

Spectacular Nail Art A Step By Step Guide To 35 Gorgeous Designs

Acrylic nails have been around for decades, but they've had a resurgence in recent years thanks to a combination of celebs, Instagram, and our collective nail art obsession. Great for those looking to add length and strength to their nails, acrylics can also create a larger, more evenly shaped canvas for those who love intricate nail designs.

Great ideas for creating a professional-style manicure at home. From tough leather-and-spike looks to sweet and simple polka dots, from hilarious comic-book nails to far-out galaxy 'dos, this book will teach anyone how to give themselves truly creative manicures—without a trip to the salon. Nail Candy is a breath of fresh air for nail-art enthusiasts—it's sassy, fun, and full of DIY nail art tutorials that anyone can do. It contains more than 50 ideas presented in full-color photographs and cute line-art illustrations that show readers exactly how to achieve a certain style, ranging from arty to girlish to hardcore and more. Readers will learn how to mask their nails off to create simple patterns, use simple tools like striping brushes and dotting tools, add studs and decals for edgy flare, and create more ambitious paintings that rival works of art. Selected ideas include: · Sunset Silhouettes · Stained Glass · Sailor Knots · Tiny Tuxes · Geeky Video-Game Mani · Laser Nails · Harajuku Style · Mirrorball Nails · Dia de los Muertos Mani · Splatter Paint · Ikat Style · Wingtip Mani · Feathery Fingertips “A DIY nail art duo we love, Donne and Ginny push boundaries with their anything-but-boring designs.”—The Huffington Post

Ladies, nails are an extension of what you wear, and cool nail art always happens to garner a lot of attention and compliments. Besides, who doesn't love an added dose of glamor to their nails? If you're bored of your classic, monotone nail color and want to try out something fun and quirky, read on and you may find the perfect nail art design for whatever mood you are in. You can realistically accomplish these nail art designs right at home in just a few steps. So, let's begin! Inside this colorful guide to all things nails, you'll find seventy-five eye-catching designs including never-before-seen styles like Diagon-Alley Pink And Yellow, Four-Leaf Clover, and Red And White Polka, Nail Art Designs for Beginners will have you saying goodbye to the nail salon--and hello to fashion-forward nails at home!

On alternating weeks, Sasha and Ray vacation in the beach house their parents refused to give up after their divorce, but they never meet until one summer when their lives and those of their siblings intersect in ways none of them could have imagined. A follow-up to the enormously successful Face Painting is filled with hundreds of design ideas and photographs for decorating finger- and toenails, and comes with a palette of six non-toxic nail paints.

"There's No Place Like a Handwoven Home! Hand towels, table runners, placemats, throws--weaving is perfectly suited to creating and customizing just about any textile for your home. In Handwoven Home, weaving expert Liz Gipson explains the tools and techniques you'll need to weave personalized home textiles on a rigid-heddle loom--the most popular loom on the market today. From choosing the right yarn for your project to achieving your desired cloth type and drape, this book covers all the basics. And the 20+ projects are perfectly suited to the rigid-heddle loom, each starting with a simple square or rectangle and involving little sewing, shaping or loom waste. You'll even learn how to make multiple towels at the same time, create a sturdy rug of wide fabric, and finish your projects with a polished, professional look. Whether you're making textiles for yourself or as a gift, inside you'll find everything you need to create a woven personal touch for any room."--provided by Amazon.com.

A do-it-yourself reference provides visual instructions for grooming the skin and nails on hands and feet, drawing on the advice of podiatrists, nail technicians and beauty therapists to provide coverage of how to achieve professional-looking results. Reprint. Nancy Zieman's pattern fitting approach is easy - no cutting, slashing, tucking or pinching—just logical and easy pivot-and-slide techniques, providing a painless method to follow that results in a garment that is comfortable and attractive. Once you learn Nancy's techniques for fitting, you will find it easy to make every garment you sew fit your size and shape. Multiple fitting charts are included in the book, as well as an index for locating technical information at a glance.

