Experience Freedom from the Pain of Your Past! Many women are not enjoying an abundant, full and satisfying life because they are still imprisoned to the pain of the past. It's time to get free... and live free! In *Woman, Thou Art Healed and Whole*, Bishop TD Jakes shares words of encouragement that will heal your soul and liberate your heart. So what is holding you back from living life to the fullest? Maybe you have experienced trauma, abuse, destructive relationships, betrayal, pain from poor decisions, unforgiveness, guilt or shame. These prisons are constantly looking for souls to claim and restrain. Even though you may have already received God's forgiveness, it's time for you to start walking in the healing and wholeness He has made available to you. Get ready to experience

Heaven's healing for your past so you can start enjoying the abundant life today! From Genesis to Revelation, it is clear that the Holy Bible is, in the words of Bishop T.D. Jakes, "The Greatest Love Story Ever Told." It is not a book about religion, but relationships—from the creation of a man and a woman and their intimate relationship with God in the Garden through the tragic break in that relationship at the Fall and the eventual restoration of that relationship through Jesus Christ and His death on the cross of Calvary. Let's face it, we all have questions about relationships in life. When you lay your head down on the pillow at night, do you find these questions about your relationship with God running through your mind? How can I know God personally? Can I find peace and true contentment? What is the purpose of my life? How do I know how God wants me to live? What is prayer? Throughout our lives, we all face a long list of questions on relationships that trouble our souls and require real answers based on real truth. How do I forgive someone who has hurt me badly? Can I mend this broken relationship? When my world seems to be falling apart around me, who can I trust and in whom dare I confide? How do I know whether a person is the right one to date? Will my marriage survive? How do I nourish my child's heart? What do I do with my fears about expressing my love and care to a friend? The good news is that in God's Word we find the answers to life's bewildering relationship

questions. We are not left to figure it out on our own and in our own strength and power. You are invited to begin a lifelong journey to discovering God's words of truth for your life and relationships, and to discovering God Himself in the words of His Book!

How often have you cried out to God, Why? Why is justice perverted? Why don't people understand me? Why do the unjust prosper? The answer: Because you are anointed! Best-selling author T.D. Jakes writes, I used to have the wrong notion that when you are really anointed, you no longer have problems or rough times. But you show me anybody who's really Holy Ghost, knee-jerking, tongue-talking, casting-out-demons, laying-hands-on-the-sick, miracle-working, world-changing, mind-transforming, mind-boggling, head-straightening anointed, and I'll show you somebody who cried in the middle of the night and suffered all night long, wondering where is God. But, my friends, I have to confess that through it all I have learned to trust in Jesus. Through it all, I've learned to trust in God. Bishop T.D. Jakes continually ministers hope and healing to hurting people worldwide. Allow his message of anointing, based on Scripture and personal experiences, to wash over you with peace and quiet your questioning mind. Why? Because you re anointed!

When a woman prays, something wonderful happens. Not just to the person for whom the prayers are spoken, but also for the person praying. Prayer changes things. It is a stress-reliever. It's a chain-breaker. It's a peace-bringer, and it's necessary for every child of God no matter their age or experience. Throughout history, women have been especially powerful in taking up the mantle of prayer. It is largely the prayers of women that establish the spiritual sanctuary of their family. Praying women warriors fight against oppression and injustice. Their prayers defend the innocent and the untrained. And through their prayers they are seen as shining examples in the darkness of the world. This journal gives you the space to write out
