"You have the luck of Croesus on stilts (as my Auntie Vi would have said) if you've had the sort of career, ups and downs, warts and all that I have in that wondrous little corner of show business called musical theatre." One of the most successful and distinguished artists of our time, Andrew Lloyd Webber has reigned over the musical theatre world for nearly five decades. The winner of numerous awards, including multiple Tonys and an Oscar, Lloyd Webber has enchanted millions worldwide with his music and numerous hit shows, including *Jesus Christ Superstar*, *Evita*, *Cats*, *The Phantom of the Opera*—Broadway's longest running show—and most recently, *School of Rock*. In *Unmasked*, written in his own inimitable, quirky voice, the revered, award-winning composer takes stock of his achievements, the twists of fate and circumstance which brought him both success and disappointment, and the passions that inspire and sustain him. The son of a music professor and a piano teacher, Lloyd Webber reveals his artistic influences, from his idols Rodgers and Hammerstein and the perfection of South Pacific's "Some Enchanted Evening," to the pop and rock music of the 1960s and Puccini's *Tosca*, to P. G. Wodehouse and T. S. Eliot. Lloyd Webber recalls his bohemian London youth, reminiscing about the happiest place of his childhood, his homemade Harrington Pavilion—a make-believe world of musical theatre in which he created his earliest entertainments. A record of several exciting and turbulent decades of British and American musical theatre and the transformation of popular music itself, *Unmasked* is ultimately a chronicle of artistic creation. Lloyd Webber looks back at the development of some of his most famous works and illuminates his collaborations with luminaries such as Tim Rice, Robert Stigwood, Harold Prince, Cameron Mackintosh, and Trevor Nunn. Taking us behind the scenes of his productions, Lloyd Webber reveals fascinating details about each show, including the rich cast of characters involved with making them, and the creative and logistical challenges and artistic political battles that ensued. Lloyd Webber shares his recollections of the works that have become cultural touchstones for generations of fans: writings songs for a school production that would become his first hit, *Joseph and the Amazing Technicolor Dreamcoat*; finding the coterie of performers for his classic rock opera *Jesus Christ Superstar*; developing his first megahit, *Evita*, which would win seven Tonys Awards, including Best Musical; staking his reputation and fortune on the groundbreaking *Cats*; and making history with the dazzling *The Phantom of the Opera*. Reflecting a life that included many passions (from architecture to Turkish Swimming Cats), full of witty and revealing anecdotes, and featuring cameo appearances by numerous celebrities—Elaine Paige, Sarah Brightman, David Frost, Julie Covington, Judi Dench, Richard Branson, A.R. Rahman, Mandy Patinkin, Patti LuPone, Richard Rodgers, Norman Jewison, Milos Forman, Plácido Domingo, Barbra Streisand, Michael Crawford, Gillian Lynne, Betty Buckley, and more—*Unmasked* at last reveals the true face of the extraordinary man beneath the storied legend.

By the Tony-award winning authors of *Falsettos*, here is an energetic, sardonic, often comical musical about a composer during a medical emergency. Gordon collapses into his lunch and awakes in the hospital surrounded by his maritime-enthusiast lover, his mother, a co-worker, the doctor and the nurses. Reluctantly, he had been composing a song for a children's television show that features a frog - Mr. Bungee - and the specter of this large green character and the unfinished work haunts him throughout his medical ordeal. What was thought to be a tumor turns out to be something more operable and Gordon recovers, grateful for a chance to compose the songs he yearns to produce.

From *West Side Story* in 1957 to *Road Show* in 2008, the musicals of Stephen Sondheim and his collaborators have challenged the conventions of American musical theater and expanded the possibilities of what musical plays can do, how they work, and what they mean.

Sondheim's brilliant array of work, including such musicals as *Company*, *Follies*, *Sweeney Todd*, *Sunday in the Park with George*, and *Into the Woods*, has established him as the preeminent composer/lyricist of his, if not all, time. *Stephen Sondheim and the Reinvention of the American Musical* places Sondheim's work in two contexts: the exhaustion of the musical play and the postmodernism that, by the 1960s, deeply influenced all the American arts. Sondheim's musicals are central to the transition from the Rodgers and Hammerstein-style musical that had dominated Broadway stages for twenty years to a new postmodern musical. This new style reclaimed many of the self-aware, performative techniques of the 1930s musical comedy to develop its themes of the breakdown of narrative knowledge and the fragmentation of identity. In his most recent work, Sondheim, who was famously mentored by Oscar Hammerstein II, stretches toward a twenty-first-century musical that seeks to break out of the self-referring web of language. *Stephen Sondheim and the Reinvention of the American Musical* offers close readings of all of Sondheim's musicals and finds in them critiques of the operation of power, questioning of conventional systems of knowledge, and explorations of contemporary identity.

Evan, soon to be thirteen, is disturbed by his parents' divorce and dragged from his home in New York City to live with his mother in the Midwest, all while trying to figure out just who he really is.

