Un po' pellegrinaggio e un po' seduta spiritica, questo libro porta dalla Sardegna di Grazia Deledda all'America di Marguerite Yourcenar, dalla Francia di Colette all'Oriente di Alexandra David-Néel, dall'Africa alla Danimarca di Karen Blixen, all'Inghilterra di Virginia Woolf. Un lunghissimo viaggio in case-museo che, attraverso mobili e suppellettili, stanze e giardini raccontano la storia sentimentale delle più significative scrittrici del Novecento. Da Parigi alla Provenza, dal Kenya al Maine, da Copenhagen al Tibet, Sandra Petrigani le cerca nei loro oggetti, interroga i loro diari, la poltrona in cui si sedevano, il portafortuna da cui non si separavano, ma anche (in alcuni casi) le persone che ancora conservano un ricordo vivo di loro. Così il viaggio, concretissimo, diventa favoloso, un giro del mondo dove a ogni tappa è come se le protagoniste in persona aprissero la porta e svelassero sottovoce i segreti della vita coniugale e di passioni travolgenti, i nodi edipici e le fragilità che le hanno rese grandi scrittrici, ma anche donne tremendamente vulnerabili. E alle loro vicende s'intrecciano quelle dei loro uomini e delle loro amiche, in un caleidoscopio di presenze, da Vanessa Bell a Katherine Mansfield a Natalie Clifford Barney (l'«Amazzone») a Vita Sackville-West, che hanno contribuito a fare del Novecento un secolo leggendario. Le mele nel tinello della Yourcenar e il suo cane ancora vivo, il tempio tibetano ricreato a Digne dalla David-Néel o la stanza chiusa che fu sua nel monastero del Sikkim dove si ritirò in meditazione, la Barbaglia della Deledda con le fate e i folletti che influenzarono la sua fantasia, il grammofono della Blixen portato con sé dalla sua Africa in ricordo dell'uomo che aveva amato e perduto per sempre...Sandra Petrigani ascolta «la voce delle cose» e la traduce nelle affascinanti storie di questo libro.

A bright, science-minded boy goes to the beach equipped to collect and examine flotsam--anything floating that has been washed ashore. Bottles, lost toys, small objects of every description are among his usual finds. But there's no way he could have prepared for one particular discovery: a barnacle-encrusted underwater camera, with its own secrets to share . . . and to keep. Each of David Wiesner's amazing picture books has revealed the magical possibilities of some ordinary thing or happening--a frog on a lily pad, a trip to the Empire State Building, a well-known nursery tale. In this Caldecott Medal winner, a day at the beach is the springboard into a wildly imaginative exploration of the mysteries of the deep, and of the qualities that enable us to witness these wonders and delight in them.

Carter, Claire e Gavin ora sono una piccola famiglia perfetta. Attorno a loro gli amici si sposano, crescono, maturano, si preparano ad affrontare il futuro. Be', non esattamente... In effetti, dal giorno in cui Claire ha afferrato il bouquet di nozze della sua amica Liz, le cose hanno cominciato a precipitare: tra sbornie imbarazzanti, disastrose proposte di matrimonio, manette di peluche e chili di biscotti al cioccolato, Claire e Carter non riescono più a parlarsi con sincerità. E se a questo si aggiunge l'intervento non richiesto di una comitiva di amici più pazzi di loro, gli equivoci non possono che aumentare! Ma per fortuna il più dolce dei finali può arrivare anche dopo una storia d'amore a dir poco non convenzionale... Un nuovo spassosissimo capitolo della serie *Chocolate Lovers*.

Prima di diventare il principale teorico del linguaggio del fumetto al mondo, Scott McCloud ha contribuito a innovare quello stesso linguaggio con la sua serie *Zot*, negli anni Ottanta. Questo volume raccoglie tutta la run in bianco e nero della storica testata, con commenti episodio per episodio a cura dello stesso autore e materiali rari o inediti a corredo. La storia di Jenny e Zot, abitanti di due terre parallele, una tristemente uguale al nostro mondo, l'altra utopistica ed epurata da ogni infelicità, è la storia di un incontro destinato a cambiare profondamente la giovane studentessa, il biondo eroe, e noi lettori. Per sempre.

'And it happened when Martine or Philippa spoke to Babette that they would get no answers, and would wonder if she had even heard what they said ... Orshe would sit immovable on the

three-legged kitchen chair, her strong hands in her lap and her dark eyes wide open, as enigmatical and fatal as a Pythia upon her tripod. At such moments, they realised that Babette was deep, and that in the soundings of her being there were passions, there were memories and longings of which they knew nothing at all.' Babette's Feast is a sublime celebration of eating, drinking and sensual pleasure. In Isak Dinesen's life-affirming short story, two elderly sisters living in a remote, god-fearing Norwegian community take in a mysterious refugee from Paris one night - and are rewarded for their kindness with the most decadent, luxurious feast of a lifetime.

Lev Golinkin nasce a Char'kov, in Ucraina, nel 1980. La Guerra Fredda e l'Unione Sovietica sono al tramonto. Era un'epoca di macchinoni neri e di sparizioni notturne, informatori del KGB appostati a ogni finestra, umiliazioni, paura e violento antisemitismo. I genitori di Lev desideravano per lui e sua sorella, Lina, una vita migliore, ma le frontiere erano ancora sigillate e il sogno dell'America lontanissimo. Poi, alla fine del 1989, si aprì uno spiraglio per la fuga – una fuga definitiva – e i Golinkin, insieme a centinaia di migliaia di ebrei sovietici, rischiarono tutto per riuscirci. Ma dovevano fare in fretta: girava voce che a partire dal 31 dicembre l'America non avrebbe accolto più nessuno. Vivace, emozionante, venato di humour nero, Uno zaino, un orso, e otto casse di vodka è un viaggio nella follia totalitaria che snatura la vita e le coscienze di adulti e dell'infanzia, visto dalla prospettiva personale di un bambino vulnerabile ma ostinato, costretto a vivere in un Paese che non lo vuole. Ma è anche la storia dell'uomo Golinkin diventato americano, che torna in cerca delle tante persone che avevano reso possibile la sua fuga, per ritrovare il senso di quella solidarietà umana, unica superstite di un'epoca di grandi macerie.

