Up-to-date volume, organized for quick access to phrases related to greetings, transportation, shopping, emergencies, other common circumstances. Over 700 entries include terms for modern telecommunications, idioms, slang. Phonetic pronunciations accompany phrases.

The books in this delightful series make learning a new vocabulary fun and easy by combining it with coloring pictures--something that virtually every young child loves to do. While they color, kids learn eighty everyday words, such as the names of the seasons, various animals, parts of the body, articles of clothing, and more. The coloring books contain: 59 full-page illustrations, alphabetically organized Culturally appropriate subjects, such as labandera, showing the flags of Spain and Mexico or l'immeuble, showing a typical Parisian apartment building. A glossary featuring translations and a pronunciation guide A review puzzle to test how much has been learned The books in the Let's Learn

Coloring Book series are a great resource for parents, teachers, and care-givers who want to foster a love of language in children, and a valuable tool for reinforcing at home the language study kids get in school.

Easy German Phrase Book is an excellent resource for both serious German language learners or for the casual traveler who's planning a visit to Germany. The book comes packed with 1500 commonly used phrases in German, English and a pronunciation guide to make sure you say the phrases correctly.

"Wish you could find giggle-inducing tween books for girls?" "Tired of young teen fiction that drags you down? Then try..."

The Day I Washed My Face in the Toilet A laugh-out-loud novel that's perfect for girls and young teens! All 14-year-old Monica Bloomfield wants is to spend August at a science camp far away from her idiot sister and weird little brother. Trouble is, Monica's being dragged into the wedding party of her crabby old great aunt who lives in England-and if she wants to earn that science camp, she has to keep her siblings in line for the entire trip, plus convince her crazy Grandma to move into a nursing home pronto. Monica's determined to succeed, but things start out badly-and go downhill fast. First, her hyperactive brother overdoses on caffeine right before their eight-hour flight to England. Then a botched wine-tasting party ends so badly that even a policeman is left speechless (and in need of a new uniform). Getting into science camp isn't going to be easy-especially with a rampaging bull, drunk parrot and the most gorgeous guy in the universe standing in her way. "The Day I Washed My Face In The Toilet" is a fast-paced tale about a girl trying to have a positive impact on her world and see social injustices corrected-with hilarious results, and one badly-mangled bridesmaid's dress. A Personal Note From The Author: Unfortunately, I came up with the title of this book-and a pretty big chunk of the plot-line-the day I washed my face in a toilet. In my defense, we were living in the middle of nowhere, and a brutal storm had left us with no hydro, no heat, no lights and no running water for almost a week. I was cold and grimy, and by the fifth day

I snapped. I pulled the top off the toilet tank and peered in. The water had been sitting there for days, so it smelled really funky. Also, every chain and bobbly thing in there was covered with a thick layer of (and here, I'm using the scientific term) bleck. Still, I was desperate. So I used the slimy toilet tank water and had what was probably the fastest sponge bath on record. Sadly, the curry incident happened to me, too. Shortly before I boarded an eight-hour flight from England to Canada, a friend took me out for a huge curry feast. I'd never had curry, and my intestines weren't sure what to do with the stuff, so they promptly rejected it. I developed a massive case of explosive curry farts. I kept my coat zipped up for the entire flight home, hoping that would hide the smell. It didn't. Toxic gasses trickled out through the neck of the coat, assaulting me and all of the passengers who were stuck sitting around me. Ironically, the coat made the problem worse, because it made me sweat-I was leaking curry vapors out of every pore of my body. This book is a labor of love-but it's laced with some of my most cringe-worthy experiences, too! "If you're on the look-out for great books for girls or young teens-and you don't need vampires or zombies to make you happy-then this one's for you!" Want to read more? Just scroll up and click the Look Inside feature on the top left hand side of the page.

