WHERE REALITY AND FANTASY COLLIDE AND BONDAGE IS THE CURRENCY OF SURRENDER. Rachel's introduction to bondage is from the mysterious Strict Bondage magazine she found on the floor next to her front door. The fantasies in her head were brought about by the vivid pictures in the book of bound, naked women. The only place she could buy them was a porn store. The magazine rack was a cornucopia of bondage delights. She didn't mind when the clerk in the store came up behind her. That was the first time she came by someone else's hands while she stared at the perverted pictures, imagining it was her bound tight and surrendering to the passion that bondage inflicted in her. Natalia had a boyfriend that she trusted too much. How he managed to convince her to let him strip her naked and tie her spread eagle to the bed, she didn't know. She loved the feeling of the ropes around her arms and legs, putting her into obscene positions. His mouth took possession of her and made her climax. What she hated was how her boyfriend used her body, taking away her ability to keep him out of her mouth. The bondage is what excited her, but her helplessness is what she disliked. Yet, he did make her cum. Rachel and Natalia are best friends, and after graduation from college, they decide to take a vacation

to the country of Nauru, part of a thousand islands in the Western Pacific Ocean. They are lured in with cheap airfare and hotel. They meet the mysterious Jade when they landed on Nauru. The country of eight square miles was nothing like they expected, but it did have the warm beach sand and crystal clear water. A major robbery where the elderly owner was beaten for the jewels and gold that he kept for his jewelry business changed their vacation to something else. Circumstances led the security police's trail of the crooks to the small resort the three women were staying at. The security police picked up Jade first and then Natalia and Rachel. It was nothing like the women expected, but it was what they imagined. Interrogation meant being bound naked to sturdy chairs, naked in a room of men. While the police investigated, the three women were remanded to a cell in the prison located in the same building. It was here that Judge Michael presided with his brand of justice. He was also the President of Nauru and funded the country's budget out of his immense wealth. The people of Nauru were beholden to him and allowed him the luxuries and pleasures that accrue to a national leader. His prison was his pleasure. For the next two days, the three women learned firsthand about bondage and are promoted to Strict Bondage. It became a blur between fantasy and reality for the three women. The Master of BDSM, Powerone, takes you on an erotic ride that borders on reality and fantasy.

WHAT WOULD HAPPEN TO THEM ON SUB-MISSION ISLAND WOULD CHANGE THEIR LIVES FOREVER It was a new resort in one of the small islands off the coast of Panama with submersibles that would show the guests the coral reef below the waterline. It wasn't a real sub, but it was close enough. That is why they called the resort, Sub-Mission Island. It was a catchy marketing name, but for those in the know, it had a deeper meaning. There were six new guests, although they didn't realize that the guests were already at the resort. These six weren't guests, they were the entertainment, and it started as soon as the plane left Miami for Panama. Their accommodations on the island were far from first-class. Rooms were traded for jail cells. The six were trained in a large entertainment room outside the cells that had everything needed to turn a body obedient. Brooke and Sydney, come from a small conservative town, and their sex life was almost non-existent for lack of inspiring men. Sydney was trained for everything she was innocent of, and she learned quickly, or else. Brooke was more difficult, but the guests loved the challenge, and the room had

all the toys necessary to change her mind. Whips, paddles, and crops adorned one wall while black cloths covered strangely shaped furniture. Jessica and Hanna were lesbians. The guests decided that lesbians had that problem because they couldn't find a man that could handle or train them properly. So, they took it upon themselves to teach the women the ways of men. Would they find pleasure in the feel of a real man inside? Amber and Eric found themselves the center of attention, and they discovered the unexpected, although they didn't think that was possible. Eric found the women skillful at sexually performing for him, but the new things they did went far beyond Eric's imagination, and he soon found himself going over the line of the dark and forbidden. Amber thought the soldiers took her boldly when she was strip-searched in Panama customs, but it was only foreplay to what the guests had in store for her. Not only would she have to accept the inevitable, but Eric would see her succumb to it all. After that week, the six found their lives headed in a different direction because of what happened on Sub-Mission Island, and what they learned about themselves expanded their sexual horizons in ways they never imagined. Once again, bestselling bondage author Powerone takes you on an exotic trip to an island paradise that exposes the dark underbelly of the rich in the fulfillment of their secret pleasures.

