advice and iconic, inspirational Star Wars quotes. © & TM 2018 LUCASFILM LTD. Used Under Authorization. An inspirational handbook introduces the POP! process--to make messages Purposeful, Original, and Pithy--in order to promote one's ideas successfully, discussing such concepts as Muse It or Lose It, the Eureka Moment, the Jerry Maguire Rule, Contra-Brand, and Idea Chemistry.

"Here's some advice. Stay alive." --Haymitch Abernathy

When it comes to The Hunger Games, staying alive means finding food any way possible. Katniss and Gale hunt live game, Peeta's family survives on the bread they make, and the inhabitants of the Seam work twelve-hour days for a few handfuls of grain--all while the residents of the Capitol gorge themselves on delicacies and desserts to the heart's desire. For the first time, you will be able to create delicious recipes from the humble District 12 to the extravagant Capital, including: French Bread from the Mellark Family Bakery Katniss's Favorite Lamb Stew with Dried Plums Rue's Roasted Parsnips Gale's Bone-Pickin' Big Game Soup Capitol-Grade Dark Chocolate Cake If you're starving for more from Katniss, Peeta, and Gale, this cookbook is sure to whet your appetite!

Presents anecdotes about a variety of classic Christmas-themed movies and television programs along with recipes from famous deceased celebrities, including Jimmy Stewart, Lucille Ball, Bing Crosby, and Judy Garland.

A dazzling new short story featuring Darth Maul, merciless apprentice of evil . . . On the distant planet Dorvalla, precious ore is mined by two competing

companies: InterGalactic Ore and Lommite Limited. Neither rival suspects that they are central to a sinister plot masterminded by Darth Sidious, Lord of the Sith, himself. Dispatched by Sidious on his very first solo mission, Darth Maul infiltrates Lommite Limited. There, his unique gifts of deception and subterfuge will set off an explosive chain of events that could destroy both companies, leaving them ripe for takeover by the Trade Federation. But a vengeful Lommite Limited Manager with his own thirst for retaliation against InterGal could blow Maul's cover--and all of Sidious's fiendishly laid plans . . . BONUS: This edition contains an excerpt from Star Wars: Darth Maul: Shadow Hunter.

Earth invaded by Mars! Millions incinerated by heat ray! Panic grips nation as Martian tripods advance on Washington! Remember the headlines? They said it wouldn't happen here, and then, wave after wave, the Martians attacked the Earth with a vengeance. H.G. Wells' great novel, *The War of the Worlds*, chronicled the first wave. Then Orson Welles' 1938 radio broadcast, followed by George Pal's 1953 movie. The Martians kept coming! This book is a tribute to Wells and those radio, television, comic book, and film adaptations that have been inspired by it. This second edition includes material on the Steven Spielberg blockbuster (with Tom Cruise), the two *Pendragon* adaptations, *Mars Attacks*, *Independence Day*, *The Great Martian War 1913-1917*, *War of the Worlds: Goliath*, the 2019 BBC miniseries, the 2019 8-part Fox-Studio Canal

series, and plenty more...

The drama-comedy show *Girls*—often under-rated by being perceived as *Sex and the City* for the Millennial generation—has made TV history and provoked controversy for its pitilessly accurate portrayal of four oddly sympathetic twenty-something female characters, notable for their self-absorption, empathy deficits, and ineptitude with relationships. Among other breakthroughs, it is the first show to depict the sex act among the alienated young as nearly always awkward and unfulfilling. In *Girls and Philosophy*, a team of diverse yet always sensitive, empathic, and ept philosophers approach the world of *Girls* from a variety of angles and philosophical points of view. Underlying this New York world is the new reality of ambitious yet unfocused young people from comparatively advantaged backgrounds having their expectations chilled by the severe and prolonged economic recession. The writers attack many fascinating issues arising from *Girls*, including the meaning of authenticity in the twenty-first century, coming of age in a society with no clear guidelines for most of what matters in life, *Girls* as the only TV show the pop-culture-hating professor Theodor Adorno might have admired, feminist appraisals of these not-very-feminist characters and their frustrations, what the wardrobes of the four mean philosophically, how each of the four deals with the anxiety that comes from inescapable

