

Taming Him Bishop Brothers Book 1

He's sexy, charming, and has a panty-melting smirk. She's swearing off men. Two weeks on the beach is what they both need—no strings attached, no expectations, no broken hearts. Alex Bishop is every girl's wet fantasy and he knows it too. After wining and dining his dates, he always sends flowers and calls the next day—even if it's to say, let's just be friends. His mama taught him manners after all and his Southern blood knows how to be a gentleman. Still, that isn't enough to tame his wild ways. River Lancaster has a broken heart and decides to fly to Key West, Florida. Tired of cheaters and liars, she's set on escaping to forget he ever existed. Who needs a man when there's an all-you-can-drink margarita bar, anyway? That's what she tells herself until she bumps into the right guy who can make all those bad memories disappear. Even if it's only temporarily. Too bad the universe has other plans—one that'll change the entire course of their lives in just nine short months.

John Bishop isn't your typical single dad. Reserved, impatient, and utterly clueless. Running the family's bed and breakfast has many perks. Working long hours, picking up after the guests, and hearing couples going at it all night long aren't any of them. Hooking up with girls who come to the ranch for horseback riding lessons? Best perk of them all. That is until a baby shows up at his doorstep with a note claiming it's his. Growing up on a ranch was anything but easy, but raising a newborn is proving to be the hardest task he'll ever tackle. Leaving the bachelor life behind, his only priority is to hire a nanny who can teach him a thing or two about parenting—except he doesn't anticipate her being gorgeous and quirky with an unhealthy football obsession. Mila Carmichael has many talents—making balloon animals, creating origami art, and remaining in the friend zone. Often seen as one of the guys, she's struck out more times than a rookie baseball player. Seeking a new adventure, she flies to Texas to visit family and is offered a position she can't refuse. Helping out a new dad should come easy to her, considering her past experience, but what she doesn't anticipate is him being an attractive Southern temptation. But that's only the beginning. While growing close to his family and falling madly in love with the baby girl who's stealing their hearts, things are bound to get complicated. Everyone knows not to mix business with pleasure. That means no late movie nights, no stolen glances, and definitely no kissing behind closed doors. Too bad the universe has other plans—one that'll threaten to take away the main thing that binds them together.

What happens when the entire world shuts down and you're quarantined in a cabin with your brother's best friend? You take every chance to make his life miserable, the same way he did yours, and most definitely don't fall in love. The Two of Us is an enemies-to-lovers, brother's best friend standalone romance set in modern-day 2020.

Needing Him is a full-length standalone novel that's filled with hilarious banter, forbidden office relations, and plenty of enemies-to-lovers drama! Let Kennedy Fox take you to the south for a fun, steamy adventure that'll surely leave your Kindles on fire! Evan Bishop is your typical hotshot doctor. Hardass, brooding, and all business. Instead of working on the family ranch, Evan broke the mold and became an ER doctor. He's good with his hands—in more ways than one—smart as a whip and is the definition of God's gift to women. Being a gentleman is in his Southern roots, but that doesn't mean he isn't flawed. Exclusive dating has never been a top priority and his tragic past makes him stay at arm's length. Deciding to let loose for a wild night, he takes a page from the Bishop brother's relationship book and hooks up with a mysterious girl he'll never have to see again, which is perfect for this self-proclaimed bachelor. Emily Bell is a city girl through and through but is determined to get away from her family and past. All she wants is a fresh start and to make a name for herself in the medical field. No random hookups and no dating coworkers—that's her new motto after being burned time and again. When she agrees to attend a wedding as a plus-one, she's soon ditched and left to drink solo—but not for long. Mr. Suit is the ultimate temptation with his Southern charm, messy blond hair, and irresistible sex appeal. Everything about him screams bad news, but he makes her reconsider her rules just for one night. After all, some rules are made to be broken. They want the same thing—one night of passion then they'll go their separate ways. No cuddling afterward. No next day phone calls. No awkward goodbyes. Too bad the universe has other plans—one that'll be obvious when they report to work on Monday morning. This is book 2 in the Bishop Brothers series. Each book features a different brother and can be read as a complete standalone. HEA guaranteed!* Not suitable for readers under 18 due to adult language and sexual content.

