For one charming playboy, getting cast on a Bachelor-esque reality TV show is the shock of a lifetime—until he finds love where he least expects it. And now the chase is on! “Romantic comedy at its finest . . . Readers will not want to put it down.”—USA Today’s Happy Ever After blog Gage Barrett’s reputation as a ladies’ man has been greatly exaggerated, but none of that matters after a drunken bet lands him on Jilted, a reality TV show that matches runaway grooms with wannabe brides. Now he’s stuck at a Hawaiian resort with nineteen women competing to drag him back to the altar—and one contestant who’s even more miserable than he is. Gage has no idea how feisty, independent Ellie Wright wound up in the cast, but it’s obvious she hates his guts. And if there’s one thing Gage likes, it’s a challenge. . . . Ellie can’t believe she let her best friend talk her into exchanging her dignity for a glorified bikini contest. Still, she could use the exposure—her business is struggling—and she’ll probably be one of the first to get eliminated anyway. But Gage isn’t the shallow jerk Ellie anticipated—and he’s in no rush to send her home. As stolen kisses turn into secret trysts, she finds herself losing track of what’s real and what’s for the camera. An unforgettable cast of characters is unleashed into a realm known for its cruelty—the American high school—in this captivating debut novel. The wealthy enclaves north of San Francisco are not the paradise they appear to be, and nobody knows this better than the students of a local high school. Despite being raised with all the opportunities money can buy, these vulnerable kids are navigating a treacherous adolescence in which every action, every rumor, every feeling, is potentially postable, shareable, viral. Lindsey Lee Johnson's kaleidoscopic narrative exposes at every turn the real human beings beneath the high school stereotypes. Abigail Cress is ticking off the boxes toward the Ivy League when she makes the first impulsive decision of her life: entering into an inappropriate relationship with a teacher. Dave Chu, who knows himself at heart to be a typical B student, takes desperate measures to live up to his parents' crushing expectations. Emma Fleed, a gifted dancer, balances rigorous rehearsals with wild weekends. Damon Flintov returns from a stint at rehab looking to prove that he's not an irredeemable screwup. And Calista Broderick, once part of the popular crowd, chooses, for reasons of her own, to become a hippie outcast. Into this complicated web, an idealistic young English teacher arrives from a poorer, scruffier part of California. Molly Nicoll strives to connect with her students—without understanding the middle school tragedy that played out online and has continued to reverberate in different ways for all of them. Written with the rare talent capable of turning teenage drama into urgent, adult fiction, *The Most Dangerous Place on Earth* makes vivid a modern adolescence lived in the gleam of the virtual, but rich with sorrow, passion, and humanity. Praise for *The Most Dangerous Place on Earth* "Alarming, compelling . . . Here's high school life in all its madness."—*The New York Times* "Unputdownable."—*Elle* "Impossibly funny and achingly sad . . . [Lindsey Lee] Johnson cracks open adolescent angst with adult sensibility and sensitivity."—*San Francisco Chronicle* "[A] piercing debut . . . Johnson proves herself a master of the coming-of-age story."—*The Boston Globe* "Entrancing . . . Johnson's novel possesses a propulsive quality. . . . Hard to put down."—*Chicago Tribune* "Readers may find themselves so swept up in this enthralling novel that they finish it in a single sitting."—*Publishers Weekly* (starred review)

This troubadour life is only for the fiercest hearts, only for those vessels that can be broken to smithereens and still keep beating out the rhythm for a new song. *Last Chance Texaco* is the first ever no-holds-barred account of the life of two-time Grammy Award-winner Rickie Lee Jones in her own words. It is a tale of desperate chances and impossible triumphs, an adventure story of a girl who beat the odds and grew up to become one of the most legendary artists of her time, turning adversity and hopelessness into timeless music. With candor and lyricism, the "Duchess of Coolsville" (*Time*) takes us on a singular journey through her nomadic childhood, to her years as a teenage runaway, through her legendary love affair with Tom Waits and ultimately her longevity as the hardest working woman in rock and roll. Rickie Lee's stories are rich with the infamous characters of her early songs – "Chuck-E's in Love," "Weasel and the White Boys Cool," "Danny's All-Star Joint," and "Easy Money"— but long before her notoriety in show business, there was a vaudevillian cast of hitchhikers, bank robbers, jail breaks, drug mules, a pimp with a heart of gold and tales of her fabled ancestors. In this tender and intimate memoir by one of the most remarkable, trailblazing, and tenacious women in music are never-before-told stories of the girl in the raspberry beret, a singer-songwriter whose music defied categorization and inspired American pop culture for decades.

