"Consistently rated the best guides to the regions covered...Readable, tasteful, appealingly designed. Strong on dining, lodging, and history."—National Geographic Traveler Explorer's Guide North Carolina's Outer Banks & Crystal Coast covers the coast from Virginia to Hammocks Beach State Park. Includes Manteo, Kitty Hawk and Kill Devil Hills, Nags Head, Hatteras Island, Ocracoke, Beaufort, Morehead City, Atlantic Beach, Emerald Isle and Swansboro. Distinctive for their accuracy, simplicity, and conversational tone, the diverse travel guides in our Great Destinations series meet the conflicting demands of the modern traveler. They're packed full of up-to-date information to help plan the perfect gateway. And they're compact and light enough to come along for the ride. A tool you'll turn to before, during, and after your trip, these guides include these helpful features: chapters on lodging, dining, transportation, history, shopping, recreation and more; a section packed with practical information, such as lists of banks, hospitals, post offices, laundromats, numbers for police, fire, and rescue, and other relevant information; and maps of regions and locales.

A collection of recipes, riffs, toppings, and serving ideas for ice creams of all styles features such options as coffee frozen custard, cinnamon roll ice cream, grilled watermelon cremolada, cherry snow cones, and basil-shiso gelato.

James W. Messerschmidt's Masculinities and Crime quickly became a classic text for social scientists examining the relationship between masculinities and crime. The book is completely revised and unique in its focus on Messerschmidt's most important research and theorizing accomplished over the last twenty-five years.

Let this guide show you why the Outer Banks is one of the most unique and interesting places in the U.S. to visit. The Outer Banks preserves history and traditions lost to more urban areas of the eastern U.S. Whether it's wild Banker ponies, historic Kitty Hawk, or hidden beaches that visitors would otherwise never find, author Renee Wright leads you to her Wright Choices."

Fix the Pumps is a historical account of the golden era of soda fountains including over 450 recipes that made soda America's most popular drink.

Offering a panoramic view of the history and culture of food and drink in America with fascinating entries on everything from the smell of asparagus to the history of White Castle, and the origin of Bloody Marys to jambalaya, the Oxford Companion to American Food and Drink provides a concise, authoritative, and exuberant look at this modern American obsession. Ideal for the food scholar and food enthusiast alike, it is equally appetizing for anyone fascinated by Americana, capturing our culture and history through what we love most--food! Building on the highly praised and deliciously browseable two-volume compendium the Oxford Encyclopedia of Food and Drink in America, this new work serves up everything you could ever want to know about American consumables and their impact on popular culture and the culinary world. Within its pages for example, we learn that Lifesavers candy owes its success to the canny marketing idea of placing the original flavor, mint, next to cash registers at bars. Patrons who bought them to mask the smell of alcohol on their breath before heading home soon found they were just as tasty sober and the company began producing other flavors. Edited by Andrew Smith, a writer and lecturer on culinary history, the Companion serves up more than just trivia however, including hundreds of entries on fast food, celebrity chefs, fish, sandwiches, regional and ethnic cuisine, food science, and historical food traditions. It also dispels a few commonly held myths. Veganism, isn't simply the practice of a few "hippies," but is in fact widespread among elite athletic circles. Many of the top competitors in the Ironman and Ultramarathon events go even further, avoiding all animal products by following a strictly vegan diet. Anyone hungering to know what our nation has been cooking and eating for the last three centuries should own the Oxford Companion to American Food and Drink. Founded in 1642 as Great Harbor, Edgartown is the oldest of Martha's Vineyard's six townships. It has been a shire town and a center of learning, a whaling port and a fishing village, a manufacturing center and a mecca for sportsmen. Its gleaming captain's houses and majestic public buildings are a testament to the wealth that whaling brought to the island in the mid-1800s, but the end of New England whaling was far from the end of its story. Faced with the loss of the industry that had sustained it, Edgartown reinvented itself as a summer-centered community of resort hotels, bathing beaches, and genteel vacation homes. It welcomed the world to its shores and became an unlikely cultural icon--a backdrop to a best-selling memoir, a political scandal, and a blockbuster film--famous for being its inimitable self.

The Aldens are excited to work at Mr. Brown's ice cream parlor. But on their first day, an angry customer storms out, and then each night ice cream disappears from the freezer! With a rival ice cream truck attracting the store's old customers, will the Aldens be able to save Mr. Brown's business?

Wil Johnson is a typical teenager whose strong belief in all things magical is born out of the sorrow in his life. While still mourning the loss of his father, Wil meets Cassia, a mystical being from the realm of clouds, whom only he can see and hear.

**ONE OF TIME'S TEN MOST IMPORTANT NONFICTION BOOKS OF THE TWENTIETH CENTURY** In the searing pages of this classic autobiography, originally published in 1964, Malcolm X, the Muslim leader, firebrand, and anti-integrationist, tells the extraordinary story of his life and the growth of the Black Muslim movement. His fascinating perspective on the lies and limitations of the American Dream, and the inherent racism in a society that denies its nonwhite citizens the opportunity to dream, gives extraordinary insight into the most urgent issues of our own time. The Autobiography of Malcolm X stands as the definitive statement of a movement and a man whose work was never completed but whose message is timeless. It is essential reading for anyone who wants to understand America. Praise for The Autobiography of Malcolm X "Extraordinary . . . a brilliant, painful, important book."—The New York Times "This book will have a permanent place in the literature of the Afro-American struggle."—I. F. Stone

Many of Chicago's greatest or most unusual restaurants are "no longer taking reservations," but they're definitely not forgotten. From steakhouses to delis, these dining destinations attracted movie stars, fed the hungry, launched nationwide trends and created a smorgasbord of culinary choices. Stretching across almost two centuries of memorable service and adventurous menus, this book revisits the institutions entrusted with the city's special occasions. Noted author Greg Borzo dishes out course after course

of fondly remembered fare, from Maxim's to Charlie Trotter's and Trader Vic's to the Blackhawk.

A richly illustrated series of cooking manuals utilizes hundreds of full-color photographs and instructions to take readers through the fundamental steps and techniques of cooking, from the basics to more complex variations, accompanied by dozens of delicious recipes and a special "Troubleshooting" section designed to help cooks overcome problems without having to start all over again.

The author of this volume skillfully demonstrates that a vital component to understanding crime is to be able to view it as more than a single activity. James W. Messerschmidt argues that crime operates subtly through a complex series of gender, race and class practices and these interwoven elements must be seen as part of all social existence, not viewed independently.

Provides information on attractions, entertainment, shopping, dining, recreation, and lodging in Chicago.