Teach Me Everyday Spanish

Hola como estas ¿Quieres aprender o mejorar tu español? If you want to learn how to speak Spanish with complete confidence without having to relocate to a Spanish-speaking country for months or even years, then this audio book is for you. "God Made This/Dieu a fait ceci" is an English/French bilingual book for children. This is Volume 5 in the series and this is Level 1 for infants to toddlers. The books in this juvenile non-fiction series are intended to teach reading in two languages; they are not "story" books. This book includes single words and pairs of words for the ear training of infants as well as toddlers. The pictures help infants associate sounds with symbols--images at first and ultimately words at the toddler level and beyond. Toddlers will be able to repeat words, word pairs, phrases, and brief sentences aided by the picture cues. They will gradually be able to read the words using the printed word as their cue. This volume presents images of the natural world around us and are of high interest to young children. The natural environment, earth, sky, water features, animals, flowers, fruits, vegetables, and a variety of types of people are included. The book teaches that "God made this." Color photos and illustrations were carefully selected to captivate your child's interest. Words and sentences were judiciously chosen and crafted to facilitate learning for both age groups. Words are re-entered throughout the book to help your child feel a sense of accomplishment. It is suggested that only one language be read at a time. Start with the child's first or "maternal" language for several reading sessions, then introduce the second language. At no time should the two languages be read during the same session. This volume should be of interest to English speakers who want to teach their child(ren) French as well as French speakers who wish to teach their child(ren) English. In addition, speakers of other languages will find the book useful for teaching their child(ren) both French and English. The books are ideal for day care centers, preschools, and elementary schools that offer or wish to include bilingual education or ESL in their educational programs. These bilingual print books and ebooks are suitable for the bilingual education of young people from infant to early elementary school. These bilingual print books and ebooks for children can play a major role in any bilingual or ESL education program for children. There are four

levels for each topic or title making it easier for ESL or bilingual children to progress from one level to the next. Level 1 is for infants and toddlers and would be primarily read by parents. Level 2 is for toddlers and pre-schoolers and could be used by parents for the younger children or by day care and pre-school personnel in environments where an English/French bilingual component is included in the program. Level 3 is for pre-schoolers through kindergarten. And level 4 is intended for K-2. There is a full range of topics, 20 volumes in all, in the series of English/French print and ebooks that provide a thorough preparation in English/French education. Offering children's print books as well as children's ebooks provides parents, caregivers, and teachers with a choice and flexibility of format to meet the needs of child education. Children's bilingual print books have the advantage of convenience of use while children's bilingual ebooks include media and are easier to store, making children's bilingual education more accessible and convenient than ever before. These are not fiction story books or picture books. They are juvenile non-fiction bilingual print books and ebooks that are educational in nature, scope, and purpose. As such they meet the academic content standards for juvenile non-fiction bilingual education. For book examination and consideration by schools and teachers these books may also be categorized as juvenile non-fiction education French, juvenile non-fiction languages French, and juvenile non-fiction English/French. The BISAC Category is FOR018000 Foreign Language Study / Multi-Language Phrasebooks.

Presents a musical journey through the day with Marie and her family to learn Spanish with songs, common expressions, colors, numbers, the alphabet, and more.

There's a difference between learning a language and being able to speak it with the familiarity of a native speaker. This book fills that gap, clarifying tricky words and expressions and illuminating the finer points of Spanish wordplay and double meanings.

Intermediate through advanced Streetwise Spanish presents the colloquial and slang expressions that students need and want to know but usually do not learn in their Spanish classes. The 15 chapters contain short dialogues, translations of the dialogues, explanations of the colloquial and slang expressions, authentic jokes, cartoons from Spanish publications, and exercises. Note: This text includes "earthy" and vulgar expressions! Each dialogue presents universal Spanish idioms and also includes slang from a particular country or city that is identified in the introductory line of the dialogue. Alternate forms used in other areas are explained in the vocabulary notes.

After failing to learn a new language on five separate occasions, I taught myself to speak Spanish like a native in just six months by watching

