When the author's mother died he discovered over 200 letters in a shoe box that his father had written to her during their separation during World War II. Captain Lashley was stationed first at a hospital in England as a supply officer and then as the commander of a prisoner of war camp in France. During those months his letters tell of the events of his life. Some are boring and seem to be of little consequence, others are filled with emotional turmoil. Rene Lashley, his wife, has his fourth child while he is away, moves in with her mother and sister and raises her other three children. Kirk, the second son, is puzzled by what is happening, but continues doing those things a normal child does. The book is an effort to show the common, everyday concerns of all the family members in what is an unprecedented time in the life of the family and the world. The story is told through the voices of the soldier, the mom, and the child.

**KEEP CALM AND BE A PRINCESS!** Do you enjoy writing in old fashion notebooks and journals? Then you need the Keep Calm and Be A Princess Notebook Laptop Or Paper Notebook? Technology promises to make our lives more productive. Indeed, some things are faster and easier than ever.

Unfortunately, a lot of technology is designed for the task, not for the user. As a result, people are able to take more notes, yet understand less. Have you ever taken copious notes in a class or meeting using your computer only to realize afterwards you still didn't understand? Taking notes on paper forces you to synthesize rather than merely transcribe. Imagine you were wrongly accused of a crime and the world's most experienced court stenographer offered to represent you for free. Would you try to save a buck or shell out the money on an experienced attorney? The stenographer has heard as many court arguments, been in as many trials, listened to as many verdicts as most attorneys. However, their experience has primarily been that of transcription, not of comprehension

and understanding. Because you desire comprehension and understanding rather than simple transcription, the Keep Calm and Be A Princess Notebook is a must. Studies About Benefits of Paper Notebooks Don't just take my word, based on a study conducted at UCLA, the Association for Psychological Science indicated that "taking notes by hand is better than taking notes on a laptop for remembering". Will you take advantage of this knowledge to gain an edge on your competition at school, work, or business? How will better understanding make things help you achieve your goals? Organize Your Life Get rid of little scraps of paper you use to capture inspirations and ideas, daily tasks, notes, and phone numbers. Use the Keep Calm and Be A Princess Notebook to neatly organize your life. Feel Better By Logging Your Progress In my corporate days, I'd instruct employees to write down accomplishments as they happened. Simcha Guterman's, *Leaves from Fire*, is a firsthand account written with the deep sense of comprehension he was documenting the fate of his people. Knowing full well that his life was in danger, Simcha chronicled the occurrences of the Holocaust on long scraps of paper, as they happened right before his eyes. The events described take place in Poland, during the first years of World War II. The author stuffed long paper scraps, written in Yiddish, into bottles and hid in them in different places. One of these bottles was discovered after the war. Simcha Guterman's work has been published and translated into eight different languages, receiving high praise from critics. The book's evocative illustrations were drawn by Yaakov Guterman,

peace in return for blind obedience. No one quite knows who he is or where he comes from, but his voice mesmerizes. Under his leadership, war is abolished. Felsenburgh becomes the President of Europe, then of the world, by popular acclaim. Everyone is fascinated with him, yet still no one knows much about him. People are both riveted and frightened by the way he demands attention. Most follow without question. Having been a close observer of President Felsenburgh's rise, Father Franklin is called to Rome, a Hong Kong-style enclave ruled by Pope John XXVI and raised to the College of Cardinals. Meanwhile, defections among bishops and priests increase. At Cardinal Franklin's instigation, the pope abolishes the Eastern Catholic Churches and forms a new religious order, the Order of Christ Crucified. All its members, including the Pope, vow to die in the name of the faith.
