"In 1970s Italy, crime films were the most popular, profitable and controversial genre. The product of a country plagued with violence, political tensions and armed struggle, these films managed to capture and convey the widespread anxiety and anger in their tales. This book includes all the crime films produced in Italy between 1968 and 1980"--

This authoritative introduction to African American English (AAE) is the first textbook to look at the grammar as a whole. Clearly organised, it describes patterns in the sentence structure, sound system, word formation and word use in AAE. The textbook examines topics such as education, speech events in the secular and religious world, and the use of language in literature and the media to create black images. It includes exercises to accompany each chapter and will be essential reading for students in linguistics, education, anthropology, African American studies and literature.

Un percorso etico e culturale in cui i reportage si alternano ai saggi letterari e gli scrittori contemporanei ci guidano alla ricerca degli insegnamenti che ci ha lasciato il ventesimo secolo.

Prejudice is a multi-faceted concept that affects the relationships between individuals and groups and the creation of socially formed categories of ideas. It concerns race, religion, gender, social distinctions and political beliefs, and can be considered as a natural human process of out-group homogeneity, as well as the product of an authoritarian context or as a reaction against modernization or other symbolic or realistic threats. This volume defines the dynamics and policies of prejudice in the historical passage between the modern and contemporary age, bringing together articles by different scholars representing various disciplines, which allows an analysis of the different aspects of prejudice. The book includes interesting chapters on anti-Semitism, the ethnic conflicts of the twentieth century, Russia and the Balkans, and gender bias, among other subjects.

"It's simple. No sight. No questions. Forty-eight hours." An intensely charged erotic journey, perfect for anyone who was seduced by 50 Shades of Grey. When thirty-seven-year-old psychologist Alexandra Blake leaves her comfortable suburban existence to travel for a series of lectures, she meets up with Dr. Jeremy Quinn, the man who opened her eyes and body to the world in ways she never thought possible. After a few glasses of champagne in his luxurious hotel penthouse, he presents her with an extraordinary proposition. Alexandra knows that they never promise each other something they can't commit to and that he will challenge her every inhibition. But she soon finds herself seduced into a level of surrender—and danger—she could never have imagined. *Destined to Play* is the first book in the Avalon Trilogy exploring the intricate relationships between trust and betrayal, desire and love, risk . . . and reward.

In 1978 Sontag wrote *Illness As Metaphor*. A cancer patient herself at the time, she shows how the metaphors and myths surrounding certain illnesses, especially cancer, add greatly to the suffering of the patients and often inhibit them from seeking proper treatment. By demystifying the fantasies surrounding cancer, Sontag shows cancer for what it is - just a disease. Cancer is not a curse, not a punishment, certainly not an embarrassment, and highly curable, if good treatment is found early enough.

Almost a decade later, with the outbreak of a new, stigmatised disease replete with mystifications and punitive metaphors, Sontag wrote *Aids and its Metaphors*, extending the argument of the earlier book to the AIDS pandemic.

"...dedicated to those minds wanting to think, to those hearts wanting to beat, to the brave and the crazy." A young writer, a challenge that he can't not accept and his "crazy" idea to follow that dream with his whole being. In his pocket, a plane ticket for New York, a few bucks, a little bit of fear, and a lot of determination. A manuscript that he hugs to himself, "as if it were the most important thing on the face of the earth," a book already written, ready to be consigned to the world, but with a surprise ending that draws the reader in. A trip with an uncertain outcome, most assuredly unexpected, in order to meet his muse, and to give her his opus, sensations, words, and emotions for a better tomorrow. An unusual trip, apparently simple, but always intriguing in its "becoming," narrated among thoughts, memories, emotions, and clear images depicting her, Laura, really that same Laura that the whole world knows and acclaims... (or maybe not?) Author Longtime 'scribbler' whether for work or as a passion, Anna "Annina" Lorenzi finally appears on Amazon with her first self-publication and her desire to share her most recent novel both with her faithful international followers and her new readers from... every part of the globe! :-)

