

Tantra Per Due Una Guida Per La Felicità Sessuale Della Coppia

David Deida

Tantra per due. Una guida per la felicità sessuale della coppia Elmar Zadra, Michaela Zadra, 2000

Sesso Tantrico Milton Welch, 2022-09-16 Ne hai abbastanza di film d'azione senza cervello e sei pronto a provare qualcosa di nuovo? In linea di principio, migliorare la tua vita sessuale è molto più facile di quanto non lo sia in pratica. A causa delle difficoltà della vita moderna, potrebbe essere difficile per un individuo evadere da pratiche sessuali consolidate. Avere una vita sessuale sana insieme al tuo partner è come la colla, che avvicina ancora di più voi due l'uno all'altro. La tua connessione diventerà più forte e la tua vicinanza aumenterà in proporzione diretta alla gratificazione dei tuoi incontri sessuali. Se ritieni che sia giunto il momento di ampliare i tuoi orizzonti e provare qualcosa di diverso per cambiare, un'opzione da considerare è il sesso tantrico. Il sesso tantrico si distingue dalle altre forme di espressione sessuale per la sua enfasi, piuttosto che per la velocità, la connessione e il flusso dell'energia sessuale. È un livello più elevato di felicità sessuale che va oltre la semplice capacità di penetrare l'un l'altro e comprende molto di più. Questo libro ti instruirà sui principi del sesso tantrico, inclusa la sua storia (è una pratica che esiste da 5000 anni), come iniziare, posizioni di base con immagini e una grande quantità di altre informazioni. Alcuni individui hanno riportato orgasmi che durano per un lungo periodo di tempo dopo aver provato il tantra per la prima volta nella loro vita. Questi individui includono sia uomini che donne. Sei disposto a provarlo e vedere come va?

Amore e tantra. Un percorso pratico per la felicità di coppia Stefano Ananda, Corienne Ananda, 2021

Tantra e meditazione Elmar Zadra, Michaela Zadra, 2012-11-28 L'energia dell'amore e la gioia dei sensi Il tantra libera la testa da tutti i pensieri, mina la logica, capovolge verità e principi, sradica tutte le convinzioni su noi stessi e sul mondo. Il tantra è un'antica pratica orientale che conduce alla scoperta del proprio corpo come strumento di conoscenza e consapevolezza di sé. Elmar e Michaela Zadra, attraverso semplici esercizi di meditazione quotidiana, ci insegnano a vivere intensamente le emozioni, a espandere la coscienza e a sperimentare i rituali che portano all'estasi sessuale. Partendo dall'esplorazione del proprio corpo e della propria mente - attraverso pratiche che spaziano dalle micro-meditazioni alla consapevolezza del respiro, fino alle visualizzazioni -, ci portano ad approfondire le dinamiche della vita di coppia e a

migliorare la propria esperienza sessuale. Nella via del tantra, il lato passionale ed erotico dell'esistenza diventa un canale privilegiato per sperimentare l'estasi sacra che si realizza quando l'uomo trova il suo sé più profondo.

Sesso tantrico Milton Welch,2022-09-04 Sei stufo di guardare film d'azione senza cervello e sei pronto a provare qualcosa di diverso? Migliorare la tua vita sessuale è molto più semplice in teoria che in pratica. Le sfide della vita moderna rendono difficile uscire dai propri schemi sessuali consolidati. Avere una vita sessuale vibrante con il proprio coniuge è come un agente di legame, che avvicina ancora di più voi due. Più soddisfacenti sono le tue esperienze sessuali, più sei vicino l'uno all'altro e più forte sarà la tua connessione. Il sesso tantrico è un'opzione da considerare se ritieni che sia il momento di espanderti e provare qualcosa di nuovo. Il sesso tantrico è caratterizzato dalla sua enfasi sulla connessione e sul flusso di energia sessuale piuttosto che sulla velocità. È un livello più grande di felicità sessuale che va oltre la semplice penetrazione e comprende molto di più. Questo libro ti insegna i fondamenti del sesso tantrico, inclusa la sua storia (è una pratica che esiste da 5000 anni), come iniziare, posizioni di base con i disegni e molto altro ancora. Alcuni uomini e donne, dopo aver scoperto il tantra per la prima volta nella loro vita, riferiscono di avere molti orgasmi che durano per un lungo periodo di tempo. Sei pronto a provarci?

