

## Strangers On A Bridge The Case Of Colonel Abel

Upton Sinclair, one of America's foremost and most prolific authors, addresses the cultivation of the mind and the body in this 1922 volume. Sinclair's goal was to attempt to tell the reader how to live, how to find health, happiness and success, and how to develop fully both the mind and the body. Part One: The Book of the Mind covers such subjects as faith, reason, morality, and the subconscious. Part Two: The Book of the Body develops such subjects as errors in diet, the fasting cure, food and poisons, work and play, and diseases and their cures .

Home is where the heart is... Seven years after leaving town and the only girl he loved, Cooper still couldn't forget about Sophia. He had two loves. Music and the woman of his dreams. Coming back home proved that would always be true. But things have changed. Now he has to gain her trust again if he wants to make her all his. The question is, did he lose his chance the first time? Some things are hard to forget... Sophia tried to stop loving Cooper and failed miserably. Despite the way he'd abandoned her seven years earlier, she can't seem to stay away, even though trusting him doesn't prove easy. One careless night could change it all and the secret she carries may ruin any chance of them being together. They say life is all about taking chances. But when opportunities are lost and love comes knocking the second time around, lives are changed forever.

The dramatic events behind the film Bridge of Spies. Bridge of Spies is a gripping, entertaining, hair-raising and comical story, which moves effortlessly from the hardware of high-flying planes and new missiles to the geopolitics of the nuclear stand-off and through the poignant personal stories of its central protagonists: Powers, the all-American hero, blacklisted for not having killed himself on his descent to earth; a KGB spy who has spent aimless and lonely years achieving nothing in the US; and the opposing leaders Khrushchev and Eisenhower, both trapped in a spiral of confrontation neither wants. Telling the true story that inspired Le Carré's famous scene, Bridge of Spies is a brilliant take on the absurdity and heroism of the Cold War days that will appeal to a new generation of readers unfamiliar with the history but drawn in by the compelling and vividly recreated narrative.

Love Unfinished Revised Edition (Nov 2012) Soul mates from the past leave their love unfinished when a tragic car accident ends their lives on their wedding day. A story of LOVE, RITUAL KILLINGS and JUSTICE.

Writer/Publisher/Humanitarian Ophelia S. Lewis takes readers on an intimate journey into the lives of Heart Robbers and Heart Breakers. This riveting tale chronicles the journey of RJ, an Atlanta Lawyer, from the U.S. to Liberia in order to defend his father against a Ritual Killing accusation. Along the way he is exposed to secrets that took place in his father's native country of Liberia as well as in his own family. The main character, RJ, introduces readers to many of the issues that plague nations around the world; as well as many of the hopes and dreams they share.

Red Sparrow is now a major motion picture starring Jennifer Lawrence and Joel Edgerton! The thrilling sequel to Red Sparrow—CIA insider Jason Matthews's compulsively readable New York Times bestseller and Edgar Award winner—featuring Russian spy Dominika Egorova and CIA agent Nate Nash “shimmers with authenticity. The villains are richly drawn...the scenes of them on the job are beyond chilling” (The New York Times Book Review). Captain Dominika Egorova of the Russian Intelligence Service despises the oligarchs, crooks, and thugs of Putin's Russia—but what no one knows is that she is also working for the CIA. Her “sparrow” training in the art of sexual espionage further

complicates the mortal risks she must take, as does her love for her handler Nate Nash—a shared lust that is as dangerous as treason. As Dominika expertly dodges exposure, she deals with a murderously psychotic boss, survives an Iranian assassination attempt and attempts to rescue an arrested double agent—and thwart Putin’s threatening flirtations. A grand, wildly entertaining ride through the steel-trap mind of a CIA insider, *Palace of Treason* is a story “as suspenseful and cinematic as the best spy movies” (*The Philadelphia Inquirer*)—one that feels fresh and so possible, in fact, that it’s doubtful this novel can ever be published in Russia.

"Know thyself," a precept as old as Socrates, is still good advice. But is introspection the best path to self-knowledge? Wilson makes the case for better ways of discovering our unconscious selves. If you want to know who you are or what you feel or what you're like, Wilson advises, pay attention to what you actually do and what other people think about you. Showing us an unconscious more powerful than Freud's, and even more pervasive in our daily life, *Strangers to Ourselves* marks a revolution in how we know ourselves.