Her lengthy experiences as a writer include texts, poems, short and long stories, fairy tales, articles, selections in literary competitions, and publications in anthologies, as well as in magazines and Italian blogs. Currently, she shares her creative writing accompanied by photographs and images on her personal site as a hobby, "Diciannove - Prima di nascere ero sull'astronave che aspettavo di scendere" (Nineteen - Before I was born I was on a space ship waiting to come down), now partially available also in English, translated by Starleen K. Meyer. Translator Starleen K. Meyer has been translating from Italian into English for years: academic works in the broad humanities field, such as on architectural or music history, but also literary works. She has her B.A. in art, her M.A. and Ph.D. in art history, and has also published contributions in scholarly books and journals. "Meeting Laura" - An "A19" Project Copyright ©2019-2020 Anna Lorenzi. Those Who from Afar Look Like Flies is an anthology of poems and essays that aims to provide an organic profile of the evolution of Italian poetry after World War II. Beginning with the birth of *Officina* and *Il Verri*, and culminating with the crisis of the mid-seventies, this tome features works by such poets as Pasolini, Pagliarani, Rosselli, Sanguineti and Zanzotto, as well as such forerunners as Villa and Cacciatore. Each section of this anthology, organized chronologically, is preceded by an introductory note and documents every stylistic or substantial change in the poetics of a group or individual. For each poet, critic, and translator a short biography and bibliography is also provided.

A beautiful hardcover Pocket Poets selection of the works of Nobel Prize-winning Italian poet Eugenio Montale, one of the giants of twentieth-century poetry. Eugenio Montale (1896-1981) is not only Italy's greatest modern poet but a towering figure in twentieth-century literature. His incandescently beautiful body of work is deeply rooted in the venerable lyric tradition that began with Dante, but he brilliantly reinvents that tradition for our time, probing the depths of love, death, faith, and philosophy in the bracing light of modern history. Dynamic innovation and a coiled, fierce energy fuel the poet's quest for liberation from the self. Marked by musicality and rhythmic variety, Montale's poems manage to be buoyant with allusion and metaphor while also densely studded with things--with concrete, elemental images that keep his complex and restless musings firmly tethered to the world. Montale's reputation is international and enduring; his widely translated work has profoundly influenced generations of poets around the world. This volume contains selections from all his greatest works, rendered into English by the accomplished poet and translator Jonathan Galassi. It serves as both an essential introduction to an important poet and a true pleasure for lovers of contemporary

A month before eighth grade begins, Alice realizes she is going to have to face something she's been afraid of forever. Everybody, she knows, is afraid of something: elevators, dogs, planes, spiders . . . but her fear is worse. It's going to bring absolute disaster to the rest of her summer, maybe to the rest of her life. The truth is she's afraid of deep water! It's a hot August, and everyone in Alice's gang goes to Mark Stedmeister's swimming pool almost every day. Alice sits at the

shallow end. She plays badminton. She makes excuses, and keeps her problem secret. Meanwhile, Elizabeth and Pamela, Alice's two best friends, tackle problems of their own, and are more or less successful. Life is changing for everyone but Alice. Bravery begins in little ways, with small steps. That's what Alice finally discovers. And after she faces this particular fear, she knows she can summon the courage to face other fears as well. As in her previous adventures, Alice tackles some of the big problems of growing up with humor and enterprise and learns once again that a brother, a father, and friends can offer amazing amounts of help.

A courageous and determined young teacher opens up a new world of hope and redemption for sixteen-year-old Precious Jones, an abused young African American girl living in Harlem who was raped and left pregnant by her father. Taking twenty women writers of the Romantic period, *Romanticism and Gender* explores a neglected period of the female literary tradition, and for the first time gives a broad overview of Romantic literature from a feminist perspective. A Wall Street Journal Bestseller A compelling look inside the mind and powerful leadership methods of America's coaching legend, John Wooden "Team spirit, loyalty, enthusiasm, determination. . . . Acquire and keep these traits and success should follow." --Coach John Wooden John Wooden's goal in 41 years of coaching never changed; namely, to get maximum effort and peak performance from each of his players in the manner that best served the team. Wooden on Leadership explains step-by-step how he pursued and accomplished this goal. Focusing on Wooden's 12 Lessons in Leadership and his acclaimed Pyramid of Success, it outlines the mental, emotional, and physical qualities essential to building a winning organization, and shows you how to develop the skill, confidence, and competitive fire to "be at your best when your best is needed"--and teach your organization to do the same. Praise for Wooden on Leadership: "What an all-encompassing Pyramid of Success for leadership! Coach Wooden's moral authority and brilliant definition of success encompass all of life. How I admire his life's work and concept of what it really means to win!" --Stephen R. Covey, author, *The 7 Habits of Highly Successful People* and *The 8th Habit: From Effectiveness to Greatness* "Wooden On Leadership offers valuable lessons no matter what your endeavor. 'Competitive Greatness' is our goal and that of any successful organization. Coach Wooden's Pyramid of Success is where it all starts." --Jim Sinegal, president & CEO, Costco

A children's book that, wrapped in the warm embrace of gently water-coloured pages, will take them on the amazing adventures of two unforgettable characters. Gideon is a tiny yet fearless mouse, who dreams of great adventures; Paco is an easy-going dragon who is as big as a hill, but has a soul as innocent as a baby's. Gideon would love to win the flying race, an important sporting event in the valley; and he would like to do it by riding a magnificent dragon... Meeting Paco changes his life and transforms his dream into reality. AUTHOR: Marco Furlotti is an illustrator and author of children's books. His passion for storytelling and illustration are expressed through images imbued with energy and humour.

