

## Sunshine

A REESE'S BOOK CLUB PICK WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD One of the Best Books of the Year NPR, Time, Esquire, BuzzFeed, St. Louis Post-Dispatch, Milwaukee Journal Sentinel A romance unexpectedly sparks between two wounded friends. A marriage ends for what seem like noble reasons, but with irreparable consequences. A young woman holds on to an impossible dream even as she fights for her survival. Two lovers reunite after unimaginable tragedy, both for their country and in their lives. A baby's christening brings three generations of a family to a precarious dance between old and new. A man falls to his death in slow motion, reliving the defining moments of the life he is about to lose. Set in locales from Miami and Port-au-Prince to a small unnamed country in the Caribbean and beyond, here are eight emotionally absorbing stories, rich with hard-won wisdom and humanity. At once wide in scope and intimate, Everything Inside explores with quiet power and elegance the forces that pull us together or drive us apart, sometimes in the same searing instant. "Haunting, profound—an answered prayer for those who have long treasured [Danticat's] essential contributions to the Caribbean literary canon." —O, The Oprah Magazine "A beautiful book. . . . Danticat's birthplace, Haiti, emerges in an almost mythic fashion. . . . She has curated this slim volume, bringing its elements together to create a satisfying whole." —The New York Times Book Review "A master of the short story form. . . . In these eight narratives of unexpected romance, personal tragedy, and family complications, Danticat's compassionate sensitivity to the ties that bind us shines through." —Esquire Immensely rewarding. . . . Clear-eyed . . . gorgeous. . . . A stunning collection that features some of the best writing of Danticat's brilliant career." —NPR

Based on the popular YouTube channel, The Haunting of Sunshine Girl has been described as "Buffy meets Veronica Mars."

The final installment of the New York Times bestselling Haunting of Sunshine Girl trilogy (based on the hit YouTube channel) about a girl who can communicate with ghosts. Is Sunshine Griffith who she thinks she is? Now that her luiseach powers are fully awakened, and having barely survived an abyss full of demons at the end of Book Two, Sunshine must figure out who-or what-has been organizing the forces of darkness against her. Thanks to her brainiac boyfriend, Nolan, they not only unearth that Sunshine's death would trigger a calamitous event, but that all civilization depends on her survival. So when an unexpected event unleashes a fierce war between the luiseach and the demon army, Sunshine will learn a shocking truth about herself. Can she bring herself to make the ultimate sacrifice to save humankind?

Describes how sunshine and the tilt of the earth's axis are responsible for the changing seasons.

"A delicious daydream of a book." —Elin Hilderbrand, New York Times

bestselling author of *28 Summers* “With lyrical writing and a page-turning plot, this sun-dappled book has it all: heart, smarts, and an irresistible musical beat.” —Karen Dukess, author of *The Last Book Party* **ONE ICONIC FAMILY. ONE SUMMER OF SECRETS. THE DAZZLING SPIRIT OF 1970S CALIFORNIA.** For Jackie Pierce, everything changed the summer of 1979, when she spent three months of infinite freedom at her bohemian uncle’s sprawling estate on the California coast. As musicians, artists, and free spirits gathered at The Sandcastle for the season in pursuit of inspiration and communal living, Jackie and her cousin Willa fell into a fast friendship, testing their limits along the rocky beach and in the wild woods... until the summer abruptly ended in tragedy, and Willa silently slipped away into the night. Twenty years later, Jackie unexpectedly inherits The Sandcastle and returns to the iconic estate for a short visit to ready it for sale. But she reluctantly extends her stay when she learns that, before her death, her estranged aunt had promised an up-and-coming producer he could record a tribute album to her late uncle at the property’s studio. As her musical guests bring the place to life again with their sun-drenched beach days and late-night bonfires, Jackie begins to notice startling parallels to that summer long ago. And when a piece of the past resurfaces and sparks new questions about Willa’s disappearance, Jackie must discover if the dark secret she’s kept ever since is even the truth at all. “An engrossing tale of secrets, memory, music, and the people and places you can never outrun. A fantastic summer read.” —Laura Dave, New York Times bestselling author of *The Last Thing He Told Me* “This book is gorgeous. A gold-drenched, nostalgic dream with a fierce female friendship at its heart.” —Marisa de los Santos, New York Times bestselling author of *I’ll Be Your Blue Sky*

