As Civil War between the Republic and the Separatists rages across the galaxy, nowhere is the fighting more fierce than on the swamp world of Drongar, where a beleaguered mobile hospital unit wages a never-ending war of its own . . . A surgeon who covers his despair with wise-cracks; another who faces death and misery head-on, venting his emotions through beautiful music . . . A nurse with her heart in her work and her eye on a doctor . . . A Jedi Padawan on a healing mission without her Master . . . These are the core members of a tiny med unit serving the jungle world of Drongar, where battle is waged over the control of a priceless native plant, and an endless line of medlifters brings in the wounded and dying—mostly clone troopers, but also soldiers of all species. While the healers work desperately to save lives, others plot secretly to profit from the war—either by dealing on the black market or by manipulating the events of the war itself. In the end, though, all will face individual tests, and only those of compassionate hearts and staunch spirits can hope to survive to fight another day. THE SUNDAY TIMES BESTSELLER Grand Admiral Thrawn and Darth Vader team up against a threat to the Empire in this thrilling novel from bestselling author Timothy Zahn. “I have sensed a disturbance in the Force.” Ominous words under any circumstances, but all the more so when uttered by Emperor Palpatine. On Batuu, at the edges of the Unknown Regions, a threat to the Empire is taking root—its existence little more than a glimmer, its consequences as yet unknowable. But it is troubling enough to the Imperial leader to warrant investigation by his most powerful agents: ruthless enforcer Lord Darth Vader and brilliant strategist Grand Admiral Thrawn. Fierce rivals for the emperor’s favor, and outspoken adversaries on Imperial affairs—including the Death Star project—the formidable pair seem unlikely partners for such a crucial mission. But the Emperor knows it’s not the first time Vader and Thrawn have joined forces. And there’s more behind his royal command than either man suspects. In what seems like a lifetime ago, General Anakin Skywalker of the Galactic Republic, and Commander Mitth’raw’nuruodo, officer of the Chiss Ascendancy, crossed paths for the first time. One on a desperate personal quest, the other with motives unknown . . . and undisclosed. But facing a gauntlet of dangers on a far-flung world, they forged an uneasy alliance—neither remotely aware of what

their futures held in store. Now, thrust together once more, they find themselves bound again for the planet where they once fought side by side. There they will be doubly challenged—by a test of their allegiance to the Empire . . . and an enemy that threatens even their combined might.

The epic story that began with Heir to the Empire reaches its dramatic conclusion in this essential Star Wars Legends novel. The embattled Republic reels from the attacks of Grand Admiral Thrawn, who has marshaled the remnants of the Imperial forces and driven the Rebels back with an abominable technology recovered from the Emperor's secret fortress: clone soldiers. As Thrawn mounts his final siege, Han Solo and Chewbacca struggle to form a coalition of smugglers for a last-ditch attack, while Princess Leia holds the Alliance together and prepares for the birth of her Jedi twins. The Republic has one last hope—sending a small force into the very stronghold that houses Thrawn's terrible cloning machines. There a final danger awaits, as the Dark Jedi C'baoth directs the battle against the Rebels and builds his strength to finish what he already started: the destruction of Luke Skywalker. Five years after they defeated Darth Vader and the Emperor, Princess Leia and Han Solo are married and expecting children, and Luke is a Jedi knight, and all are unaware that the last of the Emperor's warlords plan to reclaim the empire. Thrawn and his allies race to save the Chiss Ascendancy from an unseen enemy in the second book in the epic Star Wars: Thrawn Ascendancy trilogy from bestselling author Timothy Zahn. Thrawn's latest triumph still rests newly on his shoulders. He has led the Chiss to victory and brought glory to the House of Mitth, but the true threat to the Ascendancy has not yet been extinguished. Their foes do not send threats or ultimatums, do not mass ships on the edge of the Chaos. Their weapons come cloaked in smiles and generosity: Gifts offered freely. Services granted unconditionally. Across the Ascendancy, seemingly inconsequential events could herald the doom of the Chiss. As Thrawn and the Expansionary Defense Fleet rally to uncover the plot, they discover a chilling truth: Rather than invade Chiss capitals or pillage resources, their enemy strikes at the very foundation of the Ascendancy, seeking to widen the rifts between the Nine Ruling Families and the Forty Great Houses below. As rivalry and suspicion sow discord among allies, each warrior must decide what matters most to them: the security of their family or the survival of the Ascendancy itself. In this definitive novel, readers will follow Thrawn's rise to power-uncovering the events that created one of the most iconic villains in Star Wars history.