Settling down and starting a family is something Diesel has considered, regardless of his one-night stand reputation. However, he just might be single forever since who he wants is off-limits—his best friend's little sister. He's been in love with her for years, but betraying his friendship could ruin everything. Rowan Bishop is over men, especially after finding out her boyfriend cheated and left her heartbroken. After graduating from college, she's back home and has to face the one guy who purposely gets under her skin—her older brother's best friend. She hates that she's attracted to him, but she's willing to fight for who she wants. Spending time together is a bad idea, but neither can deny the chemistry sizzling between them. Late night talks turn into spontaneous adventures and just when Rowan's willing to admit how she truly feels, Diesel's past catches up with him and ruins their picture perfect romance. One secret turns into another and before either can grasp their new reality, more truths unravel—threatening to expose their forbidden relationship.

Drew Fisher is the type of guy every girl wants. Noble police officer by day, charming prince by night. He has no idea the effect he has on women, especially me—his little sister's best friend. I'm the blonde Southern belle who lives up to the cliché, except I have my own quirks. I'm smart as a whip, can change my own oil, and recite The Pledge of Allegiance backward, but he doesn't see that girl. It'd be easier to forget him if he wasn't my roommate and if the first thing I saw in the morning wasn't his shirtless body covered in tattoos. I've crushed on him since the day we met, but he's made it perfectly clear where we stand—just friends. I know I need to move on and accept that his feelings will never

be mutual, but every day he smiles at me, I'm left dreaming of what if. He has girl issues, and I've got a crush I can't deny. We're friends, but I want more. One drunken hookup leaves us with much more than a platonic friendship. Pretending it never happened proves to be more difficult than anticipated. A crazy ex-girlfriend, a dangerous war of stolen glances, and passionate kisses leads to the most reckless battle yet. I won't be a pawn in his game, but I'll play by his rules if it will show him I'm the one worth breaking them for. Checkmate, Prince Charming. This is book 1 in the Drew & Courtney duet and must be read first. Suggested for mature readers only.

VIVIAN BINGLEY HAS BIG PLANS FOR HER SEMESTER ABROAD IN SPAIN... Along with her BFF Maddie, Vivian hopes to indulge her inner Art History nerd by visiting the best museums in the world. She also wants to tackle more practical concerns-like a less than stellar GPA in her major, Economics-with the help of a Spanish tutor. BUT FALLING FOR HER STUDLY SPANISH TUTOR ISN'T ONE OF THEM. Madrileño Rafa Montoya is the stuff study abroad dreams are made of: super studly and super smart. He also happens to be super into Vivian. With his wicked dancing skills and his passion for the arts, he tempts her to throw caution to the wind and live out her wildest dreams. Only problem? Maddie wants Rafa, too, and Vivian promised herself she'd never settle for second best again...not after a hookup-gone-awry last semester left her heartbroken. Is it best for Vivian to protect her heart at all costs? Or is letting Rafa in worth the risk?

The last time I saw my first love was twelve years ago. We fell hard and fast, but it didn't stop me from leaving. I never expected to see her again, but when I move back to my small hometown, there's no avoiding it—especially since her dad's my new boss. The more time we spend together, the more I want a second chance to be the man she deserves. As old sparks resurface, we grow closer. Though she denies she feels the same, I notice the way her body reacts when I'm near. Gemma isn't mine—yet—but I'm willing to risk everything for her. KEEPING YOU AWAY is book 1 in the Tyler & Gemma duet and must be read first.