New York Times bestselling author Darynda Jones is back with the first novel in the brand-new snarky, sassy, wickedly fun Sunshine Vicram series—*A Bad Day for Sunshine!* “Laugh-out-loud funny, intensely suspenseful, page-turning fun.”—New York Times bestselling author Allison Brennan “*A Bad Day For Sunshine* is a great day for the rest of us.”—New York Times bestselling author Lee Child Sheriff Sunshine Vicram finds her cup o’ joe more than half full when the small village of Del Sol, New Mexico, becomes the center of national attention for a kidnapper on the loose. Del Sol, New Mexico is known for three things: its fry-an-egg-on-the-cement summers, strong cups of coffee—and, now, a nationwide manhunt? Del Sol native Sunshine Vicram has returned to town as the elected sheriff—thanks to her adorably meddling parents who nominated her—and she expects her biggest crime wave to involve an elderly flasher named Doug. But a teenage girl is missing, a kidnapper is on the loose, and all of this is reminding Sunshine why she left Del Sol in the first place. Add to that the trouble at her daughter’s new school, plus and a kidnapped prized rooster named Puff Daddy, and, well, the forecast looks anything but sunny. But even clouds have their silver linings. This one’s got Levi, Sunshine’s sexy, almost-old-flame, and a fiery-hot US Marshal. With temperatures rising everywhere she turns, Del Sol’s

normally cool-minded sheriff is finding herself knee-deep in drama and danger. Can Sunshine face the call of duty—and find the kidnapper who's terrorizing her beloved hometown—without falling head over high heels in love...or worse? Acclaimed western storyteller Giles Tippetts brings his unique brand of justice and revenge to the Arizona territories . . . When a man of few words rides into town, his shirt soaked with blood from the bullet still lodged in his side, the people of Sunshine, Arizona, don't exactly open their doors to the stranger. Saulter's not looking for trouble, just a place to rest up and heal. But Sunshine's not as warm as the name suggests, and neither are the locals--they intend to kill the U.S. President. And Saulter's presence is very much in the way . . . Praise for Giles Tippetts and *The Bank Robbers* "Like *True Grit* . . . a small masterpiece . . . brilliantly written." --Newark News "Spine-jarring, bullet-biting intensity."--Houston Post "Tough, gutsy, and fascinating."--NY Newsday "Impressive authenticity."--Booklist

*Be Your Own Sunshine* is a collection of four works by James Allen that sum up the hows, whys and whats of taming the mind and its infinite energies, of channelizing the power of positive thinking, and striking a balance between the inner world of our thoughts as against the outer world of action. *As A Man Thinketh* maps out the way in which our thoughts can affect our physical, mental, emotional and social health. It also discusses ways in which we can use our visions and ideas to lead us to peace of mind. *From Passion to Peace* is a step by step discussion on conquering the factors within us that hinder us from achieving success. *Man: King of Mind, Body and Circumstance* aims at freeing us from the slavery of our negative and binding thoughts, enabling us to conquer our inhibitions and set our spirit free. *Foundation Stones to Happiness and Success* help us lay the foundation for a stronger self, with the right balance of thoughts, speech and its implementation in action.