movies and TV shows, listening to music, and reading books and comics like Harry Potter and Garfield. This simple, easy-to-learn technique, that even the most linguistically-challenged can master literally overnight, is used by many of the most respected and skilled polyglots and language teachers in the world, and it's never really been laid out, explained, and demonstrated in full, point-by-point, step-by-step detail until now. When characters in a movie or TV show are speaking the dialogue, unless it's set in a previous period like the 1800s or something, they speak normal, everyday language. So if you wanted to learn Spanish, the type of normal everyday Spanish that native speakers use every day, aka "conversational Spanish"... Don't you think that Spanish-language TV shows, movies, music, and books might be a good source to learn from...if only you knew how? Not only that, but it would be fun, wouldn't it? Far better than learning the language from some boring, dry textbook or workbook that, even worse, is teaching outdated, formal, "non-conversational" Spanish (look at the dialogue in one sometime: do people actually talk like that? No). The basic technique is obvious: consume popular Spanish-language media and try to learn what they're saying by looking up what you don't understand. Sure. But the issue is twofold: 1) The problems you will inevitably run into (how do I apply what I've learned? how do I ensure I'm not misunderstanding the meaning and thereby learning something incorrect? where do I look things up? what if it's not in the dictionary and Google Translate isn't cutting it? etc.), and... 2) How do we do things as efficiently as possible? If you're a beginner you're going to have to sort out how to do this all on your own, how to solve any problems you might run into on your own, while probably doing many things less effectively and slower than is necessary. I've already learned all this stuff the hard way, I've made many of the mistakes you would if you went this alone, let me just save you a ton of time, trouble, and possibly money by teaching you what I already know from experience. Has this basic technique been used for centuries by language students and teachers alike? Yes, there are records dating back to the 18th century of language teachers using popular media in the language they're teaching to help their students learn it. I'm not claiming to have invented it. What I've done here is, after having used and refined the technique myself for several years, distilled it down to a system that's easy to learn, and which is taught in a format that's organized, easy to understand, and which takes advantage of all the latest technology, such as the all the various resources available on the internet now.

The verbal section of the GRE is essentially a vocabulary test. With a few exceptions, if you know the word, you will probably be able to answer the question correctly. Thus, it is crucial that you improve your vocabulary. Even if you have a strong vocabulary, you will still encounter unfamiliar words on the GRE. Many students write off questions, which contain words, they don't recognize. This is a mistake. This book introduces numerous techniques that decode unfamiliar words and prod your memory of words you only half-remember. With these techniques, you will often be able to squeeze out enough meaning from an unfamiliar word to answer a question correctly. Nevertheless, don't rely on just these techniques--you must study word lists. Obviously, you cannot attempt to memorize the dictionary, and you don't need to. The GRE tests a surprisingly limited number of words, and this book has 4000 prime candidates. Granted, memorizing a list of words is rather dry, but it is probably the most effective way of improving your performance on the verbal section. All the words you need for success on the GRE! Features: * 4000 Words Defined * Word Analysis section * 200 Prefixes, Roots, and Suffixes * Concise, practical definitions
Ages 2 to 12 years. Book & CD. Includes a 45-minute CD and 20-page colouring book that includes all lyrics and translations.

A top-selling teacher resource line, The 100+ Series(TM) features over 100 reproducible activities in each book! Help your student form a solid understanding of the Spanish language. This book will be a valuable resource for doctors, nurses and other healthcare professionals who deal with Spanish speaking patients. It is a guide that contains the key and most frequently used healthcare terms. It will also be useful for Spanish speaking nurses who want to have a better communication while interacting with English speaking healthcare professionals.

Are you planning on visiting a Spanish speaking country, but you don't know a word of Spanish? Do you feel like there is just no time in your busy day to learn a new language? Maybe you want to learn Spanish, but you're afraid it will be boring and useless? The thought about traveling to a new country where you can't understand or speak the language can sound scary. But it doesn't have to be. People who think about learning a new language can be filled with dread by the amount of studying and effort that has to be put into it. Learning a new language the right way can be fun and easy Meaning you don't have to be hunched over multiple