a swanky estate on Connecticut's Gold Coast, naively in sway to his moral ambivalence. A daughter — Miranda — is born, just as his current con goes awry forcing them to abscond in the middle of the night to the untamed wilderness of northern Vermont. Almost immediately, Bennett abandons them in an uninsulated cabin without a car or cash for weeks at a time, so he can tend a teaching job that may or may not exist at an elite college. Rosie is forced to care for her young daughter alone, and to tackle the stubborn intricacies of the wood stove, snowshoe into town, hunt for wild game, and forage in the forest. As Rosie and Miranda's life gradually begins to normalize, Bennett's schemes turn malevolent, and Rosie must at last confront his twisted deceptions. Her actions have far-reaching and perilous consequences. An astounding new literary thriller from a celebrated author at the height of her storytelling prowess, *The Hare* bravely considers a woman's inherent sense of obligation – sexual and emotional – to the male hierarchy, and deserves to be part of our conversation as we reckon with #MeToo and the Brett Kavanaugh Supreme Court confirmation hearing. Rosie Monroe emerges as an authentic, tarnished feminist heroine. "With *The Hare*, Melanie Finn has written a powerful story of female perseverance, strength, and resilience. This book has rare qualities: beautiful writing while being absolutely unputdownable, and I will be pressing it into the

Ella is the kind of gorgeous woman who would turn heads everywhere. Unfortunately, she has never found a man who can push all the right buttons. Until now. Enter Nicholas Gentry, a playboy billionaire who knows exactly how to make a woman submit. It doesn't take long for him to crumble her resistance and make her surrender to him completely. ~~~~~ PG Excerpt ~~~~~ "Come now, let's get you cleaned up," his large hand circled my wrist and he pulled me past the imposing double doors. "Mr. Gentry, this is hardly appropriate. You should be-" "Hush. You should get cleaned up before the dress stains," he said, guiding me up the winding stairs and down the hall to the last room. He pushed open the door and we stepped into the empty room. His arm still cupping my elbow, he led me to a small love seat and gestured for me to sit. Then, he reached for a napkin his pocket and pressed it against my chest and neck. Warm sizzles coursed down my spine as he touched my skin gingerly. I could feel the heat of his fingertips scorching me with desire. It was ridiculous how easily my body was reacting to his every move. My breasts swelled and my nipples quickly perked up. I was completely aware of how low-cut the dress was and how dangerously close his fingers were to touching bare skin. "I can do that myself, thank you very much," I demurred, taking the napkin from his hand and

dabbing the wetness from my breast gingerly, unsuccessfully avoiding the intense reaction his mere presence was having on my nerves the entire time. Even my own touch was making me more aroused. "Can I convince you out of the dress?" he asked and my heart stopped. "Excuse me?" I gasped, looking up to lock eyes with him. I was certain that I had heard him wrong. Did he just ask me to undress?! "The dress," he said. "I'm afraid ants will start coming after you if you keep wearing that any longer," he said jokingly. "But mostly I'm worried that will stain." At a loss for words, I remained silent as I continued dabbing the sweet liquid from my skin. He was right. I was fighting a losing battle. The drink had seeped to my dress and was fast creating a stain. The faster I took it off, the easier it was to get the color out. "Do you have anything else I could wear?" I asked carefully. He looked around for a moment, then took off his jacket and started unbuttoning the white suit beneath it. "I don't think this will be missed," he said with an easy smile when my eyes bulged at he slowly undressed right in front of me. The expensive tailored formalwear came off, revealing his perfect half-naked body beneath it. His body was rock hard. All muscles and masculinity with just a hint of hair on his chest. His abs were so pronounced I was certain I could wash off the stain on my dress on it. I resisted the urge to run my fingers over his body to feel if they were real. They were too perfect to be real. I licked my lips. It was hard not to wonder how it would feel to have my fingers over his back as he pounded into me. "Like what you see?" he asked, surprising me from my daydream.