Full of beautiful photographs from the world's most influential photographers and illuminating behind the scenes details, *Nailed It* is the essential book for all nail lovers. "Marian Newman is to nails what Karl Lagerfeld is to frocks." *Tatler* "Marian Newman is arguably the biggest influence in the nail world, ever." *Elle*

In a nation on the brink of war, a young art student's star-crossed love begins to bloom in the first book of the New York Times bestselling epic fantasy trilogy by award-winning author Laini Taylor. Around the world, black handprints are appearing on doorways, scorched there by winged strangers who have crept through a slit in the sky. In a dark and dusty shop, a devil's supply of human teeth grown dangerously low. And in the tangled lanes of Prague, a young art student is about to be caught up in a brutal otherworldly war. Meet Karou. She fills her sketchbooks with monsters that may or may not be real; she's prone to disappearing on mysterious "errands"; she speaks many languages -- not all of them human; and her bright blue hair actually grows out of her head that color. Who is she? That is the question that haunts her, and she's about to find out. When one of the strangers -- beautiful, haunted Akiva -- fixes his fire-colored eyes on her in an alley in Marrakesh, the result is blood and starlight, secrets unveiled, and a star-crossed love whose roots drink deep of a violent past. But will Karou live to regret learning the truth about herself?

"Imprisoned in a remote Turkish prison camp during World War I, having survived a two-month forced march and a terrifying shootout in the desert, two British officers, Harry Jones and Cedric Hill, join forces to bamboozle their iron-fisted captors"--

Spectacular Nail Art A Step-by-Step Guide to 35 Gorgeous Designs Charlesbridge Publishing

With the current movement for extreme and individualistic beauty, nail art is a way to make your own personal statement as well as turn your nails into the hottest fashion accessories around. In *The Nail Art Sourcebook*, you will find hundreds of ideas for designs using a full range of effects, all of which you can do yourself or take to a nail technician to execute professionally. The sourcebook opens with an introduction that covers the basic techniques and tools you'll need to re-create the designs, including how-to steps on adding adornments such as glitter, gemstones and foils as well as methods for stencilling, stamping and three-dimensional work. A nail art gallery of over 500 designs, organized thematically, follows, with themes that vary from graphic stripes, chevrons and dots to floral and nature motifs, as well as tribal patterns and animal prints. Not only is nail art a great way to enhance your look for a special occasion or make a fashion statement, it's a fulfilling way to explore your creative potential.

Acrylic nails were invented in the 1950's by a dentist - Fred Slack - who tore a nail in the lab and used dental acrylics to repair it. He realized he was onto something and came out with the first "professional" acrylic product called Pattinails, using dental acrylic (he went on to start NSI Nail company which still exists), In the 1970s, Stuart Nordstrom came out with the first true professional acrylic nail product that was much easier to work with (also in the 1970s they discovered that dental acrylic was bad to use on nails). Nordstrom started Creative Nail design (now known as CND, inventor of Shellac). Historically, nobles of the Ming dynasty used extremely long artificial nails made of metals such as gold as a status symbol. This guide contains all you need to know about acrylic nails

From a writer celebrated for her "chops, ambition, and killer instinct" (John Powers, *Fresh Air*), a career-spanning collection of spectacular essays about politics and culture. Rachel Kushner has established herself as "the most vital and interesting American novelist working today" (Michael Lindgren, *The Millions*) and as a master of the essay form. In *The Hard Crowd*, she gathers a selection of her writing from over the course of the last twenty years that addresses the most pressing political, artistic, and cultural issues of our times—and illuminates the themes and real-life terrain that underpin

her fiction. In nineteen razor-sharp essays, *The Hard Crowd* spans literary journalism, memoir, cultural criticism, and writing about art and literature, including pieces on Jeff Koons, Denis Johnson, and Marguerite Duras. Kushner takes us on a journey through a Palestinian refugee camp, an illegal motorcycle race down the Baja Peninsula, 1970s wildcat strikes in Fiat factories, her love of classic cars, and her young life in the music scene of her hometown, San Francisco. The closing, eponymous essay is her manifesto on nostalgia, doom, and writing. These pieces, new and old, are electric, phosphorescently vivid, and wry, and they provide an opportunity to witness the evolution and range of one of our most dazzling and fearless writers. “Kushner writes with startling detail, imagination, and gallows humor,” said Leah Greenblatt in *Entertainment Weekly*, and, from Paula McLain in the *Wall Street Journal*: “The authority and precision of Kushner’s writing is impressive, but it’s the gorgeous ferocity that will stick with me.” “[Kushner] seems to work with a muse and a nail gun, so surprisingly yet forcefully do her sentences pin reality to the page.” —Kathryn Schulz, *New York* magazine “Kushner can really write. Her prose has a poise and wariness and moral graininess that puts you in mind of Robert Stone and Joan Didion.” —Dwight Garner, *The New York Times*