freedom, whether we need to amend the traditional list of seven deadly sins in the context of present-day New York, how the speech of the Millennials illustrates Austin's theory of speech acts, how the learning of Hannah, Shoshanna, Jessa, and Marnie compares with the ancient Greek theory of the education of the young, and of course, why we once again find it natural to think of women in their early-to mid-twenties as 'girls'.

The Bathroom Reader turns 25! Uncle John is celebrating this historic milestone with his biggest all-new edition ever--more than 600 pages of absorbing material! 2012 ForeWord Reviews Book of the Year Awards, Honorable Mention in Humor Category 2013 IBPA Benjamin Franklin Award Gold Winner in Humor "Fully Loaded" is putting it mildly. This behemoth of a book is overflowing with incredible stories, surprising facts, weird news, little-known origins, forgotten history, fun wordplay, and everything else that millions of loyal fans have come to expect from the world's best-selling bathroom reading series. As always, it's divided by length: quickies for the reader on the go, medium-sized articles for those with a few minutes to spare, and extra-long pieces for those truly leg-numbing experiences. Here are just a few of the hundreds of topics loaded into this edition of America's favorite "on the go" source of fascinating information: * Forgotten Firsts * Dumb Crooks: Stoner Edition *

What if Darth Vader took an active role in raising his son? What if "Luke, I am your father" was just a stern admonishment from an annoyed dad? In this hilarious and sweet comic reimagining, Darth Vader is a dad like any other—except with all the baggage of being the Dark Lord of the Sith. Celebrated artist Jeffrey Brown's delightful illustrations give classic Star Wars® moments a fresh twist, presenting the trials and joys of parenting through the lens of a galaxy far, far away. Life lessons include lightsaber batting practice, using the Force to raid the cookie jar, Take Your Child to Work Day on the Death Star ("Er, he looks just like you, Lord Vader!"), and the special bond shared between any father and son. Plus, this is the fixed-format version, which looks almost identical to the print edition.

Presents recipes for Star wars-themed treats.

Warning: Reading this book may make you smarter than your friends!

They're from two different worlds. He lives in the estate house, and she spends most of her time in the stables helping her father train horses. In fact, Savannah has always been much more comfortable around horses than boys. Especially boys like Jack Goodwin—cocky, popular and completely out of her league. She knows the rules: no mixing between the staff and the Goodwin family. But Jack has no such boundaries. With her dream of becoming jockey, Savannah isn't exactly one to follow the rules either. She's not going to let someone tell her a girl isn't tough enough to race. Sure, it's dangerous. Then again, so is dating Jack.. Praise for Miranda Kenneally: "Kenneally's books have quickly become must-reads."—VOYA "Fresh, fearless, and totally romantic."—Sarah Ockler, bestselling author of *Twenty Boy Summer* and *Bittersweet on Stealing Parker*

when the Force is with you-adults as well as kids will have a great time with this book.

There may be no better way to learn how to program than by dissecting real, representative examples written in your language of choice. Ruby by Example analyzes a series of Ruby scripts, examining how the code works, explaining the concepts it illustrates, and showing how to modify it to suit your needs. Baird's examples demonstrate key features of the language (such as inheritance, encapsulation, higher-order functions, and recursion), while simultaneously solving difficult problems (such as validating XML, creating a bilingual program, and creating command-line interfaces). Each chapter builds upon the previous, and each key concept is highlighted in the margin to make it easier for you to navigate the book. You'll learn how to:

- Use the interactive Ruby shell (irb) to learn key features of the language
- Extend Ruby using RubyGems, the Ruby package manager
- Create numerical utilities, as well as utilities that process and analyze HTML/XML
- Implement purely functional and metaprogramming techniques to save time and effort
- Optimize, profile, and test your code to make sure that it not only does its job, but does it well
- Create web applications using Rails

Ruby is the fastest growing programming language today, and for good reason: its elegant syntax and readable code make for prolific and happy programmers. But it can be difficult to understand and implement without a little help. Ruby by Example shows you how to take advantage of Ruby as you explore Ruby's fundamental concepts in action. Scholars from various disciplines address the ethical perspective of changing food habits in general, and the promotion of healthy eating in particular.