This book traces the history of over 70 small airlines that operated in Florida and Georgia from the 1910s through the 1990s. "Sunshine Skies: Historic Commuter Airlines of Florida and Georgia" offers the aviation enthusiast one of the most comprehensive glimpses of what was once one of the most colorful and fascinating facets of the airline industry, the commuter. The book addresses in painstaking detail the carriers that transported passengers in some of the most classic, rare and historic aircraft to grace the skies of the Sunshine and Peach States during what was undeniably the independent commuter airline's Golden Age of the late 1960's to early 1980's. *Sunshine Skies* is complete with rare and invaluable photos of ramp, runway and in-flight operations. It also features exhaustive fleet listings, and hard to find timetable covers. Many airlines that have faded from memory and flown into extinction are here: PBA/Naples Airlines, Marco Island Airways, Shawnee Airlines, Mackey International, Air Florida, Air South, Florida Air Lines, Sun Airlines and over 70 others. "Sunshine Skies: Historic Commuter Airlines of Florida and Georgia" is a must for the serious airline aficionado and should be in the library of every airplane lover who ever stopped whatever they were doing to catch a glimpse of a PBA DC-3 lumbering across the Florida Everglades, or to watch a Martin 404 with its brilliant red, orange and yellow Air South cheat lines descend with its exaggerated nose-down attitude during finals into Brunswick, Georgia.

Left to die in an abandoned mansion as the prey of a vampire, Sunshine is stunned to find

herself unharmed and must come up with a way to save her undead host from the perils of the daylight world, in a seductive tale of supernatural desire from the Newbery Medal-winning author of *The Hero and the Crown*. Reprint.

Following the death of Mendek Rubin--a brilliant inventor who overcame the trauma of the Holocaust to live a truly joyous life--his daughter Myra found an unfinished autobiography detailing his healing journey. Myra filled in the missing pieces of her father's story, weaving it together with his wisdom and secrets to finding happiness to create *Quest for Eternal Sunshine*.

In the early 1900s, St. Petersburg, located on Florida's sunny Gulf Coast, was a place where dreams came true, where fortunes were won, and where thousands came to bask in the city's golden glow. "The Sunshine City" became its nickname and the advertising mantra that helped catapult St. Petersburg from a sleepy backwater of Tampa and a struggling rail stop to one of the nation's most popular tourist destinations. By the 1920s--often referred to as Florida's boom era--St. Petersburg saw fast and furious growth as the city's most significant institutions, buildings, and attractions came into being. Developers and promoters lured countless settlers and tourists from across the country by touting the city's many virtues and its perpetual sunshine. Almost overnight, St. Petersburg was transformed into a popular tourist mecca with a bustling downtown and waterfront, picturesque residential neighborhoods, lush parks and gardens, and the all the attractions of the day. This fascinating time was documented in both word and image by visitors, new residents, and the energetic players that made St. Petersburg boom.

Includes "Discussion guide" and "A conversation between Matthew Thomas and M.O. Walsh" (pages 309-322).

A collection of autobiographical essays that glean meaning from everyday life by the poet and author of *Tanning Season* and *Still in Soil*. *Sunshine Falls* is Kyle David Torke's beautiful, elegiac account of living in a world rich with mystery and impermanence. In twenty far-reaching, story-driven essays, we follow the author from his first love in sixth grade to the demise of his marriage thirty years later, experiencing the full potency, confusion, and promise of human interaction, loss, and triumph. In crisp, sparkling prose, Torke shines focused light into the cracks of human experience, causing us to laugh—and wince with recognition—at the awkwardness of growing up, the joys of love, the pangs of loss, and the death-defying adventure of life as we know it.

For Jackie Pierce, everything changed the summer of 1979, when she spent three months with her bohemian relatives at their sprawling California estate. As musicians, artists, and free spirits gathered there for the season, she and her cousin Willa fell into a fast friendship along the rocky beach and in the wild woods...until their summer abruptly ended in tragedy. Twenty years later, Jackie inherits the iconic estate and returns for a short visit to ready it for sale. But her plans go awry when a charming music producer shows up and convinces her to stay for the summer so his ensemble can record a '70s anniversary album there. While at first Jackie keeps to herself, as her guests bring the wild property to life again, she finds herself increasingly trading her task for campfires, late-night swims, and even a secret love. But when a heart-wrenching discovery sparks new questions about Willa and that summer long ago, Jackie must race to uncover the truth before it slips away forever.

