Sy Middleton, a teenager living in Manhattan, enters a secret world when he is initiated into Earth-tribe and becomes a Triber. In the Middle Realm, Tribers from Earth-, Fire-, Air- and Water-tribe train to enhance their powers and compete in monthly Lunar Festivals. The Zodiac Council has protected the Lower and Middle Realms from the Darkforce for thousands of years, but the balance of power has shifted, placing humanity at risk. The Darkforce has stolen the Book of Dreams. Sy and his friend Joshua Ryderson embark on a quest to find it...

After the planet has succumbed to self-destruction, humanity's last bastion exists in the Icarus International Space Refuge, drifting in Earth's orbit. While the governing body aboard attempts to resurrect hope for the future, the youth battle malaise in the face of being the last generation. Kyle Truman, a boy of seventeen, finds himself at odds with the captain and the Board's policies, meanwhile exploring the mystery behind the space station's boogeyman cover-up. The mad scientist Gordon Peterson is said to have gone AWOL after a disagreement with the Board over a secretive project. He lives in the vast areas of the Icarus left unoccupied, home to the nonconforming population, returning only to snatch high profile victims and splay their flesh from their bone. As Kyle comes closer to discovering the truth about the secrets lurking in the Abandoned Quarters of the Icarus, he risks his closest relationships, his physical safety, and his own sanity. All while trying to come to grips with what it means to be Human after the end of the world.

When twenty-six year old Kathleen Cooper realizes that she forfeited her dreams and aspirations of becoming a lawyer after a brash decision to run off and marry the insanely charming Aidan Cooper, she decides to regain what she lost over the course of their seven-year relationship and start fresh. With a renewed sense of hope and determination, she moves to a different city, lands a new job, and meets the handsome Benjamin Chase in a serendipitous way. But even with all of these changes and hopes of gaining a new life, Kathleen is still not happy with the person she sees in the mirror staring back at her. She is an insomniac. She generally has bad luck in just about everything she attempts. She's clumsy, and even if Prince Charming fell into her lap, she would likely push him in the opposite direction, for fear of getting hurt or worse, hurting someone else. This time she can't blame any of these things on her bad luck or her destructive marriage. This time, it's not her heart that's in danger. This time, she has much more to lose and everything to gain. Will she realize her mistakes in time to repair the damage? Will she be able to reverse her shattered self-image and discover true happiness? Will she ever find her way back to the person she was before seven years of bad luck?

A Spectacular Enhancement to the Skill System Mythic Skills introduces a system of skill exploits that take the basic tasks your skills allow you to perform and dials them up to amazing levels. In addition, every skill in the Pathfinder Roleplaying Game Core Rulebook also gets brand-new skill exploits, as well as greater exploits that only the most skilled masters would even attempt. This book contains rules for using these enhanced skills with mythic characters but also provides an alternative system for use in non-mythic Pathfinder campaigns! This system allows your characters to focus on their skills as a key part of their character construction and to invest more of their character's abilities in their character itself, rather than the character's gear or magical tools. You can use these rules generally with mythic characters, allowing them to attempt all manner of skill-based exploits, or you can limit the ability to pull off these amazing skill stunts to those mythic characters that have really invested in making their skills a key part of their character's identity. The mythic rules offer an opportunity to magnify what makes a character special, and the skills they choose to hone as part of their background narrative and throughout the course of the campaign should be just as important in defining them as their marvelous magic and fabulous feats. With Mythic Skills in your hands, your skills will be just as spectacular!"

**NALI** By Esther Henry In an era of darkness, mystery, tropical jungles and cannibalism, Nali tries to buck the ancient traditions, only to find herself deeply entrenched in them. As a young girl full of dreams, she is given to a tribal elder in marriage and quickly learns that her girlhood dreams could be shattered overnight. The rain forest held a secret refuge that only Nali knew, where she took her dreams and her delusions. Will she be forced to succumb to a subservient role the rest of her life, or can she overcome the hopelessness that comes with isolation, ignorance and tradition? Deep in the heart of New Guinea lies the village of Mendoka, beautifully camouflaged from the rest of the world. Although the village has yet to be discovered, the outside world would soon have an influence on their lives. An interruption to their peaceful simplicity would both terrify them and cause them to search for answers. Readers will be able to follow the lives of those who lived in a much simpler time and become immersed in the culture that controlled their everyday existence.
