Seven years after the death of Anton Chekhov, his sister, Maria, wrote to a friend, "You

## Download Ebook Spirit Ascendancy The Gateway Trilogy Book 3

asked for someone who could write a biography of my deceased brother. If you recall, I recommended Iv. Al. Bunin . . . . No one writes better than he; he knew and understood my deceased brother very well; he can go about the endeavor objectively. . . . I repeat, I would very much like this biography to correspond to reality and that it be written by I.A. Bunin." In *About Chekhov* Ivan Bunin sought to free the writer from limiting political, social, and aesthetic assessments of his life and work, and to present both in a more genuine, insightful, and personal way. Editor and translator Thomas Gaiton Marullo subtitles *About Chekhov* "The Unfinished Symphony," because although Bunin did not complete the work before his death in 1953, he nonetheless fashioned his memoir as a moving orchestral work on the writers' existence and art. . . . "Even in its unfinished state, *About Chekhov* stands not only as a stirring testament of one writer's respect and affection for another, but also as a living memorial to two highly creative artists." Bunin draws on his intimate knowledge of Chekhov to depict the writer at work, in love, and in relation with such writers as Tolstoy and Gorky. Through anecdotes and observations, spirited exchanges and reflections, this memoir draws a unique portrait that plumbs the depths and complexities of two of Russia's greatest writers.

She can already see the dead...but is she starting to see the future? Spurred by the injustices that nearly destroyed their family, Jess and Hannah Ballard are preparing to win back a seat on the powerful Durupinen Council. The odds are stacked against them, but that's never stopped them before. But as Hannah faces the harsh realities of

## Download Ebook Spirit Ascendancy The Gateway Trilogy Book 3

political intrigue, Jess must face a frightening new reality of her own. Jess made a promise months before, a promise to help the trapped and tortured Walker, Irina. With Irina's trial looming, Jess has her chance to make good on her word, but the spirit world may have other plans. Jess's gift as a Muse is shifting. Her talent as an artist is now offering her terrifying glimpses into a future she may be powerless to change. Unspeakable tragedy looms ever closer. Will Jess be forced to stand helplessly by, or will she interpret the signs before it's too late? Awakening of the Seer is the page-turning third installment in E.E. Holmes' paranormal series The Gateway Trackers. Two thieves want answers. Riyria is born... For more than a year Royce Melborn has tried to forget Gwen DeLancy, the woman who saved him and his partner Hadrian Blackwater from certain death. Unable to get her out of his mind, Royce returns to Medford with Hadrian but the two receive a very different reception --- Gwen refuses to see them. The victim of abuse by a powerful noble, she suspects that Royce will ignore any danger in his desire for revenge. By turning the thieves away, Gwen hopes to once more protect them. What she doesn't realize is what the two are capable of --- but she's about to find out. A warning from the past, an uncertain future, an impossible choice... For hundreds of years, the Durupinen have carried the power of the Gateway in their bloodlines. Now, a dire warning from the past might mean that power must come to an end. Jess Ballard has often considered her gift a curse - but now it may truly become one, unless she can convince the leaders of the Durupinen world to restore the power of the Gateways where it rightly belongs. The Durupinen have always considered themselves a force for what is good in the world, but has the intoxication of power left them unable to distinguish between what is right and wrong? Jess, Hannah, Milo, and their allies are in a race against time as they gather together the most influential Durupinen from around the world to join the fight. As the Necromancer threat looms, and the Durupinen leaders battle over which course to take, Jess must travel her own path, look within herself and ask: How far will she go to right an ancient wrong, and will her connection to the spirit world survive it? Gift of the Darkness is the highly-anticipated final installment in The Gateway Trackers series by E.E. Holmes.

Conditions of malnutrition, conflict, or a combination of both characterize many Arab countries, but this was not always so. As in much of the developing world, the immediate post-independence period represented an age of hope and relative prosperity. But imperialism did not sleep while these countries developed, and it soon intervened to destroy these post-independence achievements. The two principal defeats and losses of territory to Israel in 1967 and 1973, as well as the others that

## Download Ebook Spirit Ascendancy The Gateway Trilogy Book 3

followed, left in their wake more than the destruction of assets and the loss of human lives: the Arab World lost its ideology of resistance. The Unmaking of Arab Socialism is an attempt to understand the reasons for Arab world's developmental descent from the pinnacle of Arab socialism to its present desolate conditions through an examination of the post-colonial histories of Egypt, Syria, and Iraq.