It is an adaptation of the age-old Biblical tale of David and Goliath and opens the door for discussions on self-confidence and faith in the face of great obstacles. It is also an excellent book for schools, day cares and Sunday Schools. It is simple, inviting story, and is widely available in print and e-book for easy access.

*Strangers on a Bridge* The Case of Colonel Abel and Francis Gary Powers Simon and Schuster

This brilliant, New York Times bestselling novel from the author of the Newbery Medal winner *When You Reach Me* explores multiple perspectives on the bonds and limits of friendship. Long ago, best friends Bridge, Emily, and Tab made a pact: no fighting. But it's the start of seventh grade, and everything is changing. Emily's new curves are attracting attention, and Tab is suddenly a member of the Human Rights Club. And then there's Bridge. She's started wearing cat ears and is the only one who's still tempted to draw funny cartoons on her homework. It's also the beginning of seventh grade for Sherm Russo. He wonders: what does it mean to fall for a girl—as a friend? By the time Valentine's Day approaches, the girls have begun to question the bonds—and the limits—of friendship. Can they grow up without growing apart? “Sensitively explores togetherness, aloneness, betrayal and love.” —*The New York Times* A Boston Globe–Horn Book Honor Book for Fiction Named a Best Book of the Year by *The New York Times*, *The Washington Post*, *The Wall Street Journal*, *The Boston Globe*, *The Guardian*, NPR, and more!

"The very first bridge I crossed was choosing to study for the priesthood, a decision that took me and everyone who knew me by surprise. Then came a series of bridges that once crossed brought me into contact with diverse peoples and their incredibly different yet similar needs." Father Vavrina has served as a priest for many years, and has served several missions trips to help the needy.

Father Ken worked with lepers in Yemen, and was ultimately arrested and thrown in jail under false suspicions of spying. After being forcibly removed from Yemen, he began his tenure with Catholic Relief Services. First in the extreme poverty and over-population of Calcutta in India. Then with warlords in Liberia to deliver food and supplies to refugees in need. Father Ken also spent several years working with Mother Teresa to heal the sick and comfort the dying. *Crossing Bridges: A Priest's Uplifting Life Among the Downtrodden* is the story of Father Ken Vavrina's life and travels - simple acts that moved him, people that inspired him, and places that astonished him. Father Ken has spent his life selflessly serving the Lord and the neediest around him, while always striving to remain a simple, humble man of God. "I pray this account of my life is not a personal spectacle but a recounting of a most wonderful journey serving God. May its discoveries and experiences inspire your own life story of service."

"Don't talk to strangers" is the advice long given to children by parents of all classes and races. Today it has blossomed into a fundamental precept of civic education, reflecting interracial distrust, personal and political alienation, and a profound suspicion of others. In this powerful and eloquent essay, Danielle Allen, a 2002 MacArthur Fellow, takes this maxim back to Little Rock, rooting out the seeds of distrust to replace them with "a citizenship of political friendship."

Returning to the landmark *Brown v. Board of Education* decision of 1954 and to the famous photograph of Elizabeth Eckford, one of the Little Rock Nine, being cursed by fellow "citizen" Hazel Bryan, Allen argues that we have yet to complete the transition to political friendship that this moment offered. By combining brief readings of philosophers and political theorists with personal reflections on race politics in Chicago, Allen proposes strikingly practical techniques of citizenship. These tools of political friendship, Allen contends, can help us become more trustworthy to others and overcome the fossilized distrust among us. Sacrifice is the key concept that bridges citizenship and trust, according to Allen. She uncovers the ordinary, daily sacrifices citizens make to keep democracy working—and offers methods for recognizing and reciprocating those sacrifices. Trenchant, incisive, and ultimately hopeful, *Talking to Strangers* is nothing less than a manifesto for a revitalized democratic citizenry.

Envious of her best friends lavish lifestyle, a young woman wonders how different her life would be if she had an opportunity to change her past.

The trial of Soviet espionage agent, Rudolf Abel, that ended in his exchange for U-2 pilot, Francis Gary Powers.