The "Gothic" style was a key trend in Italian cinema of the 1950s and 1960s because of its peculiar, often strikingly original approach to the horror genre. These films portrayed Gothic staples in a stylish and idiosyncratic way, and took a daring approach to the supernatural and to eroticism, with the presence of menacing yet seductive female witches, vampires and ghosts. Thanks to such filmmakers as Mario Bava (Black Sunday), Riccardo Freda (The Horrible Dr. Hichcock), and Antonio Margheriti (Castle of Blood), as well the iconic presence of actress Barbara Steele, Italian Gothic horror went overseas and reached cult status. The book examines the Italian Gothic horror of the period, with an abundance of previously unpublished production information drawn from official papers and original scripts. Entries include a complete cast and crew list, home video releases, plot summary and the author's analysis. Excerpts from interviews with filmmakers, scriptwriters and actors are included. The foreword is by film director and scriptwriter Ernesto Gastaldi.

Gerhard Richter is one of the most influential artists of the second half of the 20th century and is still at the forefront of painting today. His painting 'September' is the response to the bombing of the World Trade Centre on September 11, 2001. This book explores the painting and the event itself.

Tiré du site Internet de JRP/Ringier : "Matias Faldbakken (*1973) is an artist and writer living in Oslo. Son of the celebrated Norwegian author Knut Faldbakken, he has published two novels, "The Cocka Hola Company" and "Macht

und Rebel" under the alias Abo Rasul. Drenched with acid humor and continuously hitting below the waist, his books immediately caused a considerable stir in Norway. If, in these publications, he underlines the differences and similarities between the so-called underground and the mainstream, and between the "independent" and the "commercial" in everyday life, these subjects are also central to his art practice. Fascinated with systems of knowledge, power, order, and exchange, he shows an interest in understanding how art and artists can be active participants in these systems. Faldbakken studied at the National Academy of Fine Arts in Bergen as well as at the Städelschule in Frankfurt am Main. He represented Norway in the Nordic Pavillion at the Venice Biennial in 2005, as well as showing his work in the Wrong Gallery at the Whitney Biennial, the Stedelijk Museum Amsterdam, the National Museum Oslo, the Sydney Biennial and the KW Institute for Contemporary Art Berlin, among others."

In the second edition of *The Idea of Nature in Disney Animation*, David Whitley updates his 2008 book to reflect recent developments in Disney and Disney-Pixar animation such as the apocalyptic tale of earth's failed ecosystem, *WALL-E*. As Whitley has shown, and Disney's newest films continue to demonstrate, the messages animated films convey about the natural world are of crucial importance to their child viewers. Beginning with *Snow White*, Whitley examines a wide range of Disney's feature animations, in which images of wild nature are central to the narrative. He challenges the notion that the sentimentality of the Disney aesthetic, an oft-criticized aspect of such films as *Bambi*, *The Jungle Book*, *Pocahontas*, *Beauty and the Beast*, and *Finding Nemo*, necessarily prevents audiences from developing a critical awareness of contested environmental issues. On the contrary, even as the films communicate the central ideologies of the times in which they were produced, they also express the ambiguities and tensions that underlie these dominant values. In distinguishing among the effects produced by each film and revealing the diverse ways in which images of nature are mediated, Whitley urges us towards a more complex interpretation of the classic Disney canon and makes an important contribution to our understanding of the role popular art plays in shaping the emotions and ideas that are central to contemporary experience.

A groundbreaking handbook--the "method" companion to its critically acclaimed predecessor, *The Flavor Thesaurus*--with a foreword by Yotam Ottolenghi. Niki Segnit used to follow recipes to the letter, even when she'd made a dish a dozen times. But as she tested the combinations that informed *The Flavor Thesaurus*, she detected the basic rubrics that underpinned most recipes. *Lateral Cooking* offers these formulas, which, once readers are familiar with them, will prove infinitely adaptable. The book is divided into twelve chapters, each covering a basic culinary category, such as "Bread," "Stock, Soup & Stew," or "Sauce." The recipes in each chapter are arranged on a continuum, passing from one to another with just a tweak or two to the method or ingredients. Once you've got the hang of flatbreads, for instance,

then its neighboring dishes (crackers, soda bread, scones) will involve the easiest and most intuitive adjustments. The result is greater creativity in the kitchen: Lateral Cooking encourages improvisation, resourcefulness, and, ultimately, the knowledge and confidence to cook by heart. Lateral Cooking is a practical book, but, like *The Flavor Thesaurus*, it's also a highly enjoyable read, drawing widely on culinary science, history, ideas from professional kitchens, observations by renowned food writers, and Segnit's personal recollections. Entertaining, opinionated, and inspirational, with a handsome three-color design, Lateral Cooking will have you torn between donning your apron and settling back in a comfortable chair.

