Inner peace is finally within reach with Tami Shaikh's groundbreaking new book, *Detox Your Soul*. Do you often find yourself wishing to rid yourself of all the negative, harmful influences that often make life so difficult? Look no further than this new thirty-day program that helps you cleanse away your spiritual, mental, and emotional toxins and remove these relentless daily obstacles once and for all. Beginning with day one, you'll learn how to face your inner demons and build up your self-esteem. The strategies are designed to be incorporated into your daily life—no drastic changes to your routine are needed! Waking up just ten minutes earlier and going to bed just ten minutes later each day gives you all the time you need to see—and feel—a difference. Each of the thirty chapters provides a section for you to record your innermost thoughts, reflections on that day's exercises, and what you have achieved both physically and spiritually in the last twenty-four hours. By the end of the thirty-day program, you'll feel more in tune with your spirit, mind, and emotions. Most importantly, you'll have gained the tools to cleanse your soul for a lifetime to come.

Soul on Fire: The Life and Music of Peter Steele

Judith's marriage to Adam is failing fast. Despite her best efforts, his attention is entirely taken up by his law practice while her existence—if he remembers it—is merely something to criticize. Thankfully, Judith has an antique shop and her best friend and business partner, Susan, to keep her focused on the good things in life. Tired of being overlooked and undervalued, Judith decides to leave her husband and reconnect with herself as a single woman rather than as Adam's wife. Soon, Judith's world expands to include a support group of women also facing divorce. Slowly learning to extend to herself the same compassion she offers her friends, Judith begins to rediscover her own value as a person and as a woman. And her efforts don't go unnoticed. While Judith rebuilds her life, with the encouragement of her growing circle of friends, a secret admirer starts leaving thoughtful gifts on her doorstep—which she begins to hope will lead to a face-to-face meeting. A celebration of friendship and love, where every character counts, *"The Things That Fall Away"* is an insightful story that brings to light the beauty of everyday things and the wonder of being truly cherished.

Upton Sinclair, one of America's foremost and most prolific authors, addresses the cultivation of the mind and the body in this 1922 volume. Sinclair's goal was to attempt to tell the reader how to live, how to find health, happiness and success, and how to develop fully both the mind and the body. Part One: *The Book of the Mind* covers such subjects as faith, reason, morality, and the subconscious. Part Two: *The Book of the Body* develops such subjects as errors in diet, the fasting cure, food and poisons, work and play, and diseases and their cures.

Soul on Fire is a magical collection of stories describing the awakening of spiritual powers of an Episcopal priest turned shaman—powers that have usually been ascribed to Eastern masters of traditional shamans. It is about the quest for "lost

knowledge" and the powers that Christ himself once promised. Within these pages we learn about the "Path of Return" to our wondrous Earth as a means by which we can reclaim our original soul powers. Soul on Fire is an inspirational guide and must-read for long-time seekers and those just beginning their journey alike. It may just be in a genre of its own. At a time when old modalities no longer seem to be working for many people, the stories in this book reveal a different way of thinking, feeling, and being. You won't be able to read this book and still perceive the world in the same way.