Life in lower class as offspring of a notorious thief was simple for the Quartar daughters until accidental mishaps with the other classes of society turn their dirt poor lives around for worse and better. Eight young women are taken from the slums into the high class world they never understood only at first to find betrayal, suffering, scandal, revenge and corruption. Then, before they know it they are wrapped in the grandest scandal their country of Galli has ever seen. The kingdom of Cretaine is trying to overthrow the corrupted kingdom of Galli. The Quartar family must betray their world in order to save Galli from a brutal civil war.

Alone and struggling with the loss of her father, an iron worker on the Golden Gate Bridge who was pulled to his death while trying to save someone from jumping, Katie Connelly immerses herself in her job at San Francisco State University. While researching the history of the bridge, she finds a journal from an Irish worker named Patrick O'Riley hidden behind one of the panels on the bridge and tries to track down a member of the O'Riley family so she can return the family heirloom. Coincidentally, Dave Riley, a widower from New York and grandson of Patrick O'Reiley, is on a motorcycle trip to ride to the Golden Gate Bridge. Overwhelmed with grief for his lost family he, too, contemplates jumping from the bridge. Katie helps him and is able to return the journal to him.

Originally published in 1964, this is the “enthraling...truly remarkable” (The New York Times Book Review) insider account of the Cold War spy exchange that is now the subject of the major motion picture Bridge of Spies by Steven Spielberg starring Tom Hanks—with a new foreword by Jason Matthews, New York Times bestselling author of Red Sparrow and Palace of Treason. In the early morning of February 10, 1962, James B. Donovan began his walk toward the center of the Glienicke Bridge, the famous “Bridge of Spies” which then linked West Berlin to East. With him, walked Rudolf Ivanovich Abel, master spy and for years the chief of Soviet espionage in the United States. Approaching them from the other side, under equally heavy guard, was Francis Gary Powers, the American U-2 spy plane pilot famously shot down by the Soviets, whose exchange for Abel Donovan had negotiated. These were the strangers on a bridge, men of East and West, representatives of two opposed worlds meeting in a moment of high drama. Abel was the most gifted, the most mysterious, the most effective spy in his time. His trial, which began in a Brooklyn United States District Court

and ended in the Supreme Court of the United States, chillingly revealed the methods and successes of Soviet espionage. No one was better equipped to tell the whole absorbing history than James B. Donovan, who was appointed to defend one of his country's enemies and did so with scrupulous skill. In *Strangers on a Bridge*, the lead prosecutor in the Nuremberg Trials offers a clear-eyed and fast-paced memoir that is part procedural drama, part dark character study and reads like a noirish espionage thriller. From the first interview with Abel to the exchange on the bridge in Berlin—and featuring unseen photographs of Donovan and Abel as well as trial notes and sketches drawn from Abel's prison cell—here is an important historical narrative that is “as fascinating as it is exciting” (*The Houston Chronicle*).

Die Hintergrundgeschichte zum großen Kinofilm „Bridge of Spies – Der Unterhändler“ Ostberlin 1962. An der Glienicker Brücke findet der Austausch zweier Topagenten statt. Verhandelt hat diese politische Sensation der New Yorker Anwalt James B. Donovan. In einem spektakulären Prozess bewahrte der Pflichtverteidiger den 1957 in den USA verhafteten sowjetischen Meisterspion Rudolf Abel vor dem Elektrischen Stuhl, da man ihn, so das Plädoyer, noch lebend brauche. An exploration of why we don't talk to strangers, and the wonderful things that would happen if we did. 'In a thrilling, immersive journey across time and continents, Keohane upends everything we thought we knew about the people we don't know' Will Storr, author of *The Science of Storytelling* When was the last time you spoke to a stranger? In cities, we stand in silent buses and train carriages, ignoring each other. Online, we retreat into silos and carefully curate who we interact with. In our politics, we are increasingly consumed by a fear of people we've never met. But what if strangers, long believed to be the cause of our problems, were actually the solution? With the help of sociologists, psychologists, philosophers, political scientists and more, Joe Keohane sets out to investigate why we don't talk to strangers, and what happens when we do. From enhancing empathy, happiness and cognitive development to easing loneliness and isolation, passing encounters can root us in the world, deepening our sense of belonging. Warm, witty and profound, this book will make you reconsider how you see others, and in doing so show us how talking to strangers is not just a way to live, it's a way to survive.