There's a reason they call me Wylde and it's not just because it's my last name. I might be one of the newest players on the Arizona Vengeance team, but I'm no stranger to the celebrity that goes along with being a professional hockey player. Whether it's a fan seeking an autograph or a puck bunny looking for more, I've grown used to the attention. I not only thrive on it; I use it to my advantage. Let's just say my bed is rarely empty. When a quirky redhead at the local bookstore stops me dead in my tracks, I decide to pop in and turn on the trusty Wylde magic. As smart and strong-willed as she is beautiful, Clarke Webber isn't swayed by my witty banter or charming good looks. And when she realizes who I am and the fame that comes along with it, she likes me even less. Thankfully, I'm always up for a challenge. The more I get to know about her, the more I know my playboy days are behind me. If I'm going to capture Clarke's heart, it's time to be a lot less Wylde, and a lot more Aaron.

Although Tyler's her best friend's brother, Gemma can't deny the way she's always felt about him. While he's in the military, they exchange letters and their friendship transforms into something much more. After spending a summer between the sheets, Tyler leaves town. Devastated and heartbroken, Gemma tries to move on. She's constantly reminded of the lifelong memories they made and the love she lost. Twelve years later, Gemma's about to settle down and start a family, but it's not until Tyler returns to Lawton Ridge that turns her world upside down. Tyler's never forgotten about his first and only love—the one woman who's held his heart. When he starts working for her father's business, the last thing he anticipates is still having feelings for Gemma. He's only ever wanted her to be happy, but now that she's engaged to a man who's all wrong for her, he can't stay away. He'll risk everything to protect her. The Tyler & Gemma duet includes Keeping You Away & Needing You Close. Suggested for mature readers only.

Rachel was away for her first year in college. She had remained a virgin all through high school and was tired of waiting for the right one to come along. Brad was her best friend's brother and two years ahead of her in school. He was tall, muscular, and extremely sexy. Rachel had a huge crush on Brad when she was younger. He was the one who kissed her for the very first time. When she went to high school, she saw a side of him that she didn't like. He was arrogant and extremely cocky. Being the star of the football team gave him many advantages, and those advantage went straight to his head. When Brad left for college, Rachel was able to avoid seeing him for two wonderful years. She was thrilled and had no intention of seeing him anytime soon. Home for the Thanksgiving holiday, Rachel hoped she could continue to avoid him. What if he wouldn't let that happen? Would all of her feelings come rushing back, or would she remember who he really was? When faced with the chance of being with the only guy she ever loved, would she give into those old feelings, or would she walk away?

Never trust a man who wears nothing more than a cowboy hat and ripped jeans who asks if you'd like to save a horse and ride a . . . well, you get the picture. That should've been enough for me to walk away. I've been warned on several occasions about southern men—with their sexy accents, charming manners, and the ability to easily get any woman in bed—which is something I'll be avoiding. Being a professional photographer has many perks—traveling around the world, calling all the shots, and working with subject matter that isn't bad to look at—but Colton Langston with his washboard abs and baby blue eyes, could care less about my current project. He's trouble, I know it, and he's determined to make me work for every single photo. When I'm forced into riding lessons, I get way more than I ever bargained for, and by the time my trip is over, I'm in too deep. Being with him was thrilling, but falling for him was unpredictable. And ignoring him will be impossible.

Working on the ranch and settling down is all Grayson's ever wanted in life. When he meets the woman who could make that a reality, he learns she hates him with every fiber of her being. He knows she's being unreasonable since their bickering is the hottest foreplay he's ever had. Mackenzie Bishop's an elementary school teacher and can tolerate a lot until it comes to Grayson. He may act like he doesn't remember what he did, but Kenzie will never forget. Not when the memory of that night still lingers in her mind years later. She denies her attraction, but she can't hide it forever, especially when there's no escaping him. Although she refuses to give him the time of day, they form a truce, and everything changes—just not in the way he expected. **Winning the Cowboy is a complete stand-alone and can be read without reading any of the other books or spin-off series, but if you prefer to read in order, start with Hitching the Cowboy as the characters and families do interconnect.**