Years before, a gateway opened between their world and ours. Sending one young woman through may be the key to survival for the kingdom of Fourline. Strapped for cash, college student Natalie Barns agrees to take a job at a costume shop. Sure, Estes--her classmate who works in the shop--is a little odd, but Nat needs the money for her tuition. Then she stumbles through the mysterious door behind the shop--and her entire universe transforms. Discovering there's far more to Estes than she ever imagined, Nat gets swept up in an adventure to save his homeland, an incredible world filled with decaying magic, deadly creatures, and a noble resistance of exiled warriors battling dark forces. As she struggles with her role in an epic conflict and wrestles with her growing affection for a young rebel, Soris, Nat quickly learns that nothing may go as planned...and her biggest challenge may be surviving long enough to make it home. A POWER TOO TERRIBLE TO CONTROL... IN THE WAKE of their terrifying escape from Fairhaven Hall, sisters Jess and Hannah Ballard find themselves on the run, pursued by the two most powerful groups in the history of the spirit world. On one side, the Durupinen, determined to capture the girls and prevent their role in an ancient

## Download Ebook Spirit Ascendancy The Gateway Trilogy Book 3

prophecy that promises to destroy them and unleash the spirit hordes on the earth. On the other side, the Necromancers, ancient enemies of the Durupinen, hellbent on bringing the same prophecy to fruition. When the girls are betrayed and one of them falls into the Necromancers' hands, both face decisions with cataclysmic consequences. Will the lure of power prove too great to resist, or will the bond between the sisters survive this last, most crucial of tests? "Spirit Ascendancy" is the much anticipated third and final installment of E.E. Holmes' award-winning Gateway Trilogy. "Our job is to be there when things are bad." Matt Newman said this to financial planners on a daily basis as a wholesaler in the financial services industry. He constantly preached the need to plan in advance, to be prepared for the unexpected and inevitable. As a young man in his late thirties, he lived a healthy lifestyle, had a beautiful family, and a successful career. He practiced what he preached, and made sure he had a financial plan in place for his family. Everything seemed to be going in the right direction: Life was about to change drastically. After he began experiencing horrible headaches, insomnia, and strange speech issues, he realized something was very wrong. Four months into dealing with these issues, he finally went to the hospital; the doctors confirmed the worst; he had grade three astrocytoma. Matt was diagnosed with brain cancer at 39 years old. Luckily, he had someone to help him through every terrible moment. Matt's own father-in-law Larry had been diagnosed with pancreatic cancer three years earlier. The two men found support in each other and their

## Download Ebook Spirit Ascendancy The Gateway Trilogy Book 3

combined family as they worked to find normalcy in an abnormal situation. Matt's memoir chronicles the journey that his entire family and support group took together which got him to a place of clarity, understanding and appreciation.

Two sisters, haunted by more than their past... Just weeks after discovering each other's existence, Jess and Hannah Ballard arrive at Fairhaven Hall, where they will learn the clandestine ways of the Durupinen, an ancient sect of women who control the Gateways between the worlds of the living and the dead. Though they are considered outcasts by most of their classmates, Jess and Hannah are determined to learn what they can to fulfill their responsibility to the many ghosts that haunt them. But danger, it seems, has followed them as closely as a shadow to their new home, and they have more questions than ever. Who is the desperate child spirit pursuing Jess, and what do her terrifying visions mean? What has happened to Dr. David Pierce, Jess' friend and mentor, who has suddenly and mysteriously vanished? And just what is it about Hannah's unique abilities that has the other Durupinen frightened of her? The Ballard sisters are about to find out, and the answers could destroy their newfound life before it has even begun. Spirit Prophecy is the second thrilling installment in E.E. Holmes' award-winning Gateway Trilogy.

