Excerpt from *Studies in Hebrew Synonyms In English*, as yet, comparatively little has been published. The *Hebrew Review* for 1835-36 contains some short but helpful notes. Valuable hints may be gained from the laborious lexicon 9 by Canon W. Wilson, Of Winchester, though his remarks cannot always be justified. The brochures of E. G. King 1 and A. W. Hands u are rather prefatory and inconclusive. But valuable results are given in the work Of Canon R. B. Girdlestone, 12 despite undue deference shown to the Septuagint. A provocative new interpretation of the Adam and Eve story from an expert in Biblical literature. The Garden of Eden story, one of the most famous narratives in Western history, is typically read as an ancient account of original sin and humanity's fall from divine grace. In this highly innovative study, Ziony Zevit argues that this is not how ancient Israelites understood the early biblical text. Drawing on such diverse disciplines as biblical studies, geography, archaeology, mythology, anthropology, biology, poetics, law, linguistics, and literary theory, he clarifies the worldview of the ancient Israelite readers during the First Temple period and elucidates what the story likely meant in its original context. Most provocatively, he contends that our ideas about original sin are based upon misconceptions originating in the Second Temple period under the influence of Hellenism. He shows how, for ancient Israelites, the story was really about how humans achieved ethical discernment. He argues further that Adam was not made from dust and that Eve was not made from Adam's rib. His study unsettles much of what has been taken for granted about the story for

more than two millennia—and has far-reaching implications for both literary and theological interpreters. “Classical Hebrew in the hands of Ziony Zevit is like a cello in the hands of a master cellist. He knows all the hidden subtleties of the instrument, and he makes you hear them in this rendition of the profoundly simple story of Adam, Eve, the Serpent, and their Creator in the Garden of Eden. Zevit brings a great deal of other biblical learning to bear in a surprisingly light-hearted book.”?Jack Miles, author of *God: A Biography*
