AN INNOCENT WOMAN IS ABOUT TO TAKE A RIDE ON THE WILD SIDEBBWB reporter Zoe Delacourte thinks she's found the perfect story to make her career when she stumbles across Jax Traeger and Hunter Ericksen - bad boys from the wrong side of the tracks, running the notorious motorcycle club, the Kings of Asphalt. Some might call them bad men. They have wicked rides and rap sheets but all Zoe sees is two incredibly hot men and she can't stop herself from falling head over heels. Jax and Hunter they don't see a fat girl - they see a sexy woman they can't wait to have in their arms. But loving them might just get Zoe killed. Motorcycle club hot romance - suitable age range: adult Kings of Asphalt is a novella of approximately 41,000 words and the first book in the Club Chrome series. The Club Chrome series by Alexx Andria: Kings of Asphalt All Dogs Bite Up In Flames Excerpt: "A brunette with curves...I like. It's as if Dimas read my mind." Zoe whirled at the sound of the sultry voice at her back and she found herself staring at the most sinfully handsome man she'd ever seen. Lounging like a giant jungle cat on the worn black leather sofa, Jax Traeger's stare burned two holes into her soul as he regarded her with open interest. Goodness, he was handsome...in a dirty, I-will-likely-break-your-heart-and-ruin-your-credit sort of way. She hadn't expected that. Talk about being blindsided. There'd been precious few pictures of Jax on the Internet. It seemed the bad boy was camera shy, go figure. "I-I'm sorry...I think your guy got the wrong idea..." One black slash of a brow went up in question and he leaned forward, saying, "Which would be?" "The idea that I'm...oh, I don't know...um, available for..." Shut up, you idiot! This was what deep cover was all about! Right. Inhaling a discreet, stabilizing breath, she straightened and braved a smile as she sauntered over to Jax, ignoring the flutters in her belly as his gaze darkened with interest. "Available for just anyone." "Oh? Isn't that the whole idea behind being a whore?" "A ww-hore? Excuse me? I'm not-" "You're not what?" His smile slowly faded. "Then you're not from Dimas and if that's the case...just who are you?" Oh crap. Her damn mouth. "I-I just mean...well, of course, I'm from Dimas. I was just taken aback for a minute. I mean, well, I wasn't sure I was in the right place." Faster than she could react, he had her pressed up against the wood paneling, crowding her personal space and sending her heartrate through the roof. He smelled of leathers, a cool midnight ride, and the faint wisp of alcohol clinging to the edge as if as a reminder that his angelic face and body was simply a ruse to lure unsuspecting women to their doom. It should've repulsed her - truly, bad boys weren't to her tastes - but she was oddly, and dangerously thrilled by the threat of caged violence she saw in his eyes and could see rippling through his biceps as he pressed forward. Was he going to ravage her right there like a modern day pirate or simply punt her outside the doors with a growled warning? Was she crazy for hoping - for a wild, irresponsible moment - that he would choose to grind those sensual lips across hers as punishment for daring to breach their inner sanctum? Yeah, don't answer that. She already knew - it was fucking lunatic

Acclaimed as one of the most exciting books in the history of American letters, this modern epic became an instant bestseller upon publication in 1974, transforming a generation and continuing to inspire millions. This 25th Anniversary Quill Edition

features a new introduction by the author; important typographical changes; and a Reader's Guide that includes discussion topics, an interview with the author, and letters and documents detailing how this extraordinary book came to be. A narration of a summer motorcycle trip undertaken by a father and his son, the book becomes a personal and philosophical odyssey into fundamental questions of how to live. The narrator's relationship with his son leads to a powerful self-reckoning; the craft of motorcycle maintenance leads to an austere beautiful process for reconciling science, religion, and humanism. Resonant with the confusions of existence, *Zen and the Art of Motorcycle Maintenance* is a touching and transcendent book of life.

