This is a newly-revised, 2014 edition of this title, including additional math practice in each workout. *30 Days to Acing the Upper Level SSAT* gives students the proven strategies and practice needed to successfully prepare for the Upper Level SSAT, including: The fundamental strategies that will help students ace each multiple-choice section of the test: verbal, reading, and quantitative 15 workouts that include practice for each type of question on the test Detailed explanations for every question to help students analyze and improve their performance Each workout can be completed in a single sitting, making it an ideal amount of practice for students to complete between classes. This book is designed both for students and families to use independently and for educators to use as a text with their students. While most other prep manuals mix together instruction for very different tests into one single volume, all of the material in "*30 Days to Acing the Upper Level SSAT*" is specific to the Upper Level SSAT. Students can use this book confidently and independently without being distracted by material that is not relevant. Test Prep Works has developed a full series of books for the Upper Level SSAT, including: *Success on the Upper Level SSAT: A Complete Course* -- Students benefit from the comprehensive content instruction, test-taking strategies, and practice provided in this book, including vocabulary lessons and drills, math content lessons and problem sets, reading strategies and drills, and one full-length practice test. *30 Days to Acing the Upper Level SSAT* -- Students looking for more practice will benefit from the 15 "workouts" in this book, and instructors can use the workouts as assignments that reinforce test-taking strategies and help measure progress. Each workout includes practice questions from all sections of the test and can easily be completed in a single sitting. This book also introduces the test-taking strategies that are critical for success on the Upper Level SSAT. *The Best Unofficial Practice Tests for the Upper Level SSAT* -- This book consists of two full-length practice tests with answer keys, allowing students and instructors to measure progress and preparing students for what they will experience on test day. (Note -- These practice tests have different questions than the practice test in "*Success on the Upper Level SSAT: A Complete Course*" and the two books can be combined for a total of three full-length practice tests.) Each book in the series can be used independently or they can be combined with each other, depending on the needs of the individual student.

PRACTICE MAKES PERFECT ... and The Princeton Review brings you all the practice you need to ace the Upper Level SSAT or ISEE and get into the private school of your choice. The Secondary School Aptitude Test (SSAT) and Independent School Entrance Examination (ISEE) are crucial parts of the application process for private schools. Give yourself or your student a leg up in the competitive admissions race with this workout book full of practice problems and explanations to help hone your areas of strength, improve your areas of weakness, and drill your way to success. Work Smarter, Not Harder. \* Solve questions by using a fundamental skills approach \* Learn powerful techniques from The Princeton Review's repertoire that will help you work quickly and efficiently Take Control of Your Prep. \* Assess your current knowledge and use the drills included to hone in on the areas where you need improvement \* Customize your study plans for a higher score Practice Your Way to Excellence. \* 2 full-length practice tests (1 for SSAT® & 1 for ISEE®), plus nearly 600 additional questions \* Alternating SSAT & ISEE drills that provide a clear comparison of specific Verbal, Math, Reading, and Writing question types

SSAT Practice Tests: Upper Level provides rigorous SSAT practice tests specifically tailored to improving the performance of students seeking admission to the best private schools in the country. All students, however, can benefit from mastering the concepts presented in this book. This book includes 3 full-length practice tests, including 6 essay prompts (2 for each test), thorough answer explanations for every question, and a breakdown of the question types for the quantitative reasoning and reading comprehension questions to give students a better understanding of their strengths and weaknesses. This 2nd Edition has been updated with extensive revisions to the math and verbal questions that students found too rigorous or ambiguous. The original content has still been kept, but it is now in a separate chapter at the end of the book.

NOTE -- A newer edition of this book was published in 2014 and is now available, with expanded topics in the math content section and a full-length practice test. You can find this newer version by searching for "Upper Level SSAT" - the description for the newer version states that it was updated in 2014. This book provides a complete course for preparing for the Upper Level SSAT. Instruction is comprehensive for both the strategies and content that students need to ace the Upper Level SSAT. Success on the Upper Level SSAT includes vocabulary lessons that ask students to categorize words and derive meanings from roots so that they can handle anything on test day. This book also includes math content lessons that explain what concepts will be tested, as well as how these concepts will look on the actual SSAT. In addition, there is a very detailed section that provides strategies and drills for the reading section of the test. As a bonus, there is also advice for the unscored writing sample that students will have to produce on test day. Whether you are a family looking for a book to use independently or a school or tutoring company looking for a new text, this is the book for you. Test Prep Works produces the only books on Amazon that are completely updated for changes made to the SSAT in fall of 2012, and the only books that are specific to not only to the SSAT, but also to the Upper Level SSAT. Success on the Upper Level SSAT: A Complete Course is also the perfect companion to 30 Days to Acing the Upper Level SSAT. The

These sections are full of specific and detailed information that will be key to passing the SSAT Upper Level exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answers, and that's another area where our guide stands out. Our test designers have provided test questions to help you know what to expect on the actual SSAT Upper Level exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. We've helped thousands of people pass standardized tests and achieve their education and career goals. The verbal section of the Upper Level SSAT consists of synonyms and analogies, and tests vocabulary, verbal reasoning, and ability to relate ideas logically. While the synonym questions test the strength of your vocabulary, the analogy questions measure your ability to relate ideas to each other logically. You have 30 minutes to answer 60 questions, and under time pressure, it is all too common to see students fumbling about with their analogies & their vocabulary, losing precious time. What is needed is to be able to look at a problem, and have a A-ha, I have seen it before, Moment! And that is what this book will help you do. This book will help you become well conversant with the concepts, so you don't have to spend too much time thinking about how to approach the problem and which rules to apply. ....and with over 1000 practice questions, you will get a wide exposure to the different types of questions you may get in the exam, and you can face the actual test with assurance and confidence!

SSAT Upper Level Practice Questions are the simplest way to prepare for the SSAT test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our SSAT Upper Level Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our SSAT Upper Level Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.