An Amazon Best Book of 2016 A celebration of the writing and editing life, as well as a look behind the scenes at some of the most influential magazines in America (and the writers who made them what they are). You might not know Terry McDonell, but you certainly know his work. Among the magazines he has top-edited: Outside, Rolling Stone, Esquire, and Sports Illustrated. In this revealing memoir, McDonell talks about what really happens when editors and writers work with deadlines ticking (or drinks on the bar). His stories about the people and personalities he's known are both heartbreaking and bitingly funny--playing "acid golf" with Hunter S. Thompson, practicing brinksmanship with David Carr and Steve Jobs, working the European fashion scene with Liz Tilberis, pitching TV pilots with Richard Price. Here, too, is an expert's practical advice on how to recruit--and keep--high-profile talent; what makes a compelling lede; how to grow online traffic that translates into dollars; and how, in whatever format, on whatever platform, a good editor really works, and what it takes to write well. Taking us from the raucous days of New Journalism to today's digital landscape, McDonell argues that the need for clear storytelling from trustworthy news sources has never been stronger. Says Jeffrey Eugenides: "Every time I run into Terry, I think how great it would be to have dinner with him. Hear about the writers he's known and edited over the years, what the magazine business was like back then, how it's changed and where it's going, inside info about Edward Abbey, Jim Harrison, Annie Proulx, old New York, and the Swimsuit issue. That dinner is this book."

I hooked up with my temporary roommate. Now I'll do anything to claim her for good. I'm Noah Weston. For a decade, I've quarterbacked America's most iconic football team and plowed my way through women. Now I'm transitioning from star player to retired jock—with a cloud of allegation hanging over my head. So I'm escaping to the private ocean-front paradise I bought for peace and quiet. What I get instead is stubborn, snarky, wild, lights-my-blood-on-fire Harlow Reed. Since she just left a relationship in a hugely viral way, she should be the last woman I'm seen with. On second thought, we can help each other... I need a steady, supportive "girlfriend" for the court of public opinion, not entanglements. Harlow is merely looking for nonstop sweaty sex and screaming orgasms that wring pleasure from her oh-so-luscious body. Three months—that's how long it should take for us both to scratch this itch and leave our respective scandals behind. But the more I know this woman, the less I can picture my life without her. And when I'm forced to choose, I'll realize I don't merely want her in my bed or need her for a ruse. I more than love her enough to do whatever it takes to make her mine for good.

'Bold, brilliant, sharp and funny...it urges women to be less judgemental of each other and of themselves. It's an idea that shouldn't be revolutionary but is.'

Elizabeth Day Polly Vernon, Grazia columnist, Times feature writer (hair-flicker, Brazilian-waxer, jeans obsessive, outrageous flirt) presents a brave new perspective on feminism. Drawing on her dedicated, life-long pursuit of hotness - having dismissed many of the rules on 'good' feminism at some point in the early 90s - she'll teach you everything you ever wanted to know about being a feminist when you care about how you look. When part of your brain is constantly monologuing on fashion. When you check out your own reflection in every reflective surface. When your depilation practices are pretty much out of control. When you just really want to be fancied. Hot Feminist is based on a principle of non-judgment (because there's enough already), honesty about how often we mess this up, and empowerment through looks. Part memoir, part road map, it's a rolling, raucous rejection of all those things we're convinced we shouldn't think / wear/ feel/ say/ buy/ want - and a celebration of all the things we can. It is modern feminism, with style, without judgment

Drs. Lindsay and Lexie Kite know firsthand how hard filtering out media influence is when it comes to self-image. Both struggled as young women to overcome the expectations of body size and shape, but were able to learn to love, appreciate, and reclaim their own bodies, eventually earning their PhDs in body image resilience. The twin sisters founded the nonprofit Beauty Redefined and have made it their mission to help other women see themselves without societal expectations distorting their self-perception. More than a Body is a self-help book focused on going beyond body positivity, showing how a mindset focused on appearance sets women up for insecurities and self-judgement. In this book, they offer an action plan for readers to combat that mindset, and instead learn how the body can be "an instrument, not an ornament," with practical, actionable steps to take when consuming media, exercising, practicing self-reflection and self-compassion, and finding a purpose in life.