No one messes with *The Skulls* and gets away with it! The last thing Angel Marston ever wanted was to be at the mercy of *The Skulls*. They're the local bikers and the club that helps keep the town safe, but they have their own kind of rules. They party hard and do whatever the hell they want. But her father's debts to the club mean Angel has no choice. Lash loves his club, but he wants a woman who hasn't slept with all the crew. Angel is just what he's looking for. She's sweet, young ... and a virgin. He wants her more than anything and has already staked his claim on her. When Lash touches her, Angel can't help but melt. He sets fires inside her body with his wandering hands and sinful lips. She can't say no, and she wants him desperately. But when all seems to be going so well for Angel and Lash, their pasts catch up to them. *The Skulls* have enemies who want the town and their women. Lash must decide who to put first, the club or his woman. Is Angel strong enough to stand by his side when the going gets tough? And what will happen when tragedy and pain both hit at once?

--- There is freedom in blacking boots for the right man. --- Jake. Kings of Hell MC Prospect. Obedient. Desperate for approval. Vars. Dominant. Stern. Undead. Jake is itching to become a patched member of the Kings of Hell MC. For two years he's toiled as the only prospect. So when a new guy swans in and thinks he'll get a patch in no time just because he's got friends in high places, Jake is there to stand in his way. Only that the guy is older, more experienced, drives a Harley, and has the kind of boots Jake craves to lick. But he won't. Because he only fucks patches. Vars is ready to find a new home in the Kings of Hell MC after a messy relationship led him straight to hell. In comparison, the pretty, blue-eyed prospect could be just the pleasant rebound he needs. The boy is a brat, but that could be amended with a firm hand and a gag. If only Jake was ready to admit to his submissive needs, Vars would gladly take him under his wing. That is, until he finds out something inhuman resides inside of Jake. Vars didn't cheat death only to call out to it again. But stuck together in one room, keeping each other's secrets, they might just have to become allies, no matter how unwilling.

Because if there is something Vars can't resist, it's a boy with pleading eyes. * "You are mine now, boy. This room is soundproof. No one will hear you scream." "Yes, sir. My body is yours." * POSSIBLE SPOILERS: Themes: motorcycle club, alternative lifestyles, demons, monster, tattoos, secrets, crime, self-discovery, gothic, fresh start, submission, stalking, PTSD, May/December, self-acceptance, enemies to lovers, Daddy/boy, body horror Genre: Dark, paranormal M/M romance Scorching hot, emotional, explicit scenes, BDSM Length: ~130,000 words (Book 3 in the series)

and redeeming love. Who knows where one night of passion might lead? Recently-divorced Nonnie Crawford craves a new beginning -- it arrives in the form of an enigmatic, dark-eyed stranger she dubs The Businessman. He seduces her with a sizzling introduction to the thrill of submission. As the days pass, she can't forget him or the way he made her feel. She seeks him out and finds herself at a BDSM club where she meets Michael Weston, a handsome, charming playboy who's keen to seize the reins left dangling by the absent Businessman. Nonnie's ready to take chances ... perhaps too ready. *Warning: adult material. Only purchase if it is legal for you to do so. This book contains explicit language and scenes of a sexual nature, including exhibitionism, S&M by secondary characters, and consensual domination and submission, which some readers may find objectionable.* Approximately 42,000 words, 150 print pages _____ The Power to Please, a four-book, BDSM erotic romance Nonnie Crawford journeys into the alluring but sometimes dangerous realm of BDSM. She yearns to submit herself to a powerful, dominant man and two Doms vie for that submission, the enigmatic Businessman and the charming Playboy. Knowing who to trust is always a challenge, and the odds of making a mistake are multiplied when gripped by new, intoxicating desires. Nonnie's choices prove the difference between perfect bliss and devastating ruin. Truth and trust. She'll need both as she struggles to earn indestructible love, and to claim, with that love, the ultimate power to please. Warning: adult material. This series contains explicit language and scenes of a sexual nature, including exhibitionism, multiple-partner scenes, S&M, bondage, consensual domination and submission, and other activities which some readers may find objectionable. In the early 1980s, Harley-Davidson was on the verge of bankruptcy. In the general public's opinion, quality was substandard—of both motorcycles and riders. Harleys leaked oil and were often broken down. Riders were roughnecks, out to raise hell. The Harley-Davidson brand was tarnished. What's more, the charges were true. By the mid-1980s, Harley couldn't produce enough bikes to keep the public happy. Dealers were selling bikes off the showroom floor, struggling to assuage customers' frustration. And today, Harley-Davidson is a model brand. Harley-Davidson isn't just a motorcycle company anymore. It is a community, a look, a source of self-expression, an all-American appeal for freedom—all expressed in one little logo. So, what happened? How did Harley manage to pull itself from the fire, brush itself off, and ride off into the sunset? The secret: branding. Histories will tell you how Harley-Davidson closed the quality gap between Hogs and the cheaper, faster, sleeker Japanese bikes; how Harley used Japanese manufacturing methods to increase its cash flow; how Harley clawed its way back from the brink of bankruptcy. All these aspects were important to Harley's rise from the ashes, no doubt, and as such are discussed in this book. But the true power of the big, beautiful, orange and black machine that is Harley-Davidson lies in its image, the Bar and Shield, the brand. *Rebuilding the Brand: How Harley-Davidson Became King of the Road* is the story of how a core group led a team of not only marketing folks but also employees, management, dealers, and vendors to rebuild the Harley-Davidson