"I leave light in these pages, so that you may find happiness in your darkest times." Many poetic works can inspire, but very few, like this one, have the power to change your life. *Eternal Sunshine* is a collection of self-help and divinely inspired poems, which provide soul lifting wisdom and guidance to aid readers with the test and trials of everyday life. The author expresses universal truths and timeless enlightenment, in a simple, yet beautiful way. Unlike other poetic works, this book also features added commentary to give the audience a deeper insight and wisdom filled summaries of each poem. *Eternal Sunshine* is composed of over 200

beautifully written poems, separated into four sections; Spirituality and Philosophy, Love & Relationships, Self-Love, and The Seeker & The Sage. It also includes an entire section of tips and practices for those wanting to learn how to love themselves more, as well as sections of poetic prayers and affirmations. For every dim day, there is a page that will lift and light your spirit with peace, love, and everlasting bliss.

A standalone contemporary dark romance with a vampire twist, from the New York Times bestselling author of *A Nordic King* and *Sins & Needles* All Lenore Warwick wants for her 21st birthday is to hang out with her friends, finish her second year at Berkeley with flying colors, and maybe catch the eye of a hot musician playing a show at a club that she can now (legally) get into. Unfortunately, fate has other plans for her. A week before her birthday, she's kidnapped by the brooding and dangerous stranger with cold eyes and a lethal touch, who has been stalking her on San Francisco's fog-shrouded streets. Absolon Stavig isn't your average criminal though. He's a centuries-old vampire who's caught between wanting to kill Lenore and wanting to save her. You see Lenore, too, is a vampire. She just doesn't know it yet. Taken by a pair of vampire slayers when she was just an infant, Lenore was raised never knowing her true nature. All Lenore knows is that she has (normal) parents who love her, that she's exceptionally smart, and she's squeamish around blood. But once she turns twenty-one, she'll fully turn into a vampire, and Solon hopes he'll be there to guide her, opening her eyes to her deepest hunger...both sexual and otherwise. But this turning can't be kept a secret. Soon both slayers and vampires are hunting Lenore, with only Solon and his unpredictable motley crew of vampires to save her. If they don't kill her first. *Black Sunshine* is a dark adult standalone romance with a paranormal twist, about sex, love, secrets, and revenge, set in contemporary San Francisco. **CONTENT WARNING:** as a vampire romance with a sexy bite, it features blood, blood play, cutting, bondage, and scenes of dubious consent

Strengthens relationships & emotional security Reinforces use of language patterns Encourages understanding of unconditional love Children need to know they are loved forever and always. The sweet, colorful scenes in this book reinforce a message of unconditional love. Make story time a time for one-on-one connection! ISBN:

Most people equate Los Angeles with smog, sprawl, forty suburbs in search of a city--the great "what-not-to-do" of twentieth-century city building. But there's much more to LA's story than this shallow stereotype. History shows that Los Angeles was intensely, ubiquitously planned. The consequences of that planning--the environmental history of urbanism--is one place to turn for the more complex lessons LA has to offer. Working forward from ancient times and ancient ecologies to the very recent past, *Land of Sunshine* is a fascinating exploration of the environmental history of greater Los Angeles. Rather than rehearsing a litany of errors or insults against nature, rather than decrying the lost opportunities of "roads not taken," these essays, by nineteen leading geologists, ecologists, and historians, instead consider the changing dynamics both of the city and of nature. In the nineteenth century, for example, "density" was considered an evil, and reformers struggled mightily to move the working poor out to areas where better sanitation and flowers and parks "made life seem worth the living." We now call that vision "sprawl," and we struggle just as much to bring middle-class people back into the core of American cities. There's nothing natural, or inevitable, about such turns

of events. It's only by paying very close attention to the ways metropolitan nature has been constructed and construed that meaningful lessons can be drawn. History matters. So here are the plants and animals of the Los Angeles basin, its rivers and watersheds. Here are the landscapes of fact and fantasy, the historical actors, events, and circumstances that have proved transformative over and over again. The result is a nuanced and rich portrait of Los Angeles that will serve planners, communities, and environmentalists as they look to the past for clues, if not blueprints, for enhancing the quality and viability of cities.

