Storie di paese. Antologia del mondo rurale Renato Fucini, 2012 Un paese unito nella volontà di erigere un monumento ma che poi si divide al momento di decidere a chi dedicarlo. Un altro che pur patendo la sete non riesce a trovare un accordo su dove posizionare la fonte pubblica. Sedicenti esperti cacciatori che dai lasciti rinvenuti nel bosco profetizzano senza ombra di incertezza l'origine dell'animale che li ha fatti. Moribondi che non si decidono ad andarsene perché si compiacciono nell'ascoltare la banda cittadina. Ma anche medici da metodi sbrigativi, debitori incalliti, signorotti dall'ospitalità esagerata, ciarlatani tuttofare, professori d'orchestra che non sanno suonare e altro ancora. C'è un po' di tutto nell'Italia rurale che ci descrive Renato Fucini, un'Italia e un mondo che non ci sono più ma che ci sono molto vicini e in fondo ci appartengono, perché luogo della memoria e specchio senza veli del nostro essere di oggi.

Allegre novelle Marco Mari, 2013

La città del però. Vizi e virtù di Ferrara e dei ferraresi Luca Ghetti, Andrea Pizzirani, Andrea Poli, 2012 A dispetto dei ferraresi, Ferrara è Patrimonio dell'Umanità per l'Unesco. Stretti fra un passato (anche calcistico) glorioso e un presente (anche calcistico) un po' così, i discendenti degli Estensi si crogiolano nella astrusa convinzione di vivere nell'ombelico del mondo, condizione che peraltro il suddetto mondo ignora allegramente. Così, nelle pagine del libro passa sotto le forche caudine della satira affettuosamente complice degli scritti di Andrea Poli e dei disegni di Andrea Pizzirani e Luca Ghetti la composita fauna della città e dintorni annessi e connessi: ciclisti bricconi, agricoltori esigenti, gelosi cultori delle eccellenze gastronomiche della tradizione, automobilisti prevaricatori. Il tutto condito dagli eventi che scandiscono il lento scorrere della vita in città. Un'umanità varia che rappresenta in fondo uno spettacolo nello spettacolo della piccola, superba, pretenziosa, unica, città di cotto rosso.

U-days. Ungulati a Bologna Sergio Angeli, 2017-03-31 Hai mai pensato a cosa potrebbe succedere se domani, al tuo risveglio, aprendo la finestra e guardando fuori, ti accorgessi che la tua città è letteralmente invasa da una moltitudine brulicante di cervi, daini & c.? Un esilarante racconto di fanta-umorismo metropolitano.

Long After Midnight Ray Bradbury, 1978

Little Mother Cristina Ali Farah,Giovanna Bellesia,2011 When civil war erupts in Somalia, cousins Domenica Axad and Barni are separated and forced to flee the country. Barni manages to eke out a living in Rome, where she works as an obstetrician. Domenica wanders Europe in a painful attempt to reunite her broken family and come to terms with her past. After ten years, the two women reunite. When Domenica gives birth to a son, Barni, also known as Little Mother, is at her side. Together with the new baby, Domenica and Barni find their Somali roots and start to heal the pain they have suffered in war and exile. This powerful yet tender novel underscores the strength of women, family, and community, and draws on the tenacious yearning for a homeland that has been denied.

The Iguana Anna Maria Ortese,1987 In this magical novel a count from Milan stumbles upon a desolate community of lost noblemen on an uncharted island off the coast of Portugal. When he discovers, to his astonishment, that their ill-treated servant is in fact a maiden iguana, and then proceeds to fall in love with her, the reader is given a fantastic tale of tragic love and delusion that ranks among the most affecting in contemporary literature. The reptilian servant is only the first in a series of fantastic touches that transform the narrative into a satiric fable dense with the echoes of Shakespeare's 'Tempest' and Kafka's 'Metamorphosis.' . . . The Iguana is a superb performance.€New York Times Book Review

Field Work Seamus Heaney,2014-01-13 Field Work is the record of four years during which Seamus Heaney left the violence of Belfast to settle in a country cottage with his family in Glanmore, County Wicklow. Heeding an early warning system to get back inside my own head, Heaney wrote poems with a new strength and maturity, moving from the political concerns of his landmark volume North to a more personal, contemplative approach to the world and to his own writing. In Field Work he brings a meditative music to bear upon fundamental themes of person and place, the mutuality of ourselves and the world (Denis Donoghue, The New York Times Book Review).