image. Told through the perspective of Clyde Fessler—who held several positions within Harley, from head of marketing services to VP of business development—Rebuilding the Brand provides dynamic branding information couched in an entertaining story. Fessler describes the methods used to create the iconic image Harley-Davidson enjoys today, methods that can be translated to nearly any industry, and explores the topics of brand experience, brand personality, brand extension, brand association, brand consistency, and brand welfare. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

I never should have let him bend me over... I wanted one thing from the gorgeous billionaire biker Anton Aquis—to interview him for the local newspaper. But instead of cooperating, he captured me with his enthralling blue gaze, bent me over his knee, and spanked me. Arrogant. Jerk. The way he treated me was far from professional, but there was no denying how good it made me feel. The mix of pleasure and pain he delivered haunted me. It consumed my mind, making me want more. He created a ravenous fire within me that only he could extinguish. I wanted him. Badly. But Anton was a dangerous man with lots of secrets. It took everything in me to control my cravings for him, and I knew it wouldn't be long until I lost my resolve...

The basis for the hit TV series *Gangland Undercover!* The gripping account from an ex-con who went undercover to help the ATF infiltrate three of America's most violent biker gangs Despite lacking any experience with motorcycle gangs,

Charles Falco infiltrated three of America's deadliest biker gangs: the Vagos, Mongols, and Outlaws. In separate investigations that spanned years and coasts, Falco risked his life, suffering a fractured neck and a severely torn shoulder, working deep under cover to bring violent sociopaths to justice. His dedication was profound; Falco spent almost three years infiltrating the Vagos gang and rose to second in command of the Victorville, California chapter. He even served time in San Bernardino's Murder Unit and endured solitary confinement to protect his cover and the investigations. Falco recorded confessions of gangland-style killings and nearly became a target himself before he sought refuge in the Witness Protection Program. But discontent to remain on the sidelines and motivated by a strong sense of duty, Falco eventually left the Program and volunteer his talents again to infiltrate the Mongols and Outlaws, rising in rank to Vice President of the Petersburg, Virginia Outlaws chapter. His efforts culminated in sixty two arrests of members for various crimes, including assault and murder. Executing one of this country's most successful RICO prosecutions and effectively crippling the criminal enterprise, Falco's engrossing narrative of the dangers of the biker underworld harkens back to Hunter S. Thompson's classic Hell's Angels, vividly recounting a life undercover.

The complete BAD BOY BILLIONAIRE series, by Coco Cadence now available in one sizzling bundle! ~ Bad Boy Billionaire - Part One One night. That was the deal I made when I gave my body to the charming, enigmatic self-proclaimed 'bad-boy' billionaire Adrian King. A prolific artist by day, a dominant lover by night.His riches go beyond money, beyond power.Passion is his playground, and I am his willing pawn. I thought I could resist. I was wrong. One night turned into two ... until all I could think of was him.The choice was already made the moment I chose to surrender to him. His desire rules me. His secrets ruin me. ~ Bad Boy Billionaire - Part Two I am his. Three words are all it takes to seal my fate. With the contract signed, the bad-boy billionaire Adrian King owns me now. His alpha

tendencies have me under a spell, and his control over my heart threatens to overtake me. Sparks ignite something more than pure lust ... But can there be love in a game ruled by desires? When passion rules and boundaries are blurred, I have no choice but to delve deeper into the secrets that encompass him. It won't be without regrets. ~ Bad Boy Billionaire - Part Three We ruined each other. Adrian King, the dominant bad-boy billionaire who claimed my heart with his alpha behavior, broke me. When unexpected secrets come to light, our relationship is put to the test. Desire disguised as love and fear of past mistakes tears us apart. Now we're left to pick up the pieces of our shattered selves. But there is more to us than just our sinful game, something worth fighting for. There's only one way to find out if we're meant to be together ... Go hard or go home.