Like *The Group*, Mary McCarthy's classic tale about coming of age in New York, Joanna Smith Rakoff's richly drawn and immensely satisfying first novel details the lives of a group of Oberlin graduates whose ambitions and friendships threaten to unravel as they chase their dreams, shed their youth, and build their lives in Brooklyn during the late 1990s and the turn of the twenty-first century. There's Lil, a would-be scholar whose marriage to an egotistical writer initially brings the group back together (and ultimately drives it apart); Beth, who struggles to let go of her old beau Dave, a onetime piano prodigy trapped by his own insecurity; Emily, an actor perpetually on the verge of success -- and starvation -- who grapples with her jealousy of Tal, whose acting career has taken off. At the center of their orbit is wry, charismatic Sadie Peregrine, who coolly observes her friends' mistakes but can't quite manage to avoid making her own. As they begin their careers, marry, and have children, they must navigate the shifting dynamics of their friendships and of the world around them. Set against the backdrop of the vast economic and political changes of the era -- from the decadent age of dot-com millionaires to the sobering post-September 2001 landscape -- Smith Rakoff's deeply affecting characters and incisive social commentary are reminiscent of the great Victorian novels. This brilliant and ambitious debut captures a generation and heralds the arrival of a bold and important new writer.

Italian Gothic horror films of the 1970s were influenced by the violent giallo movies and adults-only comics of the era, resulting in a graphic approach to the genre. Stories often featured over-the-top violence and nudity and pushed the limits of what could be shown on the screen. The decade marked the return of specialist directors like Mario Bava, Riccardo Freda and Antonio Margheriti, and the emergence of new talents such as Pupi Avati (*The House with the Laughing Windows*) and Francesco Barilli (*The Perfume of the Lady in Black*). The author examines the Italian Gothic horror of the period, providing previously unpublished details and production data taken from official papers, original scripts and interviews with filmmakers, scriptwriters and actors. Entries include complete cast and crew lists, plot summaries, production history and analysis. An appendix covers Italian made-for-TV films and mini-series.

NEW YORK TIMES BESTSELLER • Who was Bobby Fischer? In this “nuanced perspective of the chess genius” (Los Angeles Times), an

acclaimed biographer chronicles his meteoric rise and confounding fall, with an afterword containing newly discovered details about Fischer's life. Possessing an IQ of 181 and remarkable powers of concentration, Bobby Fischer memorized hundreds of chess books in several languages, and he was only thirteen when he became the youngest chess master in U.S. history. But his strange behavior started early. In 1972, at the historic Cold War showdown in Reykjavik, Iceland, where he faced Soviet champion Boris Spassky, Fischer made headlines with hundreds of petty demands that nearly ended the competition. It was merely a prelude to what was to come. Arriving back in the United States to a hero's welcome, Bobby was mobbed wherever he went—a figure as exotic and improbable as any American pop culture had yet produced. Commercial sponsorship offers poured in, ultimately topping \$10 million—but Bobby demurred. Instead, he began tithing his limited money to an apocalyptic religion and devouring anti-Semitic literature. Bobby reemerged in 1992 to play Spassky in a multi-million dollar rematch—but when the dust settled, he was a wanted man, transformed into an international fugitive because of his decision to play in Montenegro despite U.S. sanctions. Fearing for his life, traveling with bodyguards, Bobby lived the life of a celebrity fugitive—one drawn increasingly to the bizarre. Drawing from Fischer family archives, recently released FBI files, and Bobby's own emails, *Endgame* is unique in that it limns Bobby Fischer's entire life—an odyssey that took the chess champion from an impoverished childhood to the covers of *Time*, *Life* and *Newsweek* to recognition as “the most famous man in the world” to notorious recluse.

‘Superb general account.’ *Times Literary Supplement* The story of the history of Western astrology begins with the philosophers of Greece in the 5th century BC. To the magic and stargazing of Egypt the Greeks added numerology, geometry and rational thought. The philosophy of Plato and later of the Stoics made astrology respectable, and by the time Ptolemy wrote his textbook the *Tetrabiblos*, in the second century AD, the main lines of astrological practice as it is known today had already been laid down. In future centuries astrology shifted to Islam only to return to the West in medieval times where it flourished until the shift of ideas during the Renaissance.