"This is a fresh take on the American road story, filled with people and ideas we rarely get to see onstage...It offers two seriously rich roles for women, each with important things worth singing about...Miss You Like Hell is a powerful example of what musicals do best: explore the unprotected border where individual needs and social issues intermix." —Jesse Green, *New York Times* A troubled teenager and her estranged mother—an undocumented Mexican immigrant on the verge of deportation—embark on a road trip and strive to mend their frayed relationship along the way. Combined with the musical talent of Erin McKeown, Hudes artfully crafts a story of the barriers and the bonds of family, while also addressing the complexities of immigration in today's America.

Stephen Sondheim and James Lapine's beloved musical masterpiece becomes a major motion picture, starring Meryl Streep and Johnny Depp.

It's Bobbie's thirty-fifth birthday party, and all her friends are wondering why she isn't married. Why can't she find the right man, settle down and start a family? A breakthrough on Broadway in 1970, *Company* is Stephen Sondheim and George Furth's legendary musical comedy about life, love and loneliness, featuring some of Sondheim's most iconic songs including 'Company', 'You Could Drive a Person Crazy', 'The Ladies Who Lunch', 'Side by Side' and 'Being Alive'.

The acclaimed West End revival in 2018 was conceived and directed by award-winning director Marianne Elliott and produced by Elliott & Harper Productions. Reimagining the musical by switching the gender of several characters, including the protagonist Bobbie, played by Rosalie Craig, the production also starred Patti LuPone, Mel Giedroyc and Jonathan Bailey. It won the Peter Hepple Award for Best Musical at the 2018 Critics' Circle Theatre Awards. This edition features the complete revised book and lyrics for the production, colour production photographs, and an introduction by Sondheim's biographer David Benedict.

A treasury of lyrics includes all of the composer's works from "West Side Story" to "Sweeney Todd," and offers a rare glimpse into his creative process and relationships with other legends of the American theater.

Picking up where he left off in "Finishing the Hat", Sondheim richly annotates his lyrics

The Dramatic Story that Captivated a Generation With this new edition, the classic best-selling autobiography by the late playwright Moss Hart returns to print in the thirtieth anniversary of its original publication. Issued in tandem with *Kitty*, the revealing autobiography of his wife, Kitty Carlisle Hart, *Act One*, is a landmark memoir that influenced a generation of theatergoers, dramatists, and general book readers everywhere. The book eloquently chronicles Moss Hart's impoverished childhood in the Bronx and Brooklyn and his long, determined struggle to his first theatrical Broadway success, *Once in a Lifetime*. One of the most celebrated American theater books of the twentieth century and a glorious memorial to a bygone age, *Act One* is filled with all the wonder, drama, and heartbreak that surrounded Broadway in the 1920s and the years before World War II.

THE STORY: Growing up in an impoverished family in the Bronx, Moss Hart dreamed of being part of the glamorous world of the theatre. Forced to drop out of school at age thirteen, Hart's famous memoir *Act One* is a classic Hortatio Alger story that plots Hart's unlikely collaboration with the legendary playwright George S. Kaufman. Tony Award-winning writer and director James Lapine has adapted *Act One* for the stage, creating a funny, heartbreaking, and suspenseful play that celebrates the making of a playwright and his play *Once in a Lifetime*. *ACT ONE* offers great fun to a director to utilize over fifty roles, which can be played by a cast as few as twelve, and in a production that can be done as simply or elaborately as desired.

In his first work of narrative nonfiction, Matthew Pearl, bestselling author of acclaimed novel *The Dante Club*, explores the little-known true story of the kidnapping of legendary pioneer Daniel Boone's daughter and the dramatic aftermath that rippled across the nation. On a quiet midsummer day in 1776, weeks after the signing of the Declaration of Independence, thirteen-year-old Jemima Boone and her friends Betsy and Fanny Callaway disappear near the Kentucky settlement of Boonesboro, the echoes of their faraway screams lingering on the air. A Cherokee-Shawnee raiding party has taken the girls as the latest salvo in the blood feud between American Indians and the colonial settlers who have decimated native lands and resources. Hanging Maw, the raiders' leader, recognizes one of the captives as Jemima Boone, daughter of Kentucky's most influential pioneers, and realizes she could be a valuable pawn in the battle to drive the colonists out of the contested Kentucky territory for good. With Daniel Boone and his posse in pursuit, Hanging Maw devises a plan that could ultimately bring greater peace both to the tribes and the colonists. But after the girls find clever ways to create a trail of clues, the raiding party is ambushed by Boone and the rescuers in a battle with reverberations that nobody could predict. As Matthew Pearl reveals, the exciting story of Jemima Boone's kidnapping vividly illuminates the early days of America's westward expansion, and the violent and tragic clashes across cultural lines that ensue. In this enthralling narrative in the tradition of Candice Millard and David Grann, Matthew Pearl unearths a forgotten and dramatic series of events from early in the Revolutionary War that opens a window into America's transition from colony to nation, with the heavy moral costs incurred amid shocking new alliances and

betrayals.

