The first major English translation of one of contemporary Japan's bestselling and most celebrated authors From Akutagawa Award-winning author Yoko Ogawa comes a haunting trio of novellas about love, fertility, obsession, and how even the most innocent gestures may contain a hairline crack of cruel intent. A lonely teenage girl falls in love with her foster brother as she watches him leap from a high diving board into a pool--a peculiar infatuation that sends unexpected ripples through her life. A young woman records the daily moods of her pregnant sister in a diary, taking meticulous note of a pregnancy that may or may not be a hallucination--but whose hallucination is it, hers or her sister's? A woman nostalgically visits her old college dormitory on the outskirts of Tokyo, a boarding house run by a mysterious triple amputee with one leg. Hauntingly spare, beautiful, and twisted, *The Diving Pool* is a disquieting and at times darkly humorous collection of novellas about normal people who suddenly discover their own dark possibilities.

Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give

And so it goes, with beavers, pigs, possums, and skunks--till P. J. realizes that bunnyhood is for him. The short, repeating text is ideal for beginners and the bright, humorous cartoons will get immediate attention." --School Library Journal.

Read La Carmina's posts on the Penguin Blog. A cookbook that thinks outside the bento box and brings the popular Japanese trend of kawaii (all things cute) to the American kitchen. Hello Kitty, Pokémon, Super Mario, Astroboy... American pop culture has been invaded by big-headed, dewy-eyed characters from Japan. The cult of kawaii (ka-why-ee, or all things cute) has spread to every aspect of living—including food. Take Japan's wackiest new trend: school lunches dolled up as adorable creatures. They're feasts for the eyes, but their ingredients such as natto and nori don't exactly sit well with Western stomachs. Cute Yummy Time interprets this Japanese phenomenon for the American palate. Using familiar foods, La Carmina turns mundane meals into adorable sensations. A risotto ball becomes a curious hedgehog; chicken sandwiches are dressed as chicks. Entertaining has never been so endearing with a blue cheese blowfish for a beach party or strawberry lovers in chocolate crepe robes for Valentine's Day. Each recipe includes step-by-step instructions, illustrations, and eye-popping full-color photos. [Watch a Video](#)

A compulsively readable psychological thriller set in New York and at Oxford University in which a group of six students play an elaborate game of dares and consequences with tragic result. It was only ever meant to be a game played by six best friends in their first year at Oxford University; a game of consequences, silly forfeits, and childish dares. From the author of the New York Times Well Blog series, *My Fat Dad Every story and every memory from my childhood is attached to food...* Dawn Lerman spent her childhood constantly hungry. She craved good food as her father, 450 pounds at his heaviest, pursued endless fad diets, from Atkins to Pritikin to all sorts of freeze-dried, saccharin-laced concoctions, and insisted the family do the same—even though no one else was overweight. Dawn's mother, on the other hand, could barely be bothered to

eat a can of tuna over the sink. She was too busy ferrying her other daughter to acting auditions and scolding Dawn for cleaning the house (“Whom are you trying to impress?”). It was chaotic and lonely, but Dawn had someone she could turn to: her grandmother Beauty. Those days spent with Beauty, learning to cook, breathing in the scents of fresh dill or sharing the comfort of a warm pot of chicken soup, made it all bearable. Even after Dawn’s father took a prestigious ad job in New York City and moved the family away, Beauty would send a card from Chicago every week—with a recipe, a shopping list, and a twenty-dollar bill. She continued to cultivate Dawn’s love of wholesome food, and ultimately taught her how to make her own way in the world—one recipe at a time. In *My Fat Dad*, Dawn reflects on her colorful family and culinary-centric upbringing, and how food shaped her connection to her family, her Jewish heritage, and herself. Humorous and compassionate, this memoir is an ode to the incomparable satisfaction that comes with feeding the ones you love.

The extraordinary story of the small Vermont town that has likely produced more Olympians per capita than any other place in the country, Norwich gives “parents of young athletes a great gift—a glimpse at another way to raise accomplished and joyous competitors” (The Washington Post). In Norwich, Vermont—a charming town of organic farms and clapboard colonial buildings—a culture has taken root that’s the opposite of the hypercompetitive schoolyard of today’s tiger moms and eagle dads.
