Separate Rooms Pier Vittorio Tondelli, 2025-04-22 Soon to be a major film adaptation by Luca Guadagnino, *Separate Rooms* is a masterpiece of Italian literature, and a heartbreaking portrait of love, grief, and the daily realities of being a gay man in 1980s Europe. Thomas, a young German musician, is dying. His older boyfriend, a renowned Italian writer named

Leo, finds it impossible to watch the slow and inevitable demise of his lover. So, he condemns himself to wandering the earth instead, moving cities every few weeks in the hope of finding the dividing line between the living and the dead. He travels through Europe where past and present overlap, years merge and faces emerge, and reminders of the life he and Thomas shared are on every corner. From their meeting and nights spent in Paris to the drug-induced flight through the forests of northern France that spelled [GU1] the end, Leo's memories become clearer with every road he takes--much as he wishes he could simply forget. While alive, and wanting to preserve the passion of their relationship, Leo had forced Thomas to live separately: in separate rooms, separate towns, with separate lives. But now, face to face with true solitude, Leo must finally reckon with the impossible striving of memory to recreate life and, ultimately, cross an ocean to find the strength to go on. André Aciman's *Call Me by Your Name* meets Ocean Vuong's *On Earth We're Briefly Gorgeous* in Pier Vittorio Tondelli's *Separate Rooms*: a singular and unforgettable meditation on almost-ideal love, told in three musical movements, by a treasured literary talent never before published in the US.

A Letter to a Young Poet Virginia Woolf, 2017-02-16 First published in 1932, "A Letter to a Young Poet" is an essay by Virginia Woolf. Written in epistolary form, it is a response to the writer John Lehman's request for Woolf to explain her views on contemporary poetry. A fascinating insight into the mind of one of England's greatest feminist writers not to be missed by fans and collectors of her seminal work. Adeline Virginia Woolf (1882-1941) was an English writer. She is widely hailed as being among the most influential modernist authors of the 20th century and a pioneer of stream of consciousness narration. Woolf was a central figure in the feminist criticism movement of the 1970s, her works having inspired countless women to take up the cause. She suffered numerous nervous breakdowns during her life primarily as a result of the deaths of family members, and it is now believed that she may have suffered from bipolar disorder. In 1941, Woolf drowned herself in the

River Ouse at Lewes, aged 59. Contents include: “Virginia Woolf”, “Craftsmanship - BBC Broadcast on April 20th, 1937”, and “A Letter to a Young Poet - First Published in the Yale Review, June 1932”. Ithaca Forever Luigi Malerba, 2021-02-23 After twenty years, Odysseus finally returns to Ithaca, but instead of receiving the homecoming he had hoped for finds himself caught in an intense battle of wills with his faithful and long-suffering wife Penelope. When Penelope recognizes him under the guise of a beggar, she becomes furious with him for not trusting her enough to include her in his plans for ridding the palace of the Suitors. As a result, she plays her own game of fictions to make him suffer for this lack of faith, inspiring jealousy, self-doubt, and misgivings in her husband, the legendary Homeric hero. In this captivating retelling of the Odyssey, Penelope rises as a major force with whom to be reckoned. Shifting between first-person reflections, *Ithaca Forever* reveals the deeply personal and powerful perspectives of both wife and husband as they struggle for respect and supremacy within a marriage that has been on hold for twenty years. Translated by PEN award-winner Douglas Grant Heise, Luigi Malerba's novel gives us a remarkable version of this greatest work of western literature: Odysseus as a man full of doubts and Penelope as a woman of great depth and strength.

Beginners Raymond Carver, 2015-09-15 From “one of the great short story writers of our time—of any time” (*The Philadelphia Inquirer*)—comes the original manuscript of the seminal 1981 collection, *What We Talk About When We Talk About Love*. Raymond Carver is one of the most celebrated short-story writers in American literature—his style is both instantly recognizable and hugely influential—and the pieces in *What We Talk About...*, which portray the gritty loves and lives of the American working class, are counted among the foundation stones of the contemporary short story. In this unedited text, we gain insight into the process of a great writer. These expansive stories illuminate the many dimensions of Carver's style, and are indispensable to our understanding of his legacy. Text established by William L. Stull and Maureen P. Carroll

Cathedral Raymond Carver, 2015-05-25 PULITZER PRIZE FINALIST • Twelve short stories that mark a turning point in the work of “one of the true American masters (*The New York Review of Books*). “A writer of astonishing compassion and honesty ... His eye is so clear, it almost breaks your heart.” —*The Washington Post Book World* A remarkable collection that includes the canonical titular story about blindness and learning to enter the very different world of another. These twelve stories “overflow with the danger, excitement, mystery and possibility of life.” —*The Washington Post Book World*

The Imagined Immigrant Ilaria Serra, 2009 Using original sources--such as newspaper articles, silent movies, letters, autobiographies, and interviews--Ilaria Serra depicts a large tapestry of images that accompanied mass Italian migration to the U.S. at the turn of the twentieth century. She chooses to translate the Italian concept of *immaginario* with the Latin *imago* that felicitously blends the double English translation of the word as imagery and imaginary. *Imago* is a complex knot

of collective representations of the immigrant subject, a mental production that finds concrete expression; impalpable, yet real. The imagined immigrant walks alongside the real one in flesh and rags.

Mind and Places Anna Anzani, 2020-05-12 This book explores the contributions of psychological, neuroscientific and philosophical perspectives to the design of contemporary cities. Pursuing an innovative and multidisciplinary approach, it addresses the need to re-launch knowledge and creativity as major cultural and institutional bases of human communities. Dwelling is a form of knowledge and re-invention of reality that involves both the tangible dimension of physical places and their mental representation. Findings in the neuroscientific field are increasingly opening stimulating perspectives on the design of spaces, and highlight how our ability to understand other people is strongly related to our corporeity. The first part of the book focuses on the contributions of various disciplines that deal with the spatial dimension, and explores the dovetailing roles that science and art can play from a multidisciplinary perspective. In turn, the second part formulates proposals on how to promote greater integration between the aesthetic and cultural dimension in spatial design. Given its scope, the book will benefit all scholars, academics and practitioners who are involved in the process of planning, designing and building places, and will foster an international exchange of research, case studies, and theoretical reflections to confront the challenges of designing conscious places and enable the development of communities.
