

## Soul Surfer A True Story Of Faith Family And Fighting To Get Back On The Board

A finalist for the PEN Center USA Award for Nonfiction *Welcome to Paradise, Now Go to Hell*, is surfer and former war reporter Chas Smith's wild and unflinching look at the high-stakes world of surfing on Oahu's North Shore—a riveting, often humorous, account of beauty, greed, danger, and crime. For two months every winter, when Pacific storms make landfall, swarms of mainlanders, Brazilians, Australians, and Europeans flock to Oahu's paradisiacal North Shore in pursuit of some of the greatest waves on earth for surfing's Triple Crown competition. Chas Smith reveals how this influx transforms a sleepy, laid-back strip of coast into a lawless, violent, drug-addled, and adrenaline-soaked mecca. Smith captures this exciting and dangerous place where locals, outsiders, the surf industry, and criminal elements clash in a fascinating look at class, race, power, money, and crime, set within one of the most beautiful places on earth. The result is a breathtaking blend of crime and adventure that captures the allure and wickedness of this idyllic golden world.

They say Bethany Hamilton has saltwater in her veins. How else could one explain the tremendous passion that drives her to surf? How else could one explain that nothing - not even the loss of her arm in a horrific shark attack - could come between her and the waves? That Halloween morning in Kauai, Hawaii Bethany responded to the shark's stealth with a calmness beyond belief. Pushing pain and panic aside, she immediately thought: 'Get to the beach...' Rushed to the hospital, where her father, Ted Hamilton, was about to undergo knee surgery, Bethany found herself taking his spot in the operating theatre. When the first thing Bethany wanted to know after surgery was 'When can I surf again?' it became clear that her unfaltering spirit and determination were part of a greater story - a tale of courage and faith that this modest and soft-spoken girl would come to share with the world.

*Unstoppable Me*, written by New York Times bestselling author and champion surfer Bethany Hamilton with husband, Adam Dirks, tells the story of Makana the lion, who loves to surf but loses her nerve when she wipes out. When her friend encourages her to go back out again, Makana summons up the courage and discovers the success that comes from believing in yourself and never giving up. As seen in the feature film *Bethany Hamilton: Unstoppable*, this playful book will have little ones cheering for Makana and inspire them to stay strong and keep trying, no matter what challenges might come their way. Drew's inspiring message of hope and resilience proves that with enough faith, determination, and heart, you can overcome any obstacle life throws your way, and not only bounce back but come back stronger than you ever imagined possible.

In her chatty and breezy style, typical of any online conversation, Bethany Hamilton shares information on a wide variety of topics about her life and faith.

The New York Times bestseller—the inspiring personal story of American Idol's David Archuleta. The amazing story of the thirteen-year-old surfer girl who lost her arm in a shark attack but never lost her faith -- and of her triumphant return to competitive surfing. They say Bethany Hamilton has saltwater in her veins. How else could one explain the tremendous passion that drives her to surf? How else could one explain that nothing -- not even the loss of her arm in a horrific shark attack -- could come between her and the waves? That Halloween morning in Kauai, Hawaii -- a glorious part of the world, where it's hard to deny the divine -- Bethany responded to the shark's stealth attack with the calm of a girl with God on her side. Pushing pain and panic aside, she immediately began to paddle with one arm, focusing on a single thought: "Get to the beach..." Rushed to the hospital, where her father, Tom Hamilton, was about to undergo knee surgery, Bethany found herself taking his spot in the O.R. It's the kind of coincidence that isn't mere coincidence to the Hamilton family, a clan whose motto could easily be "the family that surfs and prays together stays together." To them it was a sign someone had a greater plan than the one they'd been working on themselves -- which had been to scrape together whatever resources they could to help Bethany rise to the top of her sport. When the first thing Bethany wanted to know after surgery was "When can I surf again?" it became clear that her unfaltering spirit and determination were part of a greater story -- a tale of courage and faith that this modest and soft-spoken girl would come to share with the world. *Soul Surfer* is a moving account of Bethany's life as a young surfer, her recovery in the wake of the shark attack, the adjustments she's made to her unique surfing style, her unprecedented bid for a top showing in the World Surfing Championships, and, most fundamentally, her belief in God. It is a story of girl power and spiritual grit that shows that the body is no more essential to surfing -- perhaps even less so -- than the soul.

In an unassuming apartment building in Brooklyn, New York, three lives intersect as the reality of war invades each aspect of their lives. Young Esther is heartbroken when her father decides to enlist in the army shortly after the death of her mother. Penny Goodrich has been in love with Eddie Shaffer for as long as she can remember; now that Eddie's wife is dead, Penny feels she has been given a second chance and offers to care for his children in the hope that he will finally notice her and marry her after the war. And elderly Mr. Mendel, the landlord, waits for the war to end to hear what has happened to his son trapped in war-torn Hungary. But during the long, endless wait for victory overseas, life on the home front will go from bad to worse. Yet these characters will find themselves growing and changing in ways they never expected--and ultimately discovering truths about God's love...even when He is silent.

The teenage surfer who lost her arm in a shark attack in 2003 describes how she has coped with this life-altering event with the help of her faith, the changes in her life, and her return to the sport she loves.