A behind-the-scenes look at the making of the iconic musical *Sunday in the Park with George*. In 1982, James Lapine, at the beginning of his career as a playwright and director, met Stephen Sondheim, nineteen years his senior and already a legendary Broadway composer and lyricist. Shortly thereafter, the two decided to write a musical inspired by Georges Seurat's nineteenth-century painting *A Sunday Afternoon on the Island of La Grande Jatte*. Through conversations between Lapine and Sondheim, as well as most of the production team, and with a treasure trove of personal photographs, sketches, script notes, and sheet music, the two Broadway icons lift the curtain on their beloved musical. *Putting It Together* is a deeply personal remembrance of their collaboration and friendship and the highs and lows of that journey, one that resulted in the beloved Pulitzer Prize-winning classic.

An expanded and updated edition of this acclaimed, wide-ranging survey of musical theatre in New York, London, and elsewhere.

From the incomparable Emmy, Grammy, and Tony Award winner, a powerful and revealing autobiography about race, sexuality, art, and healing. It's easy to be yourself when who and what you are is in vogue. But growing up Black and gay in America has never been easy. Before Billy Porter was slaying red carpets and giving an iconic Emmy-winning performance in the celebrated TV show *Pose*; before he was the groundbreaking Tony and Grammy Award-winning star of Broadway's *Kinky Boots*; and before he was an acclaimed recording artist, actor, playwright, director, and all-around legend, Porter was a young boy in Pittsburgh who was seen as different, who didn't fit in. At five years old, Porter was sent to therapy to "fix" his effeminacy. He was endlessly bullied at school, sexually abused by his stepfather, and criticized at his church. Porter came of age in a world where simply being himself was a constant struggle. *Billy Porter's Unprotected* is the life story of a singular artist and survivor in his own words. It is the story of a boy whose talent and courage opened doors for him, but only a crack. It is the story of a teenager discovering himself, learning his voice and his craft amidst deep trauma. And it is the story of a young man whose unbreakable determination led him through countless hard times to where he is now; a proud icon who refuses to back down or hide. Porter is a multitalented, multifaceted treasure at the top of his game, and *Unprotected* is a resonant, inspirational story of trauma and healing, shot through with his singular voice.

"*March of the Falsettos*" is the title song of this act of the show. William Finn planned on calling the show "*The Pettiness of Misogyny*", but then he decided to go with a less direct and more subtle title, calling it "*March of the Falsettos*". But what does the title mean? The central theme of the show is the characters' lack of maturity (as they also state themselves in this song) and their journey of growing out of their childish behavior. Something that for instance Marvin needs to do to be the father Jason needs. Jason, whose voice hasn't yet changed, sings an octave higher than the other three men

throughout the show. This is the only song, that all four men sing in the same register, since Marvin, Medel and Whizzer sing in the falsetto, losing the symbol of manhood - their changed voices. None of these men have grown up yet. All of them are still very self-centered, self-involved and insist on getting whatever they want. The "March of the Falsettos" is their journey from childhood to becoming adults.

Filled with beautiful iconic numbers, including 'Send in the Clowns' and 'A Weekend in the Country', *A Little Night Music* is a romantic musical by one of our greatest living composers. It opened on Broadway at the Shubert Theatre in February 1973 in a production directed by Harold Prince, winning Best Musical at the New York Drama Critics' Circle Awards and the Tony Awards. The musical premiered in the West End at the Adelphi Theatre in April 1975. It has since enjoyed professional productions in the West End, by opera companies, in a 2009 Broadway revival, and elsewhere, and it is a popular choice for regional groups. Inspired by Georges Seurat's pointillist masterpiece, *Sunday Afternoon on the Island of La Grande Jatte*, Stephen Sondheim and James Lapine's musical celebrates the art of creation and the creation of art. In the first half of the musical, set in 1884, the people - and the animals - in the painting come to life in a world where, for the artist George, art comes before love, before everything. In the second half, a century later, Seurat's great-grandson is wrestling with the same obsessions in present-day New York. *Sunday in the Park with George* premiered on Broadway in May 1984, in a production directed by James Lapine. An earlier, incomplete version had been performed Off-Broadway at Playwrights Horizons in July 1983. The musical went on to win the 1985 Pulitzer Prize for Drama. The first London production opened at the National Theatre in March 1990. It won the 1991 Olivier Award for Best New Musical.

(Applause Libretto Library). This 1995 Pulitzer Prize-winning musical was inspired by the painting *A Sunday Afternoon on the Island of La Grande Jatte* by Georges Seurat. A complex work revolving around a fictionalized Seurat immersed in single-minded concentration while painting the masterpiece, the production has evolved into a meditation on art, emotional connection, and community. This publication contains the entire script of the musical. " *Sunday* is itself a modernist creation, perhaps the first truly modernist work of musical theatre that Broadway has produced ... a watershed event that demands nothing less than a retrospective, even revisionist, look at the development of the serious Broadway musical."
