building business credit. Rich Dad Poor Dad author Robert Kiyosaki says, “Start Your Own Corporation is a must read for anyone with any assets to protect.”

This series covers the federal, state, and local regulations imposed on small businesses, with concise, friendly and up-to-the-minute advice on each critical step of starting your own business. Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. “Why should I put time into studying subjects I will never use in real life?” he protested. Without thinking, I responded, “Because if you don't get good grades, you won't get into college.” “Regardless of whether I go to college,” he replied, “I'm going to be rich.”

Buying and Selling a Business reveals key strategies used to sell and acquire business investments. Garrett Sutton, Esq. is a best selling author of

numerous law for the layman books, and he guides the reader clearly through all of the obstacles to be faced before completing a winning transaction.

“Buying and Selling a Business” uses real life stories to illustrate how to prepare your business for sale, analyze acquisition candidates and assemble the right team of experts. The book also clearly identifies how to understand the tax issues of a business sale, how to use confidentiality agreements to your benefit and how to negotiate your way to a positive result. Robert Kiyosaki, the best selling author of Rich Dad/Poor Dad has this to say about Buying and Selling a Business, “Garrett Sutton’s information is priceless for anyone who wants to increase his or her knowledge of the often secret world of the rich, what the rich invest in, and some of the reasons why the rich get richer.” Buying and Selling a Business is a timely business book for our times.

The Founder's Dilemmas examines how early decisions by entrepreneurs can make or break a startup and its team. Drawing on a decade of research, including quantitative data on almost ten thousand founders as well as inside stories of founders like Evan Williams of Twitter and Tim Westergren of Pandora, Noam Wasserman reveals the common pitfalls founders face and how to avoid them.

charged with towering questions of good and evil, Atlas Shrugged is Ayn Rand's magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America's best-loved novels by PBS's The Great American Read. Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? Why does he have to fight his battles not against his enemies but against those who need him most? Why does he fight his hardest battle against the woman he loves? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad falls in love with the man she has sworn to kill. Atlas Shrugged, a modern classic and Rand's most extensive statement of Objectivism—her groundbreaking philosophy—offers the reader the spectacle of human greatness, depicted with all the poetry and power of one of the twentieth century's leading artists.

“I’ve set up my corporation. Now what do I do?” All too often business owners and real estate investors are asking this question. They have formed their protective entity – be it a corporation, LLC or LP – and don’t know what to do next. “Run Your Own Corporation” provides the solution to this very common dilemma. Breaking down the requirements chronologically (ie the first day, first quarter, first year) the book sets forth all the tax and corporate and legal matters new business owners must comply with. Written by Rich Dad’s Advisor Garrett Sutton, Esq., who also authored the companion edition

“Start Your Own Corporation”, the book clearly identifies what must be done to properly maintain and operate your corporation entity. From the first day, when employer identification numbers must be obtained in order to open up a bank account, to the fifth year when trademark renewals must be filed, and all the requirements in between, “Run Your Own Corporation” is a unique resource that all business owners and investors must have. Rich Dad/Poor Dad author Robert Kiyosaki states, “Run Your Own Corporation is the missing link for most entrepreneurs. They’ve set up their entity, but don’t know the next steps. Garrett Sutton’s book provides valuable information needed at the crucial start up phase of operations. It is highly recommended reading.” When “Start Your Own Corporation” is combined with “Run Your Own Corporation” readers have a two book set that offers the complete corporate picture.

Deceptive misinformation comes at us for many reasons. A key one is to steal our assets. We are free to communicate and stay connected in many ways. This great benefit, however, is now abused by criminal elements to take and defraud, bringing shame on trusting souls. The wreckage wrought by cyber criminality is not only financial but highly emotional. Lives are lost to depression and suicide. Don't let this happen to you or your family. Scam Proof Your Assets: Guarding Against Widespread Deception gives you the tools and context for protecting yourself. Unlike other sources, Scam Proof Your Assets teaches you the patterns to look for, including greed and fear, 'expert' positioning and charm as manipulation. With knowledge comes self-defense. Scam Proof Your Assets also keenly analyzes the marks that criminals target, which include the well educated and normally skeptical. If you think you'd never be a target, think again. Everyone needs the strategies set forth in this book. Now and into the future you must keep your guard up against the relentless predators' assault. Get your guard up with Scam Proof Your Assets.

bad debt makes you poor.” The ABCs of Getting Out of Debt provides the necessary knowledge to navigate through a very challenging credit environment. A Rich Dad’s Advisor and best selling author of numerous business books, Garrett Sutton, Esq. clearly writes on the key strategies readers must follow to get out of debt. Unlike other superficial offerings, Sutton explores the psychology and health effects of debt. From there, the reader learns how to beat the lenders at their own game, and how to understand and repair your own credit. Using real life illustrative stories, Sutton shares how to deal with debt collectors, avoid credit scams, and win with good credit. “The reason Garrett Sutton’s book is so important is that like it or not, debt is a powerful force in our world today. The financially intelligent are using debt to enrich themselves while the financially uneducated are using debt to destroy their lives.”- Robert Kiyosaki The times call for a book that offers hope and education on mastering credit and getting out of debt.

The tenth book in the series provides firsthand accounts of the author's startup companies, what he learned from his successes and failures, and other topics a reader needs to know in order to start a company and quickly develop it.