A New York Times Notable Book *A Kirkus Reviews Best Book of the Year* From the bestselling National Book Award finalist and author of *The Big House* comes “a well-blended narrative packed with top-notch reporting and relevance for our own time” (*The Boston Globe*) about the young athletes who battled in the legendary Harvard-Yale football game of 1968 amidst the sweeping currents of one of the most transformative years in American history. On November 23, 1968, there was a turbulent and memorable football game: the season-ending clash between Harvard and Yale. The final score was 29-29. To some of the players, it was a triumph; to others a tragedy. And to many, the reasons had as much to do with one side’s miraculous comeback in the game’s final forty-two seconds as it did with the months that preceded it, months that witnessed the assassinations of Martin Luther King and Robert F. Kennedy, police brutality at the Democratic National Convention, inner-city riots, campus takeovers, and, looming over everything, the war in Vietnam. George Howe Colt’s *The Game* is the story of that iconic American year, as seen through the young men who lived it and were changed by it. One player had recently returned from Vietnam. Two were members of the radical antiwar group SDS. There was one NFL prospect who quit to devote his time to black altruism; another who went on to be Pro-Bowler Calvin Hill. There was a guard named Tommy Lee Jones, and fullback who dated a young Meryl Streep. They played side by side and together forged a moment of startling grace in the midst of the storm. “Vibrant, energetic, and beautifully structured” (NPR), this magnificent and intimate work of history is the story of ordinary people in an extraordinary time, and of a country facing issues that we continue to wrestle with to this day. “*The Game* is the rare sports book that lives up to the claim of so many entrants in this genre: It is the portrait of an era” (*The Wall Street Journal*).

With tips, tricks, and step-by-step how-tos, *Spectacular Nail Art* has 35 designs to give any look the perfect final touch. Today, great nails mean more than a coat of pink polish. With a variety of designs, ideas, and patterns, you can find the right fit for any occasion. Novices needn’t worry, either, because every project—from sparkling Champagne Chic to the wintry, Christmasy Snappy Snowflakes—includes easy-to-follow instructions and handy step-by-step photos, and most are really simple to create. Presents all levels of nail art, from simple beginner designs to more complex and complicated designs, including prints and patterns, work-appropriate designs, and holiday designs.

The star of HGTV’s *Hidden Potential* and *HELP! I Wrecked My House* offers a rare glimpse behind the TV show curtain, inviting readers into her world with super-simple advice that takes all the guesswork and stress out of any home project. “Renovating a home can be mega intimidating, but not if you surrender to the wisdom of your new guru, Jasmine Roth. She knows all.”—Jonathan Adler Finding your style is the first step to creating your dream home, whether you’re buying a new place, designing ground-up construction, or simply sprucing up the decor on a rental. Through her clear descriptions of four common design types and their many style subsets, along with thought-provoking questions and worksheets, Jasmine helps you create a cohesive feel with your home decor. She also includes helpful information on curb appeal and outdoor lighting (the most forgotten detail of your home), the science of knocking down walls, creative solutions to the five most common layout needs, floor finishes and wall treatments, everything kitchen and bathroom, and fun ways to personalize your space with DIY projects and unique bookshelf styling. With hundreds of stunning photographs of Roth-designed interiors, *House Story* is a lush exploration of what is possible for you and your home, whatever the size and budget.

