The point of all existence in the end is connected to love, whether that is love for another person, self-love, or universal and spiritual love. One of the main reasons all souls are here is to learn the nature of love. Love is to understand that even the most heinous person in your eyes has love built deep down in the core of their soul. When you are in Heaven you truly understand what Universal love feels like. Love is the most powerful vibration that exists throughout all of time and space. Displaying hatred doesn't take much effort, but to show love requires a complete soul do over in order to get back to that space your soul was born with. Love will always cost you something, whether that's time or energy. Love will cost you pride when you need to let go of something that someone else did and extend the olive branch. Universal, Physical, Spiritual and Soul Love examines one of the most powerful vibrations that exists and that is love. There are divinely guided discussions on what it means to display Universal love and

spiritual love. There is a heavy emphasis on the connection nature between souls from the karmic to soul mates and twin flames, before devoting a good chunk on the practical, which is of great interest in the physical world. The mid-section of this acts as a dating and relationship guide to finding a quality mate in a world dominated by the darkness of ego. This is coupled with the challenges and benefits to finding and keeping love in a language that resides within the cold technology sphere. It would be awesome if every single person on the planet was keenly aware of their innate psychic abilities built into their soul's DNA, because then Earth would be as close to Heaven as feasibly possible. There would be never-ending joy, peace, and love for every soul. Everyone would be operating from a higher vibration while moving mountains in the process. We see this kind of amazing uplifting joy in others when they're in a high vibrational state.

Universal, Physical, Spiritual and Soul Love has the goal and intention of filling the reader with as much as love as possible with the hope that it can motivate one soul back into their soul's natural state of love. An exploration of animal spirituality and the ability of animals to communicate with humans even in the afterlife • Chronicles the author's profound relationship with her dog, Brio, his ability to read her mind and emotions, and the messages she received from him after his death • Shares the author's research with animal communicators, psychics, and scientists specializing in animal intelligence such as Rupert Sheldrake • Explores animals' thoughts and feelings, interspecies communication and telepathy, animal souls and the afterlife, and animal reincarnation • Paper with French flaps Looking for companionship after a near-fatal car crash, Elena Mannes, an award-winning television journalist and producer, decided to get her first dog. But what she found with her dog Brio shook the foundations of her physical and spiritual worlds, sending her on a quest to discover the nature of his spiritual origins and to contemplate and seek out the possibility of interspecies communication--even after death. Soon after bringing her puppy home, Mannes realized that the master-companion relationship would not be possible with Brio, who quickly showed that he had a mind--and a spirit--of his own. A healer Mannes visited immediately focused on Brio, exclaiming that he was an old soul. Mannes's growing curiosity about the intelligence, emotions, and consciousness of Brio and other dogs led her to contact an animal psychic in California who described, with amazing

accuracy, Brio's favorite walks and the author's apartment from the dog's point of view. Motivated by her experience, Mannes produced a filmed segment with Diane Sawyer featuring the same psychic, who described Sawyer's country house and her dog's favorite spots in the yard. Mannes's skeptical journalist background compelled her to investigate further. She delved into the world of animal communicators, psychics, and scientists studying animal intelligence, including Rupert Sheldrake, to find answers to her multiplying questions: Do animals have thoughts and feelings? Consciousness? Souls? Is interspecies communication possible? Can animals reincarnate? Spanning the entire life and afterlife of Brio, including his last days and his messages to the author after he passed on, this book also explores Mannes' investigations into the spiritual life of animals, offering a new understanding of the unbreakable bond between humans and animals. Mannes invites readers to move beyond the owner-pet relationship and shows us how to see animals as thinking, feeling, spiritual beings whose connections with us extend far beyond life and death.

On our harsh world we often feel scattered, confused, fearful, and alone. But we are not! At every given moment, of every day, throughout our life, we each have our own "Team" of Angels, Spirits Guides, and departed loved ones. Despite the common belief that in order for us to communicate with our "Team" we need to be "born" a medium, we don't! Because like myself, you too can awaken your built-in "sixth sense" and use

it to communicate with any of your own Team members and use their power and wisdom in your life. In "Soul Secrets," you will learn: \*Each member of your Team and their unique purpose in your life. \*The different signs and other ways in which they communicate with you. \*The necessary spiritual work that will prepare you for communication. \*The various communication techniques. \*How to communicate with them! This is an important spiritual perspective that will change and improve your life.

Designed to help sensitive souls intentionally align with the callings of their higher self, Soul Communication is a guide to becoming the creator of one's unique path of abundance. Shaped by a story of the cyclic nature of death and rebirth through an astrological metaphor, the journey includes twelve powerful exercises of intentional soul work, used for transcending darkness to light and fear to love, in all areas of life. Western medicine call it 'mental illness'. Shamanic traditions call it 'spiritual emergence'. I call it 'rebirth'. Rebirth does not have to be painful, but rather, enables you to release old patterns that no longer serve your highest good, so that you can receive the new. Rebirth does not have to create suffering, but rather, empowers you to heal and free yourself from limiting belief systems. Rebirth does not have to be resisted, but rather, awakens you to the beauty and liberation of limitless possibility. Rebirthing the soul is a natural process of evolution and is often mistaken as a problem, but Soul Communication transcends this stigma, reflecting the exact reason why humanity must surrender to rebirth. When you align with the language of your soul, you become the creator of your own life.

discover sacred truths about life's mysteries. Learn how to deepen your connection between Humanity and Divinity. Find greater understanding in the unexplainable.

Contacting spirit guides is as old as civilization itself. Shamans dating back to at least 50,000 B.C. ritualistically contacted nonphysical entities. The Mystery Schools of Ancient Egypt, Greece, Persia, Rome, and India also dealt with contacting spirit guides. Every major religion acknowledges the reality of discarnate entities or spirits, whether they are called saints, angels, the Holy Spirit, and so on. One of the purposes of this book is to demystify this process. The media's depiction of spirit contact has led to the false assumption that anyone who establishes this contact must be in great danger. In reality, this communication is natural, relatively simple, and a wonderful growth experience. Spirit communication removes the fear of death and bereavement, and results in a form of spiritual empowerment. Contacting your spirit guides can help us: Develop your intuition and other psychic abilities. Increase your ability to love yourself and others. Become more aware of the workings of the universe. Establish better contact with your own Masters and Guides and Higher Self to facilitate your own spiritual evolution. Protect you from negative entities and/or other forces in the universe. Access the wisdom of the ancients. Establish and maintain your own physical, mental, emotional, and spiritual health. Overcome bad habits and fears. Eliminate the fear of death. See into the future. Master the art of out-of-body experiences. Learn your true karmic purpose. Spirit Guide Contact Through Hypnosis includes free audio companion downloads.