This book will help you to remember who you truly are, and to be your true, authentic self, in its entirety, to unlock the beautiful spirit and essence of you. You have a soul mission: it's time to wake up to it and fulfill your destiny and be everything you ever dreamed of being, your soul and spirit self really are, unafraid to shine in a world that all too often might seem might seek to undermine or limit you...You are filled with infinite possibilities and great gifts. Many of us are waking up from the illusion of fear, lower consciousness and vibration that we have been trapped in. Though times may be dark, the light can prevail and by holding on to our dreams and visions, we will emerge with a higher consciousness. We will shed all the restrictions of the past, and break the chains of the judgmental and fear-based systems which have ruled and limited our lives in so many ways, to take a jump and leap of faith and really be the full expression of our unique and special souls. "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul.... I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure" "What a beautiful book; one that touches you and works on so many levels." "It doesn't matter where you are on your journey, in this book you will find something new, something to remind you of who and where you are, why you are following the path you have chosen and affirmation that you are not alone, the Universe is always supporting you. I found the book easy to read, to me the energy of the words just flow off the page, and hit the spot. Read it from cover to cover, dip in and out, the choice is yours and the book supports you in what ever way you wish to connect with it. Bursting with information and and workable ways to experiment and include in your spiritual practice. Sally has worked really hard to make this work appeal to as wider audience as possible and I feel she has pulled it off with a flourish. Well done Sally, when's the next one?" "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul and I felt curiously emotional. I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure & refer to when I am in need of uplifting" Foreword by Steve Harvey and afterword by David Foster The Grammy-winning founder of the legendary pop/R&B/soul/funk/disco group tells his story and charts the rise of his legendary band in this sincere memoir that captures the heart and soul of an artist whose groundbreaking sound continues to influence music today. With its dynamic horns, contrasting vocals, and vivid stage shows, Earth, Wind & Fire was one of the most popular acts of the late twentieth century—the band “that changed the sound of black pop” (Rolling Stone)—and its music continues to inspire modern artists including Usher, Jay-Z, Cee-Lo Green, and Outkast. At last, the band’s founder, Maurice White, shares the story of his success. Now in his seventies, White reflects on the great blessings music has brought to his life and the struggles he’s endured: his mother leaving him behind in Memphis when he was four; learning to play the drums with Booker T. Jones; moving to Chicago at eighteen and later Los Angeles after leaving the

Ramsey Lewis Trio; forming EWF, only to have the original group fall apart; working with Barbra Streisand and Neil Diamond; his diagnosis of Parkinson's; and his final public performance with the group at the 2006 Grammy Awards. Through it all, White credits his faith for his amazing success and guidance in overcoming his many challenges. *Keep Your Head to the Sky* is an intimate, moving, and beautiful memoir from a man whose creativity and determination carried him to great success, and whose faith enabled him to savor every moment.

A Six Week Experiential Workshop Manual Presented by Phyllis Benfield, RM We as a human collective are leaving an energetic time that has been primarily ruled by masculine energy. All in life is balance. To be a fully actualized human being we, whether male or female, must embody in balance masculine and feminine energies. All manifestation begins in the vibration of the feminine energy and the practice of utilizing the feminine energies. Feminine energy is creation, intuition, emotion, visualization, unconditional love, and non-judgment. The masculine energy is expression, action, and doing. This course will bring you back to your knowing of the feminine energy that is abundant inside of you. And using that feminine energy will help you design and live your life as a soul on fire.

Discover the wonder of a life with God you can't contain. The pages of scripture are full of ordinary people who walked with God as he poured himself out through them to a world in need. What if God never changed? What if he is still speaking to us and longing to work miraculously through us? What if it isn't a matter of more training or effort but simply receiving and releasing everything he already purchased? "Life in the Overflow" invites you to know God intimately as your Daddy in a way that spills out of you naturally. Filled with disarming honesty and fervent expectation, this book mirrors a reflection of who you are, who your God is and what he actually longs to do through "ordinary, messy kids" today!

"...electricity built between us, and around us, in the interior of the car. We leaned toward each other. Our lips met. Lightning struck, and I couldn't breathe. The Earth I lived on came unglued at the equator, each hemisphere twisting violently in opposition to the other, before clunking back together with a deep finality..." Disenchanted with her personal life and faced with mounting career pressures, 39-year-old Michelle Black dreams of escape. But the high-octane finance professional and mother of two is ashamed to admit the depth of her struggles. Michelle's frustration intensifies when her fumbling attempts to ask for help go unheeded. Then, work goes from bad to worse. Desperate to relieve the bleakness inside, Michelle turns to unspoken addictions and dangerous behaviors for a balm to her wounded soul. When the band-aids fail, what can she do next? In this first volume of the *Souls on Fire* novella series, a clandestine meeting between two people ends with a kiss that changes everything. Unaware of the journey they've set upon together, or the choices they made that forever entwined their paths, they return to their fractured lives only to discover that nothing is as it seems to be.