James B. Donovan (1916-70) was an intrepid lawyer and a skillful negotiator. In his defence of unpopular causes he has been likened to Thomas Erskine, who represented Thomas Paine during the French Revolution and Harold Medina, who defended an accused accomplice of Nazi saboteurs during World War II. His courage was apparent in facing down demonstrators, hecklers, racists, and pickets, and in dealing with calculating Russian agents, hostile Cuban officers, and angry students, writes Phil Bigger, in this exciting tale of Donovan's life.

Featuring a new foreword by Jason Matthews With the Cold War at its height, the capture and trial of Colonel Abel, the Soviets' most capable and effective spy, revealed the chilling depths of the KGB's penetration of the West. But when an American U-2 spy plane was shot down over Russia and its CIA pilot, Gary Powers, captured, both men's fates hung in the balance. With East and West staring each other down across the Iron Curtain the stakes couldn't have been higher. And at the heart of it all, from Abel's arrest to his exchange with Powers on Berlin's infamous 'Bridge of Spies', was

James B. Donovan. Strangers on the Bridge is the only inside account of the greatest spy story of the era and a real-life espionage classic. 'As compelling as The Spy Who Came in from the Cold except it happens to be true.' Life 'Enthralling. Engrossing. Truly remarkable.' New York Times 'A top-notch spy thriller.' Time

A bold, contemporary and urgent novel from a renowned Italian writer that examines silence in different forms, immigration, family and social class.

A family of outsiders settles in the small, close-knit coastal village of Clark's Harbor and is suddenly plagued by strange deaths and fearful visions, leading them to believe sinister forces are at work.

PLEASE BE ADVISED: This is one of the most passionate, tumultuous, endearing love stories you will read this year. (Read warning below) She's a damaged girl, hiding behind a tough faade and a razor sharp tongue, afraid to open up and to trust. Her wounds are deep, the scars are many, some are visible, and others are not. He thinks he doesn't deserve her, that he doesn't deserve to be happy. The demons he fights are loud and strong, some are real, while others are spectral. But he wants her. And he'll have her. He'll share her. They'll plunge her into the most erotic oblivion she's ever experienced. But when devastation strikes, can they survive? No one will escape without being hurt. \*\*Warning, this book contains very strong sexual content, BDSM, menage, and a scene or two which could be a trigger containing sexual assault/rape. 18+

'In my world, the word inspirational gets bandied around a lot, but Jonny Benjamin is truly deserving of that adjective.' – HRH The Duke of Cambridge 'Jonny Benjamin is the most inspirational man I know. His book shows us how remarkable the human spirit is.' Bryony Gordon, bestselling author of *Mad Girl* In 2008, twenty-year-old Jonny Benjamin stood on Waterloo Bridge, about to jump. A stranger saw his distress and stopped to talk with him – a decision that saved Jonny's life. Fast forward to 2014 and Jonny, together with Rethink Mental Illness launch a campaign with a short video clip so that Jonny could finally thank that stranger who put him on the path to recovery. More than 319 million people around the world followed the search. ITV's breakfast shows picked up the story until the stranger, whose name is Neil Laybourn, was found and – in an emotional and touching moment – the pair re-united and have remained firm friends ever since. *The Stranger on the Bridge* is a memoir of the journey Jonny made both personally, and publicly to not only find the person who saved his life, but also to explore how he got to the bridge in the first place and how he continues to manage his diagnosis of schizoaffective disorder. Using extracts from diaries Jonny has been writing from the age of thirteen, this book is a deeply personal memoir with a unique insight on mental health. Jonny was recognized for his work as an influential activist changing the culture around mental health awareness, when he was awarded an MBE in 2017. He and Neil now work full-time together visiting schools, hospitals, prisons and workplaces to help end the stigma by talking about mental health and suicide prevention. The pair ran the London Marathon together in 2017 in aid of HeadsTogether. Following the global campaign to find the stranger, in 2015 Channel 4 made a documentary of Jonny's search which has now been shown around the world.