Demon, the President of The Soldiers of Wrath MC, is a vicious bastard, a heartless killer, and has no regrets about any of the violent things he does in life. It is how he survives, and how he keeps his club and his men safe. Deanna Monte has stayed in the life of her drug addicted, low-life father since her mother passed away. She may hate her dad, but after her mother's dying wish for Deanna to not give up on him, she knows she can't walk away. When Deanna is given to Demon as payment for her father's debt, she fights with everything inside of her and refuses to submit. But she's never met a man like Demon, a cruel man that is big and powerful and can take her life as easily as he breathes. She shouldn't want him the way she does, not after he takes her away from her life, refusing to let her go, and tells her that she is his now. But she does, and that frightens her most of all.

Ever wonder how the Hells Angels got their name, or about that little demonic critter on the Pagan's patch? What about the local one-percenter motorcycle club that hangs out at the corner bar? What goes on there? This book answers these questions and more. The One-Percenter Encyclopedia: The World of Outlaw Motorcycle Clubs from Abyss Ghosts to Zombies Elite features concise entries that include information on founding chapters, founding dates, number of chapters and members, club and leadership biographies, and more. This book covers all the major clubs--Hells Angels, Outlaws, Pagans, Mongols, Vagos--as well as lesser-known clubs from around the world.

In 1982, at the age of just twenty-three and halfway through her architecture studies, Elspeth Beard left her family and friends in London and set off on a 35,000-mile solo adventure around the world on her 1974 BMW R60/6. Reeling from a recent breakup and with only limited savings from her pub job, a tent, a few clothes and some tools, all packed on the back of her bike, she was determined to prove herself. She had ridden bikes since her teens and was well travelled. But nothing could prepare her for what lay ahead. When she returned to London nearly two and a half years later she was stoned lighter and decades wiser. She'd ridden through unforgiving landscapes and countries ravaged by war, witnessed civil uprisings that forced her to fake documents, and fended off sexual attacks, biker gangs and corrupt police convinced she was trafficking drugs. She'd survived life-threatening illnesses, personal loss and brutal accidents that had left

Get Free Submit Taken By The Biker Billionaire Billionaire Biker Series English Edition

permanent scars and a black hole in her memory. And she'd fallen in love with two very different men. In an age before email, the internet, mobile phones, satnavs and, in some parts of the world, readily available and reliable maps, Elspeth achieved something that would still seem remarkable today. Told with honesty and wit, this is the extraordinary and moving story of a unique and life-changing adventure.

HE'S HELL ON WHEELS. Tall, dark, and dangerously handsome, Zane "Tracker" Colter is the strong, silent type of tattooed muscle biker who drives women wild. But as a master of strategy for the outlaw MC club, Sinner's Tribe, he doesn't have time to play around with groupies and biker chicks-especially when he can't stop thinking about Evie, the girl who got away... **SHE'S PLAYING WITH FIRE.** Evie's been in love with Zane ever since they were children-until he broke her heart and disappeared. Now he's back in her life, bigger and badder than ever. Zane is stunned by how beautiful and confident Evie's become, using her artistic talent to customize motorcycles. He wants her so bad, he'd ride through fire to win her back. There's one problem: Evie is dating his deadliest rival-the leader of the Black Jacks-and if Evie and Zane hook up, there'll be hell to pay... in *Sinner's Steel*. Sarah Castille's *Sinner's Tribe* series is: "Raw, rugged, and romantic." -Eden Bradley, *New York Times* bestselling author "A sexy and dangerous ride!"-Roni Loren, *New York Times* bestselling author

When the reporters to a sex-trafficking exposé are murdered and computer hacker Lisbeth Salander is targeted as the killer, Mikael Blomkvist, the publisher of the exposé, investigates to clear Lisbeth's name.