Book 16 in the bestselling "Vampire for Hire" series! To save a child, Samantha Moon would go to the end of the Earth--even past it to alternate dimensions. At long last, she's learned the truth behind her vampire sire and why he turned her. But with that

## Download Ebook Spirit Ascendancy The Gateway Trilogy Book 3

comes a revelation about an ancient evil that preys on innocent young witches. Turns out, Sam has a unique connection to the fiend, but it might not be enough to help her find the monster. Of course, it's not like she doesn't have all the time in the world... That changes when the Red Rider abducts a ten-year-old girl, intending to devour her unusually strong magic. Sam cannot bear the thought of such a young child experiencing a death so gruesome. Her need to destroy a monster who could do such things to the innocent does something she never imagined possible... for once, she and Elizabeth will work together. To make matters worse, the witch-hunter isn't even on Earth. With precious little time remaining, Sam must track down a killer into worlds that stretch the imagination... worlds beyond belief and dreams. A little girl's life depends on it. MOON MASTER, Red Rider, Part 2, is the second book of an epic two-part paranormal mystery adventure set within the Vampire for Hire series.

IPMS"

Deep in the heart of old London town, spirits are drawn to the tempting lure of a lie... As Jess Ballard is struggling to adjust to her new life in London without Finn Carey to watch over her, she has thrown herself into her role as a Tracker, using her gift to communicate with and help as many spirits as she can. But just as she begins to settle into a new city, the city reveals a mystery too intriguing-and dangerous-to ignore.

Something sinister is drawing restless spirits to a tiny old museum, luring them with a promise of salvation it cannot deliver upon. Meanwhile, Durupinen are being brutally attacked, and their gifts are being twisted with a Casting too terrible to comprehend. Can Jess discover the connection between the two mysteries before she-or someone she loves-becomes the next victim? Portraits of the Forsaken is the much anticipated fourth installment in E.E. Holmes' paranormal series The Gateway Trackers.

Architecture and Modern Literature explores the representation and interpretation of architectural space in modern literature from the early nineteenth century to the present, with the aim of showing how literary production and architectural construction are related as cultural forms in the historical context of modernity. In addressing this subject, it also examines the larger questions of the relation between literature and

## Download Ebook Spirit Ascendancy The Gateway Trilogy Book 3

architecture and the extent to which these two arts define one another in the social and philosophical contexts of modernity. *Architecture and Modern Literature* will serve as a foundational introduction to the emerging interdisciplinary study of architecture and literature. David Spurr addresses a broad range of material, including literary, critical, and philosophical works in English, French, and German, and proposes a new historical and theoretical overview of this area, in which modern forms of "meaning" in architecture and literature are related to the discourses of being, dwelling, and homelessness.

During the Graeco-Roman period, Berenike served as a gateway to the outside world together with Myos Hormos. Commodities were imported from Africa south of the Sahara, Arabia, and India into the Greek and Roman Empire, the importance of both harbors evidenced by several contemporary sources. Between 1994 and 2002, eight excavation seasons were conducted at Berenike by the University of Delaware and Leiden University, the Netherlands. This book presents the results of the archaeobotanical research of the Roman deposits. It is shown that the study of a transit port such as Berenike, located at the southeastern fringe of the Roman Empire, is highly effective in producing new information on the import of all kinds of luxury items. In addition to the huge quantities of black pepper, plant remains of more than 60 cultivated plant species could be evidenced, several of them for the first time in an archaeobotanical context. For each plant species detailed information on its (possible)

## Download Ebook Spirit Ascendancy The Gateway Trilogy Book 3

origin, its use, its preservation qualities, and the Egyptian subfossil record is provided. The interpretation of the cultivated plants, including the possibilities of cultivation in Berenike proper, is supported by ethnoarchaeobotanical research that has been conducted over the years. The reconstruction of the former environment is based on the many wild plant species that were found in Berenike and the study of the present desert vegetation.

The Arcane Arcade is a collection of sixteen short fiction stories. The general theme of the book is paranormal experience, and the tales are presented as short stories, novellas and novelettes. The stories have been rewritten and edited many times until they have evolved into their finished form. The characters and events depicted in The Arcane Arcade are strictly the products of the authors' imaginations. Any resemblance to any real person or persons is absolutely coincidental, and it is the hope of the authors that readers will appreciate the pure fantasy identities, personalities and plots in the sixteen fictional works.

