This first edition of Taking Sides: Social Psychology is a debate style reader designed to introduce students to controversies in social psychology. The readings, representing the arguments of leading psychologists and researchers, reflect a variety of viewpoints and have been selected for their liveliness and substance and because of their value in a debate framework. This new title will be a beneficial tool to encourage critical thinking on important issues concerning social psychology.

[This text] is a debate-style reader designed to introduce students to controversies in adolescence. The readings, which represent the arguments of leading psychologists, adolescent health professionals, and commentators, reflect a variety of viewpoints a
