

Swan English Grammar

Each section opens with a lively presentation page which introduces the point of grammar. Grammar explanations are short, clear and easy to remember. Colour is used to highlight grammatical contrasts. Each grammar explanation is followed immediately by an activity, so that students can practise before moving on to the next explanation. Engaging practice activities include internet exercises which enable students to see how language is used in real life, and personalisation activities allow students to use the grammar to talk about themselves. The interactive e-books allow students to do all the exercises on a tablet or computer, both online and offline. Recordings of texts provide added listening practice.

An invaluable resource helping teachers at all levels of experience to develop their understanding of English grammar. Grammar for English Language Teachers is designed to help practising and trainee teachers to develop their knowledge of English grammar systems. It encourages teachers to appreciate factors that affect grammatical choices, and evaluates the 'rules of thumb' presented to learners in course materials. Consolidation exercises provide an opportunity for teachers to test these rules against real language use and to evaluate classroom and reference materials.

Her past is coming back to haunt her. His present is haunting him. Callie Pike always considered herself the plain sister—stuck in the middle between beautiful Rory and vivacious Maddie—so she still can't believe

gorgeous perennial bachelor Donny Steel has fallen in love with her. She should be the happiest woman on the planet, and she is...but her nemesis from ten years ago seems intent on destroying her newfound bliss. Donny Steel will do anything to protect his family, even sacrifice his ethics and his own happiness. As much as he loves Callie, he knows he can't be the man she deserves—not until he solves the mysteries of his family's past and finds out who shot his father. Though the two erupt in flames whenever they're together, the secrets they both harbor could destroy any chance for a future together.

Online version of Common Errors in English Usage written by Paul Brians.

Contains rules and advice for improved effectiveness in written and oral English and a section explaining common grammatical errors

'No Nonsense Spelling' is a new complete spelling programme designed to meet the needs of the 2014 National Curriculum in a manageable way. Written by the Babcock LDP Primary Literacy team, the programme is easy to use, flexible and comprehensive, providing sufficient guidance to implement an effective spelling teaching programme from Year 2 to Year 6.

This engaging textbook bridges the gap between traditional and functional grammar. Starting with a traditional approach, students will develop a firm grasp of traditional tools for analysis and learn how SFG (Systemic Functional Grammar) can be used to enrich the traditional formal approach. Using a

problem-solving approach, readers explore how grammatical structures function in different contexts by using a wide variety of thought-provoking and motivating texts including advertisements, cartoons, phone calls and chatroom dialogue. Each chapter focuses on a real world issue or problem that can be investigated linguistically, such as "mis"-translation or problems arising from a communication disorder. By working on these problems, students will become equipped to understand and analyze formal and functional grammar in different genres and styles. With usable and accessible activities throughout, Exploring English Grammar is ideal for upper undergraduate and postgraduate students of English language and linguistics.

This advanced English grammar course features: short, clear explanations that are easy to remember; real examples to show how grammar works in practice; engaging practice activities including Internet exercises, grammar in a text, and vocabulary; grammar for reading, writing, and speaking; and a pronunciation CD-ROM.

The Good Grammar Book teaches all the grammar needed for speaking and writing in English. It explains the rules, shows how the language works, and gives plenty of practice. It can be used either with the coursebook in class or as extra practice at home.

The Collins Cobuild line was developed specifically

to meet the needs of ESL learners. The series includes a comprehensive range of dictionaries, grammar resources, and usage books featuring real English as it is written and spoken today.

Covers written and spoken British and American English and reviews grammar, usage, punctuation, and phonetics

Reading skills for advanced students.

Three-level diagnostic tests to pinpoint the problems students need to work on to become expert in English grammar and usage.

This course provides a systematic and progressive approach to advanced reading skills, covering topics such as how to read a text, guessing unknown words, understanding complicated sentences, extracting main ideas and perception of the effective use of English.

Fully revised and updated, and now available online and in print.

Practical English Usage

An English usage reference guide addresses problem points in the language as encountered by learners and their teachers, including information on grammar, vocabulary, idiom, style, pronunciation, and spelling.

Comprehensive course divided into 20 units, each focusing on a different grammar point. With glossary of grammar points, various exercises, illustrations, examples, and answers. Suitable for self-study, building vocabulary, and developing grammar skills.

Widely acclaimed by teachers and learners throughout the world, The Cambridge English Course has set new standards in course design. In three levels, from

complete beginner to intermediate, it offers: - a thorough and complete course in around 100 hours per level - the original multi-syllabus course structure¹/₄ex high levels of achievement - original, stimulating and varied topics - wide variety of exercise types¹/₄ex exposure to authentic English right from the start - detailed, explicit guidance and support for the teacher - balanced coverage of all language skills Each level consists of a Student's Book, Practice Book (with or without key), Teacher's Book, Test Book, Class Cassette Set and Student's Cassette. Split editions of each of the Student's Books in three parts are available for added flexibility.

A practical reference guide to help teachers to predict and understand the problems their students have.

The highly acclaimed 'Practice of English Language Teaching' is the essential guide for teachers of English in a wide range of contexts. The fifth edition has been revised to reflect new developments in language teaching. It explains current pedagogy to teachers who want to access the most relevant ELT practices and incorporate them into their lessons.

A book for anyone teaching English spelling, particularly those working with English language learners. This essential manual answers three challenging questions about teaching spelling: Why is there a problem with teaching and learning spelling? What can be done about it? How can this be accomplished? The first part of the book helps teachers understand the systems of English spelling and the regularities, which are not necessarily

phonological. It explores the errors that learners really make and the challenges faced by teachers. The second part outlines a fresh, new, multi-dimensional approach to teaching spelling which recognises the need for learner engagement and strategy training as well as work on the patterns found in English orthography. The final part of the book presents over seventy engaging and effective activities which are designed to develop a range of strategies and knowledge about English spelling. Correct English Usage is a unique and peerless book for those who are interested in having a written and spoken command of the English language. The fascination of this international language is unmatched. But it is replete with pitfalls which must be carefully avoided if one does not want to become a butt of laughter either in written or spoken English. Let us quote from the book itself, "A student of the English language ought to know the difference between 'English' and 'the English'." This book is a treasure house of modern and current usage in English. As one flips through the pages of the book, one gains in knowledge and confidence. The mystery of the English language unfolds itself in every page of this wonderful treatise.