Levi Candy, the poster boy for selfish brats, is on a twisted mission to seduce his straight best friend Josh Stephenson; a handsome, honest and all-round nice guy--unlike Levi who has plenty of dark secrets lurking in his closet. One of Levi's secrets is his alter ego Candy Boy, a pseudonym he uses online to post raunchy pictures and dish the dirty details about all his steamy encounters. He cannot wait to give Josh the dubious honour of being the star of his next sexy story. But Levi has forgotten one thing... he isn't the only person who knows how to play dirty. Curious Candy is a twisty, trashy delight. It resides in a zone beyond love and sweetness, and is designed to tempt, tease, and push the characters past their breaking point.

There's a storm raging outside. But the one raging in my heart is far worse... I've always had fond memories of my family's ranch, mostly of the time I've spent there with my stepbrothers, Andy and Blair. We've always gotten along well, and they're so hot that I've often found myself wondering exactly what was hidden below those dirty farm clothes. As it turns out, I'm about to find out the answer to that question. A tornado caught us out in the open, forcing us down into an old storm shelter far away from where anyone could hear us scream. And that's a good thing. Because trapped in here with my stepbrothers, I just can't help myself. I have to know what's it's like to be with them--both of them--in the dirtiest, most intimate of ways. I have to let them take me. After all, I never could back down from a dare...

Ambiguous, sensual, coquette, and suggestive: the one thousand fashion drawing poses in this book are a deep journey into the wealth of possibilities for illustrating male and female bodies, and designers'™ capacity to transmit sensations with an ever so slight flick of the wrist. *1,000 Poses in Fashion* compiles all the usual fashion poses and illustrated features, represented in full color, supplemented by the many variations of each pose, in black and white. The poses show the effects of the way in which the

Get Free Submit Taken By The Biker Billionaire Billionaire Biker Series English Edition

clothes sit on the models, guiding the reader in aspects such as how to give proportion or volume to a garment. 1,000 Poses in Fashion is an essential reference for photographers, fashion designers, illustrators, models, and art directors who are interested in corporal expression in relation to fashion.

Who needs more than bikes and willing women? Not Cutter. Until he meets Greta, a former biker princess who turned her back on club life. She challenges him every step of the way, and Cutter doesn't tolerate disobedience. Greta lives by one rule: No Bikers. She didn't escape her father's MC and build a new life for herself just to be brought down by a dirty biker. Not even a hot, domineering man like Cutter could change her mind. Cutter is ready to play dirty. In their battle of wills, he begins to master her deepest desires. Can she find the inner strength to submit to him? Meanwhile, a danger from the past lurks in the shadows—ready to pounce. Cutter's Claim is a steamy, standalone bad boy biker romance with plenty of heat. Looking to ride in the fast lane? Rev it up with one click.

Making the Scene is a history of 1960s Yorkville, Toronto's countercultural mecca. It narrates the hip Village's development from its early coffee house days, when folksingers such as Neil Young and Joni Mitchell flocked to the scene, to its tumultuous, drug-fuelled final months. A flashpoint for hip youth, politicians, parents, and journalists alike, Yorkville was also a battleground over identity, territory, and power. Stuart Henderson explores how this neighbourhood came to be regarded as an alternative space both as a geographic area and as a symbol of hip Toronto in the cultural imagination. Through recently unearthed documents and underground press coverage, Henderson pays special attention to voices that typically aren't heard in the story of Yorkville - including those of women, working class youth, business owners, and municipal authorities. Through a local history, Making the Scene offers new, exciting ways to think about the phenomenon of counterculture and urban manifestations of a hip identity as they have emerged in cities across North America and beyond.

Liam Hamilton. The mysterious billionaire who is no more than a shadow. Are the rumors true? Does he actually exist? Michelle isn't usually the adventurous type. Tonight, however, is an exception to the rule. After her boss kept her late and ruined the plans she had laid out for the evening she is determined to prove to herself that he doesn't own her. Stopping at the nearest bar, she quickly finds herself in foreign territory. The outside wall is lined with motorcycles, and inside their riders. "Just a quick drink," she tells herself before swallowing the lump in her throat. Little does Michelle know that her stop is going to be anything but quick. She's soon going to find herself taking orders from the mysterious billionaire, and she's going to be doing it all night long.

