All Praises and Thanks be to Allah and peace and salutations be upon the last and final Messenger Muhammad ?. This small but beneficial work began as an assignment, attempted at training the third year students of The Taleem-ush-Shariah Department<sup>1</sup> (Women), in translating and summarizing Arabic books. Initially, the third year students, of the batch 2018-19, were given a fifty four point short summary of the book in Arabic<sup>2</sup>, which they Alhamdulillah successfully completed in translating into the English language. I later referred to the original book and found it very beneficial for students of The Prophetic Seerah, thus I decided to summarize and translate all the unauthentic stories mentioned in the book and compile them so as to benefit a larger audience. The narrations mentioned in the Arabic text of the original book as authored by Shaikh Dr. Muhammad bin Abdullah Al-Ushan were studied and summarized, and the accuracy of the summaries were cross checked in other English renderings of the famous books of Seerah<sup>3</sup> and were finalised. Whilst mentioning who declared a narration weak or checked the authenticity, we tried not to bring the entire discussion presented in the original book. We only named the scholar(s), who criticised the narration and referenced the summarized ruling to their respective books of research. Sometimes I named the weak narrators when the discussion in the book was brief and at times I mentioned the alternative authentic story and their references as pointed out by Shaikh Dr. Muhammad bin Abdullah Al-Ushan<sup>4</sup>.<sup>5</sup> At times I referenced some authentic narrations from myself when I thought it to be beneficial. I and the author as he mentioned in his introduction, do not claim that only these are the most unauthentic stories being spread. The reality of the matter is that there are numerous other unreliable narrations as the scholars have mentioned<sup>6</sup>. In the 'Appendix', we have added a handful of other stories which are false or very weak but are frequently heard in Islamic speeches and lectures, as we found it fit to use this booklet to alert and warn the readers of the weak and false narrations spread in the Ummah. We hope that this endeavour by us will be fruitful in enlightening the masses on being careful in studying the Prophet's biography ?. May Allah accept this from us. -Abu Muaaz Mohammed Mannal Islamic Studies teacher at The Islamic Education Center for Women (IEC)(R), Mangalore, India.

The prophets were chosen by Allah to guide mankind to the Divine Path. They faced many difficulties and suffered severe hardships in their efforts to call their straying people to obey and worship Allah. This edition of Stories of the Prophets presents the lives of Allah's prophets (peace and blessing be upon them). The stories were written by the renowned Islamic scholars Maulana Sayyed Abul Hasan Ali Nadwi. He is one of the greatest living authorities on Islam and his works are used as textbooks through the Arab and Muslim world. This translation from a major Arabic work provides English speaking Muslims with the benefits of Maulana Sayyed Abul Hasan's scholarship. The stories which have been drawn from the Holy Quran constantly reflect the authors depth of knowledge. They are written in a lively style with subtleties explained and descriptions vividly portrayed to provide the reader with a clear picture of each Prophet's mission. Each story is a delight to read and should provide both adults and children with a fresh insight into the life of the men Allah chose to guide their communities. The story of the last Prophet has not been included in this edition as it deserves a book to itself. To ensure that young people receive all the guidance, knowledge and inspiration that Stories of the Prophets offers, a workbook is included.

God made the heavens and the stars. Then God decided to make a man. He called this first man Adam. He taught him many things so that Adam had more knowledge than the angels. There was one Jinn, called Iblis, the Devil. Iblis tried to compare himself to Adam. He believed that he was more honorable than Adam. Therefore he abstained from prostrating even though Allah had commanded him to do so. Adam was surprised by this creature, Iblis who abhorred him without even knowing him and who imagined himself better than Adam without having proved that he was worthier. Allah gives His commissioned creatures' absolute freedom even to the extent that they can refuse His commands. Allah grants them the freedom of denial, disobedience, and even disagreement with Him.