Tantra Ashley Thirleby,2019-01-23 Per avvicinarsi all'antica saggezza orientale e alla sua pratica. L'antica cultura indiana considera la sessualità in modo diverso da quello di altre civiltà: il sesso non soltanto è ritenuto esperienza normale e necessaria, ma addirittura ha valore sacro. È per questo che le proposte degli antichi maestri del Tantra Yoga, che innalza l'atto sessuale a "via per l'illuminazione", quindi priva di qualsiasi traccia di inibizione o senso di colpa, possono apparire al lettore occidentale come troppo spregiudicate e lontane, inutilizzabili se non a livello di gioco o di curiosità. Ashley Thirleby invita piuttosto a calare alcune tecniche e alcuni rituali del Tantra nella realtà sessuale quotidiana, non solo come fonte di piacere immediato o ricerca mistica, ma come momento di acquisizione di una nuova coscienza del proprio corpo e delle emozioni più profonde.

The Enlightened Sex Manual David Deida,2009-04 In the area of sacred intimacy, David Deida is holding a lightning bolt. He sheds an astonishing light."---Marianne Williamson, Author of A Return to Love.

The Kama Sutra Vatsyayana,2022-12-26 One of the best English translations of this ancient Indian treatise on politics, social mores, love, and intimacy are the Kama Sutra, which Mallanaga Vatsyayana wrote in the second century CE. Its clean presentation raised the bar for Sanskrit translation. The Kama Sutra is a unique combination of sexology, society, psychology. It has been hailed as a great work of Indian literature for more than 1,700 years and has served as a window for the West into the mysticism and culture of the East. The Kama Sutra, a prehistoric Indian literature, is regarded as the most important

Sanskrit study of human sexuality. The Kama Sutra remains one of the most accessible and entertaining of all the ancient classics, having been written with frankness and unassuming simplicity. The Kama Sutra is so significant as a work of philosophy, psychology, sociology, theology, science, and sexology that it simultaneously had an impact on Indian civilization and remained a crucial component in understanding it.

Physiology of Love and Other Writings Paolo Mantegazza, 2008-02-16 Physician, anthropologist, travel writer, novelist, politician, Paolo Mantegazza (1831-1910) was probably the most eclectic figure in late-nineteenth century Italian culture. A prolific writer, Mantegazza can be seen as a forerunner of what has come to be known as cultural studies on account of his interdisciplinary approach, his passionate blend of scientific and literary elements in his writings, and his ability to transcend the boundaries between 'high' and 'low' culture. Though extremely popular during his lifetime both in Italy and abroad, Mantegazza's works have not been made available in a significant English language compilation. This volume is a representative overview of Mantegazza's key works, many of them translated into English for the first time. In addition to the unabridged *Physiology of Love* (1873), a veritable best-seller at the time of its initial publication, this compilation features selections from Mantegazza's writings on medicine, his travelogues, his epistolary novel *One Day in Madeira* (1868), and his treatise on materialistic aesthetics. Replete with an extensive and informative introduction by the editor, *The Physiology of Love and Other Writings* also excerpts Mantegazza's works of science fiction, memoir, and social and cultural criticism. As an anthology of the works of Paolo Mantegazza, a writer of diverse topical orientations, this volume is also an account of the circulation of ideas and cross-fertilization of disciplines that defined a crucial period of Italian and European cultural life.

