A burned-out trauma doctor at a crossroads returns home to help out at a small-town family practice, a coffee shop owner with a second chance at living, is she just what the doctor needs? Doctor Adam Sinclair is at a crossroads, burned-out and searching, after losing a young patient he felt he should have been able to save. He returns home to Sunset Beach searching for a way out of the dark hole he's found himself sinking into. He agrees to help out at his mentor's small-town family practice, a lot different than the fast-paced trauma units he's used to. He's not sure what life holds for him. But when he moves into a rundown beach cottage he plans to renovate and meets the ray of sunshine that is his new neighbor, his life will never be the same... Rosie Olsen nearly died and has been given a second chance at living and she is doing that full force. Spreading joy and smiles with her coffee shop and homemade muffins and other pastries, she is on a mission to change lives. But when the good-looking doctor moves in next door to her she spots a chance to help change his life. She's just not counting on how he will change her life. And make her want things she isn't sure she can handle. Can love find a way...will they risk their hearts? Unanswered questions. A sailing adventure gone wrong. The Sheridan sisters face the end of the season that changed their lives forever. Lola Sheridan is the youngest Sheridan sister: a whip-smart journalist with a flair for the dramatic. As her older sisters settle into new lives on the Vineyard, Lola demands more out of the summer season with a fantastical sailing expedition up from the Florida Keys to Martha's Vineyard. The sailor who takes her? The mysterious, dark-eyed loner, Tommy Gasbarro--the ex-stepson of the Sheridan sisters' greatest enemy. He represents so much of what went wrong in Lola's life--and knows secrets

about her mother that she was never allowed to learn. Susan continues on with her chemotherapy, and her illness remains on the forefront of the sisters' minds. Wes Sheridan grapples with his dementia, as Christine continues to find new ways to push beyond her traditional gloomy behavior. All the while, Lola's only daughter, the nineteen-year-old Audrey, inches through her pregnancy, and comprehends the depths of her mistake and what second-chances are really all about. August on Martha's Vineyard is a last grasp at the beauty of summer. As the tourist season comes to a close, the Sheridan sisters find opportunity for rest, for renewal, for strength, and for acceptance. Surrounded by crystal blue waters and white sandy beaches, they turn inward--toward one another and the memories they've kept within them for many years--to find peace, to be better lovers, to accept what came before and build something new for the future. If this season has taught them anything, it's that together, anything is possible. Come to the Vineyard, to the last of the Vineyard Sunset Series--and find out what happens to Lola, Susan, Christine, and everyone else they hold dear. Eric--part-time king, quasi-avatar, and unconventional wizard--has an epic quest before him. He must return to his lost kingdom to save it, slay a creature claiming to be a god, and navigate the terrible risks of a paradox that could undo everything! And to top it off, he's trying to raise a daughter. Well, nobody said being a vampire was going to be easy, but none of this was in the brochure! "Fugue" is the seventh book in the "Nightlord" series, following "Nightlord: Mobius."

Revised 3rd print edition An unlikely savior emerges to prevent the advent of mass destruction and genocide descending on the world... By Day Los Angeles, 2040. When the terrorist known as Medusa threatens to kill millions with a stolen nuclear bomb, Nick Jameson makes a fateful decision. He reveals himself on global television as a Daywalker - a vampire with a soul. To save Los Angeles, Nick exposes not only his own gifts but three separate cultures based on millennia-old magic. By Night The three metahuman races exist in careful balance, working to maintain a fragile peace. Nick and his fellow Daywalkers successfully master their natural bloodlust. The Sentinels, armed with both magic

and steel, repress their warlike instincts. And even some Nightwalkers, normally their natural enemies, have deserted the Court of Shadows to join the triple alliance. Nick Jameson is deeply involved with two such Nightwalkers - handsome Lorcan and powerful Rory. Both men love Nick. But neither can protect the new Ambassador to Humanity from the events he has set in motion. By the Sword Jeremy Harkness was lured into Medusa's service under false pretenses. A loner with no one and nothing to cling to, he was willing to die for his cause. But the night Medusa tried to obliterate Los Angeles, Jeremy met Nick Jameson, triggering the onset of his own psychic gifts. For Jeremy is the third race of metahuman, a Sentinel, born to kill the Nightwalkers with no quarter asked or offered. And neither Medusa nor the Court of Shadows will settle for peace when they can make war... Betrayal and treachery lurk around every corner on the road to coexistence, and at every turn, Nick must question who to trust among his metahuman allies, friends, and lovers—before their civilization is plunged into the depths of darkness and bloodshed. With millennia-old magic, emerging romance, and ever-shifting allegiances, this inventive series unveils a scintillating, homoerotic world of Nightwalkers, Daywalkers, Sentinels, and Humans, who battle for world dominance in the not-too-distant future. Solstice Dayton, a fourteen-year-old epileptic, sparks a social media apocalypse