Silas is book 1 of the Death Knells MC trilogy. Books 2 and 3, Silas the Outlaw and Silas the Beast are available everywhere now! Biker. Outlaw. Bad boy. Killer? On his deathbed, my MC president made me swear to keep his daughter safe. But marrying the girl is a dangerous mistake. She's in my house now – and I can't keep my hands off of her. Which is how she ended up pregnant with my baby. JESSA Silas has always done what he needed to do to survive. But I could never be with a man whose hands are covered in innocent blood. It doesn't matter that he'd do anything to keep me safe. I don't need to be protected – I need to be free. Free from pain. Free from violence. Free from my past. But I'm trapped in a contradiction. Because the only place I truly feel alive

is on the back of Silas's bike. I can't submit to this life. I've got a bright future, far away from here. At least, that's what I used to think. But now, every time Silas lays his hands on me... Every time he takes me to his bed and shows me what my body craves... I'm forced to admit: I belong to him. SILAS Jessa tried to run away from the biker world. But I jumped into the deep end. I've done bad things in my time down here. Robbed. Hurt. Killed. All for the club. For my brothers. But my sins have changed me. Marked me. I can't be near a woman anymore. Especially not one as pure and innocent as Jessa. If she gets too close... There's no telling what I might do to her. Which is why this fake marriage is a huge mistake. I swore to her father – my dying president – that I'd protect his only daughter. But I never expected it to come to this: Her walking through my house. Sleeping in my bed. And – God help us both – having my baby.

From Best Selling Author, Lexy Timms, comes a motorcycle club romance that'll make you buy a Harley and fall in love all over again. Christine Feehan takes romance full throttle in the second gripping novel in her #1 New York Times bestselling Torpedo Ink series. Breezy Simmons was born into a ruthless motorcycle club—and now that she's out, she's never going to be that girl again. But when her past catches up with her, Breezy must go to Sea Haven to seek out the man who almost destroyed her. The man who chose his club over her and left her feeling used and alone. As vice president of Torpedo Ink, Steele is ride or die for the brothers he lived through hell with. He never thought he'd find something as pure as his feelings for Breezy, or that keeping her safe would mean driving her away with cruel words that turned her love for him to ash. Now, Steele won't let her walk away twice. He'll do whatever it takes to make Breezy his woman again—especially when he learns the real reason she came to him for help, and that the stakes are higher than he ever could have imagined...

As the daughter of a drug dealer, Wavy knows not to trust people, not even her own parents. It's safer to keep her mouth shut and stay out of sight. Struggling to raise her little brother, Donal, eight-year-old Wavy is the only responsible adult around. Obsessed with the constellations, she finds peace in the starry night sky above the fields behind her house, until one night her star gazing causes an accident. After witnessing his motorcycle wreck, she forms an unusual friendship with one of her father's thugs, Kellen, a tattooed ex-con with a heart of gold. By the time Wavy is a teenager, her relationship with Kellen is the only tender thing in a brutal world of addicts and debauchery. When tragedy rips Wavy's family apart, a well-meaning aunt steps in, and what is beautiful to Wavy looks ugly under the scrutiny of the outside world. Kellen may not be innocent, but he is the fixed point in Wavy and Donal's chaotic universe. Instead of playing it safe, Wavy has to learn to fight for Kellen, for her brother, and for

herself. About the Author Bryn Greenwood is a fourth-generation Kansan, one of seven sisters, and the daughter of a mostly reformed drug dealer. She earned a MA in Creative Writing from Kansas State University. She is the New York Times bestselling author of the novels *The Reckless Oath We Made*, *All the Ugly and Wonderful Things*, *Last Will*, and *Lie Lay Lain*. She lives in Lawrence, Kansas. Industry Reviews New York Times bestseller USA Today bestseller