A Collection of Matt Shaw's heartbreaking dramas Matt Shaw does not just write horror. In fact, when asked what his favourite books are, he often names the tales collected within this set. Stories of heartbreak, loss and grief - all with an element of hope... A hope we often forget when dealing with grief. Contained within this collection *Heaven's Calling* *BOY: Built to Love* *The Missing Years of Thomas Pritchard* (unpublished short story) *Alone* *Heaven's Calling* *Josh and Holly* could face anything thrown at them all the time they had each other. Their love would conquer anything and the world was their oyster. But when a tragic accident tears Josh away from Holly she realises that, without her husband, she cannot cope and her world begins to crumble; her loss being more than she can handle. Until, that is, she receives a phone call. Her late husband. The same time every day; he doesn't appear to know what has happened to him and Holly can't bring herself to tell him. She isn't even sure if it really is him calling or whether it's all in her tormented mind. Especially seeing as the calls only happen when she is alone. Is it all in her head, has she gone mad, or is heaven really calling? *Boy: Built to Love* No parent should have to bury their own child and yet that was exactly what they had to do. Stillborn; a young boy never to open his eyes to take in the world around him. And now Lucy and Jack's marriage was on the verge of crumbling under the strain of the grief they struggled to cope with. A grief made worse when the doctors tell them they'll never be able to have a child of their own due to complications from the last pregnancy. But what if it didn't have to be that way? What if there was a way of using science and technology to create a son they could love? What if Jack was able to use Artificial Intelligence to create *A Boy: Built to Love*? Is the answer to their problems to

be found within the world of science-fiction or are they setting themselves up for yet more grief and sadness? The Missing Years of Thomas Pritchard August 3rd. 6:03am. The tranquil summer's morning was shattered by the desperate screams of Thomas' mother echoing down the near deserted suburban street. The few people milling about outside getting ready for their daily business had said they couldn't make out what the cries were about when they were interviewed. Not initially. Not until Anne, a pretty woman in her early thirties with shoulder length blonde hair, spilled out onto the street wearing nothing more than her dressing gown and slippers anxiously calling out for her five year old son, Thomas, to come out from wherever he was hiding. Eye witnesses reported Anne was closely followed by her husband Bill - a professional, clean-shaven man in his late thirties with dark, short hair - half dressed for work in his suit trousers and unbuttoned white shirt, and that he too looked just as frantic as the mother did. The year was 2003; the year Thomas disappeared from his home without a trace. \* \* \* \* \*

August 3rd. 6:03am. A young, fragile looking hand knocked confidently on the white PVC of the front door to number twenty-two. The hand belonged to a smartly dressed, skinny fourteen year old, fresh-faced boy. Whilst waiting for an answer to his knocking he slid a brown leather satchel off his shoulder down onto the floor as though the weight was too much for him to bear any more. He went to knock again but stopped himself when he heard the sound of footsteps from the other side of the door as the freshly woken homeowner came to answer his initial knocking. There was the slightest of pauses as keys were twisted in locks before the door opened as much as the strong, gold, security chain would permit it to. "Can I help you?" asked the homeowner, a frail looking woman in her late sixties. "Where's my mum?" asked the boy. The year was 2012; the year Thomas came home.

GOLIATH'S HEAD tells of a search for courage and hope amidst crushing oppression. Avi Schneider is a Jewish boy growing up in Russia on the eve of early-twentieth-century revolution. He is nine years old when he meets his own personal devil, Viktor Askinov, a brutal youngster who relishes tormenting Jews. In the following years, Avi is the object of his tormentor's obsession. Fourteen years later in 1905 the Tsar instigates riots - pogroms - against the poor, teeming Jewish villages. Now a husband and father, Avi takes to the barricades to defend his village from the mob coming to kill the men, rape the women, and burn down his village. Armed, he again faces Viktor Askinov, who is leading the mob. But he has been warned that if he kills Viktor Askinov, he puts his beautiful young wife Sara and newborn son Itzhak in deadly peril. Avi must decide this night what he stands for. Is it survival at any cost, for himself and those he loves? Or is it righteous vengeance for his people?