A divorced criminal lawyer. Her first love. The island she abandoned for a better life over twenty years ago. Susan Sheridan knows Martha's Vineyard like the back of her hand. She grew up there as the eldest of the three Sheridan Sisters, their father the longtime owner of the Sunrise Cove Inn in Oak Bluffs. The Inn, the water, the sun all spun with laughter, and love, with the most important people-- her family and friends. It was her glittering, perfect life--until it wasn't. Tragedy struck over twenty years ago, and Susan has hardly said a word to her sisters or her father or anyone else she ever loved. Not until now. Her father and Sunrise Cove Inn are both falling apart, just like Susan's life. Her husband left her for the secretary at their shared law firm, and her children have their separate lives. And she's keeping her own secrets. Now it's time to go back to the island

A 6,000-Mile Marathon Through North America's Stolen Land After a childhood marked by neglect, poverty, and periods of homelessness, with a mother who believed herself to be the reincarnation of the Virgin Mary, Carrot Quinn moved out on her own. She found a sense of belonging among straight-edge anarchists who taught her how to traverse the country by freight trains, sleep in fields under the stars, and feed herself by foraging in dumpsters. Her new life was one of thrilling adventure and freedom, but still she was haunted by the ghosts of her lonely and traumatic childhood. *The Sunset Route* is a powerful and brazenly honest adventure memoir set in the unseen corners of the United States—in the Alaskan cold, on trains rattling through forests and deserts, as well as in low-income apartments and crowded punk houses—following a remarkable protagonist who has witnessed more tragedy than she thought she could ever endure and who must learn to heal her own heart. Ultimately, it is a meditation on the natural world as a spiritual anchor, and on the ways that forgiveness can set us free.

The Revelations are over; the Omega War has begun. The plot by the Galactic Union's Mercenary Guild against the Four Horsemen has culminated in an invasion of Earth. Faced with an overwhelming force, the Human mercs had no choice. They've fled, leaving Sansar Enkh to go to the Mercenary Guild headquarters on Capital Planet to

stand trial for humanity. On the run, Jim Cartwright and Nigel Shirazi have travelled to the Winged Hussars's secret base of New Warsaw, in an effort to convince Alexis Cromwell to join the fight, while the other mercenaries who escaped the fall of Earth have gone to the perceived safe haven of Karma. Alexis Cromwell is reluctant to commit to an unwinnable fight, though, and there is no safety to be found in Karma. When the Mercenary Guild Tribunal is revealed to be a sham, the Horsemen are forced to choose: is it better to hide and protect the Human race, or is it time to fight for what they believe in? All is not as it seems, though, and the galaxy stands poised on the brink of a second Great Galactic War. Vastly outnumbered, the Four Horsemen had better come up with a stellar plan, or for them, it might well be A Fiery Sunset.

When a wealthy entrepreneur is accused of murder in Los Angeles, wisecracking private eye Elvis Cole is hired to prove that the evidence was corrupted and becomes suspicious about the defense attorney's motivations. Prominent restaurateur Teddy Martin is facing charges in his wife's brutal murder. But he's not going down without spending a bundle of cash on his defense. So his hotshot attorney hires P.I. Elvis Cole to find proof that Detective Angela Rossi tampered with the evidence. Detective Rossi needs a way back to the fast track after falling hard during an internal investigation five years ago. But Cole needs to know if she's desperate enough to falsify the case against Martin in order to secure her own position. As Cole and his partner Joe Pike work their way through a tangle of witnesses and an even greater tangle of media, they begin to suspect that it's not the police who are behind the setup. The sixth book in the Elvis Cole series, *Sunset Express* is marked by Robert Crais's dark humor and edge-of-your-seat suspense.

Devin Dexter and his cousin Tommy just saved the city of Gravesend from the menace of magical, malicious Cuddle Bunnies brought to life by the warlock, Herb. But there's no rest for the wicked, as a new mysterious neighbor moves in across the street. At night. With a coffin. Tommy immediately jumps to conclusions as he thinks this can only mean one thing: Vampires. Devin isn't so quick to believe, as he is struck by the neighbor's daughter, a girl his age. Even though Tommy points out that they have never seen her during the day. Yet when she invites him to a dance at her school—the Nosfer Academy of Talented Understudies—how can Devin say no? Tommy, though, realizes that this is an opportunity. After tackling a wizard last winter, surely they can protect Gravesend from some measly vampires, right?

