An erotic novel

Editrix extraordinaire Rachel Kramer Bussel tried on a latex dress and instantly discovered the very special and very sensual pleasures of fetish fashion, "It was way better than being naked. I felt divine, trapped inside this sleek, erotic cave. I never wanted to get out." Thus inspired, she set about collecting the sinfully seductive stories in Lust in Latex. Rubber, latex and PVC all cling to the skin and have the power to make their wearers feel sensual, sexy, and aroused. In this collection, the world's hottest erotic authors make the most of the sensual potential inherent in getting suited up. Hang out with a "Tire Stud," learn "How to Liven Up a Boring Party," and go "From Solid to Liquid" in these tantalizing adventures. Get ready to enter a world where the most sensual material gets slipped on tightly, then polished, stroked, and caressed while the bodies inside heat up with desire. Find out why everything, from flirting to spanking to going all the way, is better in rubber.

Every word counts in each of these stories that get right to the point. Rachel Kramer Bussel has gathered together a plentitude of short, original erotica stories spanning every way you can "get it on" in every kind of setting, with a wild and wide variety of sexual orientation -- quickie sex threesomes, sex toys, public sex, BDSM, fetishes, fantasies and MUCH more. These stories aren't all about quickie sex, though there's plenty of that. There are strangers who meet and know right away they must have each other, neighbors, travelmates, coworkers, as well as long-term couples such as those in "After Ten Years" and "Remembering the Wrinkles" who are looking for ways to hold on to that spark. There are stories of sex in libraries, vacation sex, and lots of outdoor sex, in the rain, in the street—all over. There are pecan rolls dripping in caramel, and meals where lovers feast on nothing but each other. There are even a few stories with no actual sex in them at all and readers will have plenty of fun finding them!

The erotic stories within this naughty book might be brief, but their impact is lasting. Read at the risk of getting turned on again and again. Every single dirty experience described is insanely arousing - especially once you remember that it all actually happened.

Reese Witherspoon's Book Club Pick A lively, sexy, and thought-provoking East-meets-West story about community, friendship, and women's lives at all ages—a spicy and alluring mix of Together Tea and Calendar Girls. Every woman has a secret life . . . Nikki lives in cosmopolitan West London, where she tends bar at the local pub. The daughter of Indian immigrants, she's spent most of her twenty-odd years distancing herself from the traditional Sikh community of her childhood, preferring a more independent (that is, Western) life. When her father's death leaves the family financially strapped, Nikki, a law school dropout, impulsively takes a job teaching a "creative writing" course at the community center in the beating heart of London's close-knit Punjabi community. Because of a miscommunication, the proper Sikh widows who show up are expecting to learn basic English literacy, not the art of short-story writing. When one of the widows finds a book of sexy stories in English and shares it with the class, Nikki realizes that beneath their white dupattas, her students have a wealth of fantasies and memories. Eager to liberate these modest women, she teaches them how to express their untold stories, unleashing creativity of the most unexpected—and exciting—kind. As more women are drawn to the class, Nikki warns her students to keep their work secret from the Brotherhood, a group of highly conservative young men who have appointed themselves the community's "moral police." But when the widows' gossip offers shocking insights into the death of a young wife—a modern woman like Nikki—and some of the class erotica is shared among friends, it sparks a scandal that threatens them all.

It was inspired by numerous news reports about the prevalence and attitudes among teens towards certain types of sexual behavior, and is intended to engage readers in this real-life issue in a responsible and constructive fashion.

And to that end, Rachel Kramer Bussel offers Bottoms Up, another delicious collection of stories that celebrates the pleasures of an inviting bum turned rosy red by hand, crop, whip, or paddle. Whether written from the perspective of the spanker or the spankee, those who crave discipline or those discovering for the first time how good being bad can feel, each vivid tale trembles with erotic pleasure. Bottoms Up is essential reading for those with endless capacities to have their bare bottoms soundly smacked, those who revel in delivering the deliciously ecstatic pain to a lover, or those who simply believe in turning the other cheek — over and over and over again. Who knew that BDSM would become the biggest trend in book publishing? Rachel Kramer Bussel did and has emerged as one of the top writers, editors and experts on the subject. Serving Him pays homage to those irresistible men who control their partners with a glance, a pair of handcuffs, or a firm smack on the bottom. As true tops, the bossy hunks in these stories understand that erotic BDSM is about exulting in power that is freely yielded. Rachel and her coterie of contributors cover the full range of the male dom's brand of sensual sadism, from spanking and bondage to public sex and power exchange.

This volume combines up-to-date market listings with advice from working professional erotica writers on everything from style and pseudonyms to research and tax deductions for erotic writers.