When Amelia Caldwell tries to begin a new life, she discovers that her birthmark means more than it seems. She has been marked by a vampire's soul; not only does she hold his soul, she is also his soulmate. Mitchell Lange has been searching almost a century for his soulmate and is determined not to let Amelia go. Since Amelia has no intention of belonging to anyone, they both become

trapped on an emotional rollercoaster. As Amelia searches for answers, she becomes caught in the middle of a deadly game of revenge and is forced to realize that you can't run from destiny.

A landmark study that reveals how we become committed to the common good and sustain such commitments in a changing world. View the discussion guide for UU communities: [HTML](#) or [PDF](#) "A perceptive, groundbreaking analysis of inspired lives. . . . This is a guidebook for the soul." -Daniel Goleman, author of Emotional Intelligence "A truly refreshing book! In a day when the political and spiritual air has grown stale with cynicism, discouragement, and indirection, this beautifully written, penetrating study could not be more welcome or valuable. No teacher, parent, or civic leader who cares about nurturing social commitment can fail to be informed and inspired by this remarkable and surprisingly practical book." -Robert Kegan, author of In Over Our Heads "Eloquent and profound, Common Fire addresses what Americans everywhere long for: a sense of the common good, an emphasis on community and compassion in everyday life, a values-based politics in the public sphere. A compelling, encouraging work." -Jim Wallis, author of The Soul of Politics "A profound exposition and penetrating commentary on some of life's most important issues." -Clarence G. MAKE YOURSELF AT HOME IN GOD'S HEART: After 7 years of volunteering to serve the men, women, and children at a very popular outreach center in Atlanta, GA, I stumbled upon an amazing personal discovery. I came to the humble realization that homelessness is not simply a state of physical destitution. But homelessness is also a place of spiritual and emotional emptiness. It is very true that some live in a perpetual state of misfortune and need the relationship, the challenge, and the encouragement of others to "dare to hope" that their circumstances are only temporary. Many undoubtedly need financial relief to end their state of homelessness. Yet, each of us, whether well off or destitute, can attest to the fact that at one point or another we have felt abandoned and displaced. While serving as an outreach leader, I found a new family. I discovered though I had a physical dwelling, I too was in an emotional state of homelessness. While serving the homeless, I struggled to conquer my own issues with abandonment. I found myself desperately attempting to place the pieces of my own life in a recognizable order. And it was while serving that I found an extension of God's family that are far too often overlooked, disqualified, and misunderstood. Each month I would show up with a fresh sermon in hand-ready to inspire and motivate those whom "I thought" were in need of encouragement. But each time, I left with the discovery that I needed it more than any of them. I arrived ready to inspire, but left all the more inspired myself.**HOPE FOR THE SOUL** is inspired by the men, women, and children seeking love, purpose, and a reason to

believe that a better experience of life exists. In this book, you too will discover that there is a secret place in God's heart to find all the rest, affirmation, and love you have been longing for. HOPE FOR THE SOUL is guaranteed to strengthen your ability to:
*Speak life to every dead dream*Pursue your God-given power*Declare freedom from past failures*Perform at maximum capacity in His strength*Trust God and His promises to build a better life!!

Soulfire Woman speaks to every woman who has felt her authentic self - the person she was meant to be - hijacked by rules, roles, obligations, relationships, divorce or past trauma. Author Dyanne Kelley's hope in sharing her journey is for women to use what she knows to be true, to heal right along with her, and step into their own power. She wishes for you to be who you were always meant to be, a Soulfire Woman. As Dyanne says, "You are not your story. You are what you do with your story. And so much more."