L'ho vista prima io. Bionda. Stupenda. Briosas. Ero completamente rapito. Ma non aveva importanza, perché ho capito di aver perso la mia occasione quando l'ho vista uscire mezza nuda dalla stanza del mio migliore amico. Adesso siamo coinquilini e passiamo le giornate a litigare. Ma nonostante tutto, non riesco a smettere di pensare a lei in modi troppo pericolosi. Per poterla finalmente dimenticare dovrei traslocare, ma il mio egoismo mi trattiene qui. Quando una tragedia inaspettata si abbatte su di noi, invece di allontanare Lennon la tengo sempre più vicina. Ma proprio quando impariamo a convivere con questa nuova realtà, fa una scoperta che cambierà la vita di entrambi. Devo dunque prendere la decisione più difficile della mia vita — restare soltanto amici o confessarle il mio amore e rischiare tutto.

Jackson Bishop is your typical playboy. Unpredictable, charming, and overly confident. Growing up in Texas, the ranch life is all he's ever known. Horses and late night partying are his lifestyles, and all the local girls know it too. Riding lessons aren't the only things taught at the stables, and he makes sure clients never leave unsatisfied. Everyone knows Jackson's a wild card, but not everything is as it seems. He may be a womanizer on the surface, but he's hiding deep feelings about the one who's had his heart since he was a teen. Unfortunately, it's not as simple as roping her in and claiming her as his. Kiera Young is well-known for her sassy nature and outgoing personality. Though she's one of the best horse trainers in the area, she's never

been able to tame her best friend and the man she's secretly loved since she was fifteen-Jackson Bishop. She's waited years for him to confess his true feelings but as time goes on, she decides she's done waiting. Kiera finally meets a man who promises to give her the world, and when he pops the question, she says yes-knowing they're both ready to settle down and start a family. Even if her heart beats for another man. Jackson's certain he's lost Kiera for good and has no one to blame but himself. However, on the day of her wedding, he can't bring himself to watch the woman he loves walk down the aisle to someone else. Kiera's already having second thoughts and knows she can't get married without his support. It's not until she's at the altar that she realizes she can't let Jackson go and will do whatever it takes to keep him-even if it means running out on her own wedding.

AuroraOne look at Grant Riggins standing in my bakery looking at me like I'm his last meal is enough to know I'm in way over my head.He's relentless in his pursuit. The kind of man I could get lost in. But Grant makes me wish for things I can't have.I've finally got my life back. The last thing I need is to fall for the first man to give me a second glance, even if he does seem sincere in his efforts to win me over.GrantAurora Steele smiles shyly across the counter, captivating me with her warm hazel eyes and effortless beauty.Her bakery is filled with mouthwatering treats, but the thing I crave the most is not on the menu. I know one taste of Aurora will never be enough.She's different than other women, and she's definitely immune to the Riggins charm. But I'll prove to her I'm different too, and kiss by kiss, I'll make her mine.Play by Play - Free PrequelLayer by Layer - Now AvailablePiece by Piece - Now AvailableKiss by Kiss - Now AvailableTouch by Touch - Pre-order

"A sexy NHL player, a sassy heroine, and a heartfelt romance that kept me engaged from beginning to end!" — NYT bestseller Mia Sheridan Hockey is my life. And it's a great one. There's an endless line of women, and I get to hang with my best friend Oli. Everything is perfect until she shows up. Oli's twin sister, Flynn...hates my guts. I don't blame her. I'm part of one of the worst nights of her life. Now she's next door and seeing her every day is killing me slowly. I wonder if we can ever get back to being friends. The way she looks at me sometimes, well, let's just say my hockey stick isn't the only thing that's feeling hard these days. But if she finds out the secrets I'm keeping, forgiveness will be the last thing on her mind.

Never trust a man who answers the door wearing nothing more than a pair of low-cut jeans and a panty-melting smirk. That should've been my first sign. I write about guys like him for a living--sexy and charming, yet reluctant to get into a serious relationship. His body screams sex appeal, but his condescending personality makes him a classic f*ckboy. And I want nothing to do with that. Writing romance novels comes with its perks-traveling, meeting new people, creating characters from the voices in my head-but Ethan Rochester enters my life and rearranges my preconceived notions about writing what inspires you. Meeting him was fate, but falling for him was inevitable. And forgetting him will be impossible.