Dr. James Kauffman and his wife, April, were the perfect couple: a respected endocrinologist and a beautiful radio host. But under the surface lurked a world of drugs, sex, and biker gangs. A world Dr. Kauffman would kill to keep secret. In May 2012, April Kauffman, a well-known local radio personality and staunch advocate of military veterans rights, was found shot to death in the bedroom of the home she shared with her husband, Dr. James Kauffman. Six years later, in the fall of 2018, Freddy Augello, a leader of the notorious motorcycle gang the Pagans, went on trial for drug dealing and murder. He was charged with arranging the death of April Kauffman in exchange for \$50,000 from her husband, who, in addition to practicing medicine, was one of the area's most prolific drug traffickers. Told by two accomplished reporters and authors with exclusive insights and details provided by two principal players, this is the story about one man's descent into evil and the people he took with him. It's a story about a doctor who helped flood the streets with opioids, about a husband who hid dark secrets from his wives, and about a man so consumed with greed and arrogance that he thought he could get away with murder.

The path to business success is an open road and you'd better be ready for anything! What do businesspeople and entrepreneurs have in common with bikers? More than you'd suspect. The freedom of hitting the open road is a concrete extension of the need for freedom that encourages entrepreneurs to start businesses. The desire to succeed in business by doing it your own way is no different than the desire to hit the road and plot your own course on two wheels. *The Biker's Guide to Business* explores these parallels and offers hard-won business wisdom specially suited for Business Bikers who do it their way-whether out on the highways or in the corporate boardroom. Introduces DeVill's Navigation Process that helps you develop your own action plan for achieving your own unique vision of success Shows you how to tailor a road map to guide your personal journey from where you are now to where you want to be tomorrow Uses biker terminology, analogies, and parallels to communicate real business wisdom Though written to appeal to bikers, the book is a handy business guide for anyone willing to take the ride Whether or not you're a biker, the passion to ride is the same passion that pushes people to succeed professionally by taking their own path. Hop on, rev up, and succeed.

Two immortal brothers crisscross the American Southwest to elude a murderous biker gang and protect a young woman in this "utter triumph and delight" from award-winning author Richard Lange (Jonathan Ames, author of *A Man Named Doll*) Summer, 1976. Jesse and his brother, Edgar, are on the road in search of victims. They're rovers, nearly indestructible nocturnal beings who must consume human blood in order to survive. For seventy years they've lurked on the fringes of society, roaming from town to town, dingy motel to dingy motel, stalking the transients, addicts, and prostitutes they feed on. This hard-boiled supernatural hell ride kicks off when the brothers encounter a young woman who disrupts their grim routine, forcing Jesse to

confront his past and plunging his present into deadly chaos as he finds himself scrambling to save her life. The story plays out through the eyes of the brothers, a grieving father searching for his son's murderer, and a violent gang of rover bikers, coming to a shattering conclusion in Las Vegas on the eve of America's Bicentennial. Gripping, relentless, and ferocious, *Rovers* demonstrates once again why Richard Lange has been hailed as an "expert writer, his prose exact, his narrative tightly controlled" (Steph Cha, Los Angeles Times).

This book examines the reported criminal behavior of the entire spectrum of 1% biker clubs and members. It identifies the clubs whose members have been involved in criminal behavior and classifies their behaviors as individual, group, or club-sponsored/condoned behavior. While other books examine the criminal exploits of one or more of what are called the "Big Five" biker clubs because of their size and sophistication, or the sensational crimes of lesser known 1% biker clubs or club members, this book pays attention to the criminal activities of individuals, groups and chapters of other clubs as well. The book is based on journalistic accounts and autobiographies of former and present members of biker clubs, academic/scholarly works, law enforcement/government reports, articles from newspapers and biker web sites, and a content analysis of federal and state court cases regarding bikers and motorcycle clubs. Text enhanced with numerous photos and figures.

Blade McCormick is not a nice guy. He's pure adrenaline and smells like smoke and leather--the kind of guy you look at and know he's going to be a combination of nasty and irresistible. The moment I allowed myself to touch his hot skin and kiss his full lips, I was done. Like currency, I've become part of a transaction. Blade took me to pay off a debt. I try to tell myself, Eve, you should hate him. He's a bad guy. But then again, I'm not a good girl. Blade's the president of the Disciples, the notorious motorcycle club. I should be frightened, yet somehow, he doesn't scare me. If anything, I think I scare him. It takes a lot of work to become the club's Queen, but I'll stop at nothing to have the King!