The Heart of the Jedi Darth Vader and the Emperor are no more. The Alliance has officially become the New Republic. As Han Solo, Princess Leia, and the new Chief-of-State Mon Mothma emerge triumphant against the diminishing Empire, the Imperial Remnant fights on until the long-silent Imperial Senate rises up to call for peace. But not everyone wants peace, and High Admiral Tharkus has made plans to ensure the Empire will reemerge under his rule. At his side

stands the mysterious Dioskouroi, beings of rare and deadly powers! For Luke Skywalker, exhausted from years of fighting, the time has come to depart upon a journey of discovery, a journey that will lead him to a secret long ago hidden by Obi-Wan Kenobi. ??? The Heart of the Jedi, Kenneth C. Flint's lost Star Wars novel, commissioned and approved by Lucasfilm, and set to be released in 1993, disappeared without a trace. For many years fans wondered what became of the book and why it was never published, and so it was chalked up to yet another tragic "lostworlds" story that no one would ever get to read or enjoy... or so we thought! Kenneth C. Flint's complete novel The Heart of the Jedi has at last been unearthed! Published on StarWarsTimeline.net, it has been edited to fit into the existing Expanded Universe, taking place a short time after The Truce at Bakura and the end of issue #107 of the Marvel series, but before the X-Wing comic-book series. Reprinted here in paperback for the first time, this is a non-profit listing for private collectors only. The downloadable PDF is freely available here: <http://www.starwarstimeline.net/The%20Heart%20of%20the%20Jedi.htm> Find other books by Kenneth Flint at: <http://www.amazon.com/Kenneth-C.-Flint/e/B001HPFIWC> \*\*\* Note: I'd like to clear a few things up. This is an unofficial fan printing of an unofficial fan story. IE: Bootleg Fanfiction. Disney owns Star Wars©, not The Heart of the Jedi. I am not making money off this

## Download Ebook Spirit Ascendancy The Gateway Trilogy Book 3

venture. This is being printed AT COST only. The price paid is merely to Amazon for printing charges. There was a fan printing briefly available in 2015. I, and most others, missed that one. Some time ago, I decided I wanted a copy of "The Heart of the Jedi" for my bookshelf. I downloaded the PDF, formatted it for paperback, sized it so it would fit in with other MMPs, and did some Photoshop work for a Batam-era appropriate cover. I put it on Amazon, ordered my copy, and was done. Then, quite frankly, I forgot about it. The increase in copies sold has lead to a few rumors. I'd like to address some of them: The increase in copies sold has lead to a few rumors. I'd like to address some of them: I am not Ken Flint. I am not Joe Bongiorno. I am not affiliated with Disney. This book is not outselling Disney Star Wars. The way the Amazon Ranking algorithm works is based on sales per hour, not lifetime sales. I am not Timothy Zahn. I know him. He is an amazing mentor and an inspiration to me. I would never try and sabotage his work or steal his thunder. Everyone go buy Thrawn. I want to say everyone go buy MY book! But at this point, I think anonymity is safer than infamy. EU fans, stop trying to stick a thumb in Disney's eye. We're not going to change anything. Disney fans, just ignore the EU fans and let them have their silly little book. Stop tattling to Disney. Finally, I would like to publicly apologize to Ken for any appearance that I might be stealing his work. That was not the intent.

--A Star Wars Fan

A mysterious mark, an ancient spirit, and a message from beyond the Aether... After uncovering and destroying a Necromancer plot to take over Skye Príosún, Jess and Finn are united at last and longing to move on with their life together. But the Durupinen world has other plans. An enigmatic rune keeps revealing itself to Jess-in artwork, in dreams, and even scrawled upon the ancient stones of the Geatgrima at Fairhaven. No one can identify it, but its warning is clear: something dangerous is coming, a revelation that could end the Gateway system forever. Jess must follow the clues where they lead-forming unlikely alliances along the way. When her journey takes her at last to an ancient creature deep in the heart of the príosún, the truth she learns presents her with the most troubling question of all: what if her Durupinen gift was never really a gift at all, but something altogether darker? Soul of the Sentinel is the much-anticipated sixth installment in E.E. Holmes' spine-tingling paranormal series The Gateway Trackers.

The experience of modernization -- the dizzying social changes that swept millions of people into the capitalist world -- and modernism in art, literature and architecture are brilliantly integrated in this account.