"If You Don't Know Me By Now," "The Love I Lost," "The Soul Train Theme," "Then Came You," "Ain't No Stoppin' Us Now"--the distinctive music that became known as Philly Soul dominated the pop music charts in the 1970s. In *A House on Fire*, John A. Jackson takes us inside the musical empire created by Kenny Gamble, Leon Huff, and Thom Bell, the three men who put Philadelphia Soul on the map. Here is the eye-opening story of three of the most influential and successful music producers of the seventies. Jackson shows how Gamble, Huff, and Bell developed a black recording empire second only to Berry Gordy's Motown, pumping out a string of chart-toppers from Harold Melvin & the Blue Notes, the Spinners, the O'Jays, the Stylistics, and many others. The author underscores the endemic racism of the music business at that time, revealing how the three men were blocked from the major record companies and outlets in Philadelphia because they were black, forcing them to create their own label, sign their own artists, and create their own sound. The sound they created--a sophisticated and glossy form of rhythm and blues, characterized by crisp, melodious harmonies backed by lush, string-laden orchestration and a hard-driving rhythm section--was a glorious success, producing at least twenty-eight gold or platinum albums and thirty-one gold or platinum singles. But after their meteoric rise and years of unstoppable success, their production company finally failed, brought down by payola, competition, a tough economy, and changing popular tastes. Funky, groovy, soulful--Philly Soul was the classic seventies sound. *A House on Fire* tells the inside story of this remarkable musical phenomenon.

When ancient gods ruled and Druids kept Faith alive, the Celts thrived as a democratic, matriarchal society. Then savage Roman soldiers swept across Europe, killing and enslaving. The Celts did not succumb without a fight. Their Old Ways survived centuries of ruthless domain until another menace loomed: a tortured god worshiped in cold stone buildings. The sacred shores of Avalon began to drift away, the mists threatened to hide the island from mortal eyes forever. Against the bleak backdrop of war, the

gorgeous Scottish Highlands stood tall, sheltering its inhabitants from greedy invaders. Yet the reach of the eagle banners was long and the highlanders turned to the Goddess for protection. However, the sacred groves felt silent and grim as Avalon faded away. Once sad, pealing bells began to sound strangely comforting while the high walls of monasteries offered an alluring barrier from violence. Caught in the middle of this centuries-old war, a young High Priestess might be Avalon's last chance. Wise beyond her years and powerful like no other Priestess in her lifetime, Rowen had served the Goddess faithfully, forsaking her family and the company of her soulmate. When the Lady of the Lake asks for another sacrifice, it might be one too many for her scarred heart. How could she obey the Goddess without betraying Caddaric? Could she trust Eochaid, who embodied everything she despised and hated? Would she be able to fulfill her duties without losing her soul? Caddaric had been Rowen's companion in countless lives; but, now, they existed in different realms. Beautiful Rowen lived in the mortal world while sweet Caddaric remained in the sacred isle of Avalon, watching over her. Could he step aside to allow another man - a flesh and blood man - to become her protector? Eochaid had sworn to protect the Old Ways. The rude warrior never quite understood his faith yet his loyal heart belonged to the Goddess. A gorgeous, fiery High Priestess was not in his plans. He would risk his life to protect Rowen; but, would the Goddess safeguard his heart? Could he defend the bewitching maiden from himself? When stakes were so high that a simple mistake could cost their very world, a priestess, a Druid, and a warrior must learn to trust one another and the mysterious ways of the Goddess. Their success would save Avalon. Their failure would tear the island from the human realm forever, condemning it to oblivion. Failure was not an option. This is a standalone, historical/paranormal romance. Its mature themes - sexual violence, religion, and pagan rituals - might not be appropriate for audiences under 18.

In this riveting true-life story Sharmi Bhalla Shares the experience of emptiness in life, and a tenacious, relentless search for ultimate peace. In this volume, Nobel Prize-winning author Elie Wiesel retells stories from the hasidic masters.

From the New York Times bestselling author of *A Long Petal of the Sea* comes “a bold exploration of womanhood, feminism, parenting, aging, love and more” (Associated Press). “The Soul of a Woman is Isabel Allende’s most liberating book yet.”—Elle “When I say that I was a feminist in kindergarten, I am not exaggerating,” begins Isabel Allende. As a child, she watched her mother, abandoned by her husband, provide for her three small children without “resources or voice.” Isabel became a fierce and defiant little girl, determined to fight for the life her mother couldn’t have. As a young woman coming of age in the late 1960s, she rode the second wave of feminism. Among a tribe of like-minded female journalists, Allende for the first time felt comfortable in her

own skin, as they wrote “with a knife between our teeth” about women’s issues. She has seen what the movement has accomplished in the course of her lifetime. And over the course of three passionate marriages, she has learned how to grow as a woman while having a partner, when to step away, and the rewards of embracing one’s sexuality. So what feeds the soul of feminists—and all women—today? To be safe, to be valued, to live in peace, to have their own resources, to be connected, to have control over our bodies and lives, and above all, to be loved. On all these fronts, there is much work yet to be done, and this book, Allende hopes, will “light the torches of our daughters and granddaughters with mine. They will have to live for us, as we lived for our mothers, and carry on with the work still left to be finished.”