They're back! Rediscover the zaniest and most lovable characters you've ever met in the Mr. Men and Little Miss series—the best-selling, timeless, and universal books, which have sold millions of copies worldwide. Digitally available for the first time, these bright, charming books, with their easily recognizable characters, are easy enough for young readers and witty enough for adults. This fantastic read-to-me edition is read by Audie and Grammy award-winning narrator of Harry Potter, Jim Dale, who perfectly captures each character's unique voice and personality. Get ready to fall in love with Mr. Men and Little Miss books all over again or for the very first time!

"After losing their life savings in a Ponzi scheme, Maddie, Avery, and Nikki banded together to make the most of what they've got left through determination, ingenuity, guts, and a large dose of elbow grease. It's Maddie's daughter Kyra who stumbles across a once glorious oceanfront hotel that has fallen into disrepair. The opportunity to renovate this seaside jewel is too good to pass up--especially when they come up with the idea of shooting their own independent television show about the restoration. What could possibly go wrong?"--Page 4 of cover.

World-famous singer/songwriter Ryan Adams presents his second book of passionate, transcendent verse.

A modern-day crime sends folk art expert Benni Harper on a nostalgic journey back to 1978 to look at her college days and her first husband, Jack, when she discovers that an event from her own past could hold the key to solving a mystery from the present. By the author of *Steps to the Altar*. Reprint.

Set in the northern Minnesota wilderness, a timeless novel about a boy and his imaginary dog explores the legacy of guilt and blame—and what really constitutes a family. Newbery Honoree Marion Dane Bauer evokes the “summer that changed everything” in the life of a boy growing up without a mother. Since as far back as Ben can remember, it's been him, his devoted dad, and Sunshine—Ben's little dog, who rarely leaves Ben's side. It was Mom who did the leaving, and Ben's about to spend a whole week with his suddenly present mother in the wilds of northern Minnesota. On the remote island she calls home, Ben will learn to canoe, weather the elements, and weigh a burning question: when will she come back to where she belongs? A must-read for dog lovers, children of divorce, and the imaginative and outdoorsy, *Sunshine* is a poignant, ultimately hopeful story about self-discovery, facing big realities, and finally, forgiving the things—and people—you can't forget.

*Sunshine Girl* An Unexpected Life Ballantine Books

From Newbery Honor and Coretta Scott King Author Award winner Renée Watson comes the first book in a young middle grade series about Ryan Hart, a girl who is pure spirit, kindness, and sunshine. Ryan Hart has a lot on her mind--school, self-image, and especially family. Her dad finally has a new job, but money is tight. That means some changes, like selling their second car and moving into a new (old) house. But Ryan is a girl who knows how to make sunshine out of setbacks. As her brother says when he raps about her, she's got the talent that matters most: it's a talent that can't be seen, she's nice, not mean! Ryan is all about trying to see the best in people, to be a good daughter, a good sister, a good friend. But even if her life isn't everything she would wish for, when her big brother is infuriating, her parents don't quite understand, and the unexpected happens, she always finds a way forward, with grace and wit. And plenty of sunshine. Acclaimed author Renée Watson writes her own version of *Ramona Quimby*, one starring a Black girl and her family, in this start to a charming new series.

Anahera Rawiri left New Zealand at twenty-one, fleeing small-town poverty and the ghosts of her childhood with no plans to look back. But eight years later, she returns, seeking familiarity as respite from the shattered remains of her new life. And despite the changes brought on by a bump in tourism--the shiny new welcome sign at the town line and a decidedly less shiny new police presence--Golden Cove appears much as it ever was: a small settlement on the savage West Coast of the South Island, populated by all the remembered faces and set against a backdrop of lush greenery, jagged cliffs, and crashing waves. Detective Will Gallagher knows all about ghosts; his own chased him out of a promising career in Christchurch, landing him as the sole cop in a quaint town where his most pressing concerns are petty theft and the occasional drunk. When Golden Cove resident Miri Hinewai goes out for a run and fails to return, Will finds himself heading up a missing person's search that rapidly escalates into

an official investigation after this case is connected with similar ones from the past. As an outsider, Will begins to rely on Anahera's knowledge of the area and its residents to help him delve into Golden Cove's secrets, and to determine whether it shelters something far more dangerous than just an unforgiving landscape.