Something whispers in the shadows... From E.E. Holmes, author of the award-

## Download Ebook Spirit Ascendancy The Gateway Trilogy Book 3

winning Gateway Trilogy, comes the first in the highly anticipated companion series The Gateway Trackers. It's been several years since Jess and Hannah Ballard foiled a cataclysmic prophecy that could have destroyed their fellow Durupinen, an ancient clan of women who allow spirits to cross between the worlds of the living and the dead. The girls swore, after the devastation and chaos they endured, they would never get caught up in the inner workings of the Durupinen again. They were wrong. After breaking the code of secrecy and facing the judgement of the High Council, Jess and Hannah have no choice but to become Trackers, working to take down those who would exploit the spirit world for profit or power. Their first assignment takes them into the deep South, where Jeremiah Campbell, a self-proclaimed spiritual guru, lures wealthy and desperate devotees with promises of a deeper connection with the dead. As the girls go undercover, it soon becomes clear that Campbell is not merely the con artist they suspected him to be, and that they, and the spirit world they are sworn to protect, are once again in unimaginable danger. Whispers of the Walker is the first spine-tingling installment in "The Gateway Trackers" series by E.E. Holmes. Two opposing views of the future in the Middle Ages dominate recent historical scholarship. According to one opinion, medieval societies were expecting the near end of the world and therefore had no concept of the future. According to

the other opinion, the expectation of the near end created a drive to change the world for the better and thus for innovation. Close inspection of the history of prognostication reveals the continuous attempts and multifold methods to recognize and interpret God's will, the prodigies of nature, and the patterns of time. That proves, on the one hand, the constant human uncertainty facing the contingencies of the future. On the other hand, it demonstrates the firm believe during the Middle Ages in a future which could be shaped and even manipulated. The handbook provides the first overview of current historical research on medieval prognostication. It considers the entangled influences and transmissions between Christian, Jewish, Islamic, and non-monotheistic societies during the period from a wide range of perspectives. An international team of 63 renowned authors from about a dozen different academic disciplines contributed to this comprehensive overview.

College student Jess Ballard's mother has gone-dead under mysterious circumstances; her life uprooted to stay with estranged relatives she's never met; and ... and there's something odd about some of the people she's been meeting at school: They're dead! Aided by Tia, her neurotic roommate, and Dr. David Pierce, a ghost-hunting professor, Jess must unravel the mystery behind her hauntings. But the closer she gets to the truth, the more danger shadows her

## Download Ebook Spirit Ascendancy The Gateway Trilogy Book 3

every move. An ancient secret, long-buried, is about to claw its way to the surface, and nothing can prepare Jess for one terrifying truth ... her encounters with the world of the dead are only just beginning

It isn't every day that one meets a goddess, let alone a Matrika or being that presides over the sounds of language. It is said such deities can bring us complete liberation. Will that prove true for a struggling vocalist named Wrenne when a mysterious woman appears and offers to help her find her True Voice? This beguiling and eccentric teacher guides us all on a deep and powerful journey through 10 mystical gates of sound, sharing great insights, secrets, and profound wisdom about the power of letters, words, and our very own voice to transform the world around us. This isn't standard knowledge; this is a gift for our times, taking the reader into the very heart of sonic revelations.

"A dazzling journey across the sciences and humanities in search of deep laws to unite them." --The Wall Street Journal One of our greatest living scientists--and the winner of two Pulitzer Prizes for *On Human Nature* and *The Ants*--gives us a work of visionary importance that may be the crowning achievement of his career. In *Consilience* (a word that originally meant "jumping together"), Edward O. Wilson renews the Enlightenment's search for a unified theory of knowledge in disciplines that range from physics to biology, the social sciences and the

humanities. Using the natural sciences as his model, Wilson forges dramatic links between fields. He explores the chemistry of the mind and the genetic bases of culture. He postulates the biological principles underlying works of art from cave-drawings to Lolita. Presenting the latest findings in prose of wonderful clarity and oratorical eloquence, and synthesizing it into a dazzling whole, *Consilience* is science in the path-clearing traditions of Newton, Einstein, and Richard Feynman.