I knew within moments of meeting Mason Holt that he would change my life forever. I just didn't realize how much. As my world spirals out of control, he continues to protect and take care of me. Being just friends is all he's been able to offer, but when a life-changing event happens, our relationship blossoms into something more. When I think we can finally be together, someone threatens to tear us apart. I'm not the same girl Mason met years ago, but I'm determined to fight for what I've always wanted-him. TRULY YOURS is book 2 in the Mason & Sophie duet and must be read in order.

Travis King is the worst kind of asshole.He taunts me for being a good girl and mocks my high standards. He's cruel, crass, and has enough confidence to last two lifetimes. And I hate him.It wouldn't matter so much if he were avoidable. But considering he's my older brother's best friend and roommate, I see him more than I'd ever want to.His sculpted abs and gorgeous eyes are wasted on such an arrogant man, which makes me hate him even more.Even though I've had a crush on him since I was ten, the feelings weren't mutual and he's always made that very clear.He's always loved getting under my skin and one night against my better judgment, I let him in my bed. I've succumbed to his manwhore ways, but that doesn't change a thing.Because the King is about to get played at his own game-and lose.Checkmate.

Alison Dashford Reid wants three things for her twenty-first birthday: a trip to New York City, a break from her steeped-in-scandal family, and for her sister's much older bodyguard to take her virginity. Scott Mayfair-ex-Navy SEAL, ex-spy-doesn't like losing control of his life. So when his accounts are locked after a dust up with the British Government, he doesn't turn to his family, of Mayfair Enterprises wealth. He gets a job running security...and Ali Reid twirls into his life. She's lovely and light, pure goodness, and is hell bent on seducing him. His life is complicated to say the least. But when she texts him at four in the morning, he can't say no.

Three brothers and their relations in 19th century Russia provide the base for a sweeping epic overview of human striving, folly and hope. First published in 1880, The Brothers Karamazov is a landmark work in every respect. Revolving around shiftless father Fyodor Pavlovich Karamazov are the fates of his three sons, each of whom has fortunes entwined with the others. The eldest son, Dimitri, seeks an inheritance from his father and becomes his rival in love. Ivan, the second son, is so at odds with the world that he is driven near to madness, while the youngest, Alexi, is a man of faith and a natural optimist. These personalities are drawn out and tested in a crucible of conflict and emotion as the author forces upon them fundamental questions of morality, faith, reason and responsibility. This charged situation is pushed to its limit by the addition of the unthinkable, murder and possible patricide. Using shifting viewpoints and delving into the minds of his characters, Dostoevsky adopted fresh techniques to tell his wide-reaching story with power and startling effectiveness. The Brothers Karamazov remains one of the most respected and celebrated novels in all literature and continues to reward readers beyond expectation. With an eye-catching new cover, and professionally typeset manuscript, this edition of The Brothers Karamazov is both modern and readable.

She hates him. He loves getting under her skin. Travis King is the worst kind of a**hole. He taunts me for being a good girl and mocks my high standards. He's cruel, crass, and has enough confidence to last two lifetimes. And I hate him. It wouldn't matter so much if he were avoidable. But considering he's my older brother's best friend and roommate, I see him more than I'd ever want to. His sculpted abs and gorgeous eyes are wasted on such an arrogant man, which makes me hate him even more. Even though I've had a crush on him since I was ten, the feelings weren't mutual and he's made that very clear. He's always loved getting under my skin and one night against my better judgment, I let him in my bed. I've succumbed to his manw**re ways, but that doesn't change a thing. Because the King is about to get played at his own game-and lose. Checkmate, King. This is book 1 in the Travis & Viola duet and must be read first.

Suggested for mature readers only.

