**Representing Shakespeare** Robert Shaughnessy,2014-07-15 This text traces the changing theatrical and cultural identity of the History plays in the context of postwar social and political conflict, crisis and change. Since the company's inception in the early 1960s, the RSC's commitment to relevance has fostered close relationships between Shakespearean criticism and performance, and between the theatre and its audiences. Through a detailed discussion of key productions, from *The War of the Roses* in 1963 to *The Plantagenets* in 1988, Robert Shaughnessy emphasizes the political dimension of contemporary theatrical representations of Shakespeare, and of the Shakespearean modes of history that these plays have been employed to promote; individualist, cyclical, male-dominated, and driven by essentialised, transcendent human nature.

**Scarlet Ribbons** Rosemary Bailey,1997 *Scarlet Ribbons* is the story of the Rev. Simon Bailey, a priest with AIDS, and the remarkable support he received from his Yorkshire mining village parish. He remained rector of Dinnington until the end: the only priest with AIDS to stay in his parish. In 1995, BBC's *Everyman* screened Simon's Cross, his story, and received a phenomenal response. In his struggle to make sense of his suffering and approaching death, Simon articulated the suffering of the many: the sick, the bereaved, those trying to come to terms with their homosexuality, other AIDS sufferers and their carers. Simon's sister, journalist Rosemary Bailey, has tried, as he did, to make some sense of his death. Her unsentimental and poignant account is a story for our time.

My father, the CEO of Ramsey Records, takes credit for all of Brad's success, trying to control him in the same way he's controlled me. But I finally get an opportunity to prove myself. To be wild. To be free. Today I'm auditioning to be the replacement bass player for Brad's band. If I get the job, I'll go on tour and work with Brad every day, in very close proximity. There's only one rule: he's not allowed to touch the boss's daughter. Remember when I said that Brad never used to notice little ol' me? Well, Brad's noticing me now. In a way that's going to get us both in trouble. My name is Lael Ramsey and we all know how this will turn out.

**William Cameron Menzies** James Curtis, 2015 He was the consummate designer of film architecture on a grand scale. He was known for his visual flair and timeless innovation, a man who meticulously preplanned the color and design of each film through a series of continuity sketches that made clear camera angles, lighting, and the actors' positions for each scene, translating dramatic conventions of the stage to the new capabilities of film. Here is the long-awaited book on William Cameron Menzies, Hollywood's first and greatest production designer, a job title David O. Selznick invented for Menzies' extraordinary, all-encompassing, Academy Award-winning work on *Gone With the Wind* (which he effectively co-directed). It was Menzies--winner of the first-ever Academy Award for Art Direction, and who was as well a director (fourteen pictures) and a producer (twelve pictures)--who changed the way movies were (and still are) made, in a career that spanned four decades, from the 1920s through the 1950s. Now, James Curtis, acclaimed film historian and biographer, writes of Menzies' life and work as the most influential designer in the history of film. Interviewing colleagues, actors, directors, friends, and family, and with full access to the Menzies family collection of artwork and unpublished writing, Curtis gives us the path-finding work of the movies' most daring and dynamic production designer: his evolution as artist, art director, production designer, and director. Here is a portrait of a man in his time that makes clear how the movies were forever transformed by his startling, visionary work.--Adapted from book jacket.