DIV Anyone who rides a motorcycle lives, to some degree, in the margins of society. Where members of the herd drive Toyota Camrys and hipster hatchbacks, bikers opt for Harley-Davidsons, Triumphs, and Ducatis, putting themselves out there like raised middle fingers thrust at the ordinary citizens of the world. And just as a motorcyclist's ride is an affront to the sensibilities of the meek and the conventional, so too is the ink on his or her skin. Tattoos have long been an integral part of this culture, the result of the overwhelming number of ex-military men who formed the nucleus of the postwar outlaw motorcycle club scene. These soldiers, sailors, and marines returned from war with statements etched in ink upon their bodies, and they continued that tradition when they formed the clubs that came to define motorcycle culture. In *1000 Biker Tattoos*, motorcycle photographer Sara Liberte celebrates this most personal of art forms by capturing the wild abandon of the motorcycle lifestyle as expressed through tattoo work. Featuring 1,000 photos of tattoos and the artwork used to create

them, along with profiles of the most renowned tattoo artists in the biker community, this book provides an unprecedented window into the most intimate aspect of motorcycle culture./div

He wants me to be his submissive... I've known Michael for as long as I can remember. As my father's best friend, he's been around for everything; from my graduation to my first naughty fantasy. What I didn't realize is that he lives in a mansion and that he's had the same forbidden thoughts about me as I have about him. He wants me tied to his bed and exposed to do as he pleases with me. I want him, but he's made one thing clear. If we venture down this forbidden path, it'll be on his terms and I'll be his submissive.

When eyes meet and make two hearts beat as one, there's no holding the reins. Lust will take a turn and gallop toward love at full speed, taking on any danger it might face along the way. Spiro - I'm a biker in an MC located at a huge ranch which breeds both longhorns and quarter horses. I'm not just a biker, a cowboy, or a rancher, but I am a man of many trades and talents. And one of those is to protect the one who captured my attention at first glance. Tristine - I should have issues with coming to the Iron Hot Blood ranch; it's where my father lost his life. But I've taken over his company and this farrier needs all the clients I can keep to stay afloat. Even more since there are people wreaking havoc in an effort to take away everything I hold dear. My only chance to stay safe is to submit to the claim of the cowboy biker who jolts my heart into awareness. Unless the chance turns into a risk, putting more lives on the line along with it. **WARNING; each book in the Cowboy Bikers MC series is a standalone short story featuring a new couple and can be read together or separately. Includes: Love at first sight. Off the charts chemistry. HEA. And each story will leave you wanting more cowboy bikers!**

"The history of the East Bay Dragons Motorcycle Club, an all-black, all-Harley, all-chopper group of motorcyclists in Oakland, California. Written by the club's founder and president, it presents an often-untold portion of African-American history"-Provided by publisher.

When Lauren Hayes went out for a night with her female coworkers, she wasn't expecting to meet Mister Right or even Mister Right Now. However then she met Kellan Mason, and he saw something in Lauren that he wanted. Before long, through Kellan's orchestrations, staunch feminist Lauren is kneeling at his feet and crawling to him. Despite all of Lauren's progressive beliefs, she complies to Kellan's strong arms and broad shoulders, not to mention his intense sexual energy. Soon she realizes that she's not submitting in spite of her beliefs but because of them, even when Kellan insists that Lauren calls him "Daddy" and pushes her inhibitions and resistance with a series of punishments, spankings and bondage. Will Lauren push aside her internal guilt so that Daddy will give her the pleasure and control that she craves? Or will Lauren's struggle over her independence in the face of his growing sexual demands? And what happens when Lauren's ex returns and wants her back? Don't miss this steamy

introduction to a buttoned-up modern woman and her dark desires for submission and dominance. Called "50 Shades of Grey for the Thinking Girl", this will light up all of your fantasies and tickle your own inner Princess.

I know the baddest motorcycle club president around. He's hot, he's covered in tattoos, and he's vicious enough to make any woman weak in the knees. His name is Gray. He's my stepbrother. And that's the only reason I haven't given in to my desires yet. But tonight is going to be different. Tonight, I'm in a tight black dress I just know will get his attention. And once Gray sets his eyes on something, there's no dissuading him. If he wants me, he'll take me. And that's exactly what I'm counting on.
