**Wild Magic** Tamora Pierce, 2009-12-08 Discover a land of enchantment, legend, and adventure in this first book of the Immortals series, featuring an updated cover for longtime fans and fresh converts alike, and including an all-new afterword from Tamora Pierce. Thirteen-year-old Daine has always had a special connection with animals, but only when she's forced to leave home does she realize it's more than a knack—it's magic. With this wild magic, not only can Daine speak to animals, but she can also make them obey her. Daine takes a job handling horses for the Queen's Riders, where she meets the master mage Numair and becomes his student. Under Numair's guidance, Daine explores the scope of her magic. But she encounters other beings, too, who are not so gentle. These terrifying creatures, called Immortals, have been imprisoned in the Divine Realms for the past four hundred years—but now someone has broken the barrier. And it's up to Daine and her friends to defend their world from an Immortal attack.

**First Test** Tamora Pierce, 2004-08-24 Kel will not allow this first test to be her last. Her adventure begins in the New York Times bestselling series from the fantasy author who is a legend herself: TAMORA PIERCE. Keladry of Mindelan is the first girl who dares to take advantage of a new rule in Tortall—one that allows females to train for knighthood. After years in the Yamani Islands, she knows that women can be warriors, and now that she's returned home, Kel is determined to achieve her goal. She believes she is ready for the traditional hazing and grueling schedule of a page. But standing in Kel's way is Lord Wyldon. The training master is dead set against girls becoming knights. He says she must pass a one-year trial that no male page has ever had to endure. It's just one more way to separate Kel from her fellow trainees. But she is not to be underestimated. She will fight to succeed, even when the test is unfair. More timely than ever, the Protector of the Small series is Anti-Bullying 101 while also touching on issues of bravery, friendship, and dealing humanely with refugees against a backdrop of an action-packed fantasy adventure. Tamora Pierce's books shaped me not only as a young writer but also as a young woman. She is a pillar, an icon, and an inspiration. Cracking open one of her marvelous novels always feels like coming home. —SARAH J. MAAS, #1 New York Times bestselling author Tamora Pierce didn't just blaze a trail. Her heroines cut a swath through the fantasy world with wit, strength, and savvy. Her stories still lead the vanguard today. Pierce is the real lioness, and we're all just running to keep pace. —LEIGH BARDUGO, #1 New York Times bestselling author

*Valley of the Soul* Tamara Siler Jones, 2006 The dour Detective Dubric Byerly returns in the third and final installment of

a trilogy of fantasy mysteries, which began with *Ghosts in the Snow* and *Threads of Malice*, to search for a killer who is mixing black magic and murder. Original.

***Irreparable*** Ginger Talbot, Leteisha Newton, 2019-12-19 Some damage cannot be fixed. Love. Faith. Honor. Trust. Devotion. These sound like tenets to live by, but at Pinnacle University, they are the kings who rule all. Five men. Five of the wealthiest successors known to man. Five cruel minds who see the world as their plaything. And me? I made the mistake of telling them no. No, I wouldn't be theirs. No, I didn't care about money. No, they'd never break me. So I've been enrolled in their school, in their kingdom, and I'm their pet. Meant to be used. Meant to be controlled. Meant to be damaged. I won't be destroyed. Not by them, not by anyone. And by the end of this, we'll all be left irreparable. Note from the authors: This is a dark reverse harem college bully romance. This is not your typical academy romance. No school walls can contain this darkness. Welcome to the Pinnacle Group Estate. If you're looking for the light, turn away now.

**Where There's a Kilt, There's a Way** Ella Stainton, 2021-03-23 This book was a total delight -- Cat Sebastian, author of *Two Rogues Make a Right* on *Best Laid Plaids* Have kilt, will travel. Sweden, 1930 Two years ago, Dr. Ainsley Graham proved the existence of ghosts and fell in love—hard to top that. But a trip to Sweden to research at a prestigious university for the summer is nothing to sneeze at, especially since his partner, psychologist Joachim Cockburn, will be teaching alongside him. A change of scenery might be just the thing. Their idyllic trip to Sweden is interrupted by a ghost with a proclivity for rude hand gestures and graphic curse words—and a ghastly history begging to be investigated. Life among the living is complicated, too, by a gruff professor who can't take his eyes off Ainsley, and an enticing new job offer for Joachim. What starts as an adventurous trip abroad turns into mayhem, murder, and...a magical moose? And everyone—well, perhaps not the moose—is a suspect in the death of the ghostly young man who brings them together to expose secrets, loves lost, and a crime that will shock them all. *Kilty Pleasures* Book 1: *Best Laid Plaids* Book 2: *Where There's a Kilt, There's a Way*

***Security Binds Her*** Jennifer Bene, 2015-03-30 Taken from work one night, Thalia is thrust into the violent, controlling world of a man she thought had been the security guard for her building, but she quickly learns that this was only a cover to get to her, to take her. As her old life is erased, the guard pushes Thalia to recognize the darker sides of herself, while Thalia endeavors to hold on to who she is. Trapped alone with her abductor, can Thalia fight to retain her sense of self, or will his small glimpses of kindness cause her to finally submit to him? 'Security Binds Her' is a dark, brutal journey that leaves readers breathless and waiting to turn the page to find out if Thalia will break, or be lost forever to the darkness around her.