SEALs Don't Poach on another Team Guy's girl. Navy SEAL Andrew Carr needs a lot of mindless beach time as he comes home from his first deployment. He visits a friend he met in BUD/S at a small Florida coastal town. But what he finds is something he cannot have: another SEAL brother's girl. Aimee Greer is running from the stress in her life, and knows the beach, and the arms of her hot new boyfriend should do the trick. But when Andrew Carr comes to visit, she's not prepared for the explosive chemistry that develops between them. When Carr is forced to defend her from her past, she realizes she has found the one she's been searching for her whole life.

"We vampires are focused and tend to shape our own realities." My name is Katrina Rawlings, and I am a vampire. I declare that with neither pride nor ego. I am simply nature's most dangerous predator. On occasion, it's a very helpful quality. It helped me protect Caleb Taylor one day when he was very young. But that single, traumatic day is behind him now; wiped from his memory, or so I hope. He has finally matured into a rather striking young man, and believe me, I like what I see. I'm feeling hopeful for our future together, in fact. But an adversary from my past has returned to haunt me, and she's trying to get back at me through Caleb. That was her first...and last...mistake. I'll protect my Caleb at all costs, and I'll make her regret the day she was born. So, I suppose that I'm not just a vampire. I'm about to become someone's worst nightmare.

Humanity's thousand-year-old interstellar empire has been rotting from the inside for over a

century, thanks to venal, corrupt, and power-hungry sovereigns from a dynasty many consider illegitimate. The latest in that lineage, an increasingly psychotic empress, is pushing her realm toward catastrophic collapse as admirals and generals rebel against her rule. That rebellion quickly drags the once mighty Imperial Fleet into a devastating fratricidal conflict between factions. With civil war raging across human space, a Navy torn asunder can no longer protect frontier colonies, and barbarians long confined to the galactic badlands see an opportunity. After generations of hard existence on worlds beyond the bounds of human civilization, they hold life cheap, especially that of others. The barbarians will gladly steal everything they find and condemn defenseless star systems to technological and demographic collapse. That is if they don't wipe them out entirely from sheer bloodlust or by selling survivors on alien slave markets. One man, Captain Jonas Morane of the cruiser *Vanquish*, saw the empire's collapse coming years before the first admiral rebelled. When he finds himself the senior surviving officer of a loyalist Navy unit almost entirely annihilated by rebels, Morane puts in motion a plan he developed long ago. This plan was designed to not only save his ships and crews from certain death but keep humanity's accumulated knowledge from being obliterated by the long night of barbarism. However, before his dream can become a reality, Morane must lead the remains of the 197th Imperial Battle Group through an intricate wormhole network across a shattered empire, dodging his former colleagues from both sides, to the sanctuary he selected. Along the way, he rescues an Imperial Marine Corps Pathfinder battalion and the survivors of a religious order known for its mysticism from certain death, and enlists them in his cause. But will Morane's sanctuary survive both the flames of rebellion and the depredations of invading marauders before his rag-tag fleet can reach it? *Imperial Sunset* is the first installment in Eric

She never thought her ability to communicate with wild animals was anything more than a unique gift. But this gift is tied to a long history of secrets that threaten to shatter her one chance at true love... Laken Sumner isn't your average teenager. Ever since she realized that wild animals could hear her thoughts, she's spent more time in the woods with them than with other children. Even her wolf is a better friend to her than most people. She trusts him-so much so that she follows him out into the wilderness in the middle of the night to find a lost little boy. But the boy's disappearance is only the beginning. The one bright spot in her life is Noah Lawson, the handsome new town deputy. Charming and mature, he almost seems too good to be true. Then she meets Xander Payne, the new boy at school, who seems to know something about her. But how could that be possible? As strange things begin to happen in her sleepy New England town, Laken wonders if Xander has something to do with it. Or is it just a coincidence that danger targets her soon after he arrives?

It's time to come home, Finn. It's been seven years since Daniel Finley left his hometown in Florida for the hustle and bustle of Chicago's city life. Since then, he's worked hard for his position at the prestigious law firm Leighton & Associates, even when it's caused distance and isolation from his family and friends. But that's all about to change. On his thirtieth birthday, he receives the one thing he never dared hope for. Something that was promised to him years earlier—a note. One simple sentence from the man he's never been able to forget. Six words will forever change the course of their lives. Brantley Hayes has it all. Or so he thinks. When he first made the decision to take a job down in Florida, his family thought he was crazy. But after years of living in the quiet beach town, he finally feels a sense of community. He's surrounded himself with friends who are like family, has a job he loves, and owns a spectacular beachfront property that is his sanctuary. Yet he still feels unfulfilled, as if a piece of the puzzle is missing, and he knows exactly which piece it is. On an impulse, he follows through with a promise he made years earlier. A promise to call home the one he sent away. Nothing is as simple as it seems. After years of separation, the former lovers are reunited, but Brantley wasn't expecting to encounter the high walls now guarding Daniel's heart. Daniel may not be the same person he was when he left, but he knows that the first step to healing is the note in his hand.
