THE WALKING DEAD will eat it up like, well, zombies munching fresh brains. A stellar debut from a novelist to watch! -Mike Mullin, award-winning author of ASHFALL, ASHEN WINTER, and SUNRISE Robert Kent's ALL TOGETHER NOW: A ZOMBIE STORY explodes with action, near escapes, flying guts (and other body parts), and bad luck for the main characters followed by even worse luck. In other words, a perfect zombie book. But the heart of this story is its realistic characters. I found myself staying up late over several nights, unable to put Ricky's tale down. -Darby Karchut, author of GRIFFIN RISING and FINN FINNEGAN When I say I found this book horrifying, I mean that in a good way. I mean it in the best way there is. There were moments in this book that completely spun me out. I read the disclaimer, but I wasn't expecting it to be as intense as it was. -Anniki's Bookcase ALL TOGETHER NOW: A ZOMBIE STORY is a book that is fast-paced, well-written and thought-provoking while still filling its pages with plenty of action, suspense, and, of course, zombie carnage. If you like zombie action combined with dark humor and a twinge of romance than ALL TOGETHER NOW is definitely for you. -Blood, Sweat, and Books This story is seriously fun, really easy to read, and the characters are easy to cheer for. And there are some fabulous one liners in this, seriously... for a zombie book, I think I laughed much more than I cringed! Well, maybe a bit, maybe not more. -Creating Serenity I was absolutely glued to my kindle till the early hours. The short chapters make it easy to read for those who just want to pick it up and put it down, but I bet you can't stop once you start. Every chapter is action-

packed, fast-paced and full of suspense, but still maintaining believability even from a 15-year-old's perspective. The action is heart-pounding, gripping, and in some places I actually found myself holding my breath while I speedily read through the pages to find out what was going to happen next... and... breathe. -Gadget Girl Reviews I found no faults with this book, it flows well, is edited well and it is wickedly smart. There are also some very good moral lessons which gives us a very good reason to share this book with the young adults in our lives. It is guaranteed to warp their young minds, and hey, isn't that how we all started to love the genre? I really cared for Ricky and Michelle, I loved the originality of the story and it was never predictable. In my opinion that deserves 5 stars. Whether you love zombies or not, I think you will really enjoy ALL TOGETHER NOW: A ZOMBIE STORY! -Horror-Web Kent doesn't pull any punches. This is a violent story, that not only shows the zombie carnage, but also how humans can be just as nasty and dangerous as zombies, if not more so. -Pearls Cast Before A McPig

In the early 1940s, young women enlisted for peacetime duty as U.S. Army nurses. But when the Japanese attack on Pearl Harbor in 1941 blasted the United States into World War II, 101 American Army and Navy nurses serving in the Philippines were suddenly treating wounded and dying soldiers while bombs exploded all around them. The women served in jerry-rigged jungle hospitals on the Bataan Peninsula and in underground tunnels on Corregidor Island. Later, when most of them were captured by the Japanese as prisoners of war, they suffered disease and near-starvation for three years. Pure Grit is a story of

sisterhood and suffering, of tragedy and betrayal, of death and life. The women cared for one another, maintained discipline, and honored their vocation to nurse anyone in need—all 101 coming home alive. The book is illustrated with archival photographs and includes an index, glossary, and timeline. Praise for Pure Grit

STARRED REVIEW "Details of many nurses' individual trials combine to form a memorable portrayal of their shared experience, one which will emotionally impact readers." --Booklist, starred review "Primary source materials, especially the movingly matter-of-fact recollections of several of the nurses and personal snapshots, bring the story to life." --Kirkus Reviews "Farrell doesn't spare her young readers any grim details . . . She includes the challenges these women faced and the joy they felt on returning home. As awful as history can be, now might be the right time to introduce the next generation to this important period." --The Washington Post "In addition to photographs and helpful maps, the page layouts include facsimiles of the nurses' letters and diaries. Young readers who enjoyed Tanya Lee Stone's *Almost Astronauts: 13 Women Who Dared to Dream* will also appreciate this story of courageous women whose story was nearly forgotten." --School Library Journal