Illustrations and rhyming text follow the sun and moon as they shine on a young boy's day.

A small-town baker uses her magic to confront a post-vampire apocalypse world in this award-winning fantasy Neil Gaiman called "pretty much perfect." Although it had been mostly deserted since the Voodoo Wars, there hadn't been any trouble out at the lake for years. Rae Seddon, nicknamed Sunshine, head baker at her family's busy and popular café in downtown New Arcadia, needed a place to get away from all the noise and confusion—of the clientele and her family. Just for a few hours. Just to be able to hear herself think. She knew about the Others, of course. Everyone did. And several of her family's best regular customers were from SOF—Special Other Forces—which had been created to deal with the threat and the danger of the Others. She drove out to her family's old lakeside cabin and sat on the porch, swinging her feet and enjoying the silence and the silver moonlight on the water. She never heard them coming. Of course, you don't when they're vampires. Fans of Buffy the Vampire Slayer and Sookie Stackhouse will cheer for this tough and quirky heroine. In *Sunshine*, which won the Mythopoeic Fantasy Award for Adult Literature, McKinley has a vampire novel that is "a smart, funny tale of suspense and romance" (San Francisco Chronicle).

Presenting whimsical inspiration in a delightful package, *Hello Sunshine* is a charming keepsake edition of Fréya Ete's artful messages. "Enjoy this precious life," "Dance to the music of your heart," and "Never forget you are loved" are just a few examples of Freya's illustrated messages of joy and love. Freya Ete's playful and heartwarming creations are much loved and are held in private and public collections throughout the world. With *Hello Sunshine*, Freya shares her infectious childlike wonder and joyous worldview in a way that can be shared easily with others and dipped into again and again for inspiration when you need it most.

Presents the text of the famous country music song accompanied by full-color illustrations. On board pages.

Few stories in the annals of American counterculture are as intriguing or dramatic as that of the Brotherhood of Eternal Love. Dubbed the "Hippie Mafia," the Brotherhood began in the mid-1960s as a small band of peace-loving, adventure-seeking surfers in Southern California. After discovering LSD, they took to Timothy Leary's mantra of "Turn on, tune in, and drop out" and resolved to make that vision a reality by becoming the biggest group of acid dealers and hashish smugglers in the nation, and literally providing the fuel for the psychedelic revolution in the process. Just days after California became the first state in the union to ban LSD, the Brotherhood formed a

legally registered church in its headquarters at Mystic Arts World on Pacific Coast Highway in Laguna Beach, where they sold blankets and other countercultural paraphernalia retrieved through surfing safaris and road trips to exotic locales in Asia and South America. Before long, they also began to sell Afghan hashish, Hawaiian pot (the storied "Maui Wowie"), and eventually Colombian cocaine, much of which the Brotherhood smuggled to California in secret compartments inside surfboards and Volkswagen minibuses driven across the border. They also befriended Leary himself, enlisting him in the goal of buying a tropical island where they could install the former Harvard philosophy professor and acid prophet as the high priest of an experimental utopia. The Brotherhood's most legendary contribution to the drug scene was homemade: Orange Sunshine, the group's nickname for their trademark orange-colored acid tablet that happened to produce an especially powerful trip. Brotherhood foot soldiers passed out handfuls of the tablets to communes, at Grateful Dead concerts, and at love-ins up and down the coast of California and beyond. The Hell's Angels, Charles Manson and his followers, and the unruly crowd at the infamous Altamont music festival all tripped out on this acid. Jimi Hendrix even appeared in a film starring Brotherhood members and performed a private show for the fugitive band of outlaws on the slope of a Hawaiian volcano. Journalist Nicholas Schou takes us deep inside the Brotherhood, combining exclusive interviews with both the group's surviving members as well as the cops who chased them. A wide-sweeping narrative of sex, drugs, and rock 'n' roll (and more drugs) that runs from Laguna Beach to Maui to Afghanistan, Orange Sunshine explores how America moved from the era of peace and free love into a darker time of hard drugs and paranoia.