Archetypes Elémire Zolla, 2015-06-18 Man is dominated by his archetypes; they mould not only his history but his dreams. But how are we to define and evaluate them? Is it perhaps possible for us to relate more creatively to them? Originally published in 1981, these are some of the questions raised by this title. To answer them the author gathered together a vast amount of material drawn from Eastern and Western traditions, from science, literature, art and poetry. The answers he puts forward are often highly original and will surely challenge many of our most cherished patterns of thought. There emerges from this book what can only be described as a global metaphysical system, yet the author's language is not that of an ordinary metaphysical treatise, and what he writes offered new challenge and hope to those suffering from the despair and cynicism engendered by a great deal in modern society at the time. Zolla does not, however, advocate a return to earlier historical patterns, nor is he proposing a new Utopia, but rather offers us a brilliant series of lessons in the art of centring. In the words of Bernard Wall, writing in the *Times Literary Supplement*, Zolla's 'deep, polymathic probing of the terms of human existence makes it sensible to compare him with Simone Weil, while some of his conclusions about ultimate mysteries - expressed in signs, symbols and sacraments, the sense of which we have lost - will make us think of the later T.

S. Eliot’.

Bondage. Manuale Pratico Per Iniziare. Ediz. Inglese Davide La Greca,2018

Understanding Our Mind Thich Nhat Hanh,2002-02-09 Nautilus Award Finalist The renowned Zen’s monk’s profound study of Buddhist psychology—with insights into how these ancient teachings apply to the modern world Based on the fifty verses on the nature of consciousness taken from the great fifth-century Buddhist master Vasubandhu and the teachings of the Avatamsaka Sutra, Thich Nhat Hanh focuses on the direct experience of recognizing, embracing, and looking deeply into the nature of our feelings and perceptions. Presenting the basic teachings of Buddhist applied psychology, *Understanding Our Mind* shows us how our mind is like a field, where every kind of seed is planted—seeds of suffering, anger, happiness, and peace. The quality of our life depends on the quality of the seeds in our mind. If we know how to water seeds of joy and transform seeds of suffering, then understanding, love, and compassion will flower. Vietnamese Zen Master Thuong Chieu said, “When we understand how our mind works, the practice becomes easy.”

Tantra Georg Feuerstein, Ph.D.,1998-07-28 A leading yoga researcher offers a clear and lively introduction to the history, philosophy, and practice of the Tantric spiritual tradition *Tantra*—often associated with Kundalini Yoga—is a fundamental dimension of Hinduism, emphasizing the cultivation of “divine power” (shakti) as a path to infinite bliss. *Tantra* has been widely misunderstood in the West, however, where its practices are often confused with eroticism and licentious morality. *Tantra: The Path of Ecstasy* dispels many common misconceptions, providing an accessible introduction to the history, philosophy, and practice of this extraordinary spiritual tradition. The Tantric teachings are geared toward the attainment of enlightenment as well as spiritual power and are present not only in Hinduism but also Jainism and Vajrayana Buddhism. In this book, Georg Feuerstein offers readers a clear understanding of authentic *Tantra*, as well as appropriate guidance for spiritual practice and the attainment of higher consciousness.

The Illustrated Manual of Sex Therapy Helen Singer Kaplan,1987 First Published in 1989. Routledge is an imprint of Taylor & Francis, an informa company.

Osho Zen Tarot Osho,1995-04-15 Osho Zen Tarot, from the #1 bestselling mystic and spiritual author Osho! When life seems to be full of doubt and uncertainty we tend to look for a source of inspiration: what will happen in the future? What about my health, the children? What will happen if I make this decision and not that one? This is how the traditional tarot is often used, to satisfy a longing to know about the past and future. The Osho Zen Tarot focuses instead on gaining an understanding of the here and now. It is a system based on the wisdom of Zen, a wisdom that says events in the outer world simply reflect in the outer world simply reflect our own thoughts and feelings, even though we ourselves might be unclear about what those thoughts and feelings are. So it helps us to turn our attention away from outside events so we can find a

new clarity of understanding in our innermost hearts. The conditions and states of mind portrayed by the contemporary images on the cards are all shown as being essentially transitional and transformative. The text in the accompanying book helps to interpret and understand the images in the simple, straightforward and down to earth language of Zen.