I don't love him. I don't even like him. I just want him. Eli Loveless was my nemesis from the first day of kindergarten until we graduated high school. Everything I did, he had to do better - and vice versa. The day he left town was the best day of my life. Ten years later, the day he came back was the worst. Now he's my co-worker. Grown-up Eli Loveless is sexy as sin. He's hotter than asphalt in the summer. The irritating kid I once knew is gone, and he's been replaced by a man with green eyes, perfect abs, and a cocky smile. It's bad that I want him. It's worse that he wants me back. There are looks. There are smirks. There are smiles that make my panties burst into flame. And then there's a shared kiss that leads to the hottest night of my life. This is no office romance. This is a five-alarm fire. What's a girl to do when the man I can't stand is the one I can't stop lusting after? Enter into a friends-with-benefits agreement, of course. No dates. No relationship. Just blisteringly hot sex, because if there's one person I could never fall for, it's Eli. ...right?

Records the courage and self-reliance of an Indian girl who lived alone for eighteen years on an isolated island off the California coast when her tribe emigrated and she was left behind. Jennifer Nolan has been unlucky when it comes to love; even more unfortunate when it comes to sex. In fact, the twenty year-old college junior is about to enter her senior year still carrying her v-card. All she wants is to be with that special someone without it resulting in a trip to the emergency room, runaway office supplies, or being scarred for life by someone's weird fetishes. With several botched attempts under her belt, she begins to fear she'll end up a lonely spinster or a crazy cat lady. With only 60 days until her 21st birthday, Jennifer is determined to lose her virginity once and for all. Little does she know that her mission will lead her down a path toward love. She never expects that her mission will lead her to a discovery of what true womanhood is, and where true and lasting love begins.

Wedding bells are the last thing on twenty-two year old Riley Bishop's mind, but that's exactly what he hears after waking up in Vegas next to a woman he just met-his new wife. He never saw her coming, but she might be worth the risk. Zoey Mitchell is high on life, free spirited, and adventurous. However, learning she married a rowdy cowboy after a night of partying is not what she expected-even for her. She's risking it all, gambling with her heart. Deciding to give their instant marriage a chance, Zoey moves from her big city life to a small town Texas ranch. She has to know if their connection is based on more than just a wild one-night stand before announcing to her family that she got hitched. One moment changes everything-for better or worse-and a secret could destroy them both.

Tommy and Nathan Bishop are as different as two brothers can be. Carefree and careless, Tommy is the golden boy who takes men into his bed with a seductive smile and turns them out just as quickly. No one can resist him--and no one can control him, either. That salient point certainly isn't lost on his brother. Nathan is all about control. At thirty-one, he is as dark and complicated as Tommy is light and easy, and he is bitter beyond his years. While Tommy left for the excitement of New York City, Nathan has stayed behind, teaching high school English in their provincial hometown, surrounded by the reminders of their ruined family history and the legacy of anger that runs through him like a scar. Now, Tommy has come home to the family cottage by the sea for the summer, bringing his unstable, sexual powder keg of an entourage--and the distant echoes of his family's tumultuous past--with him. Tommy and his lover Philip are teetering on the brink of disaster, while their married friends, Camille and Kyle, perfect their steps in a dance of denial, each partner pulling Nathan deeper into the fray. And when one of Nathan's troubled students, Simon, begins visiting the house, the slow fuse is lit on a highly combustible mix. During a heady two-week party filled with drunken revelations, bitter jealousies, caustic jabs, and tender reconciliations, Tommy and Nathan will confront the legacy of their twisted family history--their angry, abusive father and the tragic death of their mother--and finally, the one secret that has shaped their entire lives. It is a summer that will challenge everything Nathan remembers and unravel Tommy's carefully constructed facade, drawing them both unwittingly into a drama with echoes of the past. . .one with unforeseen and very dangerous consequences. "There are undercurrents of tragedy and emotional scarring at work that take the story to disturbing places. . .Yates puts his novel together like a one-two punch and makes it readable. . .you can't put it down." --Edge Magazine