Describes the author's troubled childhood and teens; his years of railing against both his fighting opponents and the demons ranged against him; and his rise to the top of the WBC light heavyweight rankings.

Your "I have to." It's that thing. You know, "the thing" you day dream about and periodically pantomime when you think no one is looking. It's the thought in your mind when you wake up and the thought you can't seem to shake off before you drift to sleep. It's a beautiful mixture of passion, obsession, talent, and gift. It's that thing that lights your soul on fire. That thing you can't seem to stop chasing. It's that thing you can't say no to, even if you wanted to, even though you've tried. It's the one thing that you have been given that the world desperately needs. It's your "I have to." We all have them,. They choose us when we least expect it and often when we're the least prepared. So how do we identify our "I have to's"? How do we say yes to them when we'd rather run away? What do we do when our "I have to's" cost us something? In a six week study through the Bible, I Have to; Chasing What Sets Your Soul on Fire helps readers uncover their calling, find their purpose, and tackle the obstacles that stand in the way. For "It's in Christ that we find out who we are and what we are living for."(Ephesians 1:11 MSG).

JAMES BALDWIN A SOUL ON FIRE a short play by HOWARD B. SIMON....Edited by Charles Reese, Introduction By David Leeming, Afterword by Forrest McClendon! To pay homage to the legacy of James Baldwin: A Soul on Fire, the critically acclaimed Off-Broadway play by Howard. B. Simon (1962-2000) in association with The Charles Reese Experience and Azaan Kamau/Glover Lane Press. JAMES BALDWIN: A SOUL ON FIRE is a two character short play which re-imagines what happens when writer/activist James Baldwin invites Lorraine Hansberry, Harry Belafonte and Lena Horne to a round table discussion on race relations with Attorney General Robert Kennedy on May 24, 1963? This theatrical play witnesses a day in the life of James Baldwin as he prepares for this lesser known historical secret meeting in New York City--three months prior to the March on Washington. This uniquely structured play explores the hidden recesses of Baldwin's innermost passions.

After five years, Vanity Rodriguez, new restaurateur, was finally moving on with her life. The unexpected inheritance of St. Christopher's Italian Restaurant caused a dramatic change in her career but it made her one of the top up and coming restaurateurs in the country. Vanity relocated to California to put her divorce from Winston and the death of her soul mate, Dexter McKnight behind her. At her first grand opening of St. Christopher's in Los Angeles, she met Grant Parker, a coastal engineer from Rancho Cordova. Originally from Jamaica, he had a dark rough exterior but when put in a tailored suit, he was a clean cut Versace top model - definitely her style. Their attraction was almost instant and after a few months they were unquestionably an item. Life was good and normalcy was starting to be the norm for Vanity. The dreams she had at night of sexual encounters with Dexter were starting to subside and intimacy with her new boyfriend felt real. A year into the relationship with Grant, at the San Francisco opening, all of what she had come to know as life back to normal was over. Her dreams were no longer successions of images, ideas, emotions, and sensations that occurred involuntarily in her mind during sleep...they were real.

You wake up one morning to realize that you are going through the motions. Feeling empty inside. Even though on the outside your life looks incredible. Almost rock bottom. Wondering if this is all there is to life. Following the should's. College. Marriage. 2.5 kids. House in the burbs. Or whatever you were told is the path to success. You did it. And yet still

wondering. Why are you here? What is your purpose? Surely this is not it. Your soul has a message for you. You get to be, have, and do everything you desire. Don't even know what you desire? That's ok too! I didn't either. Sweet alignment. A life completely re-written and lived out is waiting for you. Let the flicker of the light within you burn bright. Light your soul on FIRE!