Finalist for the National Book Award Instant New York Times Bestseller "May this book cast its spell on all of us, restore to us some memory of our most warrior and softest selves." —The New York Times Book Review "A new kind of epic...A grand achievement...While The Prophets' dreamy realism recalls the work of Toni Morrison...its penetrating focus on social dynamics stands out more singularly." —Entertainment Weekly A singular and stunning debut novel about the forbidden union between two enslaved young men on a Deep South plantation, the refuge they find in each other, and a betrayal that threatens their existence. Isaiah was Samuel's and Samuel was Isaiah's. That was the way it was since the beginning, and the way it was to be until the end. In the barn they tended to the animals, but also to each other, transforming the hollowed-out shed into a place of human refuge, a source of intimacy and hope in a world ruled by vicious masters. But when an older man—a fellow slave—seeks to gain favor by preaching the master's gospel on the plantation, the enslaved begin to turn on their own. Isaiah and Samuel's love, which was once so simple, is seen as sinful and a clear danger to the plantation's harmony. With a lyricism reminiscent of Toni Morrison, Robert Jones, Jr., fiercely summons the voices of slaver and enslaved alike, from Isaiah and Samuel to the calculating slave master to the long line of women that surround them, women who have carried the soul of the plantation on their shoulders. As tensions build and the weight of centuries—of ancestors and future generations to come—culminates in a climactic reckoning, The Prophets fearlessly reveals the pain and suffering of inheritance, but is also shot through with hope, beauty, and truth, portraying the enormous, heroic power of love.

In this riveting novel, beloved international bestselling author Deepak Chopra captures the spellbinding life story of the great and often misunderstood Prophet. Islam was born in a cradle of tribal turmoil, and the arrival of one God who vanquished hundreds of ancient Arabian gods changed the world forever. God reached down into the life of Muhammad, a settled husband and father, and spoke through him. Muhammad's divine and dangerous task was to convince his people to renounce their ancestral idols and superstitious veneration of multiple gods. From the first encounter, God did not leave Muhammad alone, his life was no longer his own, and with each revelation the creation of a new way of life formed and a religion was born. Muhammad didn't see himself as the son of God or as one who achieved cosmic enlightenment. His relatives and neighbors didn't part the way when he walked down the parched dirt streets of Mecca. There was no mark of divinity. Orphaned by age six, Muhammad grew up surrounded by dozens of cousins and extended family to become a trusted merchant. Muhammad saw himself as an ordinary man and that is why what happened to him is so extraordinary. Rooted in historical detail, Muhammad brings the Prophet to life through the eyes of those around him. A Christian hermit mystic foretells a special destiny, a pugnacious Bedouin wet nurse raises him in the desert, and a religious rebel in Mecca secretly takes the young orphan under his spiritual wing. Each voice, each chapter brings Muhammad and the creation of Islam into a new light. The angel Gabriel demands Muhammad to recite, the first convert risks his life to protect his newfound faith, and Muhammad's life is not a myth but an incredible true and

surprisingly unknown story of a man and a moment that sparked a worldwide transformation.

Named by Time magazine as one of the 100 most important innovators of the century, Tariq Ramadan is a leading Muslim scholar, with a large following especially among young European and American Muslims. Now, in his first book written for a wide audience, he offers a marvelous biography of the Prophet Muhammad, one that highlights the spiritual and ethical teachings of one of the most influential figures in human history. In the Footsteps of the Prophet is a fresh and perceptive look at Muhammad, capturing a life that was often eventful, gripping, and highly charged. Ramadan provides both an intimate portrait of a man who was shy, kind, but determined, as well as a dramatic chronicle of a leader who launched a great religion and inspired a vast empire. More important, Ramadan presents the main events of the Prophet's life in a way that highlights his spiritual and ethical teachings. The book underscores the significance of the Prophet's example for some of today's most controversial issues, such as the treatment of the poor, the role of women, Islamic criminal punishments, war, racism, and relations with other religions. Selecting those facts and stories from which we can draw a profound and vivid spiritual picture, the author asks how can the Prophet's life remain -- or become again -- an example, a model, and an inspiration? And how can Muslims move from formalism -- a fixation on ritual -- toward a committed spiritual and social presence? In this thoughtful and engaging biography, Ramadan offers Muslims a new understanding of Muhammad's life and he introduces non-Muslims not just to the story of the Prophet, but to the spiritual and ethical riches of Islam.
