He opened my eyes to the world of twisted love. But love no less. This scary, beautiful man stole my heart from a young, tender age and refused to give it back. Here's our story... This story is deep, dark, and deals with real scars and growth because of them.

Nobody's Here But Us is a story about the difference between the truth and a lie; how they can mold our lives and control every aspect of us. The prologue introduces a short story that replaces the Creation story in the Bible. Instead of "In the Beginning", it uses the fairy tale words "Once upon a time." The prologue sheds a new light on the stories and fables that we have heard for most of our lives. The actual story takes place in the mid 1800's, near New Orleans, Louisiana, during slavery. The main religion in the region is Catholicism. Some of the slaves practice Voodoo and worship the African god Dhumballa. The main characters are twin freed slaves, Octavius and Octavia. Somehow, nature has given them the wrong bodies. He has more female hormones and she, more male hormones. This shows more as they get older. Their mother, Ma Onnie, bore seventeen children for her master, Jean-Claude. He grants her freedom because of the many children she has had. Her last set of twins; Octavius and Octavia have her quite worried. She has no idea how their lives will unfold because of them being "cursed with the wrong body". She sends Octavius to the church to learn the ways of the priesthood with Jean-Claude's son, Louis, and she sends Octavia to the Voodoo queen, Renee, to learn the Dark Art. Louis is confused like Octavius about his sexuality and they begin a long term relationship that continues while they are studying for the priesthood. Ma Onnie is unaware of how she has opened the gates of Heaven and Hell on Earth. The children embark upon a journey of a lifetime as they uncover many secrets and lies from the slaves and the masters of the plantation. They have to decide what is really the truth, but will they find out that the truth and a lie are only different sides of the same coin? The approaching Civil War is the Great Equalizer in the story. The thought of freedom comes with a great price. The South lost all to rebuild a new way of life for the slaves and the freemen. Truth and Freedom walked hand in hand as some of the characters in the book finally realizes their dreams

When tragedy strikes her personal life, Anna, desperate and numb, flees to the Northern California village of Mendocino to grieve. She lived there as a child with her beloved foster parents, and now she believes it might be the only place left for her. Yet the day she arrives, she learns that a local teenage girl has gone missing. The crime feels frighteningly reminiscent of the most crucial time in Anna’s childhood, when the unsolved murder of a young girl touched Mendocino and changed the community forever. As past and present collide, Anna realizes that she has been led to this moment. The most difficult lessons of her life have given her insight into how victims come into contact with violent predators. As Anna becomes obsessed with saving the missing girl, she must accept that true courage means getting out of her own way and learning to let others in. Weaving together actual cases of missing persons, trauma theory, and a hint of the metaphysical, this propulsive and deeply affecting novel tells a story of fate, necessary redemption, and what it takes, when the worst happens, to reclaim our lives—and our faith in one another.

When Edy Phelps falls hard for her best friend, she knows nothing can come from it. Forget actual chemistry, or the fact that she cherishes his mother more than her own; centuries of tradition say that Hassan Pradhan will grow up, marry the girl his parents select, and think nothing of his best friend: the dancer with the bursting smile. Except he can't. He won't. In a world erupting with possibilities for the boy with a body of steel and dreams of the NFL, everything seems promised while nothing at all is; when he's denied the girl he wants most. Two hearts. Two families devoted through generations of friendship. Could Edy and Hassan really risk all that? And yet ... how could they not?

And I'm willing to obtain that perfection...no matter the cost. So when I make my newest purchase, I expect Adeline's fate to be like all the others before her --- taking what I want and then never seeing her again. But she's different. Her beauty is disarming. And even though I promised to let her go after I took what I wanted...I slowly come to the realization that I can't. I have to break my promise to her, because she's mine now.