The National Book Award Finalist and New York Times bestseller that became a guide and balm for a country struggling to understand the election of Donald Trump "A generous but disconcerting look at the Tea Party. . . . This is a smart, respectful and compelling book." —Jason DeParle, The New York Times Book Review When Donald Trump won the 2016 presidential election, a bewildered nation turned to Strangers in Their Own Land to understand what Trump voters were thinking when they cast their ballots. Arlie Hochschild, one of the most influential sociologists of her generation, had spent the preceding five years immersed in the community around Lake Charles, Louisiana, a Tea Party stronghold. As Jedediah Purdy put it in the New Republic, "Hochschild is fascinated by how people make sense of their lives. . . . [Her] attentive,

detailed portraits . . . reveal a gulf between Hochschild's 'strangers in their own land' and a new elite." Already a favorite common read book in communities and on campuses across the country and called "humble and important" by David Brooks and "masterly" by Atul Gawande, Hochschild's book has been lauded by Noam Chomsky, New Orleans mayor Mitch Landrieu, and countless others. The paperback edition features a new afterword by the author reflecting on the election of Donald Trump and the other events that have unfolded both in Louisiana and around the country since the hardcover edition was published, and also includes a readers' group guide at the back of the book.

There is always hope, even when we cannot seem to seek it within ourselves. From the best advice you'll ever get to the joy of crisps, the 101 brilliant contributors to *The Book of Hope* will help you to find hope whenever you need it most. Award-winning mental health campaigner Jonny Benjamin, MBE, and co-editor Britt Pflüger bring together people from all walks of life – actors, musicians, athletes, psychologists and activists – to share what gives them hope. These 101 key voices in the field of mental health, from the likes of Lemn Sissay, Dame Kelly Holmes, Frank Turner and Zoe Sugg, to Joe Tracini, Elizabeth Day, Hussain Manawer and Joe Wicks, share not only their experiences with anxiety, psychosis, panic attacks and more, but also what helps them when they are feeling low. This joyful collection is a supportive hand to anyone looking to find light on a dark day and shows that, no matter what you may be going through, you are not alone. Jonny Benjamin is known for his book and documentary film, *The Stranger on the Bridge*, which fought to end stigma around talking about mental health, suicidal thoughts and schizoaffective disorder. When his campaign to find the man who prevented him from taking his own life went viral, Jonny was one of a wave of new figures lifting the lid on mental health struggles. In this book, he brings together a range of voices to speak to the spectrum of our experiences of mental health and the power of speaking up and seeking help.

She emerged as innocent as any newborn. The party of starbursts and sparkles came to a standstill. In awe, millions of heavenly beings paused. Shine Star, Princess of the Universe, was the most precious and rare of all creations. As an expression of perfect happiness, thus was the king's daughter born. A magical love story unfolds in Vikrant Malhotra's wondrous debut, *The Stories of Goom'pa: Book One*. Meet Goom'pa. He is a Poofy, a small furry creature who resides on Earth in a place called Palidon, on the edge of the Miron National Forest. His world is a quiet one-until he spies Shine Star, a glorious star in the sky and the daughter of Prime Ray, the king of the universe. Enchanted by her elegance, Goom'pa knows he is willing to do anything to win the love of this celestial beauty. As the two meet and fall in love, Shine Star's father worries about his only daughter. Exploiting that concern is the Star Lord, Rath, who wants nothing more than to wrestle control of the universe away from Prime Ray. Will Goom'pa and Shine Star find a way to be together? Or will Rath's evil plan doom them all?

Malcolm Gladwell, host of the podcast *Revisionist History* and author of the #1 New York Times bestseller *Outliers*, offers a powerful examination of our interactions with strangers and why they often go wrong—now with a new afterword by the author. A Best Book of the Year: The Financial Times, Bloomberg, Chicago Tribune, and Detroit Free Press How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain

think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms teach us something about the way we relate to one another that isn't true? Talking to Strangers is a classically Gladwellian intellectual adventure, a challenging and controversial excursion through history, psychology, and scandals taken straight from the news. He revisits the deceptions of Bernie Madoff, the trial of Amanda Knox, the suicide of Sylvia Plath, the Jerry Sandusky pedophilia scandal at Penn State University, and the death of Sandra Bland—throwing our understanding of these and other stories into doubt. Something is very wrong, Gladwell argues, with the tools and strategies we use to make sense of people we don't know. And because we don't know how to talk to strangers, we are inviting conflict and misunderstanding in ways that have a profound effect on our lives and our world. In his first book since his #1 bestseller David and Goliath, Malcolm Gladwell has written a gripping guidebook for troubled times.

Two teenagers, strangers to each other, have decided to jump from the same bridge at the same time. But what results is far from straightforward in this absorbing, honest lifesaver from acclaimed author Bill Konigsberg.