A practical guide to pathworking and other esoteric techniques from the ancient mystery schools predating Christianity • Explains the dynamics of both group ritual and solo practice • Shows that temples of high magic are not mere physical structures but inner edifices created by sustained meditative practice • Explains why this practice is sometimes called the Yoga of the West Before the advent of Christianity, early civilizations had, at the heart of their spiritual traditions, mystery schools that offered a corpus of training methods in what is now called magic. The persecution of heresies that followed the establishment of Christianity as Rome's state religion, a persecution that reached its high point during the Middle Ages, forced the degradation and disappearance of this training system. While the knowledge of these mystery traditions--jealously guarded by secret societies--has begun to emerge, the actual techniques and practices of spiritual

## Download Ebook Spirit Ascendancy The Gateway Trilogy Book 3

magic have remained hidden. The Temple of High Magic provides the practical knowledge of these techniques for modern spiritual seekers who wish to incorporate the proven esoteric techniques of the magi into their lives. This book explains the dynamics of group ritual and solo practice as well as the critical role played by the kabbalistic tree of life--the key to inner knowledge. Ina Cüsters-van Bergen shows that temples of high magic are not mere physical structures but are the inner edifices willed into being by a sustained meditative practice and pathworking, using key symbols from ancient Hebraic and Egyptian traditions. Sometimes called the Yoga of the West, this spiritual magic is a system of esoteric development that seeks to create full union between the magician and the divine.

Human beings, regardless of age, sex, or state of health, are designed by evolution to form meaningful interpersonal relationships through verbal and nonverbal communication. The theme that empathic human connections are beneficial to the body and mind underlies all 12 chapters of this book, in which empathy is viewed from a multidisciplinary perspective that includes evolutionary biology; neuropsychology; clinical, social, developmental, and educational psychology; and health care delivery and education.

The child appeared in the temple ruins. She would change his life forever,

## Download Ebook Spirit Ascendancy The Gateway Trilogy Book 3

sending him chasing across countries and cities to escape the ancient evil. Avram's life had fallen to pieces, but when he went on the much needed vacation with friends, he had little idea of the journey and the danger it would lead him into. The child, the nameless spirit, the deaths that kept happening and his own sanity. Perhaps he would be next. He and his friends are led across Europe, through ancient sites, always dogged by an army of mysterious children. Avram needs to find a solution to free himself and his companions from the ancient thrall. He starts to believe that she has control of him. There is only one solution. He has to find a way to break free...

Entering into an arranged marriage with an aspiring merchant in 1787 Bristol, Frances Scott is discouraged by her slavery-dependent lifestyle and unexpectedly falls for African slave and former Yoruba priest Mehuru. By the author of *The Other Boleyn Girl*. Reprint. 75,000 first printing.

The "masterfully chilling" novel that inspired the hit AMC series (*Entertainment Weekly*). The men on board the HMS *Terror* — part of the 1845 Franklin Expedition, the first steam-powered vessels ever to search for the legendary Northwest Passage — are entering a second summer in the Arctic Circle without a thaw, stranded in a nightmarish landscape of encroaching ice and darkness. Endlessly cold, they struggle to survive with poisonous rations, a dwindling coal

supply, and ships buckling in the grip of crushing ice. But their real enemy is even more terrifying. There is something out there in the frigid darkness: an unseen predator stalking their ship, a monstrous terror clawing to get in. “The best and most unusual historical novel I have read in years.” —Katherine A. Powers, Boston Globe

chieftain Shivam O'Brien, Mem the Mad Sufi and LSD blotter designer Kevin Barron. The Book of Sin is not a self-help book. It's a do-it-yourself-help book. Read on if you want a better understanding of how to live life by your own rules, and how to make the world a better, safer, richer and more peaceful place.