Evie needs a good holiday. Not just because she's been working all hours in her job as a receptionist for two high-powered plastic surgeons - but also because every holiday she has ever been on in her life has involved sunburn, arguments and projectile vomiting - and sometimes all three at once. Why can't she have a normal holiday, like other people seem to have - some sun, sand, sea and (hopefully) sex? So when Evie's employers invite her to attend a conference with them in the south of France, she can't believe her luck. At last, the chance to hob nob with the rich and glamorous, to party under the stars, to live the life she's dreamed about. It's certainly the holiday of a lifetime - but not quite in the way Evie imagines!

Little Miss Sunshine visits Miseryland and turns it into Laughterland.

"Sunshine Mackenzie is living the dream: she's a culinary star with millions of fans, a line of #1 bestselling cookbooks, and a devoted husband happy to support her every endeavor. And then she gets hacked. When Sunshine's secrets are revealed, her fall from grace is catastrophic: she loses the husband, her show, the fans, and her apartment. She's forced to return to the childhood home--and the estranged sister--she's tried hard to forget. But what Sunshine does amid the ashes of her own destruction may well save her life"--Amazon.com.

"Known for her outstanding performances on The Good Wife and ER, Julianna Margulies now unleashes her sharp talent with a powerful debut memoir chronicling her life and her work, examining from within, her journey from chaos to calm. "When an actor is on a long running television show, especially when the writing is superb as was the case with The Good Wife, the character becomes a second skin; they grow as you grow, they change as you change. Being an actress gives me the luxury of discovering

myself. All the feelings that came up from playing Alicia allowed me to look back at my life and tap into my own vulnerability. My personal fear of the unknown reared its ugly head as I studied this character, most likely stemming from the ever-present unpredictability of my childhood." - From the Introduction An apple-cheeked bubbly child, Julianna Margulies was bestowed the nickname "Sunshine Girl" by her mother at an early age. Raised between two divorced parents, often on different continents, Julianna quickly learned how to be of value to her eccentric mother and her absent father. Raised in fairly unconventional ways in various homes in Paris, England, New York, and New Hampshire, Julianna's role among the turmoil and uncertainty that her parents generated, was to comfort those around her, find organization among the disorder, and eventually make her way in the world as a young adult and eventually an Award-winning actress. Along the way, there were failed romances, difficult choices, and overwhelming rejections. But there was also the moment that fate, faith, and talent assembled in a perfect storm that lead to the roles of a lifetime, both professionally and personally. Sunshine Girl is an accomplished coming of age story that offers readers a rich sense of relatability as well as the intimate details of a life unimagined"--

The 50-sheet Hello Sunshine Notepad makes it easy to keep up-to-date with daily tasks. This 5 3/4" x 6 1/4" notepad features lined pages, a colorful tassel design accented with bubbles, and the text: hello sunshine, making it fun to check off your to-dos. With a variety of colors, themes, shapes, and designs, Carson-Dellosa's acid-free and lignin-free notepads provide a fun way to write notes, play games, and create to-do lists. Make sure to view other Hello Sunshine products to create a cohesive classroom theme. Schoolgirl Style's line of trendy classroom accessories helps to take the guesswork out of styling and managing classroom design. Each collection, designed by Melanie Ralbusky, offers a signature look that will transform empty spaces into extraordinary spaces for students to enjoy. The variety of décor options in the Schoolgirl Style collection makes it possible for anyone to design and decorate classrooms that inspire learning and joy!