Critical Approaches to Food in Children's Literature is the first scholarly volume on the topic, connecting children's literature to the burgeoning discipline of food studies. Following the lead of historians like Mark Kurlansky, Jeffrey Pilcher and Massimo Montanari, who use food as a fundamental node for understanding history, the essays in this volume present food as a multivalent signifier in children's literature, and make a strong argument for its central place in literature and literary theory. Written by some of the most respected scholars in the field, the essays between these covers tackle texts from the nineteenth century (Rudyard Kipling's *Kim*) to the contemporary (Dave Pilkey's *Captain Underpants* series), the U.S. multicultural (Asian-American) to the international (Ireland, Brazil, Mexico). Spanning genres such as picture books, chapter books, popular media, and children's cookbooks, contributors utilize a variety of approaches, including archival research, cultural studies, formalism, gender studies, post-colonialism, post-structuralism, race studies, structuralism, and theology. Innovative and wide-ranging, *Critical Approaches to Food in Children's Literature*

For the legions of harried moms who have tossed in the dishtowel on cooking healthy meals (or any meals!), the easiest-ever guide for bringing super nutrition back to the kitchen. Getting dinner on the table night after night can be a challenge. So it's no surprise that busy moms often rely on fast food, takeout, and convenience meals like macaroni & cheese, chicken nuggets, and fries. The kids love it but the drawback is that little twinge of guilt moms feel every time they feed their family another not-so-healthy meal. At the end of the day, many children end up with a poor diet high in sugar, saturated fat, and calories ... a major factor in the rising rates of obesity. Finally, here are realistic guidelines designed to give families a healthy meal makeover. The Moms lay out a 5-Step Meal Makeover Plan, explaining how to market good nutrition to kids, establish food rules, and make life easier in the kitchen. In The Best of the Bunch chapter they reveal which brands of kid convenience foods—hot dogs, frozen pizza, and more—are the best tasting and most nutritious ones out there. The Moms show

how to stock a healthy pantry and whip up delicious anytime meals using pantry staples. They even serve up 120 reworked recipes for family favorites such as Fast-as-Boxed Macaroni & Cheese, Squishy Squash Lasagna, Cheesy Broccoli Soup, Sweet Potato Fries, and Chocolate Pudding with Toppers. From UFOs to Dr. Strangelove, LSD experiments to Richard Nixon, author Brian Brown investigates the paranoid, panicked history of the Cold War. In *Someone Is Out to Get Us*, Brian T. Brown explores the delusions, absurdities, and best-kept secrets of the Cold War, during which the United States fought an enemy of its own making for over forty years -- and nearly scared itself to death in the process. The nation chose to fear a chimera, a rotting communist empire that couldn't even feed itself, only for it to be revealed that what lay behind the Iron Curtain was only a sad Potemkin village. In fact, one of the greatest threats to our national security may have been our closest ally. The most effective spy cell the Soviets ever had was made up of aristocratic Englishmen schooled at Cambridge. Establishing a communist peril but lacking proof, J. Edgar Hoover became our Big Brother, and Joseph McCarthy went hunting for witches. Richard Nixon stepped into the spotlight as an opportunistic, ruthless Cold Warrior; his criminal cover-up during a dark presidency was exposed by a Deep Throat in a parking garage. *Someone Is Out to Get Us* is the true and complete