***The Fall of Candy Corn*** Debbie Viguié, 2008 Candace's Halloween employment at The Zone amusement park helps her overcome her reluctance to assert herself, especially once a series of strange accidents makes some people think the place is haunted.

***Driving with the Top Down*** Beth Harbison, 2014-08-05 Three women, two weeks, one convertible: sometimes life

doesn't take you in the direction you expect... Colleen Bradley is married with a teenage son, a modest business repurposing and reselling antiques, and longtime fear that she was not her husband's first choice. When she decides to take a road trip down the east coast to check out antique auctions for her business, she also has a secret ulterior motive. Her one-woman mission for peace of mind is thrown slightly off course when sixteen year old Tamara becomes her co-pilot. The daughter of Colleen's brother-in-law, Tamara is aware that people see her as a screw-up, but she knows in her heart that she's so much more. She just wishes her father could see it, too. The already bumpy trip takes another unexpected turn when they stop at the diner that served as Colleen's college hangout and run into her old friend, Bitty Nolan Camalier. Clearly distressed, Bitty gives them a story full of holes: angry with her husband, she took off on her own, only to have her car stolen. Both Colleen and Tamara sense that there's more that Bitty isn't sharing, but Colleen offers to give Bitty a ride to Florida. So one becomes two becomes three as Colleen, Tamara, and Bitty make their way together down the coast. It's a road trip fraught with tension as Tamara's poor choices come back to haunt her and Bitty's secrets reach a boiling point. With no one to turn to but each other, these three women might just discover that you can get lost in life but somehow, true friends provide a roadmap to finding what you're really looking for.

**Cutter** Ginger Talbot, Leteisha Newton, 2020-03-10 One year ... All he asks for is one year of my life to clear out all the dirt, the muck, the messed-up way of thinking that makes me splice myself open for relief. One year of no Rani, no Pinnacle heirs, no reminders of the past, and all I have to do is say yes. Just yes. It's stupid. I know better. To say yes means there is never a chance to say no. I won't control anything in my life, least of all how I live. This one word utterly takes over, and I no longer know where to turn for help. My release, my painful savior the blade, is now gone. All that remains is Demari Sestra. He always gives me a chance, a moment before the darkness to walk away. I can, I know it, but I never do. It leaves no one to blame but me. Rani, I once warned you the world would break you if you let it. Maybe I should have followed my own advice. Note from the authors: While Cutter can be read as a standalone, the pieces may fall in place easier if Irreparable is read first. Unlike Irreparable, this is not a reverse harem, academy, or bully romance. Simply put, Allie's story is dark, twisted, and might make even the darkest hearts cringe. Remember this: most topics in the book are real-life occurrences and will evoke strong feelings. Proceed with caution and know you have been warned.

**Nobody's Fault?** Patricia Hermes, 1981-01-01 Emily likes to play baseball and tease her brother, but her happy life is interrupted when her brother has a fatal accident.

*All Our Broken Pieces* L.D. Crichton, 2020-04-07 You can't keep two people who are meant to be together apart for long... Lennon Davis doesn't believe in much, but she does believe in the security of the number five. If she flicks the bedroom light switch five times, maybe her new LA school won't suck. But that doesn't feel right, so she flicks the switch again. And again. Ten more flicks of the switch and maybe her new stepfamily will accept her. Twenty-five more flicks and maybe she won't cause any more of her loved ones to die. Fifty more and then she can finally go to sleep. Kyler Benton witnesses this pattern of lights from the safety of his tree house in the yard next door. It is only there, hidden from the unwanted stares of his peers, that Kyler can fill his notebooks with lyrics that reveal the true scars of the boy behind the oversize hoodies and caustic humor. But Kyler finds that descriptions of blond hair, sad eyes, and tapping fingers are beginning to fill the pages of his notebooks. Lennon, the lonely girl next door his father has warned him about, infiltrates his mind. Even though he has enough to deal with without Lennon's rumored tragic past in his life, Kyler can't help but want to know the truth about his new muse.