As a soviet underground artist, Grisha Bruskin was propelled to prominence after the unprecedented success of his paintings at the Sotheby Moscow auction of 1988. Since then his work has been exhibited all over the world at the Guggenheim, the Pushkin Museum of Fine Arts in St. Petersburg, Russia, and the Jewish Museum in New York. *Past Imperfect* deftly captures the artist's experiences as a Jew in Russia, the reality of life in an empire permeated by ideology, and the centrality of family. Saturated with insight and irony, each story offers a small vignette of Bruskin's life. Photographs throughout the book create a distinct dialogue between word and image. Alice Nakhimovsky's elegant translation conveys Bruskin's sharp wit and strong style, superbly rendering *Past Imperfect* in English.

Since publication over twenty years ago, *The Translator's Invisibility* has provoked debate and controversy within the field of translation and become a classic text. Providing a fascinating account of the history of translation from the seventeenth century to the present day, Venuti shows how fluency prevailed over other translation strategies to shape the canon of foreign literatures in English and investigates the cultural

consequences of the receptor values which were simultaneously inscribed and masked in foreign texts during this period. Reissued with a new introduction, in which the author provides a clear, detailed account of key concepts and arguments in order to issue a counterblast against simplistic interpretations, *The Translator's Invisibility* takes its well-deserved place as part of the Routledge Translation Classics series. This book is essential reading for students of translation studies at all levels.

When passion turns into dangerous obsession, there are no limits in the pursuit of victory ... The sizzling new erotic romance from the internationally bestselling author of *Destined to Play*. Eloise Lawrance, a beautiful and dedicated ballerina, is on the cusp of achieving her dreams when her career is abruptly left in tatters. Enigmatic gambling tycoon Caesar King approaches her with an alluring proposition she can't refuse - to dance as inspiration for the top-ranked men's tennis player for two years. Cleverly manipulated by the ruthless Caesar, she is plunged into a world of supreme athleticism where dominance prevails and winning dictates absolute power on the court - and in the bedroom. Soon she is embroiled in a darkly intoxicating relationship with Stephan Nordstrom, tennis's reigning champion, but with each grand slam comes the possibility of a new number one. As the top players go head to head in an on-court battle for the ultimate off-court prize, not even Caesar can predict who will reign supreme.

This volume investigates the ways in which Italian women writers, filmmakers, and performers have represented female identity across genres from the immediate post-World War II period to the turn of the twenty-first century. Considering genres such as prose, poetry, drama, and film, these essays examine the vision of female agency and self-actualization arising from women artists' critique of female identity. This dual approach reveals unique interpretations of womanhood in Italy spanning more than fifty years, while also providing a deep investigation of the manipulation of canvases historically centered on the male subject. With its unique coupling of generic and thematic concerns, the volume contributes to the ever expanding female artistic legacy, and to our understanding of postwar Italian women's evolving relationship to the narration of history, gender roles, and these artists' use and revision of generic convention to communicate their vision.

A strong, idiomatic translation of Italy's greatest modern poet. Eugenio Montale is universally recognized as having brought the great Italian lyric tradition that began with Dante into the twentieth century with unrivaled power and brilliance. Montale is a love poet whose deeply beautiful, individual work confronts the dilemmas of modern history, philosophy, and faith with courage and subtlety; he has been widely translated into English and his work has influenced two generations of American and British poets. Jonathan Galassi's versions of Montale's major works--*Ossi di seppia*, *Le occasioni*, and *La bufera e altro*--are the clearest and most convincing yet, and his extensive notes discuss in depth the sources and difficulties of this dense, allusive poetry. This book offers English-language readers uniquely informed and readable access to the work of one of the greatest of all modern poets.

Using Italian Vocabulary provides the student of Italian with an in-depth, structured approach to the learning of vocabulary. It can be used for intermediate and advanced undergraduate courses, or as a supplementary manual at all levels - including elementary level - to supplement the study of vocabulary. The book is made up of twenty units covering topics that range from clothing and jewellery, to politics and environmental issues, with each unit consisting of words and phrases that have been organized thematically and according to levels so as to facilitate their acquisition. The book will enable students to acquire a comprehensive control of both concrete and abstract vocabulary allowing them to carry out essential communicative and interactional tasks. • A practical topic-based textbook that can be inserted into all types of course syllabi • Provides exercises and activities for classroom and self-study • Answers are provided for a number of exercises