Spanish textbooks, studying multiple hours a day. Instead, this book uses interval training. You can learn vocabulary, grammar, and phrases for just 10 minutes a day. In 2016 a study, called "The Right Time to learn" by Paul Smolen for the NCBI journal, he states, "studying] with any considerable number of repetitions a suitable distribution of them over a space of time is decidedly more advantageous than the massing of them at a single time." Meaning you should study for 10-minute intervals every day, to maximize your long term Spanish learning goals. In this book, you will find it easy to understand vocabulary, grammar, and everyday phrases. With just 10 minutes a day, Spanish doesn't need to be hard or impossible to understand. In this eye-opening book, you will find: How understanding 2 of these words is essential in everyday Spanish-and how to use them without making a mistake How you can learn enough Spanish in just 45 days using this one simple studying technique How to use feminine and masculine pronouns correctly - even if you find them confusing The absolute worst 5 common mistakes you could be doing right now as a Spanish learning speaker - and how to avoid them at all cost Why these 6 mystery phrases are essential in everyday restaurant conversations - and when to use them without sounding confused The 23 must need phrases if you ever hope to communicate with Spanish speakers - and when to use them to communicate your wants What native Spanish speakers know about conversing in everyday Spanish by using these 10 simple phrases - and non-native speakers don't Why this crucial mistake on understanding the difference between estar- and ser- could cause you trouble and confusion in social situations - and how to correct yourself in those situations and much, much more Committing to Spanish lessons is hard enough. By understanding the science behind Interval training, you can master the vocabulary, grammar, and everyday phrases used in Spanish. So if you want easy to understand Spanish lessons, 10 minute guided lessons, and much more, click "Add to Cart" now

Presents a musical journey through the day with Marie and her family to learn Chinese with songs, common expressions, colors, numbers, the alphabet, and more.

Dear Readers: I have recently improved and updated this book! I hope you enjoy it!This book is intended to be a basic introduction to Spanish as it's spoken in Argentina (and likely also in Uruguay). The grammar of Argentine Spanish is essentially the same as in standard Latin American Spanish; the main difference being the use of the pronoun "vos". For that reason I have provided the verb forms as they correspond to that pronoun (rather than the pronoun "tú" of Standard Spanish), since Argentines rarely use the pronoun tú, even though they certainly understand it. I've also included a chapter that explains the "voseo" more in detail, as well as a chapter that talks about pronunciation and vocabulary differences in Argentine Spanish when compared to Standard Spanish.PLEASE NOTE: This book is NOT a book on Argentine slang (although it may contain a few slang words). For those, interested in slang words (Argentine slang is commonly referred to as "lunfardo"), I recommend looking for a book or article specifically on that topic.This book contains a pronunciation guide, phrases useful in daily life, important vocabulary and basic grammar. It does not contain audio cds, photos or tourist information.

You're reading this because for one reason or another, you want to learn how to speak everyday Spanish. Whether you want a field guide for Spanish to help get you through day-to-day interactions or a reference to help you understand the language on a

deeper level, this is the perfect book for you.

Spanish is a fun, social activity! What makes "Spanish with Amigos" different from the many other Spanish books out there is that instead of studying Spanish by yourself, this book was designed for you to practice your Spanish conversation skills right from the start with a friend (an intercambio), a conversation group (grupo de conversación), or even a beginning Spanish conversation class (clase de conversación). "Spanish with Amigos" has been intentionally designed to be very simplistic - with little grammar included. Each of the 22 topics start with a manageable vocabulary list of 12-20 words/phrases, including a phonetic pronunciation guide, such: Good morning. / Buenos días. / BWAY-nose DEE-ahs. The topic is immediately followed by role-play ideas and conversational exercises so that you can practice the vocabulary with your co-workers, family, and friends - making Spanish a fun, social activity!

Many Westerners are intrigued by Japanese culture, but only a small percentage of them get to see it up close. Very few of them indeed get as close as Chad Frisk. In his short new book he shares his experiences: - Struggling with and mastering a foreign language - Overcoming culture shock and its neglected cousin, reverse culture shock - Teaching English with no formal training - Breaking into traditional Japanese festivals - Managing cross-cultural miscommunication - Constantly feeling stupid This book is a window into the life of a foreigner in Japan and will appeal to anyone who is considering teaching English abroad, wants to see Japan from the inside without buying a plane ticket, or enjoys the occasional dose of schadenfreude.