? Charlie Chaplin the actor is universally synonymous with his beloved Tramp character. Chaplin the director is considered one of the great auteurs and innovators of cinema history. Less well known is Chaplin the composer, whose instrumental theme for *Modern Times* (1936) later became the popular standard "Smile," a Billboard hit for Nat "King" Cole in 1954. Chaplin was prolific yet could not read or write music. It took a rotating cast of talented musicians to translate his unorthodox humming, off-key singing, and amateur piano and violin playing into the singular orchestral vision he heard in his head. Drawing on numerous transcriptions from 60 years of original scores, this comprehensive study reveals the untold story of Chaplin the composer and the string of famous (and not-so-famous) musicians he employed, giving fresh insight into his films and shedding new light on the man behind the icon.

The almost true story of how a bad boy discovers he's really a nice kid inside, through surfing, self-discovery, wild surfing adventures, and meditation.

Logan never dreamed he would chop off his surfer shag, put on a Sears suit, and carry a Young Republicans ID card. But he'd rather look like a straight-laced loser than risk attracting any attention. Why? To raise money for college, he's driving nonstop from Cali to Orlando. And he definitely doesn't want anyone sniffing around inside his car.

#1 NEW YORK TIMES BESTSELLER • From the author of the runaway phenomenon Unbroken comes a universal underdog story about the horse who came out of nowhere to become a legend. Seabiscuit was one of the most electrifying and popular attractions in sports history and the single biggest newsmaker in the world in 1938, receiving more coverage than FDR, Hitler, or Mussolini. But his success was a surprise to the racing establishment, which had written off the crooked-legged racehorse with the sad tail. Three men changed Seabiscuit's fortunes: Charles Howard was a onetime bicycle repairman who introduced the automobile to the western United States and became an overnight millionaire. When he needed a trainer for his new racehorses, he hired Tom Smith, a mysterious mustang breaker from the Colorado plains. Smith urged Howard to buy Seabiscuit for a bargain-basement price, then hired as his jockey Red Pollard, a failed boxer who was blind in one eye, half-crippled, and prone to quoting passages from Ralph Waldo Emerson. Over four years, these unlikely partners survived a phenomenal run of bad fortune, conspiracy, and severe injury to transform Seabiscuit from a neurotic, pathologically indolent also-ran into an American sports icon. BONUS: This edition contains a Seabiscuit discussion guide and an excerpt from Unbroken. Praise for Seabiscuit "Fascinating . . . Vivid . . . A first-rate piece of storytelling, leaving us not only with a vivid portrait of a horse but a fascinating slice of American history as well."—The New York Times "Engrossing . . . Fast-moving . . . More than just a horse's tale, because the humans who owned, trained, and rode Seabiscuit are equally fascinating. . . . [Laura Hillenbrand] shows an extraordinary talent for describing a horse race so vividly that the reader feels like the rider."—Sports Illustrated "REMARKABLE . . . MEMORABLE . . . JUST AS COMPELLING TODAY AS IT WAS IN 1938."—The Washington Post

\*\*Winner of the 2016 Pulitzer Prize for Autobiography\*\* "Reading this guy on the subject of waves and water is like reading Hemingway on bullfighting; William Burroughs on controlled substances; Updike on adultery. . . . a coming-of-age story, seen through the gloss resin coat of a surfboard."--Sports Illustrated Included in President Obama's 2016 Summer Reading List Barbarian Days is William Finnegan's memoir of an obsession, a complex enchantment. Surfing only looks like a sport. To initiate, it is something else: a beautiful addiction, a demanding course of study, a morally dangerous pastime, a way of life. Raised in California and Hawaii, Finnegan started surfing as a child. He has chased waves all over the world, wandering for years through the South Pacific, Australia, Asia, Africa. A bookish boy, and then an excessively adventurous young man, he went on to become a distinguished writer and war reporter. Barbarian Days takes us deep into unfamiliar worlds, some of them right under our noses--off the coasts of New York and San Francisco. It immerses the reader in the edgy camaraderie of close male friendships forged in challenging waves. Finnegan shares stories of life in a whites-only gang in a tough school in Honolulu. He shows us a world turned upside down for kids and adults alike by the social upheavals of the 1960s. He details the intricacies of famous waves and his own apprenticeships to them. Youthful folly--he drops LSD while riding huge Honolua Bay, on Maui--is served up with rueful humor. As Finnegan's travels take him ever farther afield, he discovers the picturesque simplicity of a Samoan fishing village, dissects the sexual politics of Tongan interactions with Americans and Japanese, and navigates the Indonesian black market while nearly succumbing to malaria. Throughout, he surfs, carrying readers with him on rides of harrowing, unprecedented lucidity. Barbarian Days is an old-school adventure story, an intellectual autobiography, a social history, a literary road movie, and an extraordinary exploration of the gradual mastering of an exacting, little-understood art. Praise for Barbarian Days "Without a doubt, the finest surf book I've ever read . . . But on a more fundamental level, Barbarian Days offers a clear-eyed vision of American boyhood. Like Jon Krakauer's Into the Wild, it is a sympathetic examination of what happens when literary ideas of freedom and purity take hold of a young mind and fling his body out into the far reaches of the world."--The New York Times Magazine "Incandescent . . . I'd sooner press this book upon on a nonsurfer, in part because nothing I've read so accurately describes the feeling of being stoked or the despair of being held under. . . . But] it's also about a writer's life and, even more generally, a quester's life, more carefully observed and precisely rendered than any I've read in a long time."--Los Angeles Times