NEW YORK TIMES BESTSELLER • A former Galleon Group trader portrays an after-hours Wall Street culture where drugs and sex are rampant and billions in trading commissions flow to those who dangle the most enticements. A remarkable writing debut, filled with indelible moments, *The Buy Side* shows as no book ever has the rewards—and dizzying temptations—of making a living on the Street. Growing up in the 1980’s Turney Duff was your average kid from Kennebunk, Maine, eager to expand his horizons. After trying – and failing – to land a job as a journalist, he secured a trainee position at Morgan Stanley and got his first feel for the pecking order that exists in the trading pits. Those on the “buy side,” the traders who make large bets on whether a stock will rise or fall, are the “alphas” and those on the “sell side,” the brokers who handle their business, are eager to please. How eager to please was brought home stunningly to Turney in 1999 when he arrived at the Galleon Group, a colossal hedge-fund management firm run by secretive founder Raj Rajaratnam. Finally in a position to trade on his own, Turney was encouraged to socialize with the sell side and siphon from his new broker friends as much information as possible. Soon he was not just vacuuming up valuable tips but also being lured into a variety of hedonistic pursuits. Naïve enough to believe he could keep up the lifestyle without paying a price, he managed to keep an eye on his buy-and-sell charts and, meanwhile, pondered the strange goings on at Galleon, where tens of millions were being made each week in sometimes mysterious ways. At his next positions, at Argus Partners and J.L. Berkowitz, Turney climbed to even higher heights – and, as it turned out, plummeted to even lower depths – as, by day, he solidified his reputation one of the Street’s most powerful healthcare traders, and by night, he blazed a path through the city’s nightclubs, showing off his social genius and voraciously inhaling any drug that would fill the void he felt inside. A mesmerizingly immersive journey through Wall Street’s first millennial decade, and a poignant self portrait by a young man who surely would have destroyed himself were it not for his decision to walk away from a seven-figure annual income, *The Buy Side* is one of the best coming-of-age-on-the-Street books ever written.

Provides step-by-step instructions for nail art projects from the WAH Nails salon in London, England.

From the co-founders of Havenly comes “a perfect read for anyone looking to infuse more personality and style into their space—on their own time and budget, and in their own unique way” (Rachel Zoe). “Not only do Lee and Emily unpack all their tips for creating a space that looks as good as it feels, but they do it in a way that is made for real-life application.”—Bobby Berk, design expert and host of Netflix’s *Queer Eye* Interior design can be daunting, and as a result, many of us never even attempt to design our own homes. In *Design the Home You Love*, Havenly founders Lee Mayer and Emily Motayed break down the ambiguous world of home design. First you learn how to identify your own style (whether you’re a fan of Parisian Modern or California Casual) and then how to incorporate furniture that matches your style and fits your budget. *Design the Home You Love* takes you step-by-step and room-by-room through each part of the house to help you fulfill your home’s potential. Whether you’re looking to give your home a complete makeover, spruce up your rental apartment, or merely take your living room from blah to fab, Lee and Emily bring fresh ideas, advice, and inspiration to the table. Illustrated with eye-catching photography and livable inspiration from real-life clients, this is the interior design book that finally makes it possible for us all to achieve our design goals.

Nail art has exploded onto the scene, giving girls and women a virtually limitless outlet for their creativity. Nail art fans are learning the intricate art of expressing their style with polish, from muted and understated effects, to cute designs, to eye-catchingly wild creations. *Idiot's Guide: Nail Art* shows readers how to duplicate popular looks and gives them the tools to create their own stunning nails. In this book, readers get: More than 75 nail art design tutorials, progressing from easy to more advanced. Large, full-color photos showing each step of the process for each design. Instructions for basic nail care and manicures to keep nails looking nice. An introduction to specialized nail art tools and how to use them. Pedicure steps and a guide to adapting nail art designs for the toes. Everything the reader needs to know about gel manicures. Tips for creating the most popular effects, including ombré and 3D elements.

There are several techniques for achieving beautiful nail arts that when mastered, open the door to the nail art world. Combine them together and you can obtain striking nails that will complete your outfit. The result can be elegant, bold or just crazy, depending on the combined colors and techniques. The book shows how to master the most common nail art techniques by using detailed step by step guides, it suggests suitable color combinations for each particular technique and it gives tips of how to combine the different techniques to more advanced techniques and manicures. There are 26 different nail art techniques described in the book and the possible combinations between them are endless. Some of the techniques can be painted in different ways and how that's done is explained in detail. Learn the basics by studying the pictures and the explanations during each step from the beginning until the resulting nail art. The book is written by the nail polish and nail art blogger running the blog My Nail Polish Online since October 2010.