There was time when my country was the country of fairy tales, a country where every child would want to grow and play. This is the story of the author's physical and emotional journey from her war-torn homeland, Somalia. Some time after the military coup in 1969 Shirin left Mogadishu and moved to Italy to make a new life and home for herself and her family. Since then she has crossed continents and lived in several cities, facing the challenge of integrating with many different kind of society before settling in England in 2010. This book encapsulates her reflections on the Somali diaspora.

È la primavera del 1996 a Sarajevo e Hanna Heath, trentenne restauratrice australiana di manoscritti e libri antichi, giunge nella capitale bosniaca devastata da cinque anni di guerra civile e ancora sotto il fuoco dei cecchini. Deve restaurare la Haggadah di Sarajevo, un manoscritto ebraico prodotto in Spagna in età medievale e ricco di inusuali e variopinte miniature; un'opera preziosa e fondamentale nella storia dell'ebraismo, che fu salvata dal bibliotecario musulmano del Museo di Sarajevo quando, negli anni Quaranta, i nazisti e i famigerati reparti della Mano Nera cercarono di impadronirsene. È dalla voce di Hanna che apprendiamo la magnifica storia del libro, una vicenda fatta di macchie di vino e di sangue, di splendidi fermagli smarriti, di farfalle di montagna, di storie d'amore e di vigliaccheria, di secoli di splendore e di decadenza, di gloriose città, la Siviglia del 1480, la Tarragona del 1492, la Venezia del 1609, la Vienna del 1894, e di uomini giusti.

This collection of Japanese fairy tales is the outcome of a suggestion made to me indirectly through a friend by Mr. Andrew Lang. They have been translated from the modern version written by Sadanami Sanjin. These stories are not literal translations, and though the Japanese story and all quaint Japanese expressions have been faithfully preserved, they have been told more with the view to interest young readers of the West than the technical student of folk-lore.... In telling these stories in English I have followed my fancy in adding such touches of local color or description as they seemed to need or as pleased me, and in one or two instances I have gathered in an incident from another version. At all times, among my friends, both young and old, English or American, I have always found eager listeners to the beautiful legends and fairy tales of Japan, and in telling them I have also found that they were still unknown to the vast majority...

Another classic picture book from the Smarties Prize-winning partnership behind *Tadpole's Promise* "On top of a mountain there lived a fat mammoth. Down in the valley there lived a thin caveman. But a mouthwatering Mammoth Pie turns out to be more difficult to come by than the caveman could ever imagine.

These five rich, witty and magical stories from the author of *Out of Africa* include one of her most well known tales, 'Babette's Feast', which was made into the classic film. It tells the story of a French cook working in a puritanical Norwegian community, who treats her employers to the decadent feast of a lifetime. There is also a real-life Prospero and his Ariel in 'Tempests', a mysterious pearl-fisher in 'The Diver' and a brief, tragic encounter in 'The Ring'. All the stories have a mystic, fairy-tale quality, linked by themes of angels, the sea, dreams and fate. They were among the last to be written by Isak Dinesen, and show her as a master of short fiction.

National Book Award Finalist A heartstrong story of family and romance, tribulation and tenacity, set on the High Plains east of Denver. In the small town of Holt, Colorado, a high school teacher is confronted with raising his two boys alone after their mother retreats first to the bedroom, then altogether. A teenage girl—her father long since disappeared, her mother unwilling to have her in the house—is pregnant, alone herself, with nowhere to go. And out in the country, two brothers, elderly bachelors, work the family homestead, the only world they've ever known. From these unsettled lives emerges a vision of life, and of the town and landscape that bind them together—their fates somehow overcoming the powerful circumstances of place and station, their confusion, curiosity, dignity and humor intact and resonant. As the milieu widens to embrace fully four generations, Kent Haruf displays an emotional and aesthetic authority to rival the past masters of a classic American tradition.

"Those who find ugly meanings in beautiful things are corrupt without being charming. This is a fault. Those who find beautiful meanings in beautiful things are the cultivated. For these there is hope. They are the elect to whom beautiful things mean only Beauty. There is no such thing as a moral or an immoral book. Books are well written, or badly written. That is all." ? Oscar Wilde, *The Picture of Dorian Gray* A man sells his soul for eternal youth and scandalizes the city in Oscar Wilde's *The Picture of Dorian Gray*.

As the Reverend John Ames approaches the hour of his own death, he writes a letter to his son chronicling three previous generations of his family, a story that stretches back to the Civil War and reveals uncomfortable secrets about the family of preachers. Reader's Guide available. Reprint.

The Kamishibai man used to ride his bicycle into town where he would tell stories to the children and sell them candy, but gradually, fewer and fewer children came running at the sound of his clappers. They were all watching their new televisions instead. Finally, only one boy remained, and he had no money for candy. Years later, the Kamishibai man and his wife made another batch of candy, and he pedaled into town to tell one more story—his own. When he comes out of the reverie of his memories, he looks around to see he is surrounded by familiar faces—the children he used to entertain have returned, all grown up and more eager than ever to listen to his delightful tales. Using two very different yet remarkable styles of art, Allen Say tells a tale within a tale, transporting readers seamlessly to the Japan of his memories.