Teresa Edgerton's acclaimed debut novel available again after thirty years, and now in ebook for the first time. The wizard Glastyn, defender of the realm, tamer of the Wild Magic, had disappeared, leaving behind a disillusioned king and an order of complacent and indolent knights. The Princess Diaspad, royal step-sister, worker of wicked magics, thought this would be a good time to move into the castle and make a play for power. Who could stop her? Teleri was Glastyn's apprentice, and had only completed part of her training when Glastyn had left. At the age of twelve she had made up her mind against growing any older and used what magic she had to make it so. Half-trained wizards who happened to be female always ran the risk of accusations of witchcraft, which was illegal and punishable by death. So she cultivated a type of invisibility, the kind that largely depended on being small and harmless-looking—most of all on not drawing attention to herself. Ceilyn was the most valiant young knight in the castle, widely known as a moral example to all—and deeply resented on both counts. But Ceilyn had a secret, one that could prove deadly. It also, surprisingly, drew him to Teleri, as the only person he dared trust with the truth. And once they became friends, it seemed it was somehow up to them to stop whatever the Princess was up to. But had they the ability to thwart her, or were they putting themselves into inescapable danger: Teleri by being noticed, and Ceilyn by accidentally revealing his own secrets? Edgerton spins history, mythology, magic, and alchemy into a fascinating web of chance and circumstance. Editorial Reviews "A grand story told with sly

strange magic is attacking Cincinnati and the Hollows, causing spells to backfire or go horribly wrong, and the truce between the races, between Inderlander and human, is shattering. Rachel must stop this dark necromancy before the undead vampire masters who keep the rest of the undead under control are lost and all-out supernatural war breaks out. Rachel knows of only weapon to ensure the peace: ancient elven wild magic, which carries its own perils. And no one know better than Rachel that no good deed goes unpunished . . .

Once every five years, the Northern Clans of the Durupinen gather at Fairhaven Hall. There at the ancient castle, surrounded by the very spirits they are bound to protect and serve, the clans settle disputes and shape the laws that govern the Gateways to the spirit world. For the first time, Jess and Hannah Ballard have to represent their clan. It is an awesome responsibility—a great honor... and they are sure it's going to be the most boring week of their lives. Oh, how very wrong they are. For something dangerous is stalking the halls of Fairhaven. It lies in wait, striking down victim after victim, undetectable and inescapable. No one knows what it is, or what it wants, but one thing is clear: no one is safe until it is captured. As their fellow Durupinen fall victim one by one, it will be up to Jess and Hannah, the newest members of the Trackers, to solve the mystery before the entirety of the castle is possessed. Plague of the Shattered is the page-turning second installment in E.E. Holmes' spine-tingling paranormal series The Gateway Trackers.

The companion volume to The Earth Chronicles series that reveals the identity of mankind's ancient gods • Explains why these “gods” from Nibiru, the Anunnaki, genetically engineered Homo sapiens, gave Earthlings civilization, and promised to return • 30,000 sold in hardcover Zecharia Sitchin's bestselling series The Earth Chronicles provided humanity's side of the

story concerning our origins at the hands of the Anunnaki, “those who from heaven to earth came.” In *The Lost Book of Enki* we now view this saga from the perspective of Lord Enki, an Anunnaki leader revered in antiquity as a god, who tells the story of these extraterrestrials’ arrival on Earth from the planet Nibiru. In his previous works Sitchin compiled the complete story of the Anunnaki’s impact on human civilization from fragments scattered throughout Sumerian, Akkadian, Babylonian, Assyrian, Hittite, Egyptian, Canaanite, and Hebrew sources. Missing from these accounts, however, was the perspective of the Anunnaki themselves. What was life like on their own planet? What motives propelled them to settle on Earth--and what drove them from their new home? Convinced of the existence of a lost book that held the answers to these questions, the author began his search for evidence. Through exhaustive research of primary sources, he has here re-created tales as the memoirs of Enki, the leader of these first “astronauts.” What takes shape is the story of a world of mounting tensions, deep rivalries, and sophisticated scientific knowledge that is only today being confirmed. An epic tale of gods and men unfolds, challenging every assumption we hold about our past and our future. What happens when nightmares come true? Kieran Lee is plagued by disturbing demon-filled dreams that are bleeding out into reality. Driven to the brink of madness by a deadly compulsion she cannot control, Kieran finds herself an unwilling patient in a psych unit. She knows that no amount of medication or therapy is going to help her in this fight for her very soul. Dr. Merlo Blue is no stranger to the human mind and quickly realizes Kieran is no ordinary patient. Instead, the assistance of a demon-hunting private investigator and select members from the Deviant Data Unit is required. They alone can determine if Kieran’s dreams are angst-filled nightmares or a dire warning sent from the underworld itself, foretelling death
