Master storyteller, social historian, and folklorist Sybil Marshall scoured English history to bring together a fascinating collection of folk tales in one glorious edition. Out-of-print for over thirty years, Overlook is re-issuing this bewitching book to enchant a new audience. From the great mass of folk tales that exists, Sybil Marshall has chosen a wide variety of stories, retelling them with wit and suspense. We have her tales of the little people and of giants, of the Devil and the saints, and supernatural and moral tales. Let Sybil Marshall lead you through the old English countryside, exploring the beliefs and legends of time gone by. This beautiful edition, complete with wood engraved illustrations by John Lawrence, will entertain, educate, and ensnare audiences of all ages. "A compilation of vivid, sometimes fearsome stories . . . The England we visit here has no afternoon teas or jolly rounds of cricket on lovely green lawns. In these pages, the sophisticated reader steps onto older, darker soil half-soaked in blood,

superstition, and magic. . . . Wood engravings by John Lawrence deepen our sense of the blackened accretion of centuries in this fascinating collection.” —Meghan Cox Gurdon, *The Wall Street Journal*

Sybil & Cyril Jenny Uglow, 2022-12-06 From Jenny Uglow, one of our most admired writers, a beautifully illustrated story of a love affair and a dynamic artistic partnership between the wars. In 1922, Cyril Power, a fifty-year-old architect, left his family to work with the twenty-four-year-old Sybil Andrews. They would be together for twenty years. Both became famous for their dynamic, modernist linocuts—streamlined, full of movement and brilliant color, summing up the hectic interwar years. Yet at the same time, they looked back to medieval myths and early music, to country ways that were disappearing from sight. Jenny Uglow's *Sybil & Cyril: Cutting Through Time* traces their struggles and triumphs, conflicts and dreams, following them from Suffolk to London, from the New Forest to Vancouver Island. This is a world of futurists, surrealists, and pioneering abstraction, but also of the buzz of the new, of machines and speed, of shops and sport and dance, shining against the threat of depression and looming shadows of war.

Talon Sybil Bartel, 2016-03 Talon I surf. I fuck. I pretend to smile. Two years ago my life was perfect, until it wasn't. I scattered my wife's ashes then walked away from the Marines. I didn't think I had anything left to lose. I was wrong. The blonde showed up on my doorstep beaten and stabbed. I did what I was trained to do—I stitched her up. I didn't have a clue who she was and I told myself I didn't care. Until they came looking for her. I swore I'd take my last breath before I let anyone else hurt her, except I didn't know she was keeping a deadly secret. Now I had two choices, her life or mine. Marriage and combat taught me the same thing—I was no one's hero. And I was about to prove it. *TALON* is a full-length, standalone novel and is the first book in the *Uncompromising Series*. Warning: This book contains offensive language, violence and sexual situations. Mature audiences only. 18+

The Deaths of Sybil Bolton Dennis McAuliffe, David Grann, 2020-11-10 For those seeking a true family story of the Osage

Reign of Terror portrayed in *Killers of the Flower Moon* Journalist Dennis McAuliffe Jr. grew up believing that his Osage Indian grandmother, Sybil Bolton, had died an early death in 1925 from kidney disease. It was only by chance that he learned the real cause was a gunshot wound, and that her murder may well have been engineered by his own grandfather. As McAuliffe peeled away layers of suppressed history, he learned that Sybil was a victim of the systematic killing spree in the 1920s—when white men descended upon the oil-rich Osage reservation to court, marry, and murder Native women to gain control of their money. *The Deaths of Sybil Bolton* is part murder mystery, part family memoir, and part spiritual journey.

The Sibyl Pär Lagerkvist, 2011-09-21 A parable, rather than a novel in the ordinary sense of the term, *The Sibyl* is . . . a work of manifold meanings and unmistakable profundity, one that can neither be easily understood nor easily forgotten. —Granville Hicks, *The New Leader*

Diary of a Witch Sybil Leek, 1969-07 The author traces her unusual ancestry and describes her early life, witchcraft apprenticeship and psychic experiences

Carpenter's Helper Sybil Rosen, 2021-03-16 A warm, wonderful picture book that gently reminds us of the importance of respecting our natural world and highlights the joys and rewards of helping others. Join a girl as she helps a mama and papa bird build a nest in her bathroom, hatch their eggs, and teach their babies to fly away. Renata and her Papi are hard at work at renovating their bathroom. Renata can't wait to build castles of bubbles in the deep, old-fashioned bathtub. But one morning, she finds dried leaves and pine needles heaped on a shelf in the corner. How did they get there? She soon realizes that a bird has built a nest on the shelf, and inside it are four rosy eggs! Weeks pass, and Renata watches as the wrens come and go, building a home in her bathroom... until, one day, with a little help from Renata, the birds are ready to fly.

Living in the Woods in a Tree Sybil Rosen, 2017-01-09 This is an intimate glimpse into the turbulent life of Texas music legend Blaze Foley (1949-1989), seen through the eyes of Sybil Rosen, the woman for whom he wrote his most widely known song, *If I Could Only Fly*. It captures the exuberance of their fleeting idyll in a tree house in the Georgia woods during the countercultural 1970s. Rosen offers a firsthand witnessing of Foley's transformation from a reticent hippie musician to the enigmatic singer/songwriter in the Austin, Texas, music scene. His songs have been covered by Willie Nelson, Merle Haggard, Lyle Lovett, and John Prine. Thumbs up!--Merle Haggard There are no books that compete with Rosen's, and it's quite unlikely that any ever will. Rosen's time with him (and her deft telling of that time) reveals so much about the man and the music.--Peter Cooper, *The Tennessean* Poetic and gripping, this beautifully written book ends up being about Blaze, the author, the times, and the creative journey. An impressive work in every way!--Louis Black, editor, *Austin Chronicle* and executive producer of *Be Here to Love Me: A Film about Townes Van Zandt* Romantic without being cloying, *Living in the Woods in a Tree* is perhaps the most complete vision of the Duct Tape Messiah as we're likely to get, and Rosen portrays a complex, confounding subject with a simplicity and seductiveness that's all too rare.--Jim Caligiuri, *Austin Chronicle* Though

[Foley's] recorded output is scarce, his influence remains large.--New York Post Number 2: North Texas Lives of Musicians Series SYBIL ROSEN was born in Lynchburg, Virginia, and holds a BFA from the University of North Carolina-Greensboro. She recently published a collection of Blaze Foley-inspired short stories called Riding the Dog, which won the Gold Medal for Fiction/Short Story in the Readers' Favorite International Book Award Contest. A screenwriter and playwright, she has won many awards. A short documentary for which she wrote the narration was nominated for an Academy Award in that category, and while she wrote for the TV show Guiding Light, it won an Emmy for best writing. She currently lives in Whitesburg, Georgia.