Drew Fisher is the type of guy every girl wants. Noble police officer by day, charming prince by night. He has no idea the effect he has on women, especially me—his little sister's best friend. I'm the blonde Southern belle who lives up to the cliché, except I have my own quirks. I'm smart as a whip, can change my own oil, and recite The Pledge of Allegiance backward, but he doesn't see that girl. It'd be easier to forget him if he wasn't my roommate and if the first thing I saw in the morning wasn't his shirtless body covered in tattoos. I've crushed on him since the day we met, but he's made it perfectly clear where we stand—just friends. I know I need to move on and accept that his feelings will never be mutual, but every day he smiles at me, I'm left dreaming of what if. He has girl issues, and I've got a crush I can't deny. We're friends, but I want more. One drunken hookup leaves us with much more than a platonic friendship.

Pretending it never happened proves to be more difficult than anticipated. A crazy ex-girlfriend, a dangerous war of stolen glances, and passionate kisses leads to the most reckless battle yet. I won't be a pawn in his game, but I'll play by his rules if it will show him I'm the one worth breaking them for. Checkmate, Prince Charming. This is book 1 in the Drew & Courtney duet and must be read first. Suggested for mature readers only.

Never trust a man who answers the door wearing nothing more than a pair of low-cut jeans and a panty-melting smirk. Being a romance novelist comes with its perks but when Ethan Rochester enters my life and interrupts my solo writing retreat, my world turns upside down. I write about guys like him for a living-sexy and charming, yet reluctant to get into a serious relationship. His body's the ultimate temptation, but his condescending personality makes him a notorious heartbreaker. When we're forced to be neighbors, he makes me forget my rules, and soon my upcoming deadline isn't the only thing I'm dreading. *Can be read as a complete stand-alone! Formally titled Falling for the Bad Boy. Content has not changed.*

#1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University "An amazing story, and truly inspiring. It's even better than you've heard."—Bill Gates NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR • BILL GATES'S HOLIDAY READING LIST • FINALIST: National Book Critics Circle's Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got

himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home. "Beautiful and propulsive . . . Despite the singularity of [Westover's] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?"—Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • BookRiot • Pamela Paul, KQED • New York Public Library

Tired of "swiping left?" Let Cupid's Bow pick your perfect match. I've created the best dating app in the industry. No pictures until you're an emotional match. I've got to test it out for myself. I'm matched with a complete stranger - and I'm loving every minute. She gets me. The real me. Not the a\$\$hole most people see. The more we talk, the more her picture clears up. It's exhilarating, until I realize she's my newest employee. She's off-limits, and we can't stand each other. But our connection is tearing down the fortress around my feelings. This thing we have could cost me everything. Cost her everything. I'm beyond caring. Beyond stopping. I'll have her, no matter the costs. Will she have me after everything I've done?

I saw her first. Blonde. Gorgeous. Feisty. I was captivated. But it didn't matter because when she walks out of my best friend's bedroom half-naked, I know I've lost my chance. Now we're roommates and constantly fighting about our living arrangements. Though we argue about everything, I can't stop thinking about her in all the wrong ways. I should move out so I can finally get over her, but the selfish part of me can't let go. When tragedy strikes, we're left to deal with it together. Instead of pushing her away, I pull her closer. Just as we come to terms with our new reality, she reveals a life-changing event that affects us both. And I'm left to make the hardest decision of my life-remain friends or confess my feelings and risk it all. I saw her first. Blonde. Gorgeous. Feisty. I was captivated. But it didn't matter because when she walks out of my best friend's bedroom half-naked, I know I've lost my chance. Now we're roommates and constantly fighting about our living arrangements. Though we argue about everything, I can't stop thinking about her in all the wrong ways. I should move out so I can finally get over her, but the selfish part of me can't let go. When tragedy strikes, we're left to deal with it together. Instead of pushing her away, I pull her closer. Just as we come to terms with our new reality, she reveals a life-changing event that affects us both. And I'm left to make the hardest decision of my life-remain friends or confess my feelings and risk it all. Baby Mine is book 1 in the Hunter & Lennon duet and must be read first.
