rapporto tra progressismo penale e imposizione sempre maggiore di misure restrittive extra moenia. «Quella cosa che chiamiamo punizione e che per secoli, forse millenni, è parsa più o meno ovvia alla civiltà occidentale, la nozione stessa di punizione, vi sembra altrettanto scontata oggi? Cosa significa essere puniti? È davvero necessario essere puniti?»

Discipline and Punish Michel Foucault, 2012-04-18 A brilliant work from the most influential philosopher since Sartre. In this indispensable work, a brilliant thinker suggests that such vaunted reforms as the abolition of torture and the emergence of the modern penitentiary have merely shifted the focus of punishment from the prisoner's body to his soul.

Discipline and Punish: the Birth of the Prison Michel Foucault, In the Middle Ages there were gaols and dungeons, but punishment was for the most part a spectacle. The economic changes and growing popular dissent of the 18th century made necessary a more systematic control over the individual members of society, and this in effect meant a change from punishment, which chastised the body, to reform, which touched the soul.

Sorvegliare e punire oggi Deborah De Rosa, 2023-11-08T00:00:00+01:00 A quasi cinquant'anni dalla sua prima pubblicazione, *Sorvegliare e punire* di Michel Foucault rimane un testo chiave per comprendere la transitorietà dei sistemi penali e l'attualità delle dinamiche di sorveglianza. Nell'età della prigione, a cui ancora apparteniamo, cambiano i criteri dell'"ortopedia sociale" e gli strumenti per distinguere tra normale e anormale. Chi sorvegliamo oggi? Cosa riteniamo punibile? Cercando di rispondere a queste domande, il volume indaga la figura odierna del deviante, ricostruendone la genealogia e riflettendo criticamente sulle intersezioni, teoriche e pratiche, tra criminologia, biologia, neuroscienze e informatica.

Pena e Carcere. Una lettura critica Sonia La Rosa, 2016 In questo lavoro l'Autrice analizza l'istituzione carceraria dalle origini medievali ad oggi, servendosi dell'approccio della criminologia critica, che considera la politica penale una sovrastruttura del sistema economico. Il libro, pertanto, si pone come obiettivo l'individuazione del legame tra politiche di penalità ed evoluzione degli interessi e delle istituzioni economiche e sociali, in tutte le fasi storiche. La chiave di lettura

economicista è integrata dagli aspetti politici, culturali e religiosi correlati alla nascita e all'affermazione del penitenziario. L'Autrice affronta, altresì, la problematica dell'iperincarcerazione registratasi negli ultimi decenni in Italia, collocandola in un contesto globale di passaggio dallo Stato sociale allo Stato penale, e si sofferma sulle recenti strategie adottate in Italia - su input delle Istituzioni Europee - finalizzate a ricondurre la situazione carceraria in un alveo di legalità e di rispetto dei diritti essenziali della persona.

Sorvegliare e punire oggi. Epistemologia della penalità contemporanea Deborah De Rosa, 2023

Discipline and Punish Michel Foucault, 1977 Before the early 19th century, European ideas of crime and punishment tended to involve very public displays of the power of the monarch and the power of the state against the offending individual. Nowhere was this tendency more evident than in the spectacle of public executions. Those convicted of murder, piracy, counterfeiting, or other notable capital crimes would be taken to a public place for hanging or decapitation, and certain kinds of crimes warranted particularly gruesome punishments. In *Discipline and Punish*, social theorist Michel Foucault directly confronts and challenges a number of existing ideas surrounding the prison reforms of the late 1700s and early 1800s, and even into the twentieth century. By looking at the evolution of justice systems (focusing primarily on France), he suggests that the shift away from public executions and towards the idea of incarceration and reform within prison walls was a means of reframing the image of the power of society over the individual. Public executions often had the effect of making a criminal into a public martyr, and the ballads and broadsides printed for the common people did less to condemn the crime and more to glorify the criminal. By shifting the focus of justice into the prison and out of the public eye, authorities would have more direct control over the lives of those who had violated the norms of society.

Oltre a sorvegliare e punire. Esperienze e riflessioni di operatori su trattamento e cura in carcere Daniela Pajardi, Pajardi Daniela Maria, 2008

Dossier Iran Michel Foucault, 2023-07-07T00:00:00+02:00 A quasi quarantantacinque anni dalla nascita della Repubblica Islamica, l'Iran è attraversato da rivolte e scioperi che sfidano il potere delle autorità religiose. La rivoluzione iraniana sembra irrimediabilmente giunta alla sua fine. Di quell'evento, sorto tra il 1978 e il 1979, conserviamo una testimonianza pressoché unica: quella di Michel Foucault. In collaborazione con il Corriere della Sera, nel settembre del 1978 Foucault partiva alla volta di Teheran per poi tornarvi a novembre, pubblicando dieci reportage sulla sollevazione popolare di cui era stato testimone. Le polemiche attorno a quel viaggio furono immediate: con l'istituzione della Repubblica Islamica e dei primi tribunali rivoluzionari, i media occidentali sottolinearono subito l'«abbaglio», se non l'irresponsabilità, del filosofo nel porre l'accento su una presunta «spiritualità politica» della rivoluzione degli ayatollah. A mezzo secolo da quei reportage e a venticinque dalla loro parziale pubblicazione, *Dossier Iran* raccoglie per la prima volta tutti i materiali prodotti da Foucault sulla rivoluzione iraniana. Ne emerge una originale riflessione che, al di là del catastrofico esito di quell'evento, mostra

l'irriducibile singolarità dell'iniziale sollevazione popolare e le speranze che la accompagnarono. «Mi sento in imbarazzo a parlare del governo islamico come "idea" o anche come "ideale". Ma come "volontà politica", mi ha colpito. Mi ha colpito per il suo sforzo di politicizzare, in risposta a problemi attuali, strutture indissolubilmente sociali e religiose; mi ha colpito anche per il suo tentativo di aprire nella politica una dimensione spirituale». «Tutti i grandi rivolgimenti politici, sociali e culturali hanno potuto effettivamente prendere posto nella storia solo a partire da un movimento che è stato un movimento di spiritualità».