Kinds of Power James Hillman,2012-10-24 In the boldest expose on the nature of power since Machiavelli, celebrated Jungian therapist James Hillman shows how the artful leader uses each of two dozen kinds of power with finesse and subtlety. Power, we often forget, has many faces, many different expressions. Empowerment, writes best-selling Jungian

analyst James Hillman, comes from understanding the widest spectrum of possibilities for embracing power. If food means only meat and potatoes, your body suffers from your ignorance. When your idea of food expands, so does your strength. So it is with power. James Hillman, says Robert Bly, is the most lively and original psychologist we have had in America since William James. In *Kinds Of Power*, Hillman addresses himself for the first time to a subject of great interest to business people. He gives much needed substance to the subject by showing us a broad experience of power, rooted in the body, the mind, and the emotions, rather than the customary narrow interpretation that simply equates power with strength. Hillman's anatomy of power explores two dozen expressions of power every artful leader must understand and use, including: the language of power, control, influence, resistance, leadership, prestige, authority, exhibitionism, charisma, ambition, reputation, fearsomeness, tyranny, purism, subtle power, growth, and efficiency.

Judges Andrea Camilleri, Carlo Lucarelli, Giancarlo De Cataldo, 2015-10-06 Incorporating distinct traditions and styles of crime writing, the three novellas in *Judges* are united by a theme of idealistic judges in an often futile struggle against crime and corruption. Andrea Camilleri's novella recounts the charming Judge Surra. Leaving his family behind, Surra arrives in the 19th-century Sicilian town of Montelusa from Turin and is given quirky gifts from the locals, but is oblivious to the veiled threats accompanying them. Finally forced to contend with a hostile community and an imminent attempt on his life, Surra proves he is relentless in his quest for justice. Carlo Lucarelli's novella presents a darkly hued Bologna in the 1980s, where judges are frequent targets of assassination attempts. The protagonist, Judge Valentina Lorenzi--La Bambina--stumbles upon an extensive money laundering operation involving prominent public officials. Determined to nip Valentina's investigations in the bud, the criminals attack the judge and leave her clinging to life. Ultimately, Valentina is faced with a troubling question: will she break her vow to uphold the letter of the law in order to bring those responsible to justice? The final novella, *The Triple Dream of the Prosecutor*, by judge and novelist Giancarlo De Cataldo, teeters between dream and reality. Prosecutor Mandati is engaged in a life-long feud with the corrupt mayor of Novere, and his efforts finally pay off on the night before the trial of his life. Kafkaesque, tumultuous, and thoroughly gripping.

Obsolete Objects in the Literary Imagination Francesco Orlando, 2008-10-01 Translated here into English for the first time is a monumental work of literary history and criticism comparable in scope and achievement to Eric Auerbach's *Mimesis*. Italian critic Francesco Orlando explores Western literature's obsession with outmoded and nonfunctional objects (ruins, obsolete machinery, broken things, trash, etc.). Combining the insights of psychoanalysis and literary-political history, Orlando traces this obsession to a turning point in history, at the end of eighteenth-century industrialization, when the functional becomes the dominant value of Western culture. Roaming through every genre and much of the history of Western literature, the author identifies distinct categories into which obsolete images can be classified and provides myriad examples. The function of literature, he concludes, is to remind us of what we have lost and what we are losing as we rush

toward the future.