If you have ever tried to learn another language, you know that learning it can be an extremely intimidating endeavor. Spanish Now! teaches you the essentials of learning conversation Spanish including:-Proper Grammar-Sentence Structure-Masculine and Feminine Conjugation-Essential Nouns, Verbs and Adjectives-Real Practice Examples! You may feel self-conscious about sounding wrong and not knowing it until someone else laughs or you are corrected. It takes time. You won't be a fluent speaker over night, but Spanish Now! teaches you what you need to know to begin conversing in a few weeks or less! And Most people who are native speakers are actually happy to have the chance to talk in their native language, especially if you are a novice and indicate that you are trying to learn the language. When it comes to learning Spanish, you are already almost half way there because their language structure is extremely similar to English (with a couple of notable exceptions) and so many Spanish words and phrases have crept into everyday usage in the U.S. The biggest challenge with Spanish is vocabulary. Spanish Now! tackles

vocabulary and takes you through the essentials you will need to have a solid Spanish-speaking foundation. Also, Since Spanish is one of the Romance languages, it's pronounced and sounds very different from English. Practicing out loud and watching supplemental videos is encouraged with this book to get the full understanding. Once you get the basics down you will find that having basic discussions is far less intimidating than it initially seems. Spanish Now! gives you the basic guidelines that will help you learn conversational Spanish to speak with anyone. Regardless of the nation a native Spanish speaker is from (ie. Mexico, Argentina, or Spain), you will be able to feel confident that you have the basics to converse in the Spanish language. Buy Spanish Now! and learn Spanish in a few weeks or less!

TRY THIS Innovative exercises illustrate what you've learnt and how to use it.

Chilling with an ice-cold cerveza at a beach bar... Dancing at CDMX's hottest salsa club... Screaming your head off at the Copa América... Drop the textbook formality and chat with the locals in Latin America's everyday language. • What's up? ¿Qué tal? • What a hottie! ¡Que cuerazo! • Let's pound these shots. Tráguemonos estos traguitos. • That ref sucks. Es una mierda ese árbitro/a. • I'm craving all-you-can-eat tacos. Me antoja un poco de taquiza libre. • Do you wanna hook up? ¿Quieres ligar?

Communicate with your Spanish-speaking students and parents as easy as uno, dos, tres A working knowledge of the Spanish language is an indispensable part of an educator's skill set. McGraw-Hill's Spanish for Educators gives you more than 3,000 Spanish words and phrases and the basic grammar needed to use them properly and with confidence. You will learn vocabulary that covers every aspect of a student's school career, from kindergarten enrollment through high school graduation. Designed to get you quickly up and running with all the Spanish you need to build stronger relationships with Spanish-speaking students and families, McGraw-Hill's Spanish for Educators features: English-Spanish mini-dictionary Phonetic translations Bilingual forms and letters for parents Spanish grammar primer Hundreds of practical, hands-on exercises Useful cultural notes

Pictures and humor help readers build their Spanish language skills To its millions of fans, the Pattersons are just like their own families, facing universal issues among daily concerns. Containing a selection of 100 syndicated Spanish-language versions of the strip that is widely

read in Latin America, Laugh 'n' Learn Spanish provides an entertaining and effective way to expand and polish conversational skills in Spanish. Readers learn by understanding and learning natural, everyday verbal interactions at home and about town, following John and Ell Patterson as they attempt to come to terms with middle age; daughter Elizabeth as she spreads her wings and goes off to college; son Michael dating and then marrying his childhood sweetheart, Deanna; daughter April as she rebels against discipline, another grandpa who finds a second love in the autumn of his life. Each strip is graded by difficulty--Beginning, Moderate, or Challenging--and is accompanied by: Glosses that translate difficult vocabulary Usage notes to build proficiency A summarizing activity that tests comprehension Additional exercises for key idioms and word patterns appear at the end of each section

Family traditions become established, sometimes quite by accident and sometimes because "we've always done it that way." But the best family traditions are thoughtfully cultivated. With Hallelujah: Cultivating Advent Traditions With Handel's Messiah, Cindy Rollins leads the way in building a rich Advent tradition for you and your family. Inside you will find: Weekly Scripture passages, hymns, and poems, Daily Messiah listening schedule with background information from Greg Wilbur An overview of the church calendar by Thomas Banks Advent, Christmas, and Epiphany recipes, and Suggestions for celebrating the Advent feasts of St. Nicholas and St. Lucia. Cindy also invited four of her friends to share how they celebrate Advent with their own families.