The Inner Enemies of Democracy Tzvetan Todorov, 2015-06-01 The political history of the twentieth century can be viewed as the history of democracy's struggle against its external enemies: fascism and communism. This struggle ended with the fall of the Berlin Wall and the collapse of the Soviet regime. Some people think that democracy now faces new enemies: Islamic fundamentalism, religious extremism and international terrorism and that this is the struggle that will define our times. Todorov disagrees: the biggest threat to democracy today is democracy itself. Its enemies are within: what the ancient Greeks called 'hubris'. Todorov argues that certain democratic values have been distorted and pushed to an extreme that serves the interests of dominant states and powerful individuals. In the name of 'democracy' and 'human rights', the United States and some European countries have embarked on a crusade to enlighten some foreign populations through the use of force. Yet this mission to 'help' others has led to Abu Ghraib and Guantanamo, to large-scale destruction and loss of life and to a moral crisis of growing proportions. The defence of freedom, if unlimited, can lead to the tyranny of individuals. Drawing on recent history as well as his own experience of growing up in a totalitarian regime, Todorov returns to examples borrowed from the Western canon: from a dispute between Augustine and Pelagius to the fierce debates among Enlightenment thinkers to explore the origin of these perversions of democracy. He argues compellingly that the real democratic ideal is to be found in the delicate, ever-changing balance between competing principles, popular sovereignty, freedom and progress. When one of these elements breaks free and turns into an over-riding principle, it becomes dangerous: populism, ultra-liberalism and messianism, the inner enemies of democracy.

Vigilar y castigar Michel Foucault, 1983 ¿De dónde viene la práctica y el curioso proyecto de encerrar para corregir que traen consigo los códigos penales de la época moderna? ¿Una vieja herencia de las mazmorras de la Edad Media? Más bien una tecnología nueva: El desarrollo, del siglo xvi al xix, de un conjunto de procedimientos para dividir en zonas, controlar, medir, encauzar a los individuos y hacerlos a la vez idóculos y útiles. Vigilancia, ejercicios, maniobras, calificaciones, rangos y lugares, clasificaciones, exámenes, registros, son formas de someter los cuerpos, de dominar las multiplicidades humanas y de manipular sus fuerzas.

Handbook of Research on Education for Participative Citizenship and Global Prosperity Pineda-Alfonso, José A., De Alba-Fernández, Nicolás, Navarro-Medina, Elisa, 2018-11-23 Active participation in processes of change are an essential aspect of community participation, and proper recognition of opportunities for participation facilitate community engagement nationally and internationally. Education and its relation to citizenship in recent years has become one of the most important fields of research. From different areas and contexts, it has been revealed that there is a prevailing need for education for citizens to take part actively in the processes of change and improvement that the current global situation requires. The Handbook of Research on Education for Participative Citizenship and Global Prosperity is a pivotal reference source focusing on the productions and fields of study that are carried out all over the world on education for citizenship, namely the devices that provide young people with the consciousness and highlight the aspects of an active democratic life. While highlighting topics such as citizenship identity, educational policy, and social justice, this publication explores participation instruction, as well as the methods of community involvement. This book is ideally designed for educational administrators, policymakers, researchers, professionals, and educators seeking current research on instructional methods for teaching active community and political involvement.

Sorvegliare E Punire Nascita Della Prigione Introduction

Sorvegliare E Punire Nascita Della Prigione Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Sorvegliare E Punire Nascita Della Prigione Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Sorvegliare E Punire Nascita Della Prigione : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Sorvegliare E Punire Nascita Della Prigione : Has an extensive collection of digital content, including books, articles, videos, and

more. It has a massive library of free downloadable books. Free-eBooks Sorvegliare E Punire Nascita Della Prigione Offers a diverse range of free eBooks across various genres. Sorvegliare E Punire Nascita Della Prigione Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Sorvegliare E Punire Nascita Della Prigione Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Sorvegliare E Punire Nascita Della Prigione , especially related to Sorvegliare E Punire Nascita Della Prigione , might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Sorvegliare E Punire Nascita Della Prigione , Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Sorvegliare E Punire Nascita Della Prigione books or

magazines might include. Look for these in online stores or libraries. Remember that while Sorvegliare E Punire Nascita Della Prigione , sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Sorvegliare E Punire Nascita Della Prigione eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Sorvegliare E Punire Nascita Della Prigione full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Sorvegliare E Punire Nascita

Della Prigione eBooks, including some popular titles.

FAQs About Sorvegliare E Punire Nascita Della Prigione Books

1. Where can I buy Sorvegliare E Punire Nascita Della Prigione books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Sorvegliare E Punire Nascita Della Prigione book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Sorvegliare E Punire Nascita Della Prigione books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and

Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Sorvegliare E Punire Nascita Della Prigione audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers.

Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read Sorvegliare E Punire Nascita Della Prigione books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