The Book of Disquiet: The Complete Edition Fernando Pessoa,2017-08-29 For the first time—and in the best translation ever—the complete Book of Disquiet, a masterpiece beyond comparison The Book of Disquiet is the Portuguese modernist master Fernando Pessoa’s greatest literary achievement. An “autobiography” or “diary” containing exquisite melancholy observations, aphorisms, and ruminations, this classic work grapples with all the eternal questions. Now, for the first time the texts are presented chronologically, in a complete English edition by master translator Margaret Jull Costa. Most of the texts in The Book of Disquiet are written under the semi-heteronym Bernardo Soares, an assistant bookkeeper. This existential masterpiece was first published in Portuguese in 1982, forty-seven years after Pessoa’s death. A monumental literary event, this exciting, new, complete edition spans Fernando Pessoa’s entire writing life.

The Conscience of Words Elias Canetti,1979

My Name Is Light Elsa Osorio,2003-08-05 Vacationing in Madrid with her husband and newborn son, Luz, a twenty-one-year-old Argentinean, secretly searches for her real father, a political activist who disappeared during the country's dictatorship in the 1970s. Original.

Accabadora Michela Murgia,2012-10-30 The award winning Accabadora is an exceptional English-language debut, written with intriguing subtlety reflecting a sensual picture of local Italian life and death in villages during the 1950's. A time where family ties and obligations still decide much of life's ebb and flow. A must read for those who love a touch of the unusual. Formerly beautiful and at one time betrothed to a fallen soldier, Bonaria Urrai has a long held covenant with the dead. Midwife to the dying, easing their suffering and sometimes ending it, she is revered and feared in equal measure as the village's Accabadora. When Bonaria adopts Maria, the unloved fourth child of a widow, she tries to shield the girl from the truth about her role as an angel of mercy. Moved by the pleas of a young man crippled in an accident, she breaks her golden rule of familial consent, and in the recriminations that follow, Maria rejects her and flees Sardinia for Turin. Adrift in the big city, Maria strives as ever to find love and acceptance, but her efforts are overshadowed by the creeping knowledge of a debt unpaid, of a duty and destiny that must one day be hers. Accabadora has been awarded seven major literary prizes, including Italy's prestigious Premio Campiello.

Henry of Ofterdingen Novalis Novalis,2019-03-28 The patents had already retired to rest; the old clock ticked monotonously from the wall; the windows rattled with the whistling wind, and the chamber was dimly lighted by the flickering glimmer of the moon. The young man lay restless on his bed, thinking of the stranger and his tales. It is not the treasures, said he to himself, that have awakened in me such unutterable longings. Far from me is all avarice; but I long to behold the blue flower. It is constantly in my mind, and I can think and compose of nothing else. I have never been in such a mood. It seems as if I had hitherto been dreaming, or slumbering into another world; for in the world, in which hitherto I

have lived, who would trouble himself about a flower?--I never have heard of such a strange passion for a flower here. I wonder, too, whence the stranger comes? None of our people have ever seen his like; still I know not why I should be so fascinated by his conversation. Others have listened to it, but none are moved by it as I am. Would that I could explain my feelings in words! I am often full of rapture, and it is only when the blue flower is out of my mind, that this deep, heart-felt longing overwhelms me.

The Ransom of Dond Siobhan Dowd,2013-11-07 Darra is an omen of unluck: a thirteenth child. To appease the dark god, Dond, and bring good fortune to her small island community, Darra must be sacrificed at the age of thirteen - by drowning. On the eve of her final birthday, Darra begins to dream of the twin brother she has watched from afar but never met, and dares to hope that she might escape her fate . . . The scouring wind and remorseless waves which beat against Darra's island world are matched in Pam Smy's powerful, wild and emotive illustrations. The Ransom of Dond is our final story from Siobhan, and a book to be treasured.

The Star in the West John Frederick Charles Fuller,1907
